**Implemented by
Orissa State Disaster Management Authority
Bhubaneswar**

QUARTERLY REPORT ON IMPLEMENTATION OF GOI-UNDP URBAN RISK REDUCTION PROJECT FOR THE QUARTER ENDING ON 30.09.11

MAIN RESULT AREA I: INSTITUTIONAL STRENGTHENING

1. Formation and meetings of the District/City Disaster Management Authority, Inter agency groups (GO-NGO) and expert/ thematic groups especially related to urban management

City Disaster Management Committees have been constituted in all three programmed Urban Local Bodies (ULBs) (Angul, Bhubaneswar and Talcher). In Bhubaneswar, the Committee has been constituted under the chairmanship of Revenue Divisional Commissioner (Central Division), Cuttack where as in Angul and Talcher, it is headed by the Chairperson of the ULBs concerned.

2. Development of HR strategy for DM by local government (Municipality/ Corporation)

Project Support Associates have been deployed by UNDP in three programmed ULBs to support the implementation of the Programme. They have been oriented at New Delhi on 8th July, 2010. Nodal officers have been designated by the ULBs for monitoring and supervision of the Programme activities.

3. Workshop/consultation meetings to review/update the city plans

- a. The draft City Disaster Management Plan of Angul Municipality has been prepared. All the Emergency Support Functions (ESF) for various disasters have been discussed elaborately. This would be helpful in effective response during emergency and disaster situation. A series of consultations are planned with the line department Officials and stakeholders to improve the response structure for disaster management.
- b. The draft City Disaster Management Plan of Talcher Municipality has been prepared. A consultation meeting with line department Officials and stakeholders under the chairmanship of Sub Collector Talcher is planned to make the DM plan realistic by

incorporating the suggestion, input from them and to improve the response structure for disaster management.

4. EOC strengthening

The City Emergency Operation Center(EOC) of Talcher and Angul Municipalities are strengthened with installation of Computer(Desk Top), Scanner, Printer, Projector with screen, digital camera, Lap Top and External Storage device (Hard Disk) supplied by OSDMA. Besides funds has already been received from OSDMA for Purchase of Computer Table with chairs, Rack,. The desk top has already been provided with Internet connection Steps has already been taken to purchase of the same .The Strengthening of EOC will help in capacity building of Stake holders, Storage of Information of data/information related to URR Project besides it would be helpful in starting the functioning of EOC in the Office of the ULB.

MAIN RESULT AREA II: CAPACITY BUILDING

1. Training programmes for Mayors, City Councilors and Ward Members on CBDRR

Orientations of Community members on Urban Risk and formation of Ward Disaster Management Committees and Disaster Management Teams

- a. Date: 19th and 26th July, 2011
