

National Cyclone Risk Mitigation Project (NCRMP)

National Cyclone Risk Mitigation Project (NCRMP) is a Government of India-World Bank Assisted project to be implemented in 13 States including Orissa. Orissa State Disaster Management Authority (OSDMA) under Revenue and Disaster Management Department, Government of Orissa is the Nodal Agency to implement the project. The project will be funded by Government of India as a Grant to the State through National Disaster Management Authority (NDMA).

The project will be implemented within 10 km of sea coast in the coastal districts of Balasore, Bhadrak, Kendrapara, Jagatsinghpur, Puri & Ganjam. The Government of India will provide 75% of the Project cost as grant and the State Government will bear 25% of the project cost. Construction of multipurpose cyclone shelters, construction of connecting roads to the proposed and existing cyclone shelters and Raising and strengthening of saline embankments are major components under the project. The total project cost proposed in our Investment proposal is for Rs.576.12 crore as per the component allocation detailed below.

(Rs. in crore)

Sl. No	Components	Total	Executing Departments
1	Construction of multi purpose Cyclone Shelters	164.60	Rural Development
2	Shelter connectivity Roads	246.52	Rural Development
3	Raising and strengthening of Saline Embankment	165.00	Water Resources
	Total	576.12	

The project is likely to be sanctioned shortly.

Integrated Coastal Zone Management Programme (ICZMP)

Integrated Coastal Zone Management Programme (ICZMP) is a World Bank funded project to be implemented by the Forest and Environment Department, Government of Orissa. Forest and Environment Department, Government of Orissa is the nodal Department and Chilika Development Authority (CDA) is the nodal implementing agency of the programme. The project will be implemented in two stretches of Coastal Region:

1. Gopalpur- Chilika(including habitat Islands of Chilika lake)
2. Dhamara- Paradeep

OSDMA will execute one Components namely, **Construction of Multipurpose cyclone shelter** under the project. We have submitted Detail Project Reports (DPR) for construction of 14 cyclone shelters in above two stretches of coastal region with a total cost of Rs.14.79 crore, including cost of capacity building and other activities.

The project is yet to be sanctioned.
