Chapter-8 CAPACITY BUILDING MEASURES : 119
8.1 Approach : 120
8.2 Capacity Building of Stakeholders : 120
8.3 District/ Block level Mock Drills : 122
8.4 Preparation of Village Disaster Management Plans (VDMPs) : 123
8.5 Capacity Building of Flood Shelter Maintenance & Management Committee (FSMMC) and Task Force Members (TFM) : 124
8.6 Shelter Level Mock Drills : 124

Chapter-9 PREPAREDNESS : 125
9.1 Relief Lines : District to Blocks : 126
9.2 Relief Line Channels : Block to GPs & Villages : 127
9.3 Resources Available : Response Force & Volunteers : 128
9.4 Usefulness of Satellite Phone During Natural Disasters : 129
9.5 Allotted Important Satellite Phone Numbers of Odisha : 130
9.6 Preparedness at District Level : 132
9.7 Preparedness at Community Level : 133
9.8 Preparedness at Family Level : 133
9.9 Preparedness at Individual Level : 134
9.10 Preparedness of Departments : 134

Chapter-10 RESPONSE : 143
10.1 Response: District : 148
10.2 Response: Community Level : 149
10.3 Response: Family & Individual Level : 149
10.4 Response: Standard Operating Procedures for Departments : 149
10.5 Format for First Information Report (FIR) : 160
10.6 Daily Status Report on Relief/ Restoration Measures Undertaken by Departments : 161

Chapter-11 REHABILITATION & RESTORATION : 163
11.1 Standard Operating Procedure : Restoration & Rehabilitation : 164
11.2 Damage Loss Assessment : 168
11.3 Calculation of Assistance for Agricultural Input Subsidy-SMF : 169
11.4 Agricultural Input Subsidy- Farmers other than SMF : 170
11.5 Farmers Affected by Successive Calamities : 170
11.6 Animal Husbandry (Replacement of Animals) : 171
11.7 Assistance Sought for Repair/ Restoration of Damaged Houses : 172
11.8 Assistance for Provision for Temporary Accommodation, Food, Clothing and Medical Care : 172
11.9 Extent of Damage due to Natural Calamities : 173
11.10 Format for Working out the Requirements under the Head of Repair of Damaged Infrastructure of Immediate Nature : 174

Chapter-12 RECOVERY : 176

Chapter-13 FINANCIAL ARRANGEMENT : 179
13.1 National Disaster Response Fund (NDRF) : 180

13.2	State Disaster Response Fund (SDRF)	:	180
13.3	Chief Minister Relief Fund (CMRF)	:	181
13.3.1	Cases Eligible for Assistance under CMRF	:	181
13.3.1.1	Poor and persons in distress	:	181
13.3.1.2	Aged, differently able, orphans, AIDS affected	:	181
13.3.1.3	Persons affected by calamities or violence	:	182

Introduction

The Disaster Management Act 2005 makes it mandatory on the part of District Disaster Management Authority (DDMA) to adopt a continuous, comprehensive and integrated process of planning, organizing, coordinating and implementing measures whichare necessary and expedient for prevention as well as mitigation of disasters. These processes are to be incorporated in the developmental plans of the different departments and preparedness to meet the disaster and relief, rescue and rehabilitation thereafter, so as to minimize the loss to be suffered by the communities and are to be documented so that it is handy and accessible to the general public at large.

Section 31 of Disaster Management Act 2005 (DM Act) provides directiveto have a disaster management plan in every district. In accordance with the provisions of the DM Act the District Disaster Management Plan (DDMP) of Rayagada shall include Hazard, Risk, Vulnerability and Capacity Assessment (HRVCA), prevention, mitigation, preparedness, response plan and procedures to reduce the impact of various disasters.

1.1 Aims and Objectives of the DDMP

i. To identify the area and locations vulnerable to major types of hazards in the district.
ii. To adopt proactive measures at district level by all the government departments to prevent disaster and mitigate its effects.
iii. To define and assign the different tasks and responsibilities to stakeholders during the pre-disaster and post-disaster phases of the disaster.
iv. To enhance disaster resilience of the people in the district by way of capacity building.
iv. Reduce the loss of public and private property, especially critical facilities and infrastructure, through proper planning.
v. Manage the future development to mitigate the effect of natural hazards in the district.
viii. To develop standardized mechanism to respond to the disaster situation and to manage the disaster efficiently.
x. To prepare a response plan based upon the guidelines issued in the State Disaster Management Plan, so as to provide prompt relief, rescue and search support in the disaster affected areas.
xi. To adopt disaster resilient construction mechanism in the district by way of using Information, Education and Communication for making the community aware of the need of disaster resilient future development.
xii. To make effective use of media in disaster management.

xiii. Preparation of rehabilitation plan of the affected people and reconstruction measures to be taken by different government departments at district level and local authority.

The District Disaster Management Plan of Rayagada is a guide for achieving the core objectivesof mitigation, preparedness, response and recovery in disaster management. This Plan has been prepared to respond to disasters with a sense of urgency in a planned way to minimize the human, property and environmental loss.

1.2 Preparation and Approval of DDMP

The Section 30 of DM Act 2005 defines that, DDMA shall act as the district planning, coordinating and implementing body for disaster management and take all measures for the purpose of disaster management in the district in accordance with the guidelines laid down by the National Authority and the State Authority.

The District Collector will discuss the modalities and seek views for preparation of a holistic District Disaster ManagementPlan in the meeting of the DDMA held in the month of January and to prepare the DDMP by the end of February every year.

After finalisation, the District Authority shall send a copy of the District Disaster Management Plan to the State Disaster Management Authority for approval.

The District Disaster Management Plan should be reviewed and updated annually.

1.3 Evolution of DDMP in brief: Evolution, Procedure and Methodology to be followed for preparation of DDMP

Identified the important line departments in the district and organised an initiation workshop to discuss expected inputs from all the stakeholders and evolved a common framework for preparation of an integrated comprehensive disaster management plan for Rayagada District.

Identified the natural and man-made hazards face this district and the line agencies analysed each hazard in detail, made a quantitative and qualitative assessment of the risks involved and suggested different measures to reduce the risk. The line agencies also suggested measures for preparedness and timely action in the event of a disaster and also actions to prevent disaster wherever possible. It is accepted that suggested measures would address the preparedness at all stakeholder's level such as the public representative, government and private sector, non-government organization and community at a large.

This plan is prepared broadly based on the review of past incidents experienced this district and analysing the vulnerability atlas of Rayagada district. On assessment of HRVC

identified the district's vulnerability to different natural and man-made hazards. Also focused due attention on vulnerable groups and critical infrastructures to minimize the losses through advance preparedness and timely action.

This DDMP is written in the Model Framework of OSDMA and as per the guidelines of NDMA. The final draft plan was sent to the members of DDMA and all the stakeholders of line department for their critical review and their feedback suggestions were incorporated. Then the final plan was accepted and sent to OSDMA for accord the approval.

1.4 Stakeholders and their Responsibilities

- At the District level, District Disaster Management Authority, with the District Collector designated as the Response Officer (RO), and other line departments at district headquarters are responsible to deal with all phases of disaster management within district.

- Other technical institutions, community at large, local self-governments, non-governmental organizations, etc are also stakeholders of the District Disaster Management Plan.

The District Collector

District Disaster Management Authority (DDMA) & District Level Committee on Natural Calamity (DLCNC)are the apex planning body at the district level and will play a major role in preparedness and mitigation. The Collector is the central authority to exercise emergency powers to issue directives in the following ways.

i. To facilitate and coordinate with local Government bodies to ensure that pre and post disaster management activities in the district are carried out.
ii. To assist community training, awareness programmes and the installation of emergency facilities with the support of local administration, non-governmental organizations and the private sector.
iii. To function as a leader of the team and take appropriate actions to smoothen the response and relief activities to minimize the adverse impact of disaster.
iv. To recommend the Special Relief Commissioner and State Government for declaration of disaster.

Local Authorities

i. To provide assistance to the District Collector in disaster management activities.
ii. To ensure training of its officers and employees and maintenance of resources so as to be readily available for use, in the event of a disaster.

iii. To undertake capacity building measures and awareness and sensitization of the community.
iv. To ensure that all construction projects under it conform to the standards and specifications laid-down.
iv. Each department of the Government in a district shall prepare a disaster management plan for the district. The local authorities need to ensure that relief, rehabilitation and reconstruction activities in the affected area, within the district, are carried out.
v. Trust/organisations managing places of worships andcongregation.
vi. Each establishment/organisation identified as critical infrastructure and key resources, including places of congregation in a district shall prepare on-site and off-site disaster management plan.
vii. Carry out mitigation, response, relief, rehabilitation and reconstruction activities.

Private Sector

i. The private sector should be encouraged to ensure their active participation in the pre-disaster activities in alignment with the overall plan developed by the DDMA or the Collector.
ii. They should adhere to the relevant rules regarding prevention of disasters, as may be stipulated by relevant local authorities.
iii. As a part of Corporate Social Responsibility, undertake Disaster Risk Reduction projects in consultation with District Collector for enhancing district's resilience.

Community Groups and Volunteer Agencies

i. Local community groups and voluntary agencies including non-government organisations normally help in prevention and mitigation activities under the overall direction and supervision of the DDMA or the Collector.
ii. They should be encouraged to participate in all training activities as may be organized and should familiarise themselves with their role in disaster management.

Citizens

It is the duty of every citizen to assist the District Collector or such other person entrusted with or engaged in disaster management whenever demanded generally for the purpose of disaster management.

1.5 Plans for Review and Updating: Periodicity

- Dissemination - The plan must be disseminated to use at all level in the district for effective disaster management.

- Revise and Maintain - Planning teams should establish a process for reviewing and revising the plan. Reviews should be a recurring activity. Review on an annual basis is

considered minimum. It should be mandatory to consider reviewing and updating the plan after the following events:

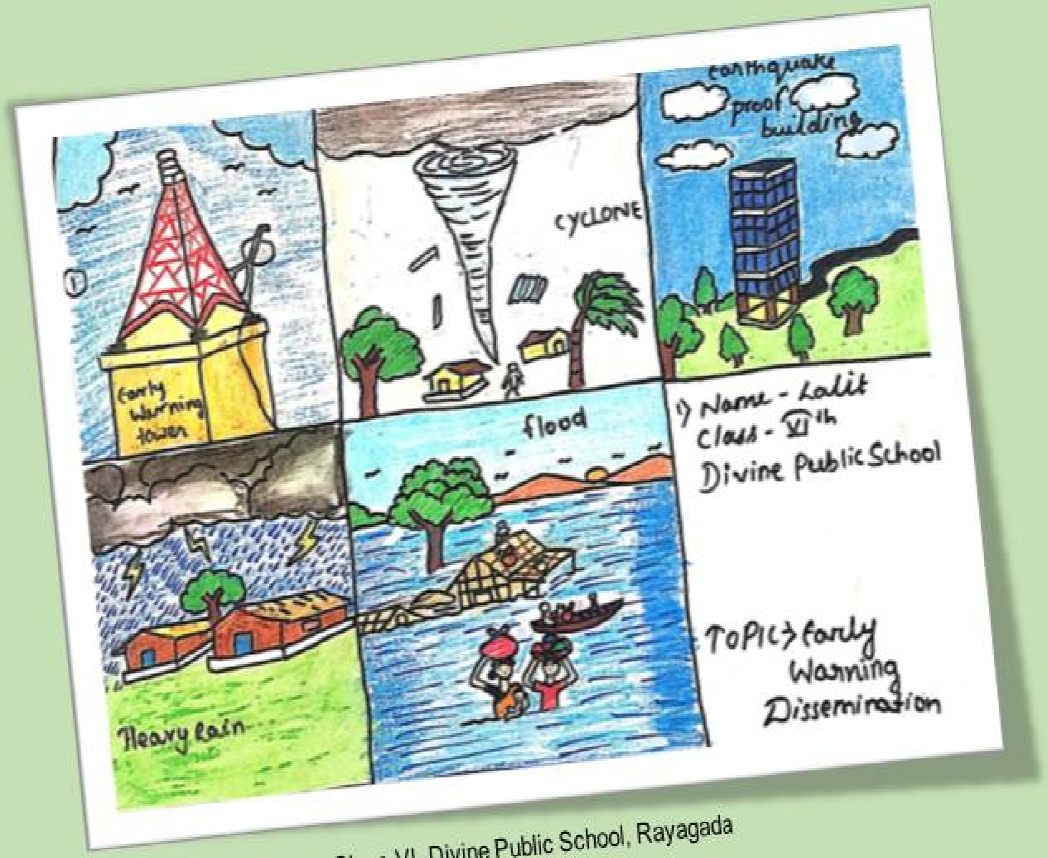

i. A major incident.
ii. A change in operational resources (i.e., policy, personnel, organizational structures, management processes, facilities, equipment).
iii. A formal update of planning guidance or standards.
iv. Major exercises.
iv. A change in the district's demographics or hazard or threat profile.
v. The enactment of new or amended laws or ordinances.

The responsibility for the coordination of the development and revision of the basic plan, annexes, appendices and implementing instructions must be assigned to the appropriate person.

It is recommended that a DDMP be internally reviewed on ayearlybasis and either be updated or reaffirmed. The updates or reaffirmed document may also be used to summarize the accomplishments of the past year and help the administration to prioritize mitigation goals for the next year.

District Profile

2.1 History & Location

History of Rayagada is an unwritten history of aborigines mainly Kondhas, Sauras and other tribals of the District. Though scholars have gathered evidence of existence of a civilization of Paleolithic Age on river side of Vamsadhara and Nagavali, due to lack of research, excavation, fossil analysis, history has not been written till 1516 AD (rise of Nandapur Kingdom). Existence of an earthen fort near Rayagada and Paik villages near Biriguda throws light on the fact that Rayagada was a strong political entity since rise of Nandapur Kingdom in 1516 AD with non-titling in a tribal dominated kingdom.

Rayagada District is situated in between longitude 82˚51' to 84˚02' E and latitude 19˚00' to 19˚58' N. The district is located in south corner of Odisha and surrounded by Gajapati district on the east, Kandhamal in north-east, Kalahandi on west, Koraput on south-west and Vijayanagar District of Andhra Pradesh on south respectively stretches over an area of 7073 Sq.Km. approximately.

2.2 Administrative Setup

On 2nd October, 1992, Rayagada came into being as a separate district of Odisha State. The district is curved out of Koraput district vide the Notification No.49137/R dated 01-10-1992 of R&E Department, Government of Odisha. The Administrative setup is delineated as below:

i.	Sub-Division	:	02
ii.	Tahasils	:	11
iii.	Blocks	:	11
iv.	Gram Panchayats	:	182
v.	Revenue Villages	:	2657
vi.	Uninhabited Villages	:	197

vii.	RI Circles	:	81
viii.	Census Towns	:	04
ix.	ULBs	:	03
x.	Police Stations	:	17
xi.	Fire Stations	:	10
xii.	Assembly Constituencies	:	03

[Details are at Table 1.1 of Volume-II of the DDMP]

2.3 Climate & Rain Fall

The climate of the major portion of Rayagada District, which lies to the east of the eastern ghat, is more like that of the east coast. The climate of the remaining region of the District due to its elevation and situation on the Eastern Ghats is different than this. The year may be divided into four seasons, the hot season from March to May, the southwest monsoon

season from June to September, the post monsoon season from October to November and the cold season from December to February.

In 2018, Actual rainfall was 1514.47 mm against the Normal rainfall 1285.9 mm of the district. The spatial distribution of rainfall in southwest monsoon season is largely influenced by Eastern Ghats. Region around Rayagada gets lesser rain i.e. about 1180.4 mm being leeward side during southwest monsoon while the region around Gunupur (Hydro) gets about 1404.9 mm of rainfall in the southeastern part of the District.

[Source: Rayagada District Gazetteer]

2.4 Geography & Topography

Rayagada District lies on a section of the Eastern Ghats having mean elevations from 3000 feet to 500 feet above MSL. The most conspicuous mountain range is in the Gunupur Sub-Division which is the Niyamgiri, arugged mass on the borders of the Rayagada and Gunupur Sub-Divisions which rise steeply from 1000 feet to a number of peaks of which the highestis 4970 feet above MSL. The south-west and the west of Rayagada are thehilly region of Narayanpatna and Kashipur which are, in part, continuous with the 3000 feet plateau. The east of Rayagada and between the valleys ofNagavali and Vamsadhara are the Kailaskota hills. Here there are summits of 3000 feet and more, the principal being 'Matti Dongar' 3304 feet and 'JoraDongar' 3289 feet. On the left bank of the Vamsadhara, east and north-east of Gunupur, rise the Puttasingh hills, the abode of Lanjia Savaras. The highest peak of the hills is 'Thaladi Dongar', which is 3217 feet above MSL. The entire Kashipur, Kalyansingpur and Kolnara Blocks contiguous with the west and south-west of Rayagada is a wild country side with terrains of hills and valleys. The topography of the District reveals it as a watershed full of virgin forests and rivers.

[Source: Rayagada District Gazetteer]

2.5 River System

Rayagada District has two large and important rivers, the Vamsadhara and the Nagavali which flow southwards into Srikakulam of Andhra Pradeshand fall into the Bay of Bengal.

Vansadhara

The Vamsadhara is 173 miles (277 kilometres) long of which 88 miles(140 kilometres) are through this District. For some distance, this riverserves as the boundary between Gajapati district of Odisha and Srikakulam District of Andhra Pradesh. Rising from the extreme north of the Tahasil of Bissam Cuttack, the river Vamsadhara flows through both the Tahasils of Gunupur and Bissam Cuttack.

Nagavali

The river Nagavali is 151 miles (241 kilometres) long out of which 63 miles (100 kilometres) run through this District. It rises in the Kalahandi District and flows through the

fertile Kalyansingpur valley, then flown past Rayagada and enters Srikakulam District. Ultimately, it falls into the Bay of Bengal. Near Rayagada it becomes a gorge with two falls of 20 and 30 feet. The river travels occurring at a height of 200 feet above the river-bed indicates a deep cutting river through soft soil as well as rising land. It is joined by another tributary the Jhanjabati, which drains the Narayanpatna area. Before it reaches the sea near Srikakulam of Andhra Pradesh, it undergoes a change of name.

Presence of these two major river systems is always a threat to few parts of the district for causing of floods. Gauge reading of water level in the river Bansadhara are available at different places namely Kutragada, Gudari, and Gunpur of Rayagada District and Kasinagar of Gajapati District.

2.7 Socio-Economic Profile of the District

Workforce Participation

The total worker of the district as per 2011 Census is 500789 out of them Main workers are 227815 and Marginal workers are 239307.

Workforce Participation Rate

Total Workforce Participation Rate is 48.26, The Male and Female Workforce Participation Rate is 54.67 and 42.16 respectively as per the 2011 Census in this district.

[Source: Census 2011. Details are at Table 1.9 of Volume II of the DDMP]

Land Holding Pattern

The land holding pattern in the district is Marginal Farmers (<1.0 Ha.) 133655, Small Farmers (1.0 to < 2 Ha.) 71401, Semi Medium (2.0 to <4.0 Ha.) 26777, Medium Farmers (4.0 to < 10 Ha.) 2625, Large Farmers (10.0 Ha. and above) 493 and the Average Size of Land Holding is 1.22 in this district.

[Source: DDA, Rayagada. Details are at Table 1.10 of Volume II of the DDMP]

Agriculture and Irrigation

Agriculture is the prime occupation in the district. During the year 2018, the net area sown was 173589 hectares. The major crops grown are paddy, maize, ragi, millets, pulses and wheat. Cash crops such as cotton, spices, sugarcane and tabaco also grown in this district.

The production of Paddy was 2166980 quintals, Maize 1253440 quintals, Ragi 270530 quintals, Wheat 700 quintals, Bajra 2016 quintals, Millets 31510 quintals, Pulses 111090 quintals, Oil seeds 81710 quintals, Species 95380 and Vegetables 1866870 quitals. During 2018, total fertilizer used in this district was about 28350 quintals.

In the year 2018, the irrigation potential was around 53935 hectares from different sources of irrigation.

[Source: DDA, Rayagada. Details are at Table 1.12& 1.13 of Volume II of the DDMP]

Employment and Livelihood

According to the Census-2011, there are 99265 people directly employed in agricultural activities, 248175 people engaged as agricultural labourers and othe workers are 109723. Also people engaged in fishery, animal husbandry, business and service activities.

[Source: Census-2011. Details are at Table 1.23 of Volume II of the DDMP]

Industries and Mining

In this district during the year 2011 there are 162 SSI Industries which is generated employment for 780 people, the 61Cottage Industrieshave provided engagement to 392 person and also other industries provided engagement to many person. The mining operation for Graphaite, Bauxite, Quartz, Manganes Ore, etc are available in this district. So far Graphite and Bauxite mining operation in 23 areas started which given engagement to 3503 people.

[Source: Dist. Statistical HB. Details are at Table 1.24 of Volume II of the DDMP]

Education

The Literacy Rate of the district as per 2011 Census is 49.76, the male literacy is 61.04 and the female literacy is 39.19. During 2017-18, 6-15 years total children enrolment is 168924, children dropped out was 4647. There is 2923 villages/habitation acquired primary education facility within their locality against 3145. Total 8784 teachers engaged in 2120 schools and the Teacher Pupil Ratio is 19.23 in this educational district.

[Source: DEO, Rayagada. Details are at Table 1.25 & 1.26 of Volume II of the DDMP]

Health

The Infant Mortality Rate (IMR) is 34 and the Maternal Mortality Rate (MMR) is 106. The Immunization status of Children below 5 years is increased to 82% and the Institutional Delivery is increased to 81%. There were 393 deaths and 368241 incidences of major diseases such as Malaria, Diarrhoea, Tuberculosis, Pneumonia, Jaundice, JE and Dengue were reported in the last 5 years. Health institutions of the district are equipped with 139 Specialised Doctors, 294 Paramedical Staff, 262 ANMs and1827 ASHAsin this district.

[Source: CDM&PHO, Rayagada. Details are at Table 1.33, 1.34 & 2.3 of Volume II of the DDMP]

Housing

As per the Census 2011, there are 226144 and 171 Homeless householdsarein this district.

[Source: Census 2011. Details are at Table 1.11 of Volume II of the DDMP]

Electrification

Works are in progress to electrify fully in every villages/habitations, steps are also being taken to electrify every household of the district.

[Source: Details are at Table 1.28 of Volume II of the DDMP]

Drinking Water and Sanitation

There are many villages having access to safe drinking water and 3 village/hamlets contain fluoride which affected 745 population. So many households covered with 4263 piped water supply projects. There are 10584 functional tube wells and there are also sanitary wells in the district. There are are many ODFvillages and so many households having IHHL, Yet to construct the community sanitary complexes and all the schools having its own toilets.

[Source: Details are at Table 1.29 to 1.31of Volume II of the DDMP]

Migration

In search of employment few households are migrating toRaipur, Hyderabad, Chennai, Visakhapatnamin, however migration for education and better employability also noticed in this district.

[Source: Details are at Table 1.27 of Volume II of the DDMP]

Food Security

Total 236101 households are included under NFSA covering 822295 beneficiaries and supplied with 49372.65qtls. of Rice and 90.2 qtls. of Wheat in the previous year through 234 PDS outlets in the district.

[Source: DDMP-2018, Vol-II.Details are at Table 1.37 of Volume II of the DDMP]

Social Security

There are 83827 Person covered under Old Age Pension Scheme, 45717 Person Covered under Widow Pension Scheme and 11064Persons covered under Disability Pension Scheme to provide social security net.

[Source: DSSO, Rayagada. Details are at Table 1.38 of Volume II of the DDMP]

2.8 Critical Infrastructure

Anganwadi Centres

There are 1947 Anganwadi Centres (AWCs) to provide ICDS and Anganwadi services. 1289Anganwadi Centres having its ownPucca Buildings. Currently 102536 Nos. of children enrolled, 2398 severely malnourished children were referred to different health institutions and 21218 pregnant/lactating mothers were served through these AWCs.

[Source: DSWO, Rayagada. Details are at Table 1.32 of Volume II of the DDMP]

Schools and other Educational Institutions

There are 1282 Primary Schools, 608 Middle Schools, 230 Secondary Schools, 29 Colleges/ Polytechnic/ ITI and Vocational Training Institutes in the district during the year 2017-18.

[Source: DEO, Rayagada. Dist. Statistical HB.
Details are at Table 2.1.1 & 2.1.2 of Volume II of the DDMP]

Hospitals and Health Centres

There are 236 Health Sub-Centres, 36 PHCs, 11 CHCs, 13 Ayurevedic/Homeopathic Hospitals, 1 Sub-Divisional Hospital, 6Govt./Private Hospitals at Districthq, 11 MHUs, 16 Ambulances and 3 Blood Banks are available in the district.

[Source: CDM&PHO. Details are at Table 2.2 of Volume II of the DDMP]

Veterinary Hospitals

To provide veterinary health care services to the animal resources there are 16 Veterinary Hospitals, 105 Livestock Aid Centres, 109 Artificial Insemination Centres and Vet MHUs in the district.

[Source: CDVO, Rayagada. Details are at Table 2.4 of Volume II of the DDMP]

Police and Fire Stations

There are 17 Nos. of Police Stations manned with adequate no. of Police Personnel and 10 Nos. of Fire Stations equipped with 116 Fire Service human resources covering all the block of this district.

[Source: SP/Fire Officer, Rayagada. Details are at Table 2.7 of Volume II of the DDMP]

Cooperative Societies

There are 14 Primary Agricultural Cooperative Societies covering 124660 no. of farmers in the district for the seed and fertiliser support.

[Source: DRCS, Rayagada, Vol-II. Details are at Table 1.16 of Volume II of the DDMP]

Banks and Post Offices

The banking facilities are provided through 67 Commercial Banks, 26 Regional Rural Banks,10 Cooperative Banks and 61Kiosk Banks. There are somany Automated Teller Machines (ATMs) to provide cash and e-banking facilities across service areas of this district. There are 94 Post Offices to provide postal services across the district.

[Source: Dist.Statistical HB, Rayagada /SLBC, Odisha/Web. Details are at Table 2.6 of Volume-II of the DDMP]

Road and Railway Network

The district has covered with National Highway, State Highway, District Road, Rural Roads, GP/PS Roads, Forest Roads and 182 GPs connected with the block headquarters with all-weather roads and maximum villages connected with GP headquarters with all-weather roads. At present there is 205 kms of Railway network with Single line 100 kms, Double line 105 kms and 18 Railway Statios in this district.

[Source: R&B-I/ Web. Details are at Table 1.40 to 1.42 of Volume-II of the DDMP]

Cyclone and Flood Shelters

In the first phase 3 Nos. of Multipurpose Flood Shelter (MFS) infrastructures were constructed under the Chief Minister's Relief Fund (CMRF) in 3 different flood prone locations of the district to meet the infrastructure gap as well as to provide temporary shelters to the affected. This MFS are managingby the local communities through the Flood Shelter Management and Maintenance Committee (FSMMC).

[Source: Details are at Table 4.11 in this Volume]

Rain Gauge and Automatic Weather Stations

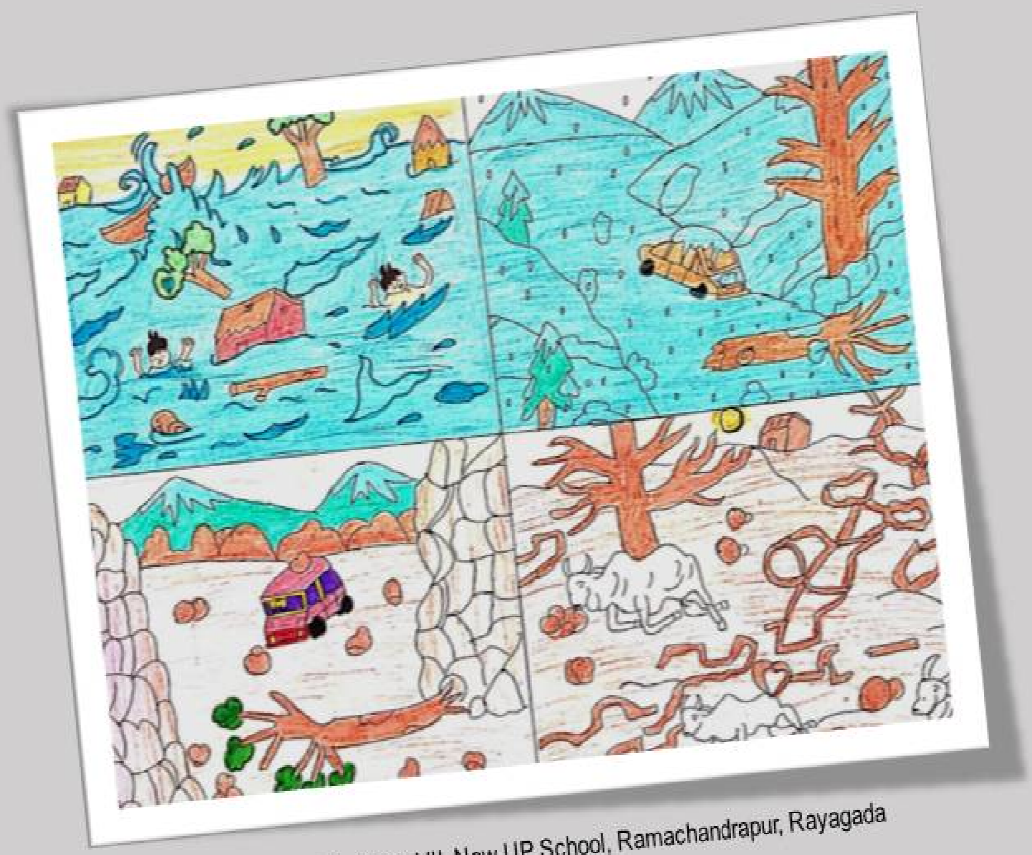

To record the rainfall everyday there are 11 Rain Gauge units are functional covering all 11 block headquarters, andRain Gauge units are also available at Vansadhara River near Gunupur to record rainfall in the rainy season on daily basisand an Automatic Rain Gauge unit is established by the Indian Met Department (IMD) at Kashipur Block headquarterfor weather details in this district, also 1 Barometer Unit is available in the Collectorate Campus.

The location of Rain Gauge Units are at the Tahasil Campus in Rayagada, Gunupur&Bissam Cuttack Tahasilsand at the Block Campus in Kolnara, Kalyansingpur, Kashipur, Padmapur, Gudari, Ramanaguda, Muniguda& Chandrapur Blocks for recording Rainfall data everyday at 8.00 AM and updatation of the same in Rainfall Web Portal.

Hazard, Vulnerability & Risk Assessment

3.1 Major Disasters/ Incidents During 2008-2017

Many parts of Rayagada district is likely vulnerable tomultiple hazards, such as flood, cyclonic affect,drought, lightening, fire and road accidentas well as industrial chemical and rail network hazards arethe key areas of concern. Analysing to the past disasters,this district experinceda considerable loss in the natural as well as manmade disasters and it also sustained a lot of damage to life and properties. The district mainly suffers from natural disasters i.e.flash flood, drought, lightning, whirlwind, cyclonic affect, snake bite and manmade disasters such as drowning,road and fire accident.

Access to the Vulnerability Atlas of Rayagada District, it reveals that, roughly 30% area of the district such as Gunupur, Padmapur, Gudari&Ramanguda are coming under Wind & Cyclone Moderate Damage Risk Zone 'A' (44 m/s) and rest 70% area such as Rayagada, Kolnara, Kalyansingpur, Kashipur, Bisssam Cuttack, Muniguda and Chandrapur are under Wind & Cyclone Moderate Damage Risk Zone 'B' (39 m/s). Entire Rayagada district is assessed as the Earthquake Low Damage Risk Zone II with No Flood Zonecategory. However, a quick access to the last ten yearsdisaster occurrence history, thisdistrict's majority of life and properties ware affected due to droughtflood, cyclone, heavy rain, lightning, drowning whirlwind, epidemics and fire accidents.

Table : 3.1

3.3 Vulnerability and Risk Assessment Related to Disasters

3.3.1 Flood

The district is normally affected by river flood and flash flood due to heavy rain and inadequate carrying capacity of rain water quickly in the river and nalas are main cause of floods in the low lying areas of the district.Inthelast 11 years the district is suffered 5 times in heavy flood and affected around 2.16 lakh human beings, damage nearly 2.2 thousandprivate houses, casualties of 14 human lives, cause to loss of nearly 1122.39 hectares of crop area as well as affected many foldsocio economic life of the people of this district.

In July, 2017,a flash flood was experienced in Kalyansingpur and Rayagada blocks due to torrential rain triggered withan alarming rise in the water levels in Nagavali and Kalyani rivers.The most affected block was Kalyansingpur where thousands of villagers were cut off bythat flood. As heavy downpour in the catchments of Nagavalidistrict faced a high flooding and nearly 28 thousand peopleaffected with one human csualityandhuge damage has been caused to public properties such as roads, bridges, culverts, check dams electrical installations, education & health infrastructures and government buildings, three road brideges had washed away and the communication between Rayagada and Andhra Pradash had severly affected, while washed away the rail bridge between Therubali and Singapur Road, the rail communication cut-off between Rayagada and Titligarh. Emergent relief was administrated for the flood victimsand also Indian Air Force helicopters were in task for air dropping of relief materials and rescue works.

3.3.2 Drought

Rayagada district is also vulnerable to drought due to deficient rainfall, low level of groundwater and less water content in the soil. The frequency, intensity and extent of droughts are gradually on the rise. This is leading to crop failure, decline in surface and groundwater

table, increasing in unemployment and indebtedness. During 2011 and 2015 almost all the parts of the district, especially highlands faced serious problems of drought. In Kharif-2015, drought affected 60752.30 hectares of agricultural crop loss with affecting 511835people of the district.

3.3.3 Cyclone

Roughly, 30% area of the district such as Gunupur, Padmapur, Gudari&Ramanguda are coming under Wind & Cyclone Moderate Damage Risk Zone ‘A’ (44 m/s) and rest 70% parts of the district such as Rayagada, Kolnara, Kalyansingpur, Kashipur, Bisssam Cuttack, Muniguda and Chandrapur are under Wind & Cyclone Moderate Damage Risk Zone ‘B’ (39 m/s). Cyclone impacts the district due to formation of cyclonic low pressure in the Bay of Bengal and causes heavy rain and thereby resulting in severe damages to the agriculture andinfrastructures,in turn which affects a huge human population in the district. In the past this district mainly affected due to severe cyclonic storm in 2012, 2013, 2014 and 2018. For thosecyclonic induced heavy rain, the standing and harvested crops suffered a lot and sustained a heavy crop loss to many small and marginal farmers.

In October, 2018, Very Severe Cyclonic Storm 'TITLI' impacted the district heavily and affectedvarious sectors due to heavy cyclonic wind and torrential rainfall. Approxmately 161377people in 860 villages under124 Gram Panchayats of 10 Blocks and 22 wards of 3 ULBs were affected in the district. 4088 private houses damaged and sustained a crop loss of 12962.64 hectares due to this Severe Cyclonic Storm 'TITLI'. Further, another Cyclone 'PHETHAI'during December, 2018 also affected some parts of the district and caused to loss of livestock and agricultural crop loss to some extent.

3.3.9 Fire

Atleast440 incidents of fire accident occurred during previous 10 years and damagedat least 1255 houses and household properties and severely affected the live and livelihoodsof the people due to poor socio-economic aspects.

3.2.10 Heat Wave

Almost all parts of the district experiences Sever Heat Wave condition due to high humidity in the month of April to June every year. The Average temperature exceeds 44 degreecelsiusduring the peak hours of May each year affecting life and productivity of the people and brings substance decrease in income of the working class.

3.2.11 Whirlwind

During previous 3 years, 29 Whirlwind incidents were reported affecting 4075 people with a damage of 815 houses.An average around 270 houses were damaged in this natural disaster per annum.

3.2.12 Drowining (Other than during Flood)

In the last 3 years, incidents of31casualities were reported due to drowiningin various water bodies with an average causalitiesaround 10human lives per annum in this disaster.

3.2.13 Other Incidents

In addition, the district is also affected by Heavy Rain,Pest Attack, Snake Bite, Epidemics, Road Accidents, Communal Roits, etc and affected the life and properties in manyfold of people of this district.

3.4 Railway Line Exposed Different Hazards

The Railway network in this district is established since 1931. Recently the Division of the East Coast Railway is headquaterd at Rayagada. Over the yearsRayagada Railway network is grown as an important and commercial means of transportation. Rayagada Station from where direct trains are available to Mumbai, Chennai, Kolkata, Hyderabad, Bhubaneswar, Raipur, New Delhi, Bangalore, Ahmedabad, Puri, Visakhapatnam, Vizianagaram and other cities. More than 60 up and down passenger trains are commuting in Rayagada. Everyday lots of Goods Trains are also commuting through this route connecting Visakhapatnam, Villai, Raipur, Damanjodi, Tikiri, etc resulting in heavy railway trafficking in this route and there is every possibilities of Rail related hazards and inscdents in the district.

3.7 Earthquake Vulnerability

As per Earthquake Hazard Zoning Atlas-2016 published by the National Disaster Management Authority (NDMA), Government of India and Building Materials and Technology Promotion Council (BMTPC), Ministry of Housing, Urban Poverty Alleviation, Government of India.

- Rayagada District is coming under Zone-II : Low Damage Risk Zone (MSK VI or Less).
- All the Blocks of the district is coming under Zone-II : Low Damage Risk Zone (MSK VI or Less).
- As per the Wikipedia, the IS code assigns zone factor of 0.10 (maximum horizontal acceleration that can be experienced by a structure in this zone is 10% of gravitational acceleration) for Zone-II.

(For Reference: The Earthquake Vulnerability Map is in Volume-II of the DDMP)

Chapter-4

Artist : TARUN BISOI, Class-VIII, Vignan Vidyalaya, Campus-2, Rayagada

Institutional Arrangement

4.1 National Disaster Management Authority (NDMA)

The National Disaster Management Authority (NDMA) was constituted under the Sub-section (1) of Section (3) of National Disaster Management Act 2005. NDMA is the apex body for Disaster Management in the country headed by the Hon'ble Prime Minister of India to lay down policies, plans and guidelines to manage disaster and coordinating their enforcement and implementation for ensuring timely and effective response to disaster.

The Chairperson of the NDMA is the Hon'ble Prime Minister of India (*ex-officio*) and others members not exceeding than nine may be nominated by him. The Chairperson may designate one of the members to be the Vice-Chairperson.

4.2 National Executive Committee (NEC)

The Central government has constituted a National Executive Committee (NEC) under Sub-section (1) of Section (8) of DM Act-2005 to assist the National Disaster Management Authority in the discharge of its function and also ensure compliance of the directions issued by the Central Government. The Union Home Secretary is the Chairpersons (*ex-officio*) of NEC. The Secretaries to the Government of India in the Ministries/ Departments having administrative control of the agriculture, defence, drinking water supply, environment and forests, finance (expenditure), health, power, rural development, science and technology, space, telecommunication, urban development, water resources and Chief of the Integrated Defence Staff of the Chiefs of Staff Committee are the*ex-officio* members of NEC.

(Please refer Figure 7.1 of Volume-II, Page No. 153 for Central Government Notification on constitution of NEC)

4.3 State Disaster Management Authority (SDMA)

The State Disaster Management Authorities (SDMA) has to be constituted by ever state government under the Sub-section (1) & (2) of Section 14 of Disaster Management Act 2005. The Hon'ble Chief Ministers of the state are the Chairpersons (*ex-officio*) of SDMA and other members not exceeding than eight may be nominated by the Chairpersons. The Chairman of the State Executive Committee (SEC), Chief Secretary of the State is a member and Chief Executive Officer (*ex-officio*) of SDMA.

The State Disaster Management Authority shall:

a) Lays down policies and plans for disaster management in the State.
b) Approves the State Plan in accordance with the guidelines laid down by theNDMA.
c) Coordinates the implementation of the State Plan, recommend provision of funds for mitigation and preparedness measures.
d) Review the developmental plans of different departments of the State to ensure the integration of prevention, preparedness and mitigation measures.
e) Lay down guidelines to be followed by the departments of the State Government for the purpose of integration of measures for prevention of disasters and mitigation in their development plans and projects and provide necessary technical assistance there for.
f) Review the measures being taken for mitigation, capacity building and preparedness by the departments of the Government & issue such guidelines as may be necessary.
g) Lay down detailed guidelines for providing standards of relief (Not less than the minimum standard of relief in the guidelines of NDMA) to persons affected by disaster in the State.

(Please refer Figure 7.2 of Volume–II, Page No. 154 for Odisha Government Notification on reconstitution of SDMA)

4.4 State Executive Committee (SEC)

The State Executive Committee (SEC) has been constituted by the State Governments under Sub-section (1) & (2) of Section (20) to assist the State Disaster Management Authority (SDMA) in the performance of its function and to coordinate action in accordance with the guidelines laid down by the SDMA and ensure the compliances of directions issued by the State Government under the DM Act. The Chief Secretaries of the States are the Chairman of SEC (ex-officio).Four Secretaries of State Government are the other member ex-officio. The Chairperson of SEC use powers delegated by SDMAs and state Governments.

The State Executive Committee shall:

a) Coordinate and monitor the implementation of the National Policy, National Plan and State Plan.
b) Examine the vulnerability of different parts of the State to different forms of disaster and specify measures to be taken for their prevention and mitigation.
c) Lay down guidelines for preparation of disaster management plans by the departments of the Government of the State and the District authorities and monitor the implementation of the plans.
d) Evaluate preparedness at all government and non-government levels to respond to any threatening disaster situation or disaster and give all directions where necessary for enhancing such preparedness.

(Please refer Figure 7.3 of Volume–II, Page No. 155 for Odisha Government Notification on constitution of SEC)

4.5 Revenue and Disaster Management Department

The Revenue and Disaster Management Department is responsible for providing immediate relief to the people affected by various calamities like floods, droughts, cyclones, hailstorms, earthquakes, fire accidents, etc. It also takes initiatives for relief, rescue, rehabilitation and restoration work. The Department is headed by the Principal Secretary/Addl. Chief Secretary, Revenue and Disaster Management Department who exercises all administrative and financial powers.

4.6 Special Relief Organization

The Special Relief Organisation was established under the Board of Revenue in 1965-66 for carrying out relief and rescue operation during and after various disasters. Since its inception, the scope of Relief Organisation has been diversified. Now it deals with disaster management i.e. response, relief and rehabilitation. It coordinates with districts/departments for quick relief and rescue operation, reconstruction and rehabilitation work. It also promotes disaster preparedness at all levels in the State with the assistance of Odisha State Disaster Management Authority (OSDMA).

Quick response in the natural calamities is the hall-mark of Special Relief Organisation.

4.7 Odisha State Disaster Management Authority (OSDMA)

Odisha State Disaster Mitigation Authority (OSDMA) was established by the Government of Odisha as an Autonomous Organisation vide Finance Department Resolution No. IFC-74/99-51779/F, Dated 28th December 1999 (intermediate aftermath of the Super-cyclone in 1999). It was registered under the Societies Registration Act, 1860 on 29.12.1999 as a non-profit making & charitable institution for the interest of the people of Odisha, with its headquarters at Bhubaneswar and jurisdiction over the whole State.

The Authority has the mandate not only to take up the mitigation activities but also the relief, restoration, reconstruction and other measures. These activities cover the entire gamut of disaster management including preparedness activities and also include:

- Coordination with the line departments involved in reconstruction.
- Coordination with bilateral and multi-lateral aid agencies.
- Coordination with UN Agencies, International, National and State-level NGOs.
- Networking with similar and relevant organizations for disaster management.

4.8 State Level Committee on Natural Calamity (SLCNC)

A State Level Committee on Natural Calamity (SLCNC) has been constituted under the Chairmanship of the Hon'ble Chief Minister to oversee disaster preparedness and response activities.

The Function of the SLCNC is:

a) To advise the State Government regardingprecautionarymeasures to be taken in respect of flood, drought and other natural calamities.
b) To assess the situations arising out of the calamities.
c) To recommend to Government the nature and quantum of relief; and
d) To recommend to Government the Policy to be adopted in giving such relief in areas affected by such calamities.

(Please refer Figure 7.4 of Volume-II, Page No. 156 for Odisha Government Notification on reconstitution of SLCNC)

4.9 District Disaster Management Authority (DDMA)

Under the Sub-section (1) of Section 14 of DM act 2005. District Disaster Management Authority has been constituted by the State Government. The District Disaster Management Authority (DDMA) consists of the Chairperson and such number of the other members, not exceeding seven, as may be prescribed by the State Government, and unless the rules otherwise provide, it shall consist of the following namely:

a) The Collector or District Magistrate or Deputy Commissioner of the District is the Chairperson *(ex-officio)* of DDMA.
b) The elected representative of local authority is the Co-chairperson *(ex-officio)* of DDMA. Provided that in the Tribal Areas, as referred to in the Sixth Schedule to the Constitutions, the Chief Executive Member of the district council of autonomous district, shall be the co-Chairperson, *ex officio*
c) The Chief Executive of the District Authority, ex-officio;
d) The Superintendent of Police, ex-officio;
e) The Chief Medical Officer of the district, ex-officio;
f) Not exceeding two other district level officers, to be appointed by the State Government.

The State Government appoints an officer not below the rank of Additional Collector or Additional District Magistrate or Additional Deputy Commissioner, as the case may be of the District to be Chief Executive Officer of DDMA.

(Please refer Figure 7.5 of Volume-II, Page No. 158 for Odisha Government Notification on constitution of DDMA, Rayagada)

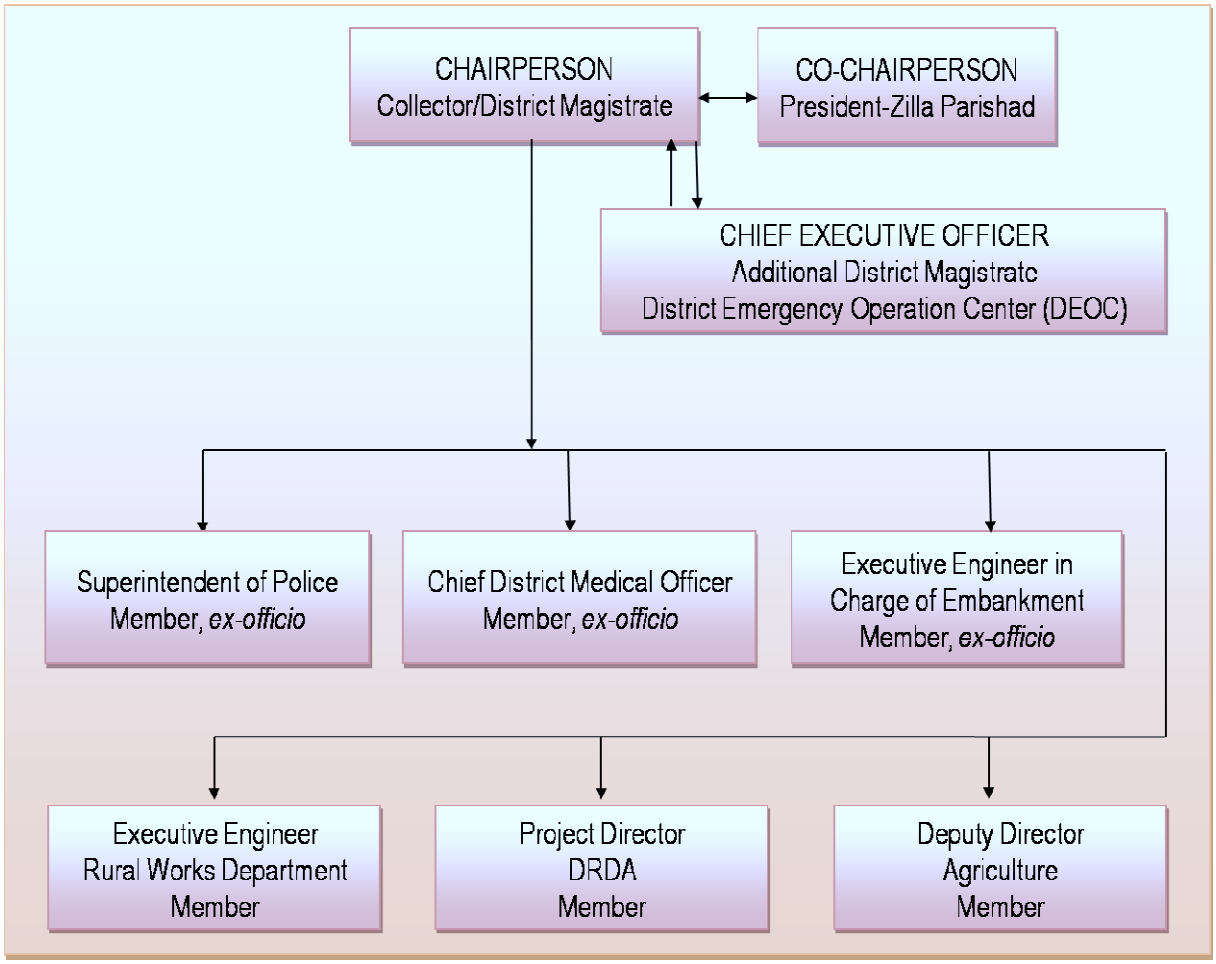

Table : 4.1

Figure : 4.1

Organogram of District Disaster Management Authority

The DDMA acts as the district planning, coordinating and implementing body for disaster management and take all measures for the purpose of disaster management in the district in accordance with the guidelines laid down by the NDMA and SDMA.

The District Disaster Management Authority (DDMA) shall:

a) Prepare Disaster Management Plan including District Response Plan of the District.

b) Coordinate and Monitor the implementation of the National DM Policy, State DM Policy, State DM Plan and District DM Plan.

c) Ensure that vulnerable areas of the districts are identified and prevention and mitigation measures are being undertaken by the departments of the Government both at district level and at local level.

d) Ensure that guidelines for Prevention and Mitigation measures, Preparedness and Response as lay down by NDMA and SDMA are being followed by all departments of Government both at district and local level.

e) Monitor the implementation of Disaster Management Plans prepared by the departments of the Government at the district levels.

f) Lay down guidelines to be followed by different Government departments both at district level and local level for integrating disaster prevention and mitigation measures in their development plans and projects and provides necessary technical assistance therefore.

g) Review the state of capability for responding to any disaster or threatening disaster like situation in the district and give directions to the relevant departments or authorities at the district level for their up gradation.

h) Review the preparedness measures and give directions to the concerned departments at the district level for bringing the preparedness measures to the levels required for responding effectively to any disaster.

i) Organize, coordinate and facilitate specialized training programmes and awareness programmes for different level of officers, employees, voluntary rescue workers and community members for prevention and mitigation of disaster with support of governmental and non-governmental organization and local authorities.

j) Set-up, maintain, review and upgrade mechanism for early warning and dissemination of proper information to public.

k) Review development plans prepared by the departments of the government at the district level, statutory authorities with a view to make necessary provisions therein for prevention of disaster or mitigation.

l) Examine construction in any area in the district an ensure standards for prevention of disaster or mitigation laid down for such construction to be followed by the concerned departments and authorities.

m) Identify buildings and places which could be used as relief centers or camps in the event of any disaster or disaster like situation and make arrangements for water supply and sanitation in such buildings and places.

n) Establish stockpiles of relief and rescue materials or ensure preparedness to make such materials available at short notice;

o) Encourage the involvement of non-government organization and voluntary social welfare institutions working at the grass root level in the district for disaster management.

p) Ensure communication systems are in order and disaster management drills are carried out periodically.

q) Perform such other functions as the State Government or State Authority may assign to.

4.10 Specific Task Assigned to the Members of DDMA

4.10.1 Superintendent of Police, Rayagada, Member, Ex-Officio

- Regulate the flow of traffic/people to the disaster affected areas as and when such situation arises with the help of local police.
- Maintain law and order in the affected area.

4.10.2 Executive Engineer, Irrigation Division, Parakhemundi, Member, Ex-Officio

- To identify the weak points in the river banks and take appropriate action by 1st June, of each year.
- Identification of flood circles in the district and assign the Charge of Flood Circles to Responsible Officers.

4.10.3 CDMO, Rayagada, Member, Ex-Officio

- Special arrangement will make to provide causality services 24x7 at all health institutions.
- Medical Relief Center (MRC) at strategic places are chosen to render health services for affected person in the identified schools and declared shelters.
- Mobile Medical Team (MMT) will render the services regularly to the displaced persons at their place of shelter (MRC) and affected areas.
- Continuous IEC activities to be taken up to aware the public about the availability of services of 108 and 102 Ambulance including the services of all vehicles exiting in the health department.

4.10.4 DDA, Rayagada, Member

- Take appropriate steps for availing flood/drought resistance seeds to farmers in the rainy season.
- Team shall be in readiness to support to face any stress situation of the farmers of the District in terms of seeds, saplings, fertilisers.
- Take appropriate steps for availability of seeds and pesticides at different points of the district for smooth distribution to the farmers for the ensuing Khariff season.

4.10.5 Executive Engineer, RWD, Rayagada, Member

- Take appropriate steps wherever necessary to close the bridges and roads submerged or over topped with flood/rain water by constructing the temporary barricades on both sides and erect hoardings.
- Respective authorities in charge of the roads will responsible for taking such actions.
- An action taken report on the above shall be submitted by the 1st week of June every year.

4.11 District Level Committee on Natural Calamities (DLCNC)

The Codal provision of Odisha Relief Code envisages the constitution of District Level Committee on Natural Calamities (DLCNC) which is the apex committee at the district to monitor preparedness and suggests improvement in the response mechanism and in all the phases of disaster management in the district. The Collector is the District Relief Officer and Disaster Manager at the district level and the structure of DLCNC, Rayagada is as follows:

Table : 4.2
Structure of District Level Committee on Natural Calamities

Sl. No.	Name of the Member	Position in DLCNC	Contact No.
1.	Sri Pramod Kumar Behera, OAS (SAG) Collector, Rayagada	Chairperson	9437392427

4.	Revenue Inspector	Member
5.	President & Secretary of Local Club	Members
6.	All the Ward Members	Member

4.13 National Disaster Response Force (NDRF)

The Disaster Management Act 2005 has made the statutory provisions for the constitution of the National Disaster Response Force (NDRF) for the purpose of specialized response to natural and man-made disasters.

The NDRF comprises of 12 units of Central Paramilitary Forces (CPMF) that includes 3 units each from Central Reserve Police Forces (CRPF) and Boarder Security Forces (BSF) and 2 Unit each from Central Industrial Security Forces (CISF), Indian Tibbet Boarder Police (ITBP) and SahastraSeemaBal (SSB). Each battalion has 18 self-contained specialists Search and Rescue teams of 45 personnel. The NDRF team includes Chemical, Biological and Radiological Disaster (CBRN) emergency responders, S&A element, engineers, technicians, electricians, dog squads and paramedics. The NDRF battalions are strategically located at 8 different locations in the country based on the vulnerability profile to cut down response time for their deployment. During the threatening proactive deployment of NDRF is being carried out by NDMA in consultation with the State Governments.

4.14 Odisha Disaster Rapid Action Force (ODRAF)

The Government of Odisha formed Odisha Disaster Rapid Action Force (ODRAF) vide Notification No.939/CD,Dated07-06-2001. ODRAF is a multi-disciplinary, multi-skilled, high-tech force for all types of disasters. ODRAF aims at reducing casualties, clearance of communication channels, quick deployment of personnel and equipments and minimize expenditure and time lag and support institutional arrangement.

The ODRAF units are strategically located throughout Orissa. Locations of these units are identified on the basis of vulnerability profile to cut down the response time for their deployment. The ODRAF Units do not have any geographical /territorial restrictions in terms of area of operation.

4.16 Emergency Communication System

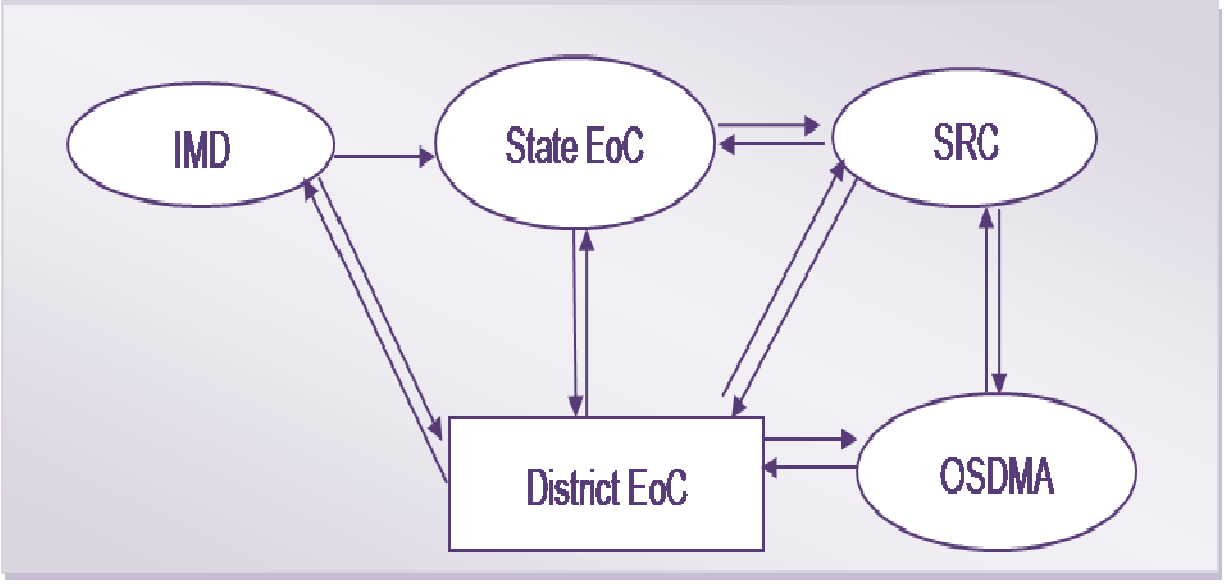

4.16.1 State Emergency Operation Center (SEOC)

The State Emergency Operation Centre has been made operational at Rajiv Bhawan, Bhubaneswar with state of art communication network. The State EOC functions round the clock throughout the year.

The Organisation is headed by the Special Relief Commissioner (SRC) who exercises all administrative and financial powers. He is assisted by a group of experienced officers and staff. During any natural disaster, the office functions round the clock in an emergency mode.

Figure : 4.2

Information Flow Chart from SEOC to Districts

4.16.2 District Emergency Operation Center (DEOC)

The DEOC is functional at the Collectorate to provide first and immediate response to any disaster. Specially designated Emergency Officer is the Officer in Charge of the DEOC. The District Emergency Operation Centre strengthened and constructed with state of the art emergency communication equipment to communicate with State EOC as well as other local level functionaries.

In DEOC a Control Room is functioning with round the clock manned during 15th June to 30th November and during any peak period of emergency till the relief operations are over to collect and transmit information regarding the flood and other natural calamities and relief operations undertaken, if any, and for processing and communicating all such data to concerned quarters.

4.17 State Crisis Group (SCG)

The State Government has constituted a State Crisis Group for management of chemical accidents as provision of the Chemical Accidents (Emergency Planning, Preparedness, and Response) Rules, 1996 on 1st August 1996.

a. The State Crisis Group shall meet at least once in three months and follow such procedure for transaction of business as it deems fit.

b. Notwithstanding anything contained in sub-rule (2), the State Crisis Group may co-opt any person whose assistance or advice is considered useful in performing any of its functions, to participate in the deliberation of any of its meetings.

4.17.1 Composition of the State Crisis Group

The State Crisis Group comprising of the following members in pursuance of the Rule-6 of the Chemical Accident (Emergency Planning, Preparedness and Response) Rules, 1996.

Table : 4.12
Composition of State Crisis Group

Sl. No.	Members	Designation
1.	Chief Secretary, Odisha	Chairman
2.	DC-cum-ACS & Chairman, SPCB	Member
3.	Secretary to Government, Labour & ESI Department	Member Secretary
4.	Secretary to Government, Home Department	Member
5.	Secretary to Government, Forest & Environment Department	Member
6.	Secretary to Government, Health & FW Department	Member
7.	Secretary to Government, Industries Department	Member
8.	Secretary to Government, H&UD Department (PH Engineering)	Member

9.	Special Relief Commissioner, Odisha	Member
10.	Secretary to Government, Transport Department	Member
11.	Labour Commissioner	Member
12.	D.G. of Police, Odisha	Member
13.	D.G., Fire Services	Member
14.	Director of Factories and Boilers	Member
15.	Head, NDRF, Odisha, Bhubaneswar	Member
16.	Head, Tata Steel Ltd. Kalinga Nagar	Member
17.	Head (Safety), IOCL, Paradeep	Member
18.	Prof. G.K.Roy, Ex-Director and HOD (Chemical Engg.), NIT, Rourkela	Member
19.	Director, RLI, (Directorate General of Factory Advice, Kolkata, GoI)	Member
20.	Regional Director, Mines Safety (DGMS, Bhubaneswar, GoI)	Member

4.17.2 Functions of the State Crisis Group

The State Crisis Group is the apex body in the State to deal with major chemical accidents and to provide expert guidance for handling major chemical accidents. Without prejudice to the functions specified under sub-rule (1), the State Crisis Group shall,

1. Assist the State Government in managing chemical accidents at a site;
2. Review all district off-site emergency plans in the State with a view to examine its adequacy in accordance with the Manufacture, Storage and Import of Hazardous Chemicals, Rules and forward a report to the Central Crisis Group once in three months;
3. Assist the State Government in the planning, preparedness and mitigation of major chemical accidents at a site in the State;
4. Continuously monitor the post-accident situation arising out of a major chemical accident in the State and forward a report to the Central Crisis group
5. Review the progress report submitted by the District Crisis groups;
6. Respond to queries addressed to it by the District Crisis groups;
7. Publish a list of experts and officials in the State who are concerned with the management of chemical accidents.

4.18 District Crisis Group

As prescribed in the Chemical Accident (Emergency Planning, Preparedness and Response) Rules, 1996, the District Crisis Group has to be constituted.

The District Crisis Group is the apex body in the district to deal with major chemical accidents and to provide expert guidance for handling chemical accidents. Without prejudice to the functions specified under sub-rule (1), the District Crisis Group shall,

1. Assist in the preparation of the district off-site emergency plan;
2. Assist the district administration in the management of chemical;
3. Continuously monitor every chemical accident;
4. Review all the on-site emergency plans prepared by the occupier of Major Accident Hazards installation for the preparation of the district off-site emergency plan;
5. Ensure continuous information flow from the district to the Central and State Crisis Group regarding accident situation and mitigation efforts;
6. Forward a report of the chemical accident within fifteen days to the State Crisis Group;
7. Conduct at least one full-scale mock-drill of a chemical accident at a site each year and forward a report of the strength and the weakness of the plan to the State Crisis Group.

4.18.1 Composition of the District Crisis Group

Date of Constitution of District Crisis Group (dd/mm/yyyy) : 20.06.2000

Table : 4.13

22.	Chief, Civil Defence	Member
23.	Working President, J.K. Paper Mills Workers Union	Member
24.	Dy. Superintendent of Police, Rayagada	Member
25.	Executive Officer, Rayagada Municipality	Member
26.	Sub-Divisional Officer, PHD, Rayagada	Member
27.	District Agricultural Officer	Member
28.	Chief Executive (Works), J. K. Paper Mills	Member
29.	Chief Safety Officer, J.K. Paper Mills	Member
30.	Chief Medical Officer, J.K. Paper Mills	Member
31.	Sr. General Manager, IMFA Ltd., Therubali	Member
32.	Chief Safety Officer, IMFA Ltd., Therubali	Member
33.	Sr. General Manager, Utkal Alumina International Ltd., Tikiri	Member
34.	Chief Safety Officer, Utkal Alumina International Ltd., Tikiri	Member
35.	Chief Executive (Works), Utkal Alumina International Ltd., Tikiri	Member
36.	Factory Manager, M/s. JAYSCO, Rayagada	Member
37.	Factory Manager, M/s. IOCL, Rayagada	Member
38.	Safety Officer, M/s. IOCL, Rayagada	Member
39.	Representative of DRM, Visakhapatnam	Invited Member

4.19 Local Crisis Group

The Local Crisis Group shall be the body in the industrial pocket to deal with chemical accidents and coordinate efforts in planning, preparedness and mitigation of a chemical accident. Without prejudice to the functions specified under sub-rule (1), the Local Crisis Group shall,

1. Prepare local emergency plan for the industrial pocket;
2. Train personnel involved in chemical accident management;
3. Ensure dovetailing of the local emergency plan with the district off-site emergency plan;
4. Educate the population likely to be affected in a chemical accident about the remedies and existing preparedness in the area;
5. Conduct at least one full scale mock-drill of a chemical accident at a site every six months forward a report to the District Crisis Group;
6. Respond to all public inquiries on the subject.

4.19.1 Composition of the Local Crisis Group

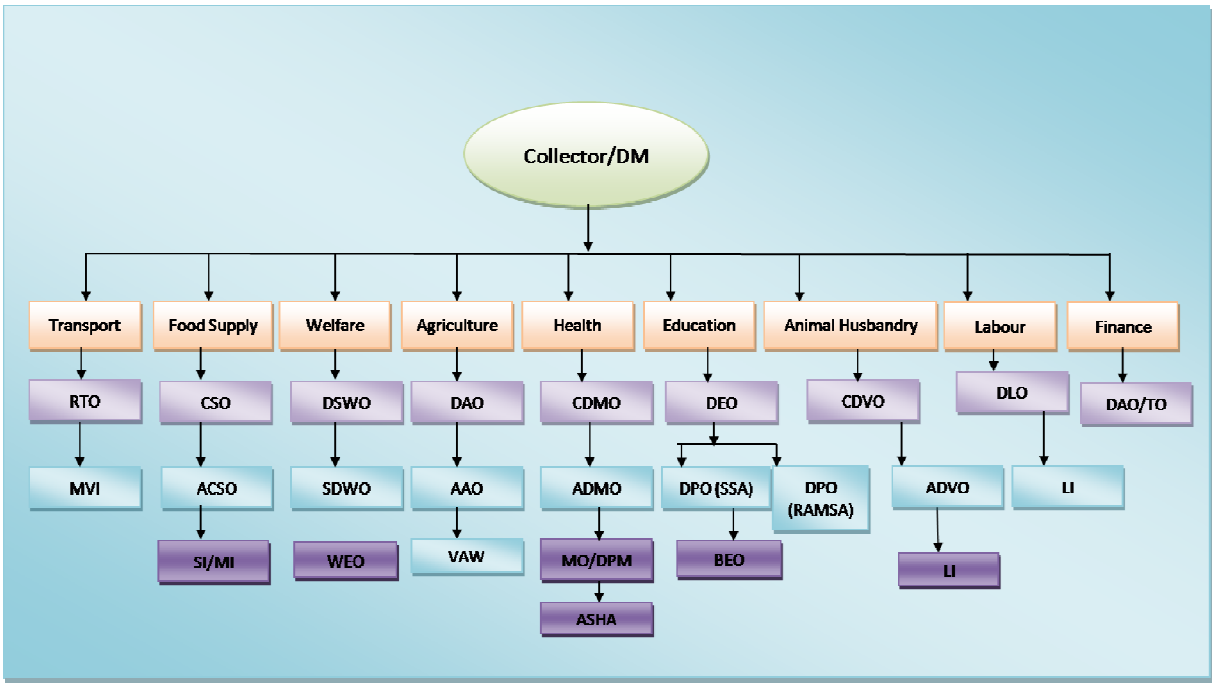

Table : 4.14

5.	Fire Officer	Member
6.	Station House Officer (Police)	Member
7.	Block Development Officer	Member
8.	One Representative of Civil Defence	Member
9.	Primary Health Officer	Member
10.	Editor of Local News Paper	Member
11.	Community leader/Sarpanch/Village	Member
12.	Pradhan nominated by Chairperson	Member
13.	One Representative of NGOs	Member
14.	Two Doctors eminent in the Local area	Member
15.	Two Social Workers	Member

Figure : 4.5

Coordination Structure at the District Level and Down the Line

4.20 GO-NGO Coordination Before and After Disaster in the District

The Section 35 (2) of DM Act 2005 says, In particular and without prejudice to the generality of the provisions of sub-section (I), the measures which the Central Government may take under that sub-section include measures with respect to all or any of the following matters, namely- (a) Coordination of actions of Ministries or Departments of the Government of India, State Governments, National Authority, Governmental and non-governmental organizations in relation to disaster management.

Odisha State Disaster Management Policy 2005, the Resolution dated 4th March, 2005 states that, active participation of NGOs, community based organizations (CBOs) and other civil society institutions are essential for effective disaster management. Therefore, their help and cooperation will be solicited. The NGOs will be encouraged to carry out sustained developmental work with disaster resilience as the central theme, especially in remote, inaccessible and vulnerable areas of the State.

The district has been able to achieve partnership with various social organizations like NCC, NYK, St. John Ambulance, Sathy Sai Seva Group, Lions Club, Junior, Youth Red Cross,etc are the important organizations who are working dedicatedly in providing their services for disaster management to the mankind. Youth Red Cross and NCC are playing instrumental role in generating awareness and facilitating community planning in the district. The District Magistrate (Central) Office is taking special initiatives to encourage NGOs/ VOs/ Youth Clubs to participate in various awareness generation activities and community planning exercises.

In the Recent Past, Rayagada has crossed over severe Railway Accident near Kuneru. During this disaster various NGOs, Youth Clubs, Registered Social Organisations, NCC, Red Cross has supported and played an important role in rescue and evacuation mechanism. The Lions Club, MarwadiYuvaManch, Sathya Sai SevaSamiti,etc have provided both food and clothes to the people suffered during Train Accident.

So, the whole process of GO-NGO Coordination is as follows:

- Line listing of NGOs/VOs with their area and subject of operation
- In District Planning process the sharing of ideas may be incorporated
- While approaching community centric approach the NGOs can play a better role
- To ensure community Participation in every developmental activity of the GO
- In mainstreaming of the vulnerable community
- Sharing of responsibility and hands on support in case of emergencies
- Exchange of Resources

4.21 Role of Corporate Sector in the District Relating to Disaster Management

Disaster affects development and all aspect of human life and its management involves actions by all departments,organization and agencies.Itis a multi-agency function of government non-government and corporate sectors. Thereforeit is important that roles and responsibilities of eachstakeholderarelaid down during normal time and coordination mechanism worked out sothat the same works during emergencies. Therefore, all the stakeholders, government, private and business houses in the district should participate in the DRR strategy in the district.

The Corporate sector are a major partner in the DDMA organogram. They are members of Red Cross as well as members of Crisis Management Group. We have 3 nos of major corporate houses at Rayagada district. They are J.K. Papers Ltd., IMFA &Utkal Alumina. JK Papers Ltd. Is working in JK Pur just 8 kms away from head quarter as IMFA is situated around 20 kms and Utkal Alumina is the farthest around 90 kms but every close to two of the most vulnerable epidemic prone blocks of Rayagada district i.e. Kashipur and K.Singpur.

Since, they are working in the fields of industrial sector, they have well establishment of health units which is generally used for local public also. While they have their own safety and security measures, they have good and upgraded source of human resource and equipments too. In recent past during train accident, all the three CSR partners have supported in relief operations, in evacuation and relief and in transportation of injured and diseased persons. Actively participating in CSR activities in development of local areas.

The CSR partners contributes in several ways to disaster management activity:

- Awareness generation
- Training
- Mock drills
- Development of on-site and off-site DM plans
- Preparation of inventory of resources
- Sensitization programme
- Organisation of annual event
- Preparation of inventory resource

4.22 Public Private Partnership: Public & Private Emergency ServiceFacilities Available in the District

To provide emergency services in the critical areas partnership with the private agencies established in the district. Ambulance service, patient transport and connectivity to remote areas as well as stocking of food materials in the pre-flood situation managed through public private partnerships by the health, transportation and civil supplies departments respectively.

4.23 Multipurpose Flood Shelters (MFS) in the District

a) There are 3 Nos. of Multipurpose Flood Shelters constructed under the Chief Minister's Relief Fund (CMRF) in 3 different flood prone locations of the district to meet the infrastructure gap as well to be used for shelter purposes to save human lives during disasters. The ground floor of the building can be used as shelter for livestock during emergencies. Relief materials and medicines can be stocked for emergency situation.

b) To ensure sustainable maintenance of the shelter buildings, community based Flood Shelter Management and Maintenance Committee (FSMMC) is formed at each MFS level. Different Task forces are responsible different tasks to manage the disaster more effectively at community level.

Table : 4.16
Details of FSMMC

Sl. No.	Name of the FS	Location	Name of President	Contact No.	Name of Secretary	Contact No.
1.	MFS	Vill/GP Hat Seskhal, Rayagada	Sri Basanta Ku. Bidika, Sarpanch, Hat Seskhal	-	Sri Sudhir Kumar Panli	9439680432

Prevention & Mitigation Measures

5.1 Ways & Means to Prevent or Reduce the Impact of Various Disasters

A better disaster management is possible only by meansofpreventionand mitigation activities. Now a day there is a paradigm shift in theapproach to disaster management from a culture of relief and rehabilitation to that ofprevention and mitigation. Structural prevention and mitigation measuresgenerally refer to physical construction which includes engineering measures, construction of hazard resistant and protectiveinfrastructures. Non-structural measures refer to awareness and education, practice, training and capacity development.

The preventive measures must be hazard specific . I must in structural and non-structural. The district must consider to be prepared by cross checking these following preventive measures.

Hazard	Structural Measures	Non-StructuralMeasures
Flood	• Construction, maintenance and protection of flood control structures like embankments, bunds, etc. • Dams and embankments can also be constructed which can be used as temporarily storing space which reduced the chances of lower plains getting flooded. • Critical buildings as well as private houses in flood prone areas should be constructed on an elevated area & if necessary on stilts and platform. • Construction of tube wells on raised platforms.	• Awareness on flood proof habitat planning with long term goal. • Crops that can be harvested before the onset of monsoon/flood season and crops that are flood friendly should be grown in the region.
Drought	• Construction of irrigation channels. • Existing ponds to be cleaned and more ponds to be dug as part of MNREGA activities in village. • Sluice gates to be linked with ponds. • Tubewells and Bore wells to be built in villages. • Construction and maintenance of	• Promotion and support for rainwater harvesting. • Awareness on government subsidy on bore wells for irrigation purposes.

	grain banks on safer locations. • Massive Plantations to be taken up.	
Epidemic	• Health units to be updated. • Ready stock of emergency medicines. • PWS/ Tube wells/ Sanitary wells to be chlorinated.	• Awareness generation on different epidemics.
Fire	• Establishment of fire stations as per Fire Safety Bye laws. • Updated inventory system and fire fighting equipment. • Alert communication system.	• Promotion of usage of fuel blocks during summers to minimize cases of fire during summer. • Awareness campaign on fire hazard and strategies to prevent fire incidents and promotion of usages.
Road / Rail Accident	• Possible vulnerable routs / tracks to be identified. • Strong monitoring of the maintenance to avoid human fault.	• Time being meetings between administration and railway board. • Emergency contacts to be establish. • Sharing of disaster management plan.
Earthquake	• All Building have earthquake resilient features. • Building bye laws applicable for Zone-5 region should be followed all buildings & public buildings must.	• Awareness and mock drill in buildings to demonstrate fire rescue methods and fire fighting methods.

5.4 Scope for integrating different schemes for Disaster Risk Reduction (DRR) Activities

Sl. No.	Scheme	Possible Activities for DRR
1.	Biju Krushak Kalyan Yojana (BKKY)	• To provide health security to the farmers and their families. • To provide financial support through health and accident insurance.
2.	Gopabandhu Gramin Yojana (Bijli,Sadak&Pani)	• Road connectivity. • Water supply. • Installation of critical infrastructures.
3.	Biju Setu Yojana (Rural Bridges)	• All weather road connectivity in remote areas. • Infrastructure development.
4.	Mission Shakti	• Institution building. • Capacity building for risk reduction.
5.	Integrated Child Protection Scheme (ICPS)	• To provide a safe and secure environment for overall development of the children. • Protection of child rights.
6.	Odisha PVTGs Empowerment & Livelihood Improvement Programme (OPELIP)	• PVTGs/PTGsCapacity Building. • Institution Building. • Livelihood Improvement &Empowerment.
7.	Odisha Tribal Empowerment & Livelihood Programme Plus (OTELP Plus)	• Livelihood support to tribal and vulnerable community. • Creation of durable structures.

8.	DAMAN (Durgama Anchalare Malaria Nirakaran)	• Malaria control. • Health safety.
9.	Pradhan Mantri Fasal Bima Yojana (PMFBY)	• Crop insurance. • Firming risk coverage in natural calamities.
10.	Pradhan Mantri Gram Sinchai Yojana (PMGSY)	• Irrigating the field of farmers and improving water use efficiency. • Enhance crop per drop by implementing water-saving technologies and precision irrigation.
11.	Sansad Adarsh Gram Yojana (SAGY)	• Development of model villages. • Social, cultural, economic and infrastructure developments in the villages.
12.	Janashree Vima Yojna	• Insurance protection. • Risk transfer.
13.	Pradhan Mantri Suraksha Bima Yojana (PMSBY)	• Insurance protection. • Risk transfer.
14.	Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY)	• Insurance protection. • Risk transfer.
15.	Pradhan Mantri Awas Yojana (PMAY) - Housing for all by 2022	• Construct disaster resilient houses. • Vulnerable infrastructure risk reduction.
16.	Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS)	• Construction of roads in remote areas. • Construction of multi-hazard shelters. • Plantation Activities. • Permanent Livelihood Activities.
17.	National Health Mission (NHM)	• Emergency Medical Response. • Ambulances Service. • Mobile Health Facility in Remote Areas.
18.	Pradhan Mantri Gram Sadak Yojana (PMGSY)	• Rural Road connectivity to remote and unconnected villages.
19.	Sarva Shiksha Abhiyan (SSA)	• Construction of new disaster resilient school buildings. • Retrofitting in existing school buildings. • Disaster preparedness and planning at school.
20.	Swachh Bharat Mission (SBM)	• For clean and hygienic environment. • Protection health.
21.	Soil Health Card Scheme	• Complete evaluation of the quality of soil. • Corrective measures to improve productivity.
22.	Pradhan Mantri Ujjwala Yojana (PMUY)	• Smoke and pollution free environment. • Protection of women health by smoke free cooking.
23.	Disease Control Programme	• Routine vaccination of livestock and birds to prevent contagious disease.
24.	Animal Health Camps	• Routine animal health camps to increase the health status and immunity of livestock and birds.

25.	BGREI-STV (Stress Tolerant Variety)	• Paddy-Sahabhagi(Drought resistance variety).
26.	State Plan	• Supply of hybrid vegetable mini-kits to farmers. • Implementation of single line trellies in vegetable crops. • Supplying of mango grafts, papaya, drumstick & K. Lime seedlings.
27.	MIDH	• Supplying of hybrid vegetable seedlings. • Supplying of loose flower seedlings. • Supplying of sprayers to the farmers in the subsidised rate.
28.	RMCLinkage	• Improve producers access and linkage to agriculture markets. • Training & development of marketing functionaries. • Alert farmers through announcement to safeguard agricultural produces. • Arrange trpouline, dories for covering of farmers agricultural produce at the market yard of RMC.

5.4 Scheme for Legal Services to the victims of disasters through Legal Services Authorities

5.4.1 National Legal Services Authority (NALSA)

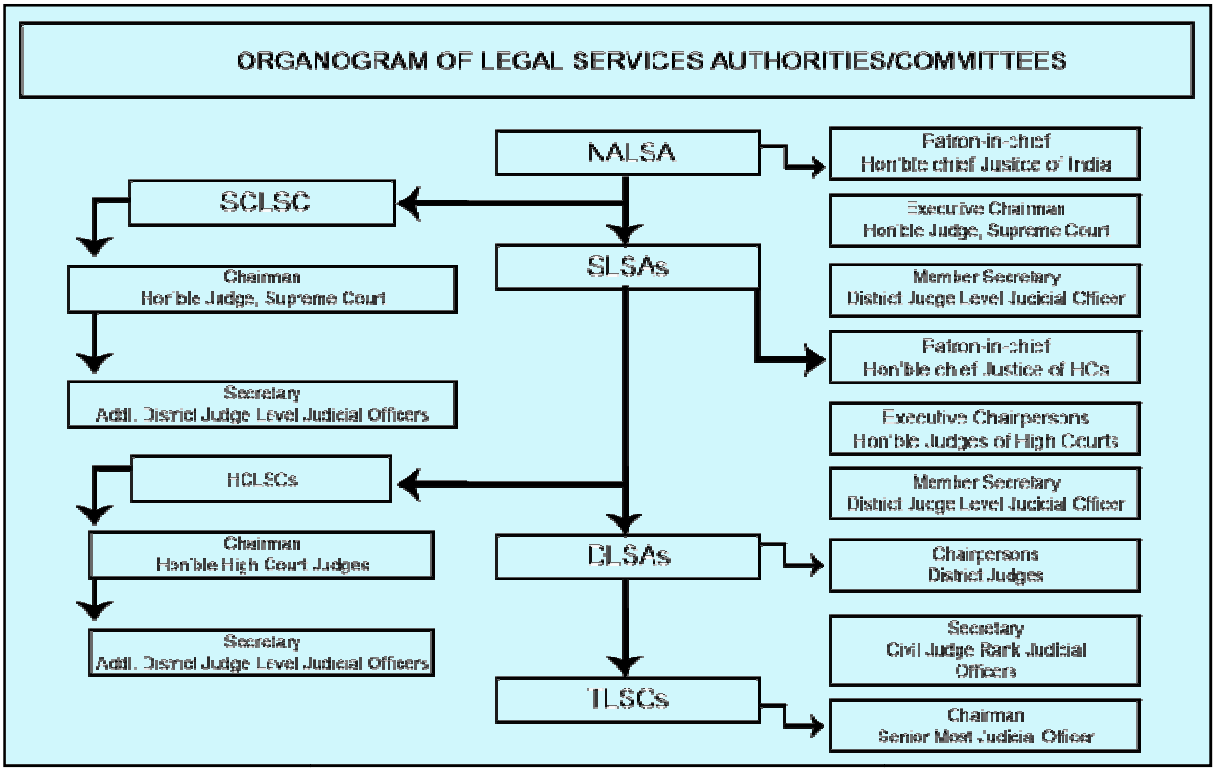

The National Legal Services Authority (NALSA) has been constituted under the Legal Services Authorities Act, 1987 to provide free Legal Services to the weaker sections of the society. The Chief Justice of India is the Patron-in-Chief and the Senior most Hon'ble Judge, Supreme Court of India is the Executive Chairman of the Authority.

Public awareness, equal opportunity and deliverable justice are the cornerstones on which the edifice of NALSA is based. The principal objective of NALSA is to provide free and competent legal services to the weaker sections of the society and to ensure that opportunities for securing justice are not denied to any citizen by reason of economic or other disabilities, and to organize Lok Adalats for amicable settlement of disputes. Apart from the abovementioned, functions of NALSA include spreading legal literacy and awareness, undertaking social justice litigations etc.

With the aim of reaching out to the diverse milieu of people belonging to different socio-economic, cultural and political backgrounds, NALSA identifies specific categories of the marginalized and excluded groups from the diverse populace of the country and formulates various schemes for the implementation of preventive and strategic legal service programmes to be undertaken and implemented by the Legal Services Authorities at the various levels. In carrying out all these responsibilities, NALSA works in close coordination with the various

State Legal Services Authorities, District Legal Services Authorities and other agencies for a regular exchange of relevant information, monitoring and updating on the implementation and progress of the various schemes in vogue and fostering a strategic and coordinated approach to ensure smooth and streamlined functioning of the various agencies and stakeholders.

Figure :5.1

5.4.2 Odisha State Legal Services Authority (SALSA)

Odisha State Legal Services Authority is a Statutory Body established under the Legal Services Authorities Act, 1987. Hon'ble Chief Justice of High Court of Orissa is the Patron-in-Chief of the Odisha Legal Services Authority and the Sr. Judge of the High Court of Orissa is the Executive Chairman of the Odisha Legal Services Authority.To look after the legal services pertaining to the High Court, there is High Court Legal Services Committee, which is chaired by a sitting Judge of the High Court and the Registrar (Judicial), Orissa High Court is functioning as the Secretary of High Court Legal Services Committee. The State Legal Services Authority monitors and guides the District Legal Services Authorities and Taluk Legal Services Committees in achieving the aims and objectives of the Act. There are 30 District Legal Services Authorities in the State of Odisha and 81 Taluk Legal Services Committees functioning under them. The District Legal Services Authorities are headed by District & Sessions Judges. An officer in the cadre of Senior Civil Judge functions as the Secretary of the District Legal Services Authority. The Taluk Legal Services Committees are headed by the senior most judicial officer posted at the station as the Chairman.

The general public who need any legal help/ legal aid can directly contact the concerned Taluk Legal Services Committee / District Legal Services Authority, the High Court Legal Services Committee and the State Legal Services Authority, as the case may be, for their legal needs.Added to it, Front Offices have also been established in the premises of the District Legal Services Authority and Taluk Legal Services Committee manned by advocate retainers to offer legal advice to the beneficiaries and the general public as well and also to assist them in different Legal Services Activities.

The State Legal Services Authority has 15 Members which include the Hon'ble Chairman of High Court Legal Services Committee, Principal Secretaries in the Department of Law and Finance, Director-General and Inspector-General of Police, Advocate General, District Judges of Cuttack and Khurda at Bhubaneswar. Apart from that the State Authority has 5 nominated Members namely Hon'ble Minister, Law, Odisha, a Senior Advocate of Orissa High Court, an M.P., an M.L.A., and an eminent Social Worker who have experience in the field of Law, Finance, Social Service or Administration and who are engaged in the upliftment of the weaker sections of the society, including Schedule Castes, Schedule Tribes, Women, Children, Rural and Urban Labour and who are interested in the implementation of the Legal Service Schemes.

[Source: NALSA & Odisha State Legal Service Web Portal]

(Please refer Figure 7.6 & 7.7 of Volume-II, Page No. 159 & 160 for NDMA and OSDMA directions for inclusion of NALSA & SLASA as Stakeholders in DRM Strategy)

Chapter-6

Climate Change Adaptation & Mitigation

Weather and climate are the results of complex interactions betweenanthropogenic and naturalfactors. Evidence of global climate change includehigheraveragetemperatures, changes in precipitation, oceanwarming, ocean acidification, sealevelrise, decreasingseaice, and changes in physical and biologicalsystems. Observedclimate change can belinkedwith the increase of green house gas concentrations in the atmospheresince the industrialrevolution. Global surface temperature change for the end of the 21st century is likely to reach 4°C if no drastic mitigation actions are taken.Various sources of climate data existthat can support planning for climate change.

6.1 Important Greenhouse Gases

Greenhouse gases (GHGs) are trace gases in the atmosphere that absorb and emit long wave radiation. They naturally blanket the earth and keep it at about 33° C warmer than it would be without these gases in the atmosphere. The table features the seven most important greenhouse gases as regulated under the Kyoto Protocol. The seven gases each have a different capacity to trap heat in the atmosphere, or a so-called "*Global Warming Potential*" (GWP). They all belong to the group of long-lived Greenhouse gases (LLGHGs), because they are chemically stable and persist in the atmosphere over time scales of a decade to centuries or longer, so that their emission has a long-term influence on climate. Some of the GHGs occur naturally (e.g. CO_2, CH_4 and N_2O) but increases in their atmospheric concentrations over the last 250 years are due largely to human activities. Other greenhouse gases are entirely the result of human activities (e.g. HFCs, PFCs, SF_6 and NF_3).

Table : 6.1

Greenhouse Gas	Global Warming Potential (GWP) over 100 years	% of Total Anthropogenic GHG Emissions (2010)
Carbon dioxide (CO_2)	1	76%
Methane (CH_4)	25	16%
Nitrous oxide (N_2O)	298	6%
Hydrofluorocarbons (HFCs)	124-14,800	< 2%
Perfluorocarbons (PFCs)	7,390-12,200	< 2%
Sulphur hexafluoride (SF_6)	22,800	< 2%
Nitrogen trifluoride (NF_3)	17,200	< 2%

6.2 Important Greenhouse Gases: Carbon Dioxide (CO_2)

Most important greenhouse gas (contributes ~64% to total radiative forcing by long-lived GHGs). Half of CO_2 emitted by human activities is being absorbed in the biosphere and in the oceans. Rest remains in the atmosphere for hundreds to thousands of years.

The most important anthropogenic GHG is carbon dioxide (CO_2). It accounts for around 64% of total radiative forcing due to LLGHGs. Carbon dioxide does not have a specific lifetime because it is continuously cycled between the atmosphere, oceans and land biosphere and its net removal from the atmosphere involves a range of processes with different time scales. $CO_2$is primarily emitted as a result of burning of fossil fuels, deforestation and forest degradation and iron and steel production. Oceans and forests are the main sequesters of carbon i.e. sinks that can absorb CO_2 from the atmosphere. Carbon dioxide is the gas to which all other gases are compared when speaking of Global Warming Potential. Emissions of other greenhouse gases can be converted into *CO_2 equivalent emissions*.

Table : 6.2

Sl. No.	Name of the Industry/Plant/Firm	Location	Quantity of CO2 emission (PPM)	Ranking as per CO2 Emission (in the district)	Other major polluants emited (PPM)	Action taken for cutting down émission
-	-	-	-	-	-	-

6.3 Important Greenhouse Gases: Methane (CH4)

Second most significant greenhouse gas (contributes ~18% to total radiative forcing by long-lived GHGs). Approximately 40% of methane is emitted into the atmosphere by natural sources. About 60% comes from human activities &Stays in the atmosphere for approximately 12 years.

The second most significant anthropogenic GHG is methane (CH_4) which contributes to approximately 18% of total radiative forcing due to LLGHGs. Approximately 40% of methane is emitted into the atmosphere by natural sources (i.e. wetlands and termites). About 60% comes from human activities (i.e. cattle breeding, rice agriculture, fossil fuel exploitation, landfills and biomass burning).Methane is mostly removed from the atmosphere by chemical reactions, persisting for about 12 years. Thus although methane is an important greenhouse gas, its effect is relatively short-lived.

Table : 6.3

Sl. No.	Name of the Block	Major Sources	Annual émission (In PPM)	Ranking as per CH4 Emission (PPM)	Action taken for cutting down émission
-	-	-	-	-	-

6.4 Important Greenhouse Gases: Nitrous Oxide (N2O)

The third most significant greenhouse gas (contributes ~6% to total radiative forcing by long-lived GHGs). Stays in the atmosphere for approximately 114 years.Nitrous oxide is emitted into the atmosphere from both natural (about 60%) and anthropogenic sources (approximately 40%).

Nitrous oxide is the third most significant GHG, contributing to about 6% of radiative forcing due to LLGHGs. The primary human sources of N_20 are fertilizer production and use in agriculture and various industrial processes. It is estimated that N_20 stays in the atmosphere for an estimated 114 years. Its impact on climate, over a 100-year period, is 298 times greater than equal emissions of carbon dioxide. It also plays an important role in the destruction of the stratospheric ozone layer which protects us from the harmful ultraviolet rays of the sun.

Table : 6.4

Sl. No.	Name of the Block	Fertiliser/ Industrialprocesses	Annual Usage (In tonnes)	Ranking as per N2O Emission (PPM)	Other major polluants emited (PPM)	Action taken for cutting down émission
-	-	-	-	-	-	-

6.5 Important Greenhouse Gases: Fluorinated Gases

Global warming effect up to 23,000 times greater than carbon dioxide. Stay in the atmosphere up to 50,000 years. Three main groups: hydrofluorocarbons (HFCs), perfluorocarbons (PFCs), and sulfur hexafluoride (SF_6). Mainly developed as substitutes for ozone-depleting substances.

Fluorinated gases are a family of man-made gases used in a range of industrial applications. Sources include refrigerants, air-conditioning, solvents, aluminium and magnesium production, etc. Many fluorinated gases have very high Global Warming Potentials

(GWPs) relative to other greenhouse gases. That means small atmospheric concentrations can have large effects on global temperatures. They can also have long atmospheric lifetimes, in some cases, lasting thousands of years. Fluorinated gases are removed from the atmosphere only when they are destroyed by sunlight in the far upper atmosphere. In general, fluorinated gases are the most potent and longest lasting type of greenhouse gases emitted by human activities. There are three main categories of fluorinated gases: hydrofluorocarbons (HFCs), perfluorocarbons (PFCs), and sulfur hexafluoride (SF_6).

- Hydrofluorocarbons (HFCs) are the most common group of *F-gases*. They are used in various sectors and applications, such as refrigerants in refrigeration, air-conditioning and heat pump equipment; as blowing agents for foams; as solvents; and in fire extinguishers and aerosol sprays.

- Perfluorocarbons (PFCs) are typically used in the electronics sector (for example for plasma cleaning of silicon wafers) as well as in the cosmetic and pharmaceutical industry. In the past PFCs were also used in fire extinguishers and can still be found in older fire protection systems.

- Sulphur hexafluoride (SF_6) is used mainly as an insulating gas, in high voltage switchgear and in the production of magnesium and aluminium.

Table : 6.5

Sl. No.	Name of the Industry/Firm/Plant	location	Annual émission (In PPM)	Ranking as per flourinatedgas Emission (PPM)	Action taken for cutting down émission
-	-	-	-	-	-

6.6 Important Green House Gases: Chlorofluorocarbons (CFCs)

Chlorofluorocarbons (CFCs) an important Green House Gas contribute about 12% to radiative forcing by long-lived GHGs has not been included in the Kyoto Protocol because they are already regulated under the Montreal Protocol on Substances that Deplete the Ozone Layer which entered into force in 1989.

The Montreal Protocol includes, for example, CFCs which contribute about 12% to total radiative forcing by LLGHGs. CFCs can stay in the atmosphere for more than 1,000 years. CFCs have a Global Warming Potential (GWP) that ranges between 4,750 and 14,400 (over 100 years time span). CFCs are used in the manufacture of aerosol sprays, blowing agents for foams and packing materials, as solvents, and as refrigerants.

Table : 6.6

Sl. No.	Name of the Industry/Firm/Plant	location	Annual émission (In PPM)	Ranking as per flourinatedgas Emission (PPM)	Action taken for cutting down émission
-	-	-	-	-	-

[Ref.: IPCC (2007). Fourth Assessment Report, Technical Summary - Changes in Human and Natural Drivers of Climate &UNEP (2012). Emissions Gap Report; WMO (2013). Greenhouse Gas Bulletin]

6.7 Green House Gas Sequestration

In order to prevent dangerous anthropogenic interference with the climate system, actions need to be taken to stabilize greenhouse gas concentrations in the atmosphere. Such actions are referred to as "Climate Change Mitigation". More specifically, climate Change mitigation involves:

- Reducing GHG emissions, i.e. by making older equipment more energy efficient;
- Preventing new GHG emissions to be released in the atmosphere, i.e. by avoiding the construction of new emission-intensive factories;
- Preserving and enhancing sinks and reservoirs of GHGs, i.e. by protecting natural carbon sinks like forests and oceans, or creating new sinks ("Carbon Sequestration").

[Source: UNFCCC (2009). Fact Sheet: The Need for Mitigation]

Major Greenhouse Gases Contributors (Anthrpogenic) to Climate Change (Table : 6.7)

Greenhouse Gas	Human Source (Examples)	% of Total Global GHG Emissions (2010)
Carbon dioxide (CO_2)	Fossil fuel combustion, land use changes, cement production, etc.	76%
Methane (CH_4)	Fossil fuel mining/distribution, livestock, rice agriculture, landfills, etc.	16%
Nitrous oxide (N_2O)	Agriculture (fertilisers) and associated land use change, etc.	6%
Hydrofluorocarbons (e.g. HFCs)	Liquid coolants, etc.	< 2%
Perfluorocarbons (e.g. PFCs)	Refrigerant, electronics industry and aluminium industry, etc.	< 2%
Sulphur hexafluoride (SF_6)	Insulator in electronics and magnesium industry, etc.	< 2%
Nitrogen trifluoride (NF_3)	Electronics and photovoltaic industries, etc.	< 2%

[Source: Reproduced from IPCC 2007, UNEP 2012 and FERN]

The global community has committed itself to hold warming below 2°C (compared to pre-industrial temperatures) to prevent dangerous climate change. The 2013 IPCC report on the physical science basis of climate change provides a "budget approach" to this goal, looking at total allowable CO_2 emissions level to meet the 2°C target. The report states that in order to have a greater than two in three chance of keeping *global warming* below 2°C, cumulative emissions of CO_2 cannot exceed 1,000 Gigatonnes of carbon (GtC). As of 2011, more than half this amount, or over 500 GtC, has already been emitted since 1861-1880. When the effects of other greenhouse gases are included, even less CO_2 could be emitted to keep below a 2°C warming.

Current annual emission levels are at 9.5 GtC and are likely to grow every year due to population growth and economic development patterns. If annual emissions continue to grow as in past years ("Business as Usual" scenario) the carbon budget will be exhausted in the next three decades.

6.8 Sectorswith High Mitigation Potential

Table : 6.9

Sl. No.	Sectors	Mitigation Options
1.	Energy	• Use of renewable heat and power (hydropower, solar, wind, geothermal and bio-energy). • Improved supply and distribution efficiency. • Carbon capture storage (CCS). • Combined heat and power.
2.	Transport	• More fuel efficient vehicles. • Use of alternative energy sources (biofuels, cleaner diesel, etc.). • Better land-use and transport planning. • Shift from individual transport to public transport systems. • More efficient driving practices. • Non-motorized transport (cycling, walking).

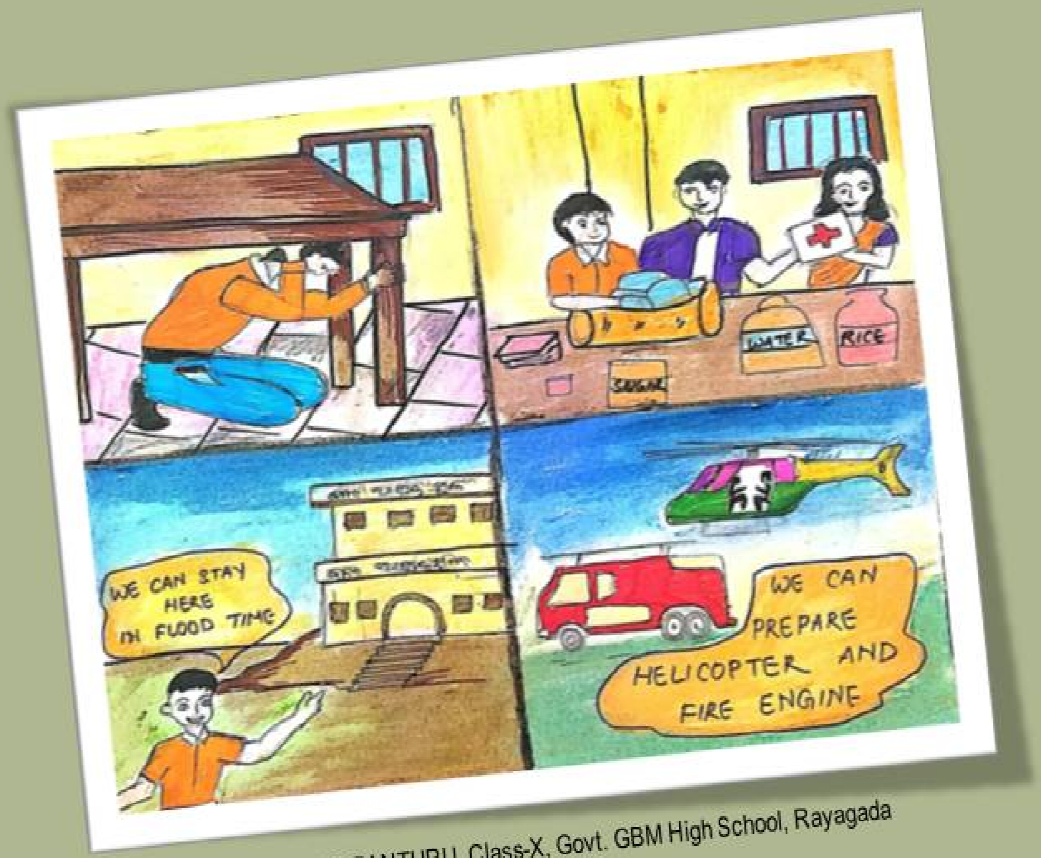

3.	Industry	• Process-specific technologies that improve efficiency and reduce emissions. • Material recycling and substitution. • Heat and power recovery/cogeneration. • Control of greenhouse gas emissions.
4.	Agriculture	• Manure and livestock management to reduce CH_4 emissions. • Improved fertilizer application techniques to reduce N_2O emissions. • Improved crop and grazing land management to increase soil carbon storage. • Restoration of cultivated peaty soils and degraded lands. • Agro-forestry practices.
5.	Forestry	• Reduced deforestation. • Afforestation/reforestation. • Forest management. • Tree species improvement to increase biomass productivity and carbon sequestration.
6.	Waste	• Landfill methane recovery. • Waste incineration with energy recovery. • Composting of organic waste. • Controlled wastewater treatment. • Recycling and waste minimization. • Biocovers and biofilters to optimize CH_4 oxidation.

Safety of Schools & Child Care Institutions

Implementation of School Safety Policy Guidelines 2016 (SSP-2016 Guidelines)

7.1 Order on WP(C) 483/2004 of Hon'ble Supreme Court

The Hon'ble Supreme Court vide orders of dated 14.08.2017 in WP (C) 483/2004, directs vide letter no. 2437/2004/SC/PIL/(WRIT), dt. 23.08.2017 that the School Safety Policy (SSP) 2016 guidelines issued by NDMA are statutory in nature and shall be implemented in letter and spirit by all concerned authorities for all schools. The direction of the Supreme Court in Implementation of the School Safety Policy Guidelines Inter-alia postulates as follow:

- Time bound implementation of the Guidelines.
- District Disaster Management Authority to ensure and monitor compliance of the said Guidelines.
- District Education Officer of each District to be a "Nodal officer" with responsibility, liability and obligation as well as powers and functions to ensure strict compliance with the Guidelines within the district of his jurisdiction.
- Joint Monitoring Committee consisting of representations of both Department of School Education & Literacy, Ministry of HRD and NDMA.
- Quarterly compliance reports from the Chief Secretary to MHRD and NDMA on the actions taken.

Hon'ble Supreme Court has also defined few actions at different levels to ensure school safety.

State & District Level	**School Level**
• Policy for safety audits in all schools • 'Stability certificate' by Government-certified engineer. • Manual for fire safety procedures and other safety precautions. • The National Building Code of India, 2005, to construct fire-safe buildings. (Revised 2016).	• Schools must take appropriate safety measures and an emergency response plan that delineates staff responsibilities, communication modes, and training and updating procedures for all members of the faculty, staff and students. • Fire insurance coverage should be made mandatory for all schools. • Ensuring that the kitchen in the precincts of the school has adequate safety mechanisms.

[Ref.:Fire Safety Measures in Schools(Section 3.1 p-23 / Training of School Teachers & Other Staff (Section 3.1 p-25)/School Building Specifications (Section 3.1 p-27) Clearance &Certificates (Section 3.1 p-29) SC. Judgement on WP(C) 483/2004]

7.2 Guidelines on School Safety Policy, 2016- NDMA

The School Safety encompasses "the creation of safe environments for children starting from their homes to their schools and back." This as well includes safety from large-scale natural hazards, human made risks, pandemics, violence as well as more frequent and smaller-scale fires, transportation and other related emergencies and environmental threats that can adversely affect the lives of children.

Vision

- The Guidelines stand for a vision of India where all children and their teachers, and other stakeholders in the school community are safe from any kind of preventable risks that may threaten their well-being during the pursuit of education.
- Educational continuity is maintained/ resumed even in the immediate aftermath of a disaster so that Children are physically, mentally and emotionally secure within their schools.

Approach and Objectives

- All hazard approach.
- All schools; all stakeholders 2. Strengthening existing policy provisions to make schools safer.
- School Safety as an indicator of quality for continued planning, execution and monitoring.
- Primary objective is to ensure the creation of safe learning environment for children.
- Also seek to highlight specific actions towards school safety that can be undertaken by different stakeholders within the existing framework of delivery of education.

Applicability

- The National School Safety Policy Guidelines apply to all schools in the country-whether government, aided or private, irrespective of their location in rural or urban areas.
- They apply to all stakeholders involved in delivery of education to Children in India.

All hazard approach

- School Safety efforts needs to take cognizance of all kinds of hazards that may affect the wellbeing of children.
- Hazards include structural and non-structural factors.
- Structural factors include dilapidated buildings, poorly designed structures, faulty construction, poorly maintained infrastructure, loose building elements, etc.
- Non Structural factors include loosely placed heavy objects such as almirahs, infestation of the campus by snakes and any other pests, broken or no boundary walls, uneven flooring, blocked evacuation routes, poorly designed and placed furniture that may cause accidents and injury, inadequate sanitation facilities, etc.

Right to Education Act, 2009

- The Act sets minimum norms and standards with regard to location and quality of schools and in Clause 19, lays down that no school shall be established, or recognized unless it fulfills the norms and standards specified in the schedule.
- One of the key standards is in relation to access to "all weather buildings"; in "areas with difficult terrain, risk of landslides, floods, lack of roads and in general, danger for young children in the approach…
- the State Government / Local Authority shall locate the school in such a manner as to avoid such dangers".
- The Act lays down the formation of the School Management Committee for planning of infrastructure and other requirements with respect to operational functioning of schools.
- The School Development Plan, as laid out by the Act, spells out the physical requirements of additional infrastructure and equipments to meet the norms spelt out in the schedule (in relation to all weather buildings).

Key Action Areas

1. **Institutional strengthening at the State & District levels**
   - Co-opting senior officials of the Department of Education in SDMA and DDMA.
   - Nomination of School Safety Focal Point Teacher & Sensitization of School Management Committee on DM.

2. **Planning for Safety**
   - Structural Measures (including siting, design and detailing for structural safety).
   - Non-structural Measures.
   - Preparation & implementation of School Disaster Management Plan.
   - Leveraging existing flagship programmes to make school campus safer.

3. **Capacity building for safe schools**
   - Training for students and school staff.
   - Specialized training and skill building of Education officers, representatives of SCERT and DIET, SDMA, DDMA, etc on school safety.
   - Mock Drills.
   - Familiarization Exercise (FAMEX) Programmes.

4. **Disaster Management in Core Curriculum**

5. **Regular monitoring of risk and revision of School Safety Plans (including Safety Audits & Availability of Emergency Equipment).**

Capacity Building Measures

8.1 Approach

Developing a DDMP without building capacity or raising awareness amongst stakeholders can be detrimental to the development of a successful and sustainable plan. Stakeholders and communities are critical components to a successful, long-term, sustainable disaster management plan. Capacity Building develops and strengthens skills, competencies and abilities of both Government and non-government officials and communities to achieve their desired results during and after disasters, as well as preventing hazardous events from becoming disasters.

Developing institutional capacity is very important. At the same time, by making the local community part of the process and solution would help in ensuring that disaster mitigation measures are more likely to be implemented and maintained over time.

8.2 Capacity Building of Stakeholders

A capacity building plan caters the functional responsibilities of the stakeholders in incidence management.Therefore, one of the most important tasks of the DDMA is to facilitate training and capacity building programmes of the Government Officials, PRI Members, Community Members, Volunteers and otherstakeholders to make them more skilled and foster preparedness to combat any disaster. The list of training programmes to be organised for different stakeholders are as follows.

Table : 8.1
List of Training Programmes for the Stakeholders

Sl. No.	Name of the Course/ Training Programme	Participants	Duration of the Training Programme	Month of Organization	To be Organized by
1.	Orientation training programme on disaster management	ADM, Sub-Collector, All BDOs, Tahasildars, Head of line departments, Police & Fire Personnel.	1/2 Day	January	DDMA
2.	Hospital preparedness, mass causality management and hospital management plan	Doctors and Hospital Administrators	2 Days	February	CDM&PHO

3.	Training programme on heat wave preparedness	All BDOs/ EE, RWS&S, CDMO, CDVO, NGOs	1 Day	February	DDMA
4.	Training progamme on treating heat wave related health issues	Doctors and Paramedical Staff/ ANMs	1 Day	February	CDM&PHO
5.	Mass Casualty Management.	Para Medics/Police/ RPF/Home Guard/Fire and Civil Defense/ Railway Officials	1 Day	March	DDMA
6.	Earth quake resistant construction	Asst. Engineers & JEs	1 Day	April	PWD/RWD
7	Post disaster damage assessment	AEs of all Blocks and line departments	1 Day	April	DDMA
8.	GIS mapping of utilities	Block Computer Programmers, Line Department MIS officials	1 Day	May	DRDA
9.	Public health in emergencies, safe drinking water and sanitation	All BDOs, Block and district level officials of PHED/ RWS&S	1 Day	May	CDM&PHO
10.	Training of teachers on school safety including DM plan and conduct of Mock Drills	Principal/ Head Masters of all Govt. & Private Institutions	1 Day	June	DEO
11.	Role of PRIs and ULBs in disaster management.	Members of ZP and ULBs, Chairman & Vice- Chairman of PS.	1 Day	October	DDMA
12.	Block level training programmes on role of PRIs in disaster management	Sarapanchs& PS Members	1 Day	October	BDOs
13.	Role of NGOs/VOs/CBOs in disaster management.	District and block level NGOs/ VOs involved with administration in disaster management	1 Day	November	DDMA
14.	Training of ZKSS and BKSS members on basics of disaster management and creating community level awareness for dos and don'ts	ZKSS and BKSS Members	1 Day	November	District Culture Officer

	related to common disasters.				
15.	Search & rescue and safe evacuation.	Civil Defense Volunteers, NSS, NYK Volunteers, NCC	5 Days	December	Commandant of ODRAF unit
16.	Role of Media in Disaster Management	Media Personal	1 Day	December	DI&PRO

8.3 District/ Block level Mock Drills

Mock drills are to be organized at district and block locations involving differentstakeholders and institutions to assess capacity and preparedness to face certain disaster. The recommendations and findings from the Mock Drill exercises will be incorporated in the next updationof DDMP. Proposed Mock drills, CAP & FAMEX Programmes at the district and block locations are as follows.

Table : 8.2

Sl. No.	Type of Mock Drill	Officials/ Institutions to be involved	Month/ Date	Remarks
1.	Flood	DLOs, BLOs, High School, College Students, CSOs, NGOs, Fire Service, ODRAF, NCC, YRC Volunteers, etc	June, 19th	Awreness and Capaity Building
2.	Fire/ Forest Fire	High School, College Students, Forest Service Personnel/ Fire Service Personnel/ VSSs/ VOs	November-January	Awreness and Capaity Building
3.	Industrial Accidents/ Industry Specific Mock drills	Inducstrial Units, F&B, DLO, Fire Service Personnel	Twice in a Year	Safety Check and Awareness
4.	Crowd Management	Police Personnel& Festival Organisation Committees, Govt. Officials, Volunteers, NGOs, CSOs	July, September, November	Awareness & Safety Check
5.	Educational Institution Safety	Teaching and Non-Teaching Staffs, Students, BEO, Fire Service Personnnel, etc.	Throughout the Year	Awareness Building
6.	Hospital Safety	Doctors, Mediacl Staffs Fire Service Personnnel, etc.	Twice in a Year	Awareness and Hopital Safety Check
7.	FAMEX/CAP	Community, Students, AWW, ASHA, Teachers, Insitutions, etc of a Village	As per the Calendar	Awareness Generation for DRR

8.4 Preparation of Village Disaster Management Plans (VDMPs)

The State Executive Committee (SEC) in its meeting held on 05-01-2017 has been approved for preparation of VDMPs forCommunity Capacity Building (CCB) and Community Based Disaster Management (CBDM) in the disaster prone villages.The Village Disaster Management Committee (VDMC) and Task Forces at village level are to be formed and capacitate them to work for disaster management to minimise the loss of life and property of the target community.

Table : 8.3
Preparation of Village Disaster Management Plans

Sl. No.	Block Name	No. of GPs to be covered during 2019-20	No. of vulnerable villages to be covered during 2019-20	No. of VDMC and task force member to be oriented	No. NGOsto be involved in the process	Time Line
1.	Rayagada	18	120	1800	2	Oct. 2019
2.	Kalyansingpur	13	60	900	1	Oct. 2019
3.	Kolnara	8	50	750	1	Oct. 2019
4.	Kashipur	10	50	750	1	Oct. 2019
5.	Gunupur	17	100	1500	1	Oct. 2019
6.	Padmapur	8	70	1050	1	Oct. 2019
7.	Gudari	7	70	1050	1	Oct. 2019
8.	Ramanaguda	10	60	900	1	Oct. 2019
9.	Bissam Cuttack	8	45	675	1	Oct. 2019
10.	Muniguda	10	40	600	1	Oct. 2019
11.	Chandrapur	5	35	525	1	Oct. 2019
	Total	114	700	10500	12	Oct. 2019

8.5 Capacity Building of Flood Shelter Maintenance & Management Committee (FSMMC) and Task Force Members (TFM)

FSMMC and TFM members will be given training from time to time to update their knowledge and skills on shelter management, equipment management and disaster management.

Table : 8.4
Capacity building of FSMMC & TFM

Sl. No.	Name of the Training Programme	Total No. of Persons to be trained	No. of Training Programmes to be organized	Time Line
1.	Basic orientation of FSMMC	60	3	November
2.	Training of task force members on search & rescue and first aid	60	3	December
3.	Disaster and shelter management skills, record keeping procedures	60	3	December

8.6 Shelter Level Mock Drills

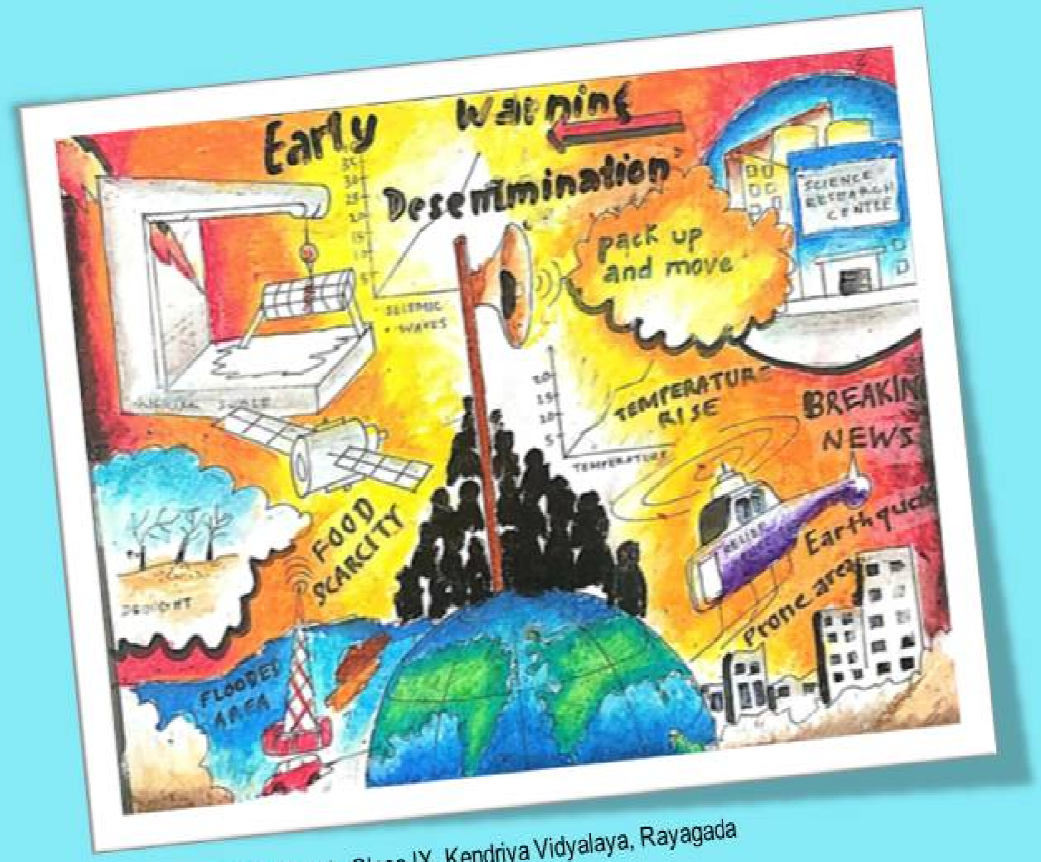

Mock drills and operations will be organized at shelter level at different locations involving community to aware them preparedness in disaster management.

Table : 8.5

Mock Drills at Shelter Level

Sl. No.	Type	No. of Flood Shelters to be covered	No. of villages to be covered.	Month/ Date
1.	Flood Rescue	3	30	June, 19th

Chapter-9

Preparedness

Disasters can be minimized by a wellpreparedness and identification of the most vulnerable location is the foremost action in this regard. The communities itself are the first responders for rescue of disaster victims and their role is very crucial. Hence, there is no alternate other than preparedness that they are competent to respond to any incident in an effective way.The service of NDRF, ODRAF, Fire, Police, Home Guard, NCC, NSS, NYK, NGOs, VOs as well as entire Emergency Machinery of Government and Private are also bears importance in the local level activities to combat any disaster.

9.1 Relief Lines : District to Blocks

Table : 9.1

Sl. No.	Name of the Road		Type of Road & Length	Vulnerability of the Route (Description of the Vulnerability)	Coverage (Blocks)
	From District	To Block			
1.	Rayagada Hqrs.	Kalyansingpur Hqrs.	SH, 48 Kms.	River Bridge near J.K. Pur	Rayagada
2.	Rayagada Hqrs.	Kolnara Hqrs.	NH, 15 Kms.	River Bridge near J.K. Pur	Rayagada

9.4 Usefulness of Satellite Phone During Natural Disasters

Satellite Phone can be a life saver during natural disasters. A Satellite Phone on the premises is essential as it would be only means to communicate with others. It gives a communication access to local services, rescue operations and emergency services.

Procedure for Using INMARSAT ISAT PHONE 2

i. Stand outside with a clear view to the sky with the phone antenna pointing upwards.

ii. There must be a clear line of sight between the phone's antenna and the satellite.

iii. Point the antenna towards **South-East** direction.

iv. Switch on the phone by pressing the Red power button of the phone for few seconds. Until the screen lights up.

v. Align the antenna for getting the maximum satellite signal strength  (minimum two bars)

vi. The screen will show "searching for satellite" "registering with network".

vii. The screen will show "ready for service". Inmarsat name will come in top right corner.

viii. Then the phone is ready to operate

ix. Simply dial the desired no:

   a. From satellite to landline : Dial **00** + Country code 91+ **STD code (without 0**) + desired **Telephone No.**

   b. From **Satellite to mobile** : Dial 00 + 91+ Mobile Number

   c. From **Satellite to satellite**: 00+ satellite phone number

   d. From **Landline**(should have ISD facility) to **satellite**: 00 + satellite phone number

   e. From **Prepaid mobile**(should have ISD facility with sufficient balance)to **satellite**: 00 + satellite phone number

   f. To end the call Press 'red' button

Note:
A delay in microseconds will be observed so the user is advised to listen to one end and then speak.

- The user is also advised to SPEAK SOFTLY to get better voice quality at the other end.
- Check the Battery. (Display will show a rectangular block that will be filled according to the charge in the battery). Always charge the battery till it gets charged 100%.
- For more detail information please follow the **User Guide document**.

9.5 Allotted Important Satellite Phone Numbers of Odisha

Table : 9.4

53.	Revenue & DM Department	8991118506
54.	Managing Director, OSDMA	8991118507
55.	Office of Chief Secretary	8991118508
56.	Office of Chief Minister	8991118509
57.	Special Relief Commissioner (SEOC)	8991118510
58.	Managing Director, OSDMA	8991118511

9.6 Preparedness at District Level

Task	Activity
District Emergency Operation Centre (DEOC)	• Test Checkup of all communication Interfaces in regular interval. • Proper manning of the Control Room as per Para-10 of the Odisha Relief Code. • A dedicated vehicle must be earmarked for Control Room.
Upward & Downward Communication	• Have a list of Nodal person with contact details. • Establish regular linkages with all important stakeholders. • Contact SEOC regularly.
Meeting of DDMA (Heads of the department &stakeholder)	• DDMA must meet twice every year & before any disaster. • Fix time & venue for regular Preparedness meeting to Assess preparedness of District/Department/Civil Society/Block Community/Family/Individual level regularly. • Circulate the minutes of the meeting with clear-cut role &responsibility.
Capacity Building	• Identifying & designating Nodal Officer for different Department. • Capacity building & Skill up gradation of ODRAF/Fire Services/ Police/Home Guards. • Identify Volunteer like Civil Defence/Cyclone shelter Task Force/NCC/NSS/Scout & Guide & train them on Search &Rescue, First aid, evacuation, etc. • Take stake of required materials for search & rescue, first aid, casualty management, evacuation, relief, etc. & update IDRN portal regularly. • Assess preparedness through Mock drill at District, Block &Community level.
Shelter Management	• Take necessary steps for operation & maintenance of shelters. • Test Check of various Equipment at shelter level & repair of the defective ones. • Ensure regular meeting of Shelter committee. • Assess Shelter level preparedness through Mock drill.
Planning & Reporting	• Collect & transmit Rain fall data regularly. • Collect & transmit weather report regularly. • Ensure preparation of Disaster Management Plans & Safety plans at all levels. • Capacity building of all Stake holders. • Integrate the District Plan with Block & Village Disaster Management Plans.

9.7 Preparedness at Community Level

Task	Activity
Early Warning Dissemination	• Build regular linkages with BEOC & DEOC. • Test Check of various Equipment at shelter level & repair of the defective ones. • Keep updates from BEOC/DEOC. • Monitor & Transmit updates to BEOC. • Supply required information to BEOC & DEOC.
Ensuring Preparedness	• Have a list of Nodal person deployed in the village with contact details. • Identification of safer routes & shelters. • Identify possible ways to reach persons like Farmers/Fisherman/NTFP collectors etc. who ventures into fields, reservoir & forest respectively. • Build teams among the task force on Search & Rescue, First aid, Damage & loss assessment. • Assess preparedness at Family/Individual level. • Test Check-up of equipments.
Capacity Building	• Understand local dynamics exposed & vulnerable to different disaster. • Local social economic & weather conditions. • Develop Village DM Plan. • List of Emergency contact No. & display it in Centre places. • Participate in the activities of Preparing village Disaster Management Plan, Developing Safety Plan, Capacity Building Programmes & Mock Drills.

9.8 Preparedness at Family Level

Task	Activity
Warning Communication	• List the minimum important requirements. • Keep all the important documents in a water proof polythene. • Record the safe & alternative routes to shelter. • Keep News update in Radio/TV.
Preparedness	• Always keep in readiness a “Ready to go Emergency Kit” containing Dry food (for 72 hours x Family member), Drinking water (2ltr/per person per day), Hand wash/soap, Important Documents/Valuables, Whistle/match box/lighter/ torch/battery/ umbrella, Mobile & charger / radio. • Family must have a “Ready to go First Aid Kit” containing Iodine/ Band aids/ Cotton/ Medicines/ ORS/ ointments/ scissor/ halogens etc. • Assess preparedness on a regular basis by checking Radio / Mobile / Emergency Kit/ First Aid Kit/ Fuels, Kerosene, etc as per requirement. • Replace the damaged, outdated or expired materials with new ones.

Capacity Building	• Participate & involve in the activities of Village Disaster Management Plan and Preparation of Safety Plans. • Participate in Capacity Building Programmes. • Involve in Mock Drills.

9.9 Preparedness at Individual Level

Task	Activity
Early Warning Dissemination	• List & keep a ready to go minimum important requirements. • Record the safe & alternative routes to shelter. • Keep News update in Radio/TV.
Ensuring Preparedness	• Every individual children must have a Personal Identity information like a copy of Aadhar Card/ Voter ID/ School Identity Card & Contact Nos. preferably of two who can be contacted in time of emergency. • Family members especially kids must be sensitized about family gathering point during disaster & crowded places. • Assess preparedness on a regular basis by checking Radio/ Mobile/ Emergency Kit/ First Aid Kit/ Fuels, Kerosene, etc as per requirement.
Capacity Development	• Participate and involve in the activities of Disaster Management. • Safety Plans. • Capacity Building Programmes. • Mock Drills, CAP/ FAMEX Programmes.

9.10 Preparedness of Departments

Name of the Department	Normal Time SOP for the Department
Collector / ADM / Emergency Officer - R&DM	• Ensure regular meetings of District Disaster Management Authority • Develop & update Disaster Management Plan, carry out Hazard analysis in the district • Identify safe alternate routes to Flood Shelters. • Keep a list of Contacts of EOCs, Nodal Officer of different departments, Important Stakeholders, Village Leaders, Shelters • List of Relief lines & Storage places • List & Maintenance of SAR equipment • Capacity Building of Stakeholders & Volunteers • Asses Preparedness through Mock Drills for different disasters at District Department, Block & Community level • Adopt Sustainable Mitigation Measures • Integrate DM & DRR features in Development Programmes

CDM&PHO - H&FW	• Disaster Management Plans & Safety plans for Hospitals • Capacity building of Medical & Para Medical Staffs • Assess preparedness through Mock Drills & familiar exercises • Integrate department plans with plans with Village & Block Plans and development programmes • Develop media partnership • Develop capacity of hospitals with advance equipment, proper manning & disaster resilient infrastructures • Stock piling of Life saving drugs/ORS packets/Halogen tablets on receipt of warning from the Collector/DCR • Transmission of messages to all PHCs to stock medicines and keep the medical staff ready • Disease surveillance and transmission of reports to the higher authorities on a daily basis. • Vaccination. • To obtain and transmit information on natural calamities from the DCR • Advance inoculation programme in the flood/Cyclone prone areas. • Ensuring distribution of areas of operation among the mobile team. • Pre-distribution of basic medicines to the people who are likely to be affected • Shifting the patients who are in critical situation to the District Hospital • Awareness messages to stop the outbreak of epidemics • Conducting mock drills
Superintendent of Police - Home	• Reception of Warning from the DCR • Communication establishment with District and Block/Tahasil Control rooms and departmental offices within the division. • Alerting the APR force for deployment at the time of calamity • To issue directive to police field functionaries to co-operate with Revenue Personnel in management of Relief operation.
EE - RWS&S	• Review and update precautionary measures and procedures and review with staff the precautions that have been taken to protect equipment. • Within the affected block, all available personnel will be made available to the District Magistrate. If more personnel are required then out of station official or those on leave may be recalled. • Prepare plans for water distribution to all transit and relief camps, affected villages and cattle camps and ensure proper execution of these plans. • Inform people to store an emergency supply of drinking water • Investigation of alternate of water and its supply. • Standby diesel pumps or generators should be installed in damage-proof buildings. • A standby water supply should be available in the event of damage, saline intrusion or other pollution of the regular supply.

	• Establish procedures for the emergency distribution of water if existing supply is disrupted. • Make provisions to acquire tankers and establish other temporary means of distributing water on an emergency basis. • Make provision to acquire containers and storage tanks, required for storing water on an emergency basis. • Protect pump stations from water logging. • Repair sewage lines where damage is detected. • Repair water pipelines wherever damaged.
EE - Irrigation Division - WR	• Check the wireless network and ensure that all the flood stations are connected. • Establish mechanisms for exchange of information with irrigation divisions • Inspect all the Bundhs, and check their height and slope. • Check the top of the Bundhs, and if they have been cleared of encumbrances / encroachments and if they are motorable • Check that all the Bundhs have been repaired/ reinforced, in particular those Bundhs which were damaged during the last floods. • Check the drainage system of the Bundhs and ensure that the seepage and rat holes, etc. have been closed. • Check that all the materials required for protecting Bundhs have been stored at different places, and a list of these places has been furnished to the district administration • Check that the Junior engineers and other staff have been assigned their beats, and all the • Arrangements for continuous vigilance over these Bundhs have been made. • Check that all rain gauge stations are functional, and arrangements have been made to report the readings. • Check the regulators and siphons. Check that they have been repaired and cleaned, increasing the flow of water. • Check all the anti-erosion works, necessary to maintain the Bundhs.
DAO - A&FE	• Preparation of Department Disaster Management Plan - A change in crop/cropping system including variety and proper agronomic measures should be followed . • Adoption of coping strategies in drought and flood prone areas- Drought resistance variety Sahabhagi and flood tolerant verity Swarna Sab-1 adopted. • Arrangement of buffer seed stocks for the farmers - Prepositioning at block/ PACS level to be made for supply of short duration paddy seeds/ Arhara/Maize/Blackgram by OSSC Ltd. or any other seed supply agency . • Inspection of sub-ordinate offices, other centres and sub-centres which are damage prone- A team should be constituted and they

	should visit the sub-centres . • Repair and maintenance of agricultural production, extension, seed growth centres and training centres- Action will be taken for repair and maintenance of godowncentres . • Maintenance of departmental equipments to use during emergency- Provision has already been made for supply of departmental equipment likes Sprinklers/ Power Sprayer/ Hand Sprayer and Pesticides,etc during emergency. • Arrangement damage lessen measures for public properties related to agriculture in the damage prone areas- If harvested crop is heaped during cyclonic rain then the crop should be covered by polythene, staked properly and brine solution should be sprayed to prevent the harvest crop from germination .The farmers should be advised to cut the crop and bring back to their farm house to save the crop from damage by cyclonic rain . Advance SMS should be sent to the farming community regarding catastrophe.
DDH - A&FE	• Preparation of Department Disaster Management Plan. • Adoption of coping strategies in drought and flood prone areas. • Arrangement of buffer seed stocks for the farmers. • Inspection of sub-ordinate offices, other centers and sub-centers which are damageprone. • Repair and maintenance of horticulture production, extension, seedling growth centersand training centres. • Maintenance of horticultureequipments to use during emergency. • Arrangement damage lessen measures for public properties related to horticulture in the damage prone areas.
EE-RWD - RD	• Govt. buildings should be inspected and necessary repairs to be got executed to with standing hazards affected. • Script for slides, pamphlets, and cultural programmers should be got prepared immediately. • Arrangements should be made to obtain poster and films by addressing the Director through the Collectors. • Public addresses equipment should be obtain kept ready. • The community Radio sets available in the coastal villages should be ascertained • The names of Hamlets where they are not available to be reported. • The public should be fully educated regarding the precautionary measures & after cyclone through available media. • Specific duties should be assigned to the field staff. • The field staff should proceed to the place of work allotted and be ready to attend to cyclone duty.
EE-PWD- Works	• All personnel required for disaster management should work under the overall supervision and guidance of DM. • Review and update precautionary measures and procedures, and review with staff the precautions that have been taken to protect equipment.

	• Vehicles should be inspected, fuel tanks filled and batteries and electrical wiring covered as necessary. • Extra transport vehicles should be dispatched from headquarters and stationed at safe strategic spots along routes likely to be affected. • Heavy equipments, such as front-end loaders, should be moved to areas likely to be damaged and secured in a safe place. • Clean the area beneath bridges regularly for smooth flow of water excess. • Maintain all the highways and access roads, which are critical from the point of view of supplying relief. • Inspect all buildings and structures of the state government (including hospital buildings.) by a senior engineer and identify structures which are endangered by the impending disaster. • The designation of routes strategic to evacuation and relief should be identified and marked, in close coordination with police and District Control Room • Establish a priority listing of roads which will be opened first. Among the most important are the roads to hospitals and main trunk routes • Work under construction should be secured with ropes, sandbags and covered with tarpaulins if necessary. • Construct/ reinforce the connecting roads from villages to roads, canals and Bundhs and raise their level so that people can access the high ground. • Inspection of old buildings and suggesting retrofitting of weak buildings/ demolition of dangerous structures and evacuation of population. • Carry out route opening by removing debris on the road. • Begin clearing roads. Assemble casual labourers to work with experienced staff and divide them into work gangs.
DTO - Telecom	• Assess the different disaster scenarios and match the communications needs with the available resources. • Ensure that TSPs (private and public) invest in preventive measures that will ensure maximum robustness and preparedness of the telecom networks during emergencies. • Ensure that TSPs (private and public) develop detailed emergency plans for management of resources under their responsibility. • Conduct annual reviews of the ETP/SOP - Organize annual symposium on telecommunications availability during emergency. • Update the communications plan according to development and innovations in emergency telecommunications systems. • Disseminate information among the Public and the district administration on the availability of telecom services and equipment's for use during emergencies.

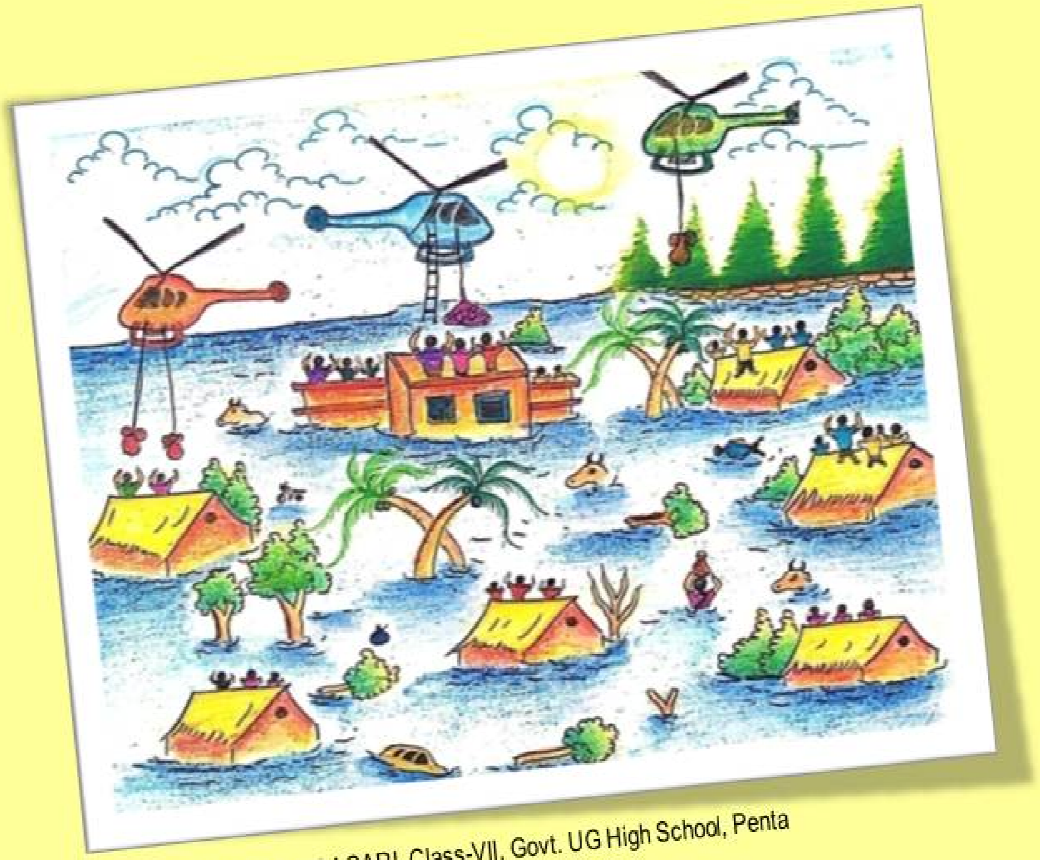

CDVO - ARD	• Functioning of a District Control Room at O/o. CDVO, Rayagada. • Formation of Block level control room with Mobile Veterinary Units. • Disaster Management Plans & Safety plans for Veterinary Institution. • Capacity Building of Vet &Paravet Staffs. • Assess Preparedness through Mock Drill and Familiar Exercises. • Integrate Department Plans with Village & Block Plans and Development Projects. • Develop Media Partnership. • Develop Capacity of VDS with Advance Equipment, Proper Manning & Disaster Resilient Infrastructures. • Arrangement of necessary medicines, vaccines and other material, for treatment ofanimals.
RTO -T&C	• Prepare a list of vehicles- trucks, buses, jeeps, tractors, etc of government and private agencies in the district and provide the list to the District control room. • Provide requires vans and ambulances for mobile health and animal husbandry teams. • Provide trucks, buses, jeeps, tractors, etc for evacuation and supply chain management • Issue standing instructions to the State transport department for providing buses for evacuation and relief. • Recall important functionaries from leave; communicate to the staff to man their places of duties like the ward and divisional offices and respective departments. • Call for emergency meeting to take stock of the situation. Develop a strategy and objectives.
DFO -F&E	• Develop and quarterly update the disaster management plan that includes the Contingency Action Plan for the Department based on HVRC analysis with the active involvement of all concerned line departments and local bodies in the district • Make personnel available to the District Magistrate, within the affected block,. If more personnel are required, recall those on leave. • Identify areas that could be opened or made available for grazing or fodder collection in case of disaster • Ensure that adequate supply of small poles or bamboo is available for reconstruction of houses of the affected people, as well as wood for cremation of dead. • Ensure plantation to the maximum possible extent.
Railways	• Identification of flood prone areas, RAT, RAW and information prone to erosion/breaches and marking them on railways system map. • Development of Flood Shelters for staff and passenger at suitable locations in the areas prone to repeated floods

	• Study of changed water catchment area due to construction of highways, Dams. • Study of changed rainy season month on a particular region. • Action Plan for Alignment, Location, Design and Provision of Waterway on Railways Embankments • Inspections of Railway Affecting Works – to be streamlined and timely ensured. • Review of waterways for adequacy and alignment and measures to modify, if needed. • Status Note on the lessons learnt from the previous flood situations in the past 5 years. • Bye-laws for buildings in flood plains. • Making existing and new buildings and infrastructure capable of withstanding fury of floods.
EE-Southco - Energy	• Review and update precautionary measures and procedures and review with staff the precautions that have been taken to protect equipment. • Ensure that the Power Supply department to make alternate arrangements of emergency supply for the major offices from time of receipt of districts • Check emergency tool kits, assembling any additional equipment needed. • After receiving alert warning, immediately undertake following inspection of High tension lines, Towers, Sub-stations, Transformers, Insulators, Poles and other equipments • Instruct district staff to disconnect the main electricity supply for the affected area. • Protect Power Stations from disaster. Raise the height of compound walls. Arrange gunny bags. Install pump sets for draining water in case of Flood. • Provide information to the people about the state of power supply. It is one of the most important sources of information. Establish temporary electric supplies to other key public facilities, public water system etc. to support emergency relief. • Establish temporary electric supplies to transit camps feeding centres, relief camps and Site Operation Centre, District EOC and on access roads to the same. • Establish temporary electric supplies for staging area. • Compile an itemized assessment of damage, from reports made by various electrical receiving centres and sub-centres.
EE-PHED - H&UD	• Formation of Disaster Management Cell and manning with senior personnel drawn from key sections of the dept. • Formulation of Public Health Engineering related programme and activities by intonating them with hazard specific preventive and mitigation measures. • Creation of stocks of installation materials at the district level for

	use in emergencies. • Orientation and training of a team of technicians to do installation as quickly as possible. • Strategizing the installation of hand-pumps etc. with hazard profile of the area in mind. • In consultation with the Department of Education and DMD, provision of additional sanitation and drinking water facilities in schools and relief shelters where people take refuge during flood. • In consultation with the Department of Disaster Management making special arrangements for the supply of drinking water in drought prone areas. • Planning for repair and maintenance of the facilities created as a part of the programme and activities. • Keeping a track of groundwater level and having a fresh look at the facilities created accordingly. • Organizing interaction with Gram Panchayats for having proper sanitation facilities, and providing them support and guidance in planning, implementation and maintenance of the same. • Procurement, upkeep and maintenance of sanitation equipment for use in emergencies.
DEO -S&ME and DEO - HSE	• Formation of Disaster Management Cell and manning the same by senior personnel drawn from key Directorates. • Incorporating costs for preventive and mitigation measures for earthquake, flood, fire and cyclonic storm prone areas to construct disaster resistant school buildings. • In association with Fire Dept. getting fire extinguishers installed in schools and teachers identified and trained in operating them. • Awareness Generation Programmes about Hazard, the kind of preparedness required and how to act at the time of disaster shall be organized in schools on monthly basis. • Disaster Management shall be made a part of the school curriculum. • The Department shall get quality films made on hazard wise disaster preparedness and organize their viewing by children and their parents. • The Department shall in association with Nehru Yuva Kendra organize locality based youth clubs and get them groomed in escort services, relief work and taking care of children, women, old and sick. • Making adequate arrangements for getting hand pumps installed, storage facilities created, toilet and bathrooms built in those schools where communities do take shelter during flood. Concerned departments shall either make the arrangements or make funds available for the same.
BDOs/ Tahasildars	• Providing authentic information required by the DCR. • Preparing a record of previous disasters in the locality and

	analyzing the effects. • Preparing hazard maps of the Block./Tahasil& the GPs in minute details. • Mapping the cut off areas with alternate route map. • Identification of shelter places in the maps. • Keeping a List of storage Points & facilities available, dealers of foodstuffs. • Keeping a list of vulnerable people and area and weak points on embankments (if applicable). • Creating a Control Room at the respective level and assignment of duties to the staff. • Pre-positioning of staff for site operation centers. • Uninterrupted communication with the DCR. • Arrangement of alternative communication/generator sets, etc. • Formation of GP/village level disaster committees and task forces. • Arrangement of boats on hire available locally. • Deployment of Boat in the most vulnerable areas. • Organizing awareness camps at GP/village levels. • Dissemination of Warning. • Crosschecking with the DCR for the authenticity of the warnings. • Arrangement or requisition of vehicles to disseminate received warning information's to the population of vulnerable/ weak places. • Dissemination of warning/ coordination with District control room. • Warning the people about probable affected areas. • Mobilizing the people to leave for identified shelters with their domestic animals and personnel belongings.

Chapter-10

Artist : PABITRA KANDAGARI, Class-VII, Govt. UG High School, Penta

Response

Response refers to activities done for handling disaster to bring the situation to normalcy not exceeding fifteen days from the abatement of disaster. The onset of an emergency creates the need for timely sensitive actions to save life and property, reduce hardships and suffering, and restore essential life support and community systems, to mitigate further damage or loss and provide the foundation for subsequent recovery. Effective response planning requires realistic identification of likely response functions, assignment of specific tasks to individual response agencies, identification of equipment, supplies and personnel required by the response agencies for performing the assigned tasks. An effective response plan essentially outlines the strategy and resources necessity for search, rescue and evacuation activities.

Mechanism of Response Plan

- **Functioning of Emergency Operation Centre**
  Normally it operates from district level and works as a coordinating agency between departments and stakeholders. It is the nodal agency headed that controls all movements of emergency situation or any disaster situation.

- **Functioning of Control Room**
  It acts as the main center of information and communication from district/block level and established both at district as well as block level.

- **Establishment of Alert Alarm System**
  The Alarm System is established as the quickest mode of communication. This may be telephonic/ mail or any shortest mode of communication based on the intensity of disaster or early detection of the magnitude of disaster. The alarm system will be stationed at the EOC. In order to check the functionality of all possible alert systems the EOC must check randomly all possible contact nos./ mail ids/ available VHF sets/ Satellite phones, etc.

- **Capacity Building**
  The main intention is to prepare a quick response team at district and block level. This may comprise of different level of stakeholders from root to top agencies including civilians, NGOs, NCC/ Police/ Students/Youth clubs/ PRIs/Public representatives/ Mass media/ CBOs/ Red Cross etc. They should be capacitated with different types of disaster response mechanisms. At the time of disasters, the quick response team can add value to address disaster. Hence, at all level the team must be identified and prepared much before focusing on type of disaster.

- **Food Security and Rest Rooms**
  The possible rest shades and community kitchen system must be identified primarily in every possible pocket depending upon type of disaster. So that, at the time of disaster strike food security and shelter can be ensured to each stakeholder. Primarily, these identified rescue infrastructures must be analyzed to ensure water, electricity and sanitation facilities. Local area grocery shops and list of petty and big business man should be enlisted.

- **Storing of Food Materials**
  Possible area of food storage godawn/ infrastructures need to be identified previously in order to stock sufficient amount of food stock in order to fight with emergency period, if necessary.

- **Effective Health Management Team**
  This is necessary to avoid any sorts of health disaster of any affected person or community. Controlling spreading of epidemics, controlling casualties, addressing post-mortems, addressing traumatic condition of victims, distribution of medicine, addressing health of women and children with social vulnerable disable groups, etc are the prime responsibility of health mechanism. Stocking of sufficient quantity of medicines/ first aids/ updated blood bank information/ ready human resource/ ambulance system are the main focus.

- **Deployment of Active Task Force**
  With the above capacity building the active task force must be informed to address the magnitude of disaster.

- **Establishing Inventory/ Equipment Record Keeping Mechanism**:
  This is an important part in the Disaster Response System, mostly necessary to accomplish the task of evacuation. In case of emergency usually need different inventories/ technical/ mechanical equipments to quickly respond the evacuation process. In order to address this process, all Departments/ Organisation/ Contractors/ Engineering Sections/ ODRAF/ Fire Service and all Forces of the district must share their present list and status of all inventories lies with them. Also, they must share the details of operator/ human resources available for the same inventory.

- **Evacuation**
  It is the most important phenomenon in the issue of Response Mechanism. Hence, with proper functioning of the above system the rate of affect can be lessen and the process of evacuation can be address properly.

The Disaster Response System, herewith puts focus upon different agencies for various response matters :

Agency	Response
District Authorities	Evacuation, Food through PDS, Water and Sanitation, Monetary Compensation, Medical AID, Construction Material, etc.
Defence/ Police & Fire Services	Evacuation, Air dropping in inaccessible areas, Crowed management, rescue operation, Controlling of disaster, Rumour and Panic Management, etc.
International Agencies	Medical Aid, Food Supplies, Financial Aids, etc.
NGO/ CBOs/ VOs/ Youth Clubs/ NCC, etc	Food, Utensils, Clothes, Water, Medicine, Psychological Support, etc.
Individuals	Voluntary help.

Disaster Response Mechanism Main Objectives :

- Saving and protecting human life.
- Relieving suffering.
- Containing the Emergency– Limiting its escalation or spread and mitigating its impacts.
- Providing the public and businesses with warnings, advice and information.
- Protecting the health and safety of responding personnel.
- Safeguarding the environment.
- As far as reasonably practicable and protecting property.
- Maintaining or restoring critical activities.
- Maintaining normal services at an appropriate level.
- Promoting and facilitating self-help in affected communities.
- Facilitating investigations and inquiries by preserving the scene and effective records management.
- Facilitating the recovery of the community including the humanitarian assistance, economic, infrastructure and environmental impacts.
- Evaluating the response and recovery effort.
- Identifying and taking action to implement lessons identified.

Figure : 10.1
Timeline of Response Phase

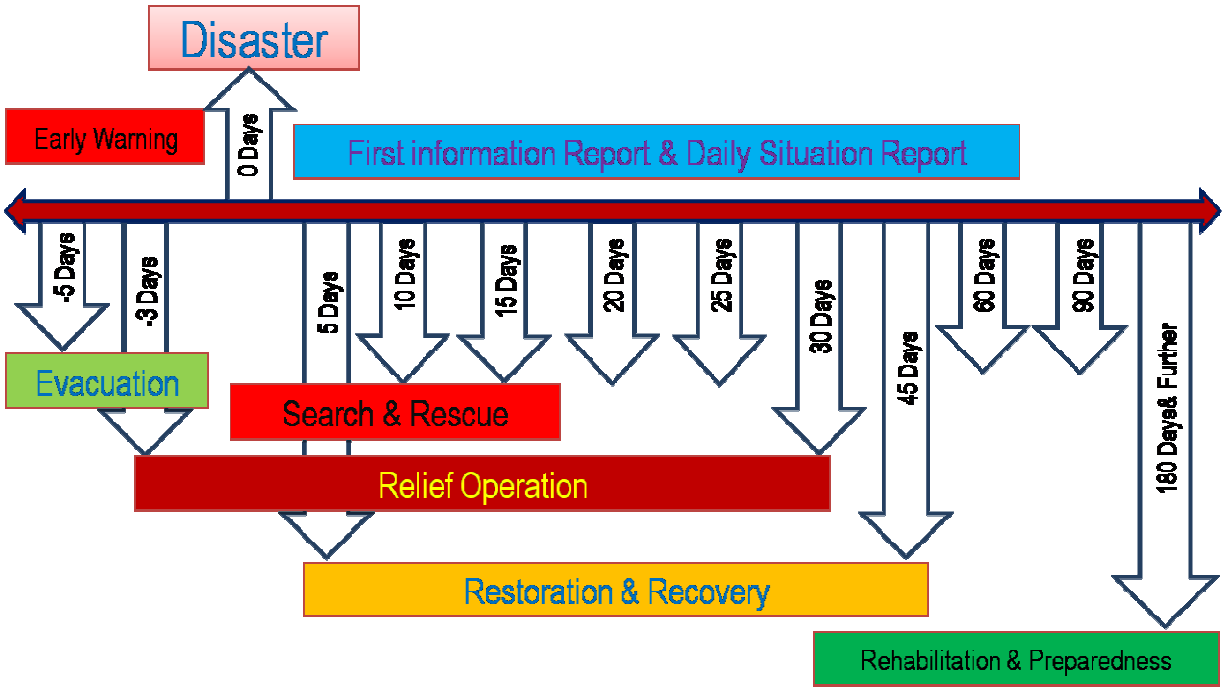

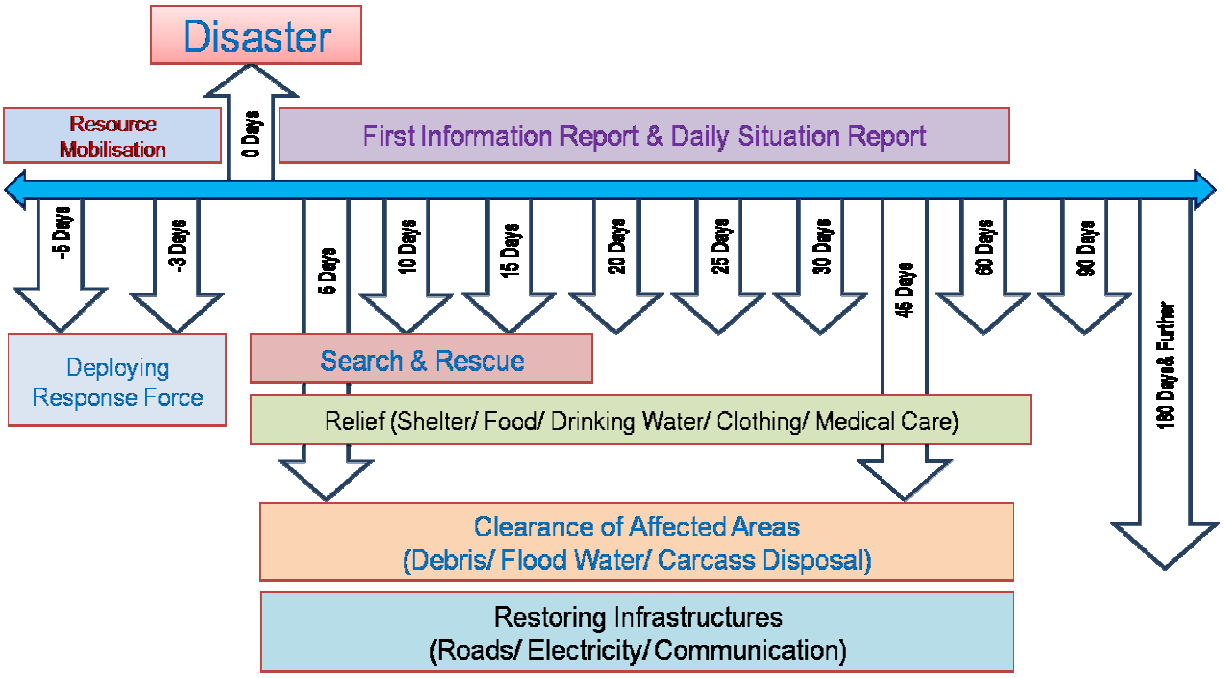

Figure : 10.2

Timeline of Relief Management

10.1 Response: District

Task	Activity
Warning Communication	• Warning dissemination to the list of Nodal person & concerned BDOs • Recording the receipt of information & regular Status update. • Transmitting updates to SEOC in regular interval as instructed.
Meeting of DDMA (Heads of the department & stakeholder)	• Collector to take up a department coordination meeting & distribute works among all the Departments. • Collector issues circular to keep government offices open cancelling all holidays. • A fixed time to be finalized every day for reporting at all level. • A nodal officer is identified for media management. • Circulate the minutes of the meeting with clear-cut role and responsibility.
Pre-positioning of staff, resources & Evacuation	• Identifying & designating Nodal Officer for different stages of disaster & affected areas. • Positioning of ODRAF/NDRF/Fire Services/ Police/Home Guard in the affected areas. • Pooling Volunteer services (Civil Defence/Task Force/NCC/NSS/Scout & Guide). • Take stake of required materials for search & rescue, first aid, casualty management, evacuation, relief etc. • Make necessary arrangements of shelters for evacuation. • Constitute a special team for special care to vulnerable section like Specially abled, Sr. Citizen, Pregnant & lactating women, Infants & children etc.
Response	• EOCs to Ensure back up power/fuel/internet/communication at Dist./Dept. & Block levels. • Response force under guidance of Nodal officers ensure complete Evacuation (Human/ Animal), carry out Search & Rescue and clear relief lines. • Collector to submit requisition of vehicle/boat/ helicopters & list of support from State & Centre to all concerned authorities. • CSO to store required relief materials, Chhuda,Gur and Dry Foods in the nearby storage points. • CDVO to store, transport & distribute required fodders for animals to the affected areas. • Flood shelter committee & Village Disaster management committee to organize free kitchen in the shelters with help of revenue department. • EE- RWSS & CDM&PHO to ensure supply of drinking water, disinfection of water & maintain health & hygiene in the shelters. • CDM&PHO to carry out first aid & casualty management. • Collector to collect & transmit First Information Report (FIR) & Daily Situation Report as per requirement.

10.2 Response: Community Level

Activity
• DEOC to disseminate warning communication to BEOC and community. • Response force to ensure power/fuel/internet/communication at shelters back up. • Supply inspectors and marketing inspectors to distribute relief materials with response force, task force and volunteers. • Response force to carry out Search & Rescue measures, emergent relief operation, relief line clearance, distribution of relief. • Doctors to carry out first aid & casualty management, carcass disposal & sufficient mortuary facility in the affected areas.

10.3 Response: Family & Individual Level

Task	Activity
Response	• Listen to the instruction of the response force & warnings. • Economic use of "Ready to go Emergency Kit" Ready to go First Aid Kit. • Cooperate the response force/officers & render volunteer service if asked for. • Maintain cleanliness & hygiene at shelters.

10.4 Response: Standard Operating Procedures for Departments

Name of the Department	On Receiving Warning	Response Time	Post Disaster
Collector / ADM / Emergency Officer - R&DM	• Review the situation in DDMC. • Activate EOC & Early Warning. • Work distribution for operation. • Circular to keep offices open. • Arrange vehicle & activate Evacuation (Normal/Forceful).	• Activate Search & Rescue. • Arrange temporary shelters. • Arrange logistics in shelters. • Workout financial estimates (evacuation / relief /recovery).	• Activate relief line clearance. • Proper relief Distribution. • Start damage assessment. • Facilitate Ex-gratia & Compensation. • Start primary damage estimate. • Pool resources for SAR/shifting of critical patients.
CDM & PHO - F&FW	• Disseminate the alert to all concerned (Staff list). • Arrangement of medicine, First aid kits	• Mass Casualty Management units & Triage. • First Aid Centers • Medical surgical teams.	• Psycho-Social Counselling. • Post Disaster Disease surveillance

	& teams. • Mobile Health units for inaccessible pockets. • Identifying & shifting patients requiring intensive care to safer places. • Supply of medicines & pre-positioning of medical teams to vulnerable areas. • Vaccination for prevention of communicable diseases. • Measures to dis –infect drinking water. • Availability of Blood Banks/Ambulance.	• Adequate mortuary facility. • Measures to shift patients requiring intensive care. • Pool of Blood donors (Preferably each group). • Additional laboratories. • Carcass disposal team & units.	system. • Special attention to vulnerable section. • Networking with & promote treatment in Private Hospitals. • Carcass Management & Issuance of Death Certificate.
Superintendent of Police - Home	• Identify Disaster Prone area in the district. • Prepare a Deployment Plan for the Police force, based on the needs of the most vulnerable areas. • Ensure that a sufficient number of police force is available for responding to the disaster situation. • Establish coordination with the State Armed Police and Defence and Home Guards. • Check the wireless communication network, and secure additional wireless sets for deployment during a disaster. • Installation of radio communications at District Control Room, Control room at affected site,	• Dispatch Police to systematically identity and assist people and communities in life threatening situation. • Designate an area, within Police Station to be used as help line centre for public. • With the assistance of health professional, help injured people and assist the community in organizing emergency transport of seriously injured to medical treatment centers. Ensure that the police stations with staff are functioning in disaster situation. • Assist and encourage the community in road-cleaning operation.	• Provide guards wherever needed particularly for staging area of cooperative food etc stores and distribution centers. • Provide convoys for relief materials. • Evacuation will be ordered by Deputy Commissioner, Addl. Commissioner and Superintendent of Police. • Assist and encourage the community in road-cleaning operation. • Assess and Identify road for following conditions/facilitie s one Way, Blocked, Alternate

	Departmental Offices within the District & Division. • Keep the police vehicles and other modest transport in readiness for deployment of the police. • Call for emergency meeting to take stock of the situation.		route, Overall Traffic Management, Other access roads. • Provide security arrangements for visiting VVIPs and VIPs. • Assist district authorities to take necessary action against Hoarders, Black Marketers and those found manipulating relief material.
EE- RWS&S-PR&DW	• When early signs of distress appear in any part of the district, EE RWS&S will submit a special situation update to DM indicating the position in respect of Water and Sanitation preparedness in the district. • Will inform all concerned RWS&S-JEs/ AEs of blocks and Panchayats to review essential emergency stocks and contingency plans to be able to respond in a timely manner. • Upon receipt of early warning signals from State, he must start the monitoring of all water and sanitation infrastructure in the affected parts of the District. • Will be in constant touch with the local IMD and other agencies in the district	• Will ensure supply of clean drinking water to affected areas. Will ensure transportation of water with minimum wastage. • Will ensure supply of water purification installations, mobile systems, halogen tablets etc. for providing clean drinking water • Will ensure that special care is taken of women with infants and pregnant women. Will ensure that sewer pipes and drainage are kept separate from drinking water facilities. • Will ensure availability of adequate number of toilets to prevent further contamination of water sources.	• Must launch necessary awareness campaigns on safe water handling practices, environmental sanitation and individual hygiene along with hardware provision. • Will visit as many areas as possible to have first-hand information of the situation. Will keep District Collector and E-in-C/ CE, RWS&S informed daily about the action taken by him in his area. • Local MLA, MP and other communityץ leaders must be informed on measures taken by RWS&S / PHED

	for information on impending disaster.		for an effective disaster response.
EE-Irrigation Division - WR	• When early signs of distress appear in any part of the district, EE Irrigation will submit a special situation update to DM indicating the position in respect of Irrigation preparedness in the district. • Prepare and update the disaster risk map of the district. The map should show the vulnerability and risks of the critical infrastructure related to irrigation and also whether alternate source of H2O within the district. • Prepare a contingency plan for the maintenance and repairs of Bundhs and embankments. • Identify Bundhs, which are critical for disaster protection and control. • Review and update precautionary measures and procedures.	• Will ensure availability of adequate number of tool kits to prevent any damage during disaster. • Provide special attention to those places where the Bundhs were breached and repaired during the last floods/disaster last year. These are the Bundhs, which will be threatened first during the disaster. • Deployed adequate team in the most vulnerable areas.	• Undertake channel improvement for rivers and nalas to the extent possible. Undertake de-silting / cleaning of Nalas and canals to improve the flow of water. • Supply the essential tool kits and protection material at critical places for emergency repair and construction. • Organize round the clock inspection and repair of equipments.
DDA- A&FE	• Depute one responsible officer to DEOC. • Inform the farmers regarding dos and don'ts. • Check and procure the materials which are required after the disaster.	• Mobilize the resources as per the need to the affected areas. • Estimate the requirements of the seeds and material required to mitigate the loss.	• Quantify the losses of the crops. • Take Measures to recoup the crop loss. • Assist farmers to sow the less time period crop to recover the loss. • Execute the

			schemes to eliminate the drought effect.
DDH - A&FE	• Depute one responsible officer to DEOC. • Inform the farmers regarding disaster preventaton and mitigation. • Check and procure the materials which are required after the disaster.	• Mobilize the resources as per the need to the affected areas. • Estimate the requirements of the seeds and material required to mitigate the loss.	• Quantify the losses of the crops. • Take Measures to recoup the crop loss. • Assist farmers to sow the less time period crop to recover the loss. • Execute the schemes to eliminate the drought effect.
EE-RWD - RD	• When early signs of distress appear in any part of the district, EE Rural Works will submit a special situation update to DM indicating the position in respect of rural works preparedness in the district. • Prepare and update the disaster risk map of the district. The map should show the vulnerability and risks of the critical infrastructure related to rural areas. • Ensure community involvement in disaster preparedness.	• Will ensure availability of adequate number of tool kits to prevent any damage during disaster. • Provide special attention to those places which were most vulnerable areas during disaster last year. • Deployed adequate team in the most vulnerable areas. • Ensure the rural communication system and shelter management process during disaster.	• Carry out the detail technical assessment of the affected areas and prepare the recovery plan. • Repair and reconstruction of the buildings and roads. • Construct temporary shelters in the affected areas.
EE-PWD - Works	• Conduct HRV analysis of PWD of the district. • Based on HRV analysis, prepared Contingency Action Plan for the Department. • All personnel required	• Carry out route opening by removing debris on the road. • Provide a work team carrying emergency tool kits, depending on the nature and extent of the disaster, essential	• Undertake repair of all paved and unpaved road surfaces including edge metalling, pothole patching and any failure of surface,

	for disaster management should work under the overall supervision and guidance of DEOC. • All officers (technical officers) should be notified and should meet the staff to review emergency procedures. • Review and update precautionary measures and procedures, and review with staff the precautions that have been taken to protect equipment. • Maintain all the highways and access roads, which are critical from the point of view of supplying relief.	equipments to the disaster spot. • If people are evacuating an area, the evacuation routes should be checked and people assisted. • Construct/ reinforce the connecting roads from villages to roads, canals and Bundhs and raise their level so that people can access the high ground during disaster.	foundations in the affected areas by maintenance engineer's staff and keep monitoring their conditions. • Undertake construction of temporary roads to serve as access to temporary transit and relief camps, and medical facilities for flood victims. • As per the decisions of the District Control Room, undertake construction of temporary structures required, for organizing relief work and construction of relief camps, feeding centres, medical facilities, cattle camps. • An up-to-date report of all damage and repairs should be kept in the district office report book and communicate the same to the District Control Room.
DTO-Telecom	• Communication establishment with District and Block/ Tahasil control room and departmental officers within the division. • An officer to be	• Where Disaster strikes with/ without early warning signals, TSPs shall immediately assess damage to their network and deploy Rapid Damage Assessment Team	• If required portable / vehicle mounted / air-transportable BTSs / BSCs with backhaul on satellite media may be installed by TSPs.

	appointed as nodal officer • Standby arrangements for temporary electric supply or generators. • Inspection and repair of poles etc. • Identification of materials required for response operations. • All staff informed about the disasters, likely damages and effect	&Disaster Response Task Force Teams (DRTF) with required inventory to provide emergency communication to priority callers like police, Fire, Medical, civil defense, Red Cross, Army, financial institutions, NGOs, all officers and staffs engaged in restoration of telecommunication services, etc • A control room will be setup at the state HQ / nearest to affected area, as the case may be, and made operational under control of TERM cell of affected area.	• Nodal officer of TSPs of affected telecom circle level shall report to concerned DDG (TERM), DoT (Chairman of STDCC) in that circle, for sharing information and coordination related matters. • TERM units of DOT shall be the single nodal point in the disaster region where representatives of TSPs shall also be present to coordinate and oversee communication restoration efforts • All the affected areas and infrastructure will maintained immedia-tely to make sure the effective commun-ication after disaster for quick response.
CDVO - ARD	• Disseminate the alert to all concerned. • Arrangement of medicine, first aid kits & teams. • Mobile veterinary units for inaccessible pockets. • Identifying & shifting patients requiring intensive care to safer places.	• Mass Causality management units & Triage. • First aid centres • Mobile veterinary unit. • Measures to shift patients to VD. • Additional laboratories. • Carcass disposal team & units.	• Post Disaster Disease surveillance system. • Special attention to vulnerable section. • Networking with & promote treatment with NGO (JK Trust). • Carcass disposal.

	• Supply of medicines pre- positioning of veterinary teams to vulnerable areas. • Vaccination for prevention of communicable diseases. • Measures to disinfect drinking water.		
RTO - T&C	• Disseminate the alert to all concerned staff. • Prepare a list of vehicles- trucks, buses, jeeps, tractors, etc of government and private agencies in the district and provide the list to the District control room. • Issue standing instructions to the State transport department for providing buses for evacuation and relief. • Recall important functionaries from leave; communicate to the staff to man their places of duties like the ward and divisional offices and respective departments. • Call for emergency meeting to take stock of the situation. Develop a strategy and objectives.	• Provide requires vans and ambulances for mobile health and animal husbandry teams for immediate response during disaster. • Provide trucks, buses, jeeps, tractors, etc for evacuation and supply chain management. • Fill department vehicles with fuel and park them in a protected area.	• Providing vehicles for communication and relief. • Provide ambulances to rural areas for bringing affected people to hospitals after disaster.
DFO - F&E	• Conduct HRV analysis of Forest of the district. • Based on HRV analysis, prepared Contingency Action Plan for the Department.	• Allow the transportation of fodder from forest areas, when the fodder is not freely available. • Evacuate the people and animal under the forest areas to a safest	• Ensure Plantation to maximum possible extent. • Ensure supply of wood for disposal of dead bodies. • Recall important functionaries from

	• All personnel required for disaster management should work under the overall supervision and guidance of DFO. • All district level officials of the department would be asked to report to the DFO when disaster occurs.	place. • Cut down the most vulnerable trees near the residential areas. • Provide wooden poles and bamboo for temporary shelter.	leave; communicate to the staff to man their places of duties like the ward and divisional offices and respective departments. • Call for emergency meeting to take stock of the situation. Develop a strategy and objectives.
Railways	• Overall coordination with the district administration for disaster response. • Disseminate the alert to all concerned staff. • Call for emergency meeting to take stock of the situation. Develop a strategy and objectives. • Prepare and update the disaster risk map of the district. The map should show the vulnerability and risks of the critical infrastructure related to railway lines.	• Activate Search & Rescue • Arrange temporary shelters • Mass Casualty Management units &Triage • First Aid Centers • Medical surgical teams • A control room will be setup at the district HQ / nearest to affected area, as the case may be, and made operational under control of TERM cell of affected area.	• Providing necessary information to public. • Clearing the railway line blockages and restoration of the communication system. • Providing relief line to the vulnerable areas after disaster. • Special attention to vulnerable section.
EE-Southco - Energy	• Conduct HRV analysis for the department of the district. • Based on HRV analysis, prepare Contingency Action Plan of department of Power Supply. • All personnel required for disaster management with work under the	• Instruct district staff to disconnect the main electricity supply for the affected area. • Dispatch emergency repair groups equipped with food, bedding, tents, and tools. • Protect Power Stations from disaster. Raise the height of compound walls. Arrange gunny	• Ensure that the Power Supply department to make alternate arrangements of emergency supply for the following offices from time of receipt of districts:Hospitals, Public Health Departments,

	overall supervision and guidance of responsible officer. • Establish radio communications with State Emergency Operation Centre, Divisional Commissioner, District Control Room and departmental offices within District/Division. • After receiving alert warning, immediately undertake following inspection: High tension lines,Towers,Sub-stations, Transformers, Insulators, Poles and otherequipments.	bags. • Install pump sets for draining water in case of Flood/ Cyclone/ Tsunami, etc. • Provide information to the people about the state of power supply. It is one of the most important sources of information.	Dy.Commissioner Office,District EOC, Sub-Divisional EOC, site Operation Centres. Police Stations , Telecommunications buildings , Meteorological stations. Irrigation Office. • Hire casual labourers on an emergency basis for clearing of damaged poles and salvage of conductors and insulators. • Begin immediate repair/ reconstruction.
EE-PHED - H&UD	• When early signs of distress appear in any part of the district, EE PHED will submit a special situation update to DM indicating the position in respect of water supply preparedness in the district. • Prepare and update the disaster risk map of the district. The map should show the vulnerability and risks of the critical infrastructure related to water supply and public health. • Prepare a contingency plan for the maintenance and repairs water pipe	• Will ensure availability of adequate number of tool kits to prevent any damage during disaster. • Provide special attention to those places where the water supply were breached and repaired during the last disaster last year. • Deployed adequate team in the most vulnerable areas. • Opening the blockage of sewerage and sewage system during disaster to control the disease and epidemics.	• Supply the safe drinking water at the affected areas immediately after the disaster. • Maintaince of Water works immediately after the disaster. • Cleaning the sewerage system with adequate disinfection to prevent disease and epidemics.

	systems. • Identify vulnerable areas, which are critical for disaster protection and control. • Review and update precautionary measures and procedures.		
DEO- S&ME and DEO - HSE	• Conduct HRV analysis of schools of the district. • Based on HRV analysis, prepared Contingency Action Plan for the Department. • All personnel required for disaster management should work under the overall supervision and guidance of the DEO. • All officers (technical officers) should be notified and should meet the staff to review emergency procedures. • Obtain IEC materials posters, Pamphlets, simple tips on do's and don'ts in different disasters. • Conduct awareness generation activities systemically in the whole school targeting different classes and also staffs and teachers. • Assists in organization of the evacuations drills for various hazards.	• Duck cover and hold first sign of earthquake move away from buildings. • Assist the evacuation teams in evacuation of the school buildings. • For a chemical hazard assist the warning team in disseminating the required safety tips to the entire school. • Ensuring the schools becomes the shelter houses with adequate nos of equipments during the disaster.	• Dissemination of information on do's and don'ts so that the situation doesn't worsen. This can be done in the coordination with the warning and information dissemination teams. • The damaged building and infrastructure should repair immediately after the disaster. • The relief lines should be measured from the school building after the disaster.

10.5 Format for First Information Report (FIR)

ON OCCURRENCE OF NATURAL CALAMITY
(To be sent to the Special Relief Commissioner, Odisha
within/maximum 18 hours of occurrence of calamity)

From: District _____ Date of Report: _____

To

The Special Relief Commissioner, Odisha,
State Emergency Operation Centre (SEOC),
Rajiv Bhawan, Ground Floor, Unit-5,
Bhubaneswar.
Fax No: 0674-2534176
E-mail: srcodishagov@gmail.com

a. Nature of Calamity :
b. Date and time of occurrence :
c. Affected area (number and name of affected Blocks) :
d. Population affected (appx.) :
e. Number of Persons
   - Dead :
   - Missing :
   - Injured :
f. Animals
   - Affected :
   - Lost :
g. Crops affected and area (approx. in hect.) :
h. Number of houses damaged :
i. Damage to public property :
j. Relief measures undertaken in brief :
k. Immediate response & relief assistance required and the best logistical means of delivering that relief from State/National :
l. Forecast of possible future developments including new risks :
m. Any other relevant information :

Authorised Signatory
District Emergency Operation Centre
(DEOC)
District:.....

NB : The Districts will submit a detailed report on each of the above points as soon as possible after submission of the above First Information Report (FIR).

10.6 Daily Status Report on Relief/ Restoration Measures Undertaken by Departments

1. Health & FW Department

Medical Relief Centres Opened :
Mobile teams deployed :
Wells disinfected :
ORS distributed :
Halogen Tablets distributed :
Minor Ailment Treated :

2. RD Department

Mobile vans deployed :
Water tanker deployed :
ORS powder distributed :
Halogen Tablets distributed :
Water pouches distributed :
Bleaching powder distributed :
Sintex Tanks available :
Tube wells disinfected :

3. FS & CW Department

- ……Qtls. Chuda, …….. ….Qtls. Gur supplied to …… Blocks

District	Chuda (Qty.in quintals)	Gur (Qty.in quintals)

- ….....…. Qtls. of Rice has been allocated to the Districts mentioned below:

Blocks	Quantity allocated (in quintal)
Total	

4. Fisheries& ARD Department

- Animals vaccinated :
- Animals treated :

Damages to Roads/River Embankments

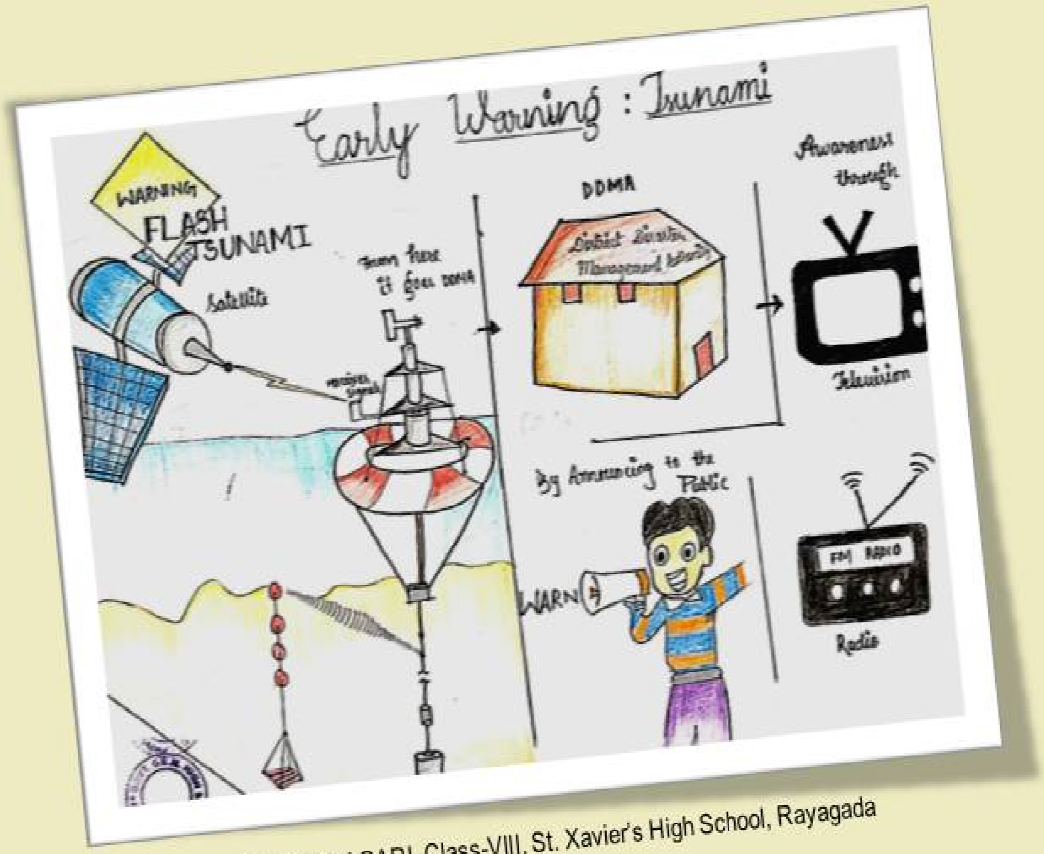

1. Rural Development Department
   - Roads damaged :
   - CD/Breach occurred :
   - Breach closed :
   - Building damaged :
   - Building collapsed :
   - Pipe water supply affected :
   - Tube Wells affected :

2. Works Department
   - Roads damaged :
   - Breach occurred :
   - CD works damaged :
   - CDs washed away :
   - Breach closed :

3. Water Resources Department
   - Breach occurred :
   - Breaches closed :
   - Breach closing work in progress :

Restoration & Rehabilitation

Rehabilitation and restoration comes under recovery phase immediately after relief and rescue operation of the disaster. This post disaster phase continues until the life of the affected people comes to normal. This phase mainly covers damage assessment, disposal of debris, disbursement of assistance for houses, formulation of assistance packages, monitoring and review, cases of non-starters, rejected cases, non-occupancy of houses, relocation, town planning and development plans, awareness and capacity building, housing insurance, grievance redress and social rehabilitation, etc.

The district is at the primary level with requisite resources to respond to any natural calamity, through the issue of essential commodities, group assistance to the affected people, damage assessment and administrating appropriate rehabilitation and restoration measures.

11.1 Standard Operating Procedure : Restoration & Rehabilitation

Name of the Department	Normal Time
Collector / ADM / Emergency Officer - R&DM	• Restoration of Critical Infrastructures to bring situation to normalcy. • Ensure Restoration of roads & channels, Communication network, Electricity & Energy. • Ensure health in the affected areas. • Adopt sustainable mitigation measures in the restoration activities.
CDM & PHO - F&FW	• Carry out Disease surveillance measures to check epidemic prone diseases. • Disinfection of drinking water & measures for health & hygiene. • Rehabilitation of deprived & destitute. • Carry out Trauma & Psycho-social counselling.
Superintendent of Police - Home	• Security arrangements for relief materials in transit and in camps etc. • Senior police officers to be deployed in control rooms at district levels. • Deploy personnel to guard vulnerable embankments and at other risk points. • Arrangement for the safety and emergency traffic management. • Coordinate search, rescue and evacuation operations with the administration. • Maintenance of law and order in the affected areas. • Assist administration in taking necessary action against hoarders, black marketers etc.

EE - RWS&S	• Immediate restoration of the drinking water. • Monitoring of water quality and determination of the chlorine residual in public water supplies. • Damage assessment and take actions for long term safe water system in the vulnerable areas. • Repair and reconstruction of the drinking water supply, sanitation and sewerage systems.
EE - Irrigation Division - WR	• Assessment and restoration of the damaged infrastructures. • Safe guard agriculture by making temporary restoration arrangements to the affected irrigation sources. • Construction of dams, check dams and irrigation/drainage canals for long term irrigation purpose. • Suggest measures for strengthening the river banks and canal bunds to avoid breaches.
DDA - A&FE	• Quantify the losses of the crops and the measures to be taken to recoup the same- Crop loss should be properly estimated with agriculture, Revenue and Statistical staff to quantify the loss. • Assist the farmers to sow the less time period crop to recover the loss- The field functionaries should be engaged to assess the area for taking contingent crop inteh input subsidy . • Execute the schemes to eliminate the drought effects- Short duration paddy/Maize/Biri/Arhar crop should be taken up to indemnify crop loss. • Provide suitable technical device to the vulnerable cropped area- CM Package and any other departmental schemes for flood and drought effected area should be taken up to mitigate the loss .
DDH - A&FE	• Quantify the losses of the crops and the measures to be taken to recoup the same. • Assist the farmers to sow the less time period crop to recover the loss. • Execute the schemes to eliminate the drought effects. • Provide suitable technicaladvice to the vulnerable cropped area and farmers.
EE - RWD	• Carry out the detail technical assessment of the affected areas and preparation of recovery plan • Construct the temporary shelters in the affected areas • Repair and reconstruction of the damaged roads and buildings. • Creation of alternate road network connects vulnerable areas and selected nodal centres.
EE - PWD	• Sanction and entrustment of temporary restoration works. • Install adequate road signs to guide and assist the drivers. • Immediate restoration of the affectedinfrastructure i.e. roads, bridges, lifeline buildings etc. • Assessment of damages and reporting in higher authorities and preparation of its estimations. • Creation of reliable road networksto serve as access to temporary transit and relief camps and medical facilities for disaster victims.

DTO - Telecom	• Quick assessment of damages to communication network. • Immediate restoration of temporary communication facilities. • Ensure all communication equipment installed at DEOC. • Adopt sustainable measures to protect telecom infrastructure in the damage prone areas. • Bring normalcy in the affected area and development of capacities.
CDVO - ARD	• Carry out out Disease surveillance measures to check epidemic prone disease. • Disinsfectionof drinking water and measures for health & hygiene of livestocks. • Rehabilitation of deprived and destitute livestock. • Carry out Treatment and extension programme.
RTO - T&C	• Assist in transportation of the reconstruction materials. • Restoration of transportation facilities. • Rectification of hazard prone zones and adopt risk coverage. • Enforcement of traffic rule and road safety standards in affected areas. • All bus depots should be equipped with emergency communication equipments.
DFO - F&E	• Assessment of the affected areas and preparation of recovery plan and implementation. • Improvement of the Vegetation coverage and Biomass production to meet the multiple community need like food, fuel wood, fodder etc. • Regeneration of degraded village Common Property Resources like village forest, waste land through the gap filling and block plantation of multipurpose tree species • Strengthening of the community based organizations like VSS through various training, exposure, orientation/ sensitization and ensures the involvement of the local community in joint forest management for regeneration, protection, etc. • Fair Collection and marketing of the NTFP products. • Ensure restricted grazing of the cattle herd in the forest area to protect the natural regeneration of the forest ecosystem.
Railway-T&C	• Rapid access to the site of the accident. • Effective site management by making best use of on-board and locally available resources. • Quick extrication of victims and speedy transportation of victims to hospitals. • Proper communication system both for assisting the stranded passengers as well as provide timely information to the media.

EE - Southco Utility	• Disconnect electricity after receipt of warning. • Attend sites of electrical accidents and assist in undertaking damage assessment. • Stand-by arrangements to ensure temporary electricity supply. • Inspection and repair of high tension lines /substations/transformers/poles etc. • Ensure the public and other agencies are safeguarded from any hazards, which may have occurred because of damage to electricity distribution systems. • Restore electricity to the affected area as quickly as possible. • Replace / restore of damaged poles/ salvaging of conductors and insulators.
EE - PHED	• Constitution of teams for damage assessment and immediate restoration of drinking water. • Monitoring of water quality and determination of the chlorine residual in public water supplies. • Appropriate actions for long term safe water system in the vulnerable areas. • Repair and reconstruction of the drinking water supply systems. • IEC campaign for safe drinking water and sanitation to prevent any health hazard in normal time in general and during disaster in particular.
DEO -S&ME	• Identification and preparation of list of children affected in disaster • Damage assessment for repair and reconstruction of school infrastructures. • Department and the field level institution prepare contingent Action Plan for reconstruction. • Damaged buildings, hostels should be assessed and take steps for restoration of education.
DEO - HSE	• Identification and preparation of list of students affected in disaster • Damage assessment for repair and reconstruction of school/college infrastructures. • Department and the field level institution prepare contingent Action Plan for reconstruction. • Damaged buildings, hostels should be assessed and take steps for restoration of education.

The District Administration &District Disaster Management Authority review the relief measures and submit financial requisition to the State Government under SDRF & NDRF. The requisition must reach the SRC &SDMA office in the prescribed format as detailed below for smooth & quick processing.

11.2 Damage Loss Assessment

Sector	Damage in Physical terms	Requirement of funds for repair of immediate nature	Out of (3) amount available from annual budget	Out of (3) amount available from related schemes/ programmes/ other sources	Out of (3) amount proposed to be met from SDRF/ NDRF as per the list of works indicated in the revised items & norms

Recovery

The focus is to enable the area to start functioning again. A series of long term activities framed in the Reconstruction & Rehabilitation are covered under Recovery phase. Recovery includes all aspects of mitigation and also incorporates the continuation of the enabling process, which assists the affected persons and their families not only to overcome their losses, but also to achieve a proper and effective way to continue various functions of their lives. The Recovery process is therefore a long-terms process in which everyone has a role, the Government, PRI members, non-government organisations and especially the affected people, their families and the community.

- Preparation of Recovery plan for displaced population, vulnerable groups, environment and livelihoods.
- Organise initial and subsequent technical assessments of disaster affected areas and determine the extent of recovery works necessitated in addition to reconstruction & rehabilitation works.
- Evaluate the extent of works under SDRF/NDRF and other sources of the damaged infrastructures.
- Explore opportunities for external aids like International Agencies, Civil Society Organisations, Non-Government Organisations and Corporate Sectors.
- Allocate funds for the stabilisation of the repaired & reconstructed infrastructures.
- Integrate Climate change & Disaster Risk Reduction features in the recovery programmes

The Collector & DM will be the Coordinator of all the Recovery activities in the District. The role of the Collector in recovery phase will be:

- To monitor the management of the recovery process.
- To ensure implementation of the recovery plan by line departments and blocks.
- To minimise overlap and duplication through effective service delivery.

The Recovery process consists of several related activities such as:

- Damage assessments.
- Debris clearance, removal and its environmentally safe disposal.
- Restoration and even upgrading utilities including communication networks.
- Re-establishment of major transport linkages.
- Temporary housing.
- Detailed building inspections.
- Redevelopment planning.

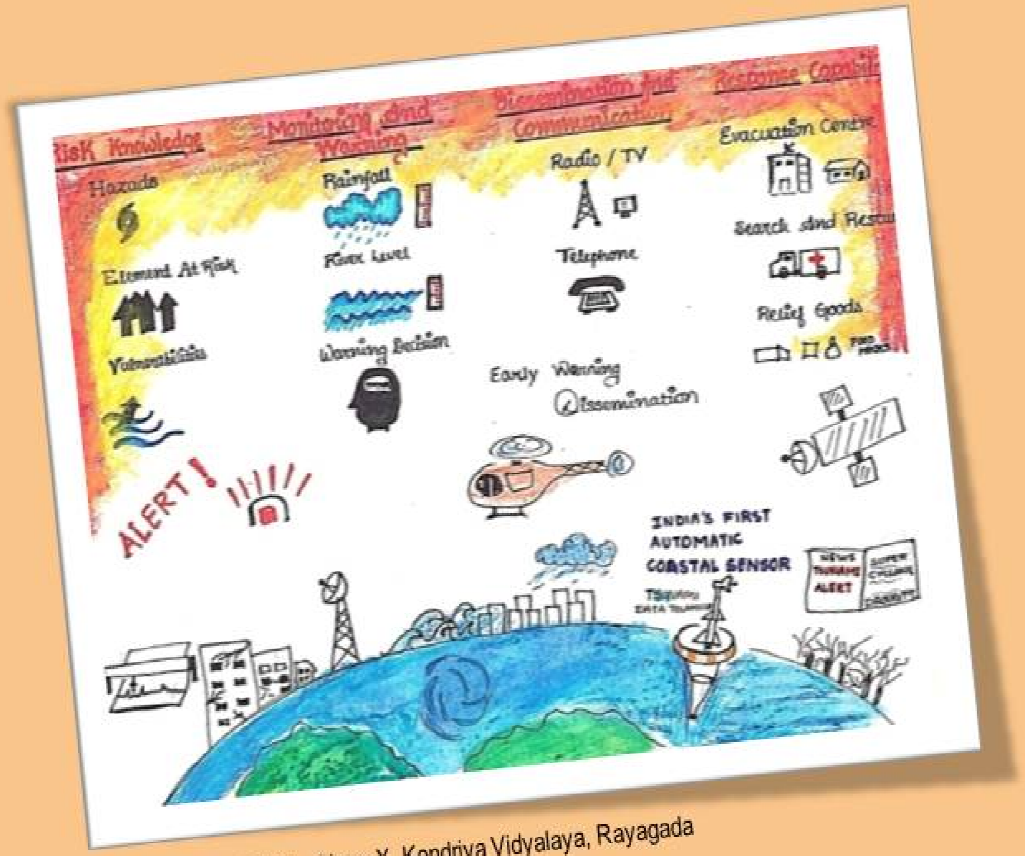

- Environmental assessments.
- Demolition.
- Reconstruction.
- Integrating Disaster Risk Reduction (DRR) into various development initiatives.
- Financial management.
- Economic impact analyses.

Major steps of the community/ individual recovery process to ensure livelihoods of the affected people and the key processes involved are:

- Livelihood Recovery Plans such as Land/ Non-Land based Activities, On-Farm / Off-Farm Activities, Skill Development Activities, etc.
- Wage Employment Programmes, Food for Work Programmes, Infrastructures Development Programmes.
- Proper utilisation of various Government/Non-Government Schemes.
- Specially design new schemes for rehabilitation and reconstruction activities.
- Long term projects for sustainable development of the vulnerable areas.

Chapter-13

Financial Arrangement

13.1 National Disaster Response Fund (NDRF)

The National Disaster Response Fund (NDRF) has been constituted by the Government of India as per the sub-sections (1) of section (46) of Disaster Management Act, 2005 and recommendation of the 13th Finance Commission. NDRF has been constituted by replacing the National Calamity Contingency Fund (NCCF).It is administered by the National Executive Committee (NEC).

In the event of a calamity of a severe nature when the State Disaster Response Fund (SDRF) is insufficient to meet the relief requirements, additional central assistance is provided from NDRF, after following the laid down procedure. The State Government is required to submit a memorandum indicating the sector-wise damage and requirement of funds. On receipt of memorandum from the State,

- An Inter-Ministerial Central Team is constituted and deputed for an on the spot assessment of damage and requirement of funds for relief operations, as per the extant items ad norms.
- The report of the Central Team is considered by the Inter-Ministerial Group (IMG) / A Sub-committee NEC constituted under section 8 of DM Act, 2005, headed by the Home Secretary.
- Thereafter, the High Level Committee (HLC) comprising of the Finance Minister, the Agriculture Minister, the Home Minister and the Deputy Chairman, Niti Ayog considers the request of the State Government based on the report of the Central Team recommendation of the IMG thereon, extant norms of assistance and approves the quantum of assistance form NDRF.
- This is, however, subject to the adjustment of 75% of the balance available in the State's SDRF for the instant Calamity.

(Please refer Figure No. 8.1 Page No. 162 of Volume-II for NDRF Items and Norms)

13.2 State Disaster Response Fund (SDRF)

As per the provisions of Disaster Management Act, 2005 Sub-section (1)(a) of Section (48) and based on the recommendation of the 13th Finance Commission, the Government of Odisha has constituted the State Disaster Response Fund (SDRF) replacing the

Calamity Relief Fund (CRF). The amount of corpus of the SDRF determined by the 13th Finance Commission for each year the Finance Commission period 2010-15 has been approved by the Central Government. The Central Government contributes 75% of the said fund. The balance 25% matching share of contribution is given by the State Government. The share of the Central Government in SDRF is released to the State in 2 instalments in June and December respectively in each financial year. Likewise, the State Government transfers its contribution of 25% to the SDRF in two instalments in June and December of the same year.

Ministry of Home Affairs, upon being satisfied that exigencies of a particular calamity so warrant, may recommend an earlier release of the Central share up to 25% of the funds due to the State in the following year. This release will be adjusted against the instalments of the subsequent year.

As per the Guidelines on Constitution and Administration of the State Disaster Response Fund (SDRF) laid down by the Ministry of Home Affairs, Government of India, the SDRF shall be used only for meeting the expenditure for providing immediate relief to the victims of cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslide, avalanche, cloud burst and pest attack. The State Executive Committee (SEC) headed by the Chief Secretary decides on all matters connected with the financing of the relief expenditure of immediate nature from SDRF.

(Please refer Figure No. 8.1 Page No. 162 of Volume-II for NDRF Items and Norms)

13.3 Chief Minister Relief Fund (CMRF)

Chief Minister's Relief Fund aims to provide assistance to calamities and in distress condition, to indigent persons suffering from critical ailments and to undertake charitable activities for public welfare.

13.3.1 Cases Eligible for Assistance under CMRF

13.3.1.1 Poor and persons in distress

Relief to the poor, including grant and aid (financial or otherwise) to persons in distress.

13.3.1.2 Aged, differently abled, orphans, AIDS affected

Assistance for the relief and rehabilitation of the aged, differently abled orphans, HIV/AIDS affected persons/families and those otherwise differently able or incapable of earning their livelihood, by grant and aid (financial and otherwise) and/ or maintenance, establishment and support of institutions and homes for the benefit of such persons.

13.3.1.3 Persons affected by Calamities or Violence

Assistance for relief & rehabilitation of persons affected by natural or man-made calamities, communal violence, naxal violence or public disorder of a serious nature or any other calamity affecting a family or a community, which deserves extreme compassion and not covered under any existing assistance scheme of State/Central Government.

13.3.1.4 Assistance for Rural Development

Financial assistance out of CMRF may also be considered to undertake, promote, aid or otherwise support rural development including any programme for promoting the social and economic welfare of the public in any rural area either directly or through an independent agency following due procedure.

To assist more number of deserving person and for better utilisation of the Chief Minister's Relief Fund, the State Government have delegated powers to the Collectors for sanction of assistance out of CMRF so as to extend such assistance to the deserving persons immediately at the time of their need.

13.4 Release of Funds to Departments and Districts

Funds required towards pure relief to affected persons/ families for natural calamities in shape of emergency assistance, organizing relief camp/ free kitchen/ cattle camp, agriculture input subsidy and other assistances to affected farmers, ex-gratia as assistance for death cases, grievous injury, house building assistance, assistance to fisherman/ fish seed farmers/ sericulture farmers, assistance for repair/ restoration of dwelling houses damaged due to natural calamities are administered through the respective Collectors.

Part funds towards repair/ restoration of immediate nature of the damaged public infrastructure are released to the Departments concerned. On receipt of requisition from the Collectors/ Departments concerned, funds are released after obtaining approval/ sanction of State Executive Committee (SEC). However, funds towards pure relief are released under orders of Special Relief Commissioner/ Chief Secretary and the same is placed before the SEC in its next meeting for approval. To save time, Collectors have been instructed to disburse the ex-gratia assistance from the available cash and record the same on receipt of fund from Special Relief Commissioner.

13.5 Damage Assessments and Report after Flood/Cyclone

Private properties and properties of Government under different Departments are damaged by high floods and cyclones. As per para-75 of Orissa Relief Code, the Collector shall undertake assessment of damages to private properties as well as properties of Government.

This assessment shall be done quickly soon after the abatement of flood in the prescribed formats prescribed in Appendix-X of Orissa Relief Code.

13.5.1 Submission of Preliminary Damage Report (Para-76 of ORC)

1. The Collector as well as the district level officers under each Department of Government shall immediately after assessment of flood damage forward a copy of their report to their immediate Head of Department. The district level officers may also supply reports to the Collector.

2. The Heads of Departments after necessary scrutiny shall forward their reports to their respective Departments of Government with copy to Special Relief Commissioner, not later than two weeks from the date of abatement of flood.

3. The Special Relief Commissioner shall compile the State report and shall furnish the consolidated preliminary report to the Revenue Department within a week of the receipt of the reports from the Heads of Department.

4. The preliminary flood damage report should be prepared as accurately as possible, as the relief measures, if any, are to be based on the merit and statistical data of that report.

13.5.2 Submission of Final Flood Damage Report (Para-77 of ORC)

The concernedHeads of Departments as well as the Collector shall take immediate steps to compile the final report on flood/cyclone damage in the formats prescribed in Appendix-X soon after submission of the preliminary report.

Accidental errors, clerical mistakes, shortcomings, if any, noticed should be rectified in the final report. The final report shall be made available to Special Relief Commissioner as soon as possible and not later than one month from the date of abatement of flood.

On receipt of the reports from the different sources, Special Relief Commissioner shall forthwith compile the State report and furnish the same to the Revenue Department.

13.6 Central and State Government Programmes and Schemes on Natural Calamities

Mainstreaming Disaster Management in development planning is the most critical component to mitigate disaster risks. That's why it's important to make note of financial resources which are used in the implementation of such programmes and schemes which can lessen the risk from disasters by reducing vulnerability. It is also crucial to build communities

resilience to deal with them. Moreover, as mandated by Ministry of Finance& Ministry of Home Affairs on 1st and 3rd June, 2014 respectively, 10 % Flexi-Fund within the Centrally Sponsored Schemes (CSS) to be utilised, inter alia for mitigation / restoration activities in the event of natural calamities in the sector covered by CSS. Thus, relevant Central Government and State Government funded schemes are identified which may very crucial to build over resilience of communities in the context of the district.

Table : 13.1
Different State and Central Government Schemes and Programmes

Sl. No.	Name of the Scheme	Sector	Nodal Department	Objective of the Scheme
1.	Scheme for Legal Services to Disaster Victims through Legal Services Authorities	Social Justice	NALSA	To provide legal aid to the victims of disaster.To help the victims and the administration for reducing risk and assisting them to adopt disaster mitigation policies and strategies.
2.	Pradhan Mantri Fasal Bima Yojana (PMFBY)	Crop Insurance	Agriculture Insurance Company of India (AICI)	To protect the farmers against the losses suffered by them due to crop failures on account of natural calamities, such as droughts, floods, hailstorm, storms, animal depredation, etc.
3.	Pradhan Mantri Gram Sinchai Yojana (PMGSY)	Irrigation	AC & FW	Irrigating the field of farmers and improving water use efficiency and Enhance crop per drop by implementing water-saving technologies and precision irrigation
4.	Sansad Adarsh Gram Yojana (SAGY)	Infrastructure Development	MoRD	Development of model villages and Social, cultural, economic and infrastructure developments in the villages
5.	Swachh Bharat Mission (SBM)	Hygienic Environment	MoDW&S	For clean and hygienic environment and Protection health

6.	Soil Health Card Scheme	Soil Productivity	AC & FW	Complete evaluation of the quality of soil and Corrective measures to improve productivity
7.	Janashree Vima Yojna	Life Insurance	Life Insurance Corporation of India	To provide life insurance protection to the rural and urban poor persons below poverty line and marginally above the poverty line
8.	Pradhan Mantri Suraksha Bima Yojana (PMSBY)	Life Insurance	Bank	To provide insurance protection and risk coverage on accidental death and disability
9.	PradhanMantriJeevanJyotiBima Yojana (PMJJBY)	Life Insurance	Bank	To provide insurance protection on death
10.	Pradhan Mantri Awas Yojana (PMAY) - Housing for all by 2022	Housing	PR & DW	To construct disaster resilient houses and vulnerable risk reduction
11.	Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS)	Rural Employment	PR & DW	To reduce economic vulnerability and creation of rural infrastructures
12.	National Health Mission (NHM)	Health	Health & FW	To provide accessible, affordable and quality health care services to all to reduce health hazards
13.	Pradhan Mantri Gram SadakYojana (PMGSY)	Rural Road	PR & DW	To create all weather road connectivity to remote and unconnected villages
14.	Sarva Shiksha Abhiyan (SSA)	Education	School & ME	To provide education and school infrastructures at the infrastructure gap village/habitations
15.	Gopabandhu Gramin Yojana (Bijli, Sadak & Pani)	Water, Electricity & Road	PR & DW	To provide connectivity to critical gape of infrastructures in the habitations to reduce vulnerability
16.	Biju Setu Yojana (Rural Bridges)	Bridges	Rural Development	To provide an effective all weather road connectivity in remote areas & to reduce vulnerability

17.	Integrated Child Protection Scheme (ICPS)	Child Protection	W&CD &MS	To provide a safe and secure environment for overall development of the children and Protection of child rights
18.	Mission Shakti	Women Empowerment	W&CD &MS	Capacity building of women on adaptation and risk reduction behaviours through self-help institutions
19.	Odisha PVTGs Empowerment & Livelihood Improvement Programme (OPELIP)	PVTGs/PTGs Empowerment & Livelihood Improvement	ST&SC	To provide support to the PVTGs/ PTGs for livelihood improvement and empowerment of the community
20.	Odisha Tribal Empowerment & Livelihood Programme Plus (OTELP Plus)	Tribal Empowerment	ST&SC	To create disaster resilient social capital and provide livelihood support to the tribal and vulnerable community
21.	DAMAN (DurgamaAnchalare Malaria Nirakaran)	Health	Health & FW	To control malaria in inaccessible areas to reduce disease and fatality
22.	Biju Krushak Kalyan Yojana (BKKY)	Health Insurance for Farmers	Agriculture & FE and Health & FW	To provide financial support and low cost health care services to farmers family to reduce health hazards
23.	Pradhan Mantri Ujjwala Yojana (PMUY)	Women Health	PR & DW	To provide free LPG connection to BPL women for smoke and pollution free environment and protect women health
24.	Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDUGKY)	Training & Skill Development	MoRD	To develop skills and productive capacity of the rural youth from poor families
25.	Finance Commission Grant	Infrastructure Development	PR & DW	10% of the fund will be dedicated to disaster related projects

13.7 Roles of District Planning Committee on Financial Outlay on Mainstreaming Disaster Risk Reduction (DRR) in Development Programmes

In Rayagada, District Planning Committee (DPC) is prioritising to focus on faster, sustainable and more inclusive growth based on theobjectives of people accessing developmental facilities, eliminating poverty and creating self-reliant society at the grassroots level as per the Vision 2020. Therefore, for consolidating plans prepared by Panchayats and Municipalities in the district into District Plans. The Orissa District Planning Committee Act, 1998 and Orissa District Planning Committee Rules, 2000 have been enacted for the effective planning process at district level. Subsequently, DPMU, Rayagada have been set up in the district for preparing Comprehensive District Plans. In this backdrop, the DDMP-2019 focuses on mainstreaming Disaster Risk Reduction (DRR) in all the development programmes. Further, while the issues of mainstreaming Climate Change Adaptation (CCA) has emerged as a new area of focus for building resilience of vulnerable communities. Climate adaptive planning spans across departments and at all levels. CCA, as adjustments in human and natural systems in response to actual or expected climatic variation, with a view to moderating harm or exploiting beneficial opportunities, is an area of growing concern for the district.

Following roles of DPC would be articulated to be reduced the disaster risk at various levels and make certain that,

- All the development programmes and projects are designed with evident consideration for potential disaster risks and to resist hazard impact in the district.
- All the development programmes and projects do not inadvertently increase vulnerability to disaster in all sectors: social, physical, economic and environment.
- All the disaster relief and rehabilitation programmes and projects are designed to contribute to developmental aims and to reduce future disaster risk.

Further, the followingprocedure and methodology for Mainstreaming of DRR and CCA in District Level Planning should be considered for disaster risk concern as a part of the project appraisal process and the essential steps in,

- Ensuring that development gains from individual projects are sustainable.
- Ensuring that potential disaster risk reduction benefits of both dedicated risk reduction projects and other development projects are optimized.
- Highlighting related issues of responsibility and accountability.

Disaster risk concerns should be considered in all components of project appraisal analysis – financial, economic, environmental, social, institutional and technical – reflecting the fact that vulnerability to natural hazards is complex and multi-faceted and so needs to be viewed from all angles, incorporated into broader planning tools, such as logical framework

analysis and results-based management frameworks, and reflected in the development of monitoring and evaluation indicators.

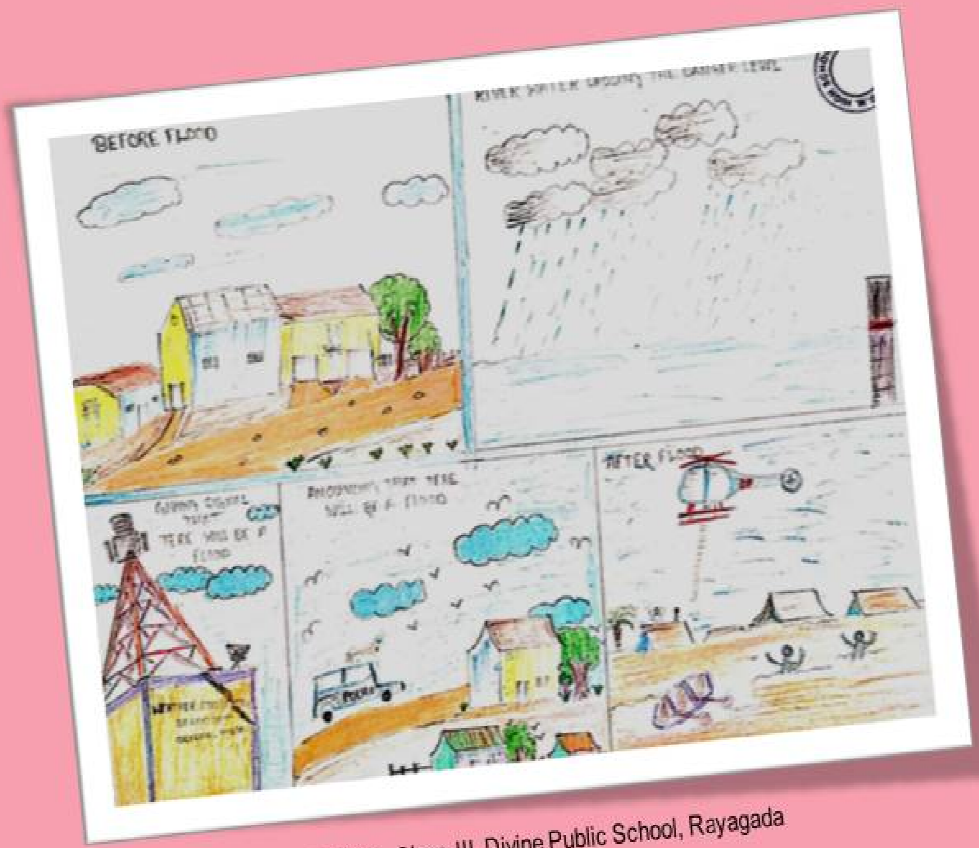

13.8 Funds Provision for Disaster Preparedness & Capacity Building

The disaster preparedness and capacity building activities are carried out through periodicMock Drills, Trainings, Workshops and Awareness Building Programmes as per the proposal in the previous chapters. During the year the funds provision for such capacity buildingand disaster preparedness programmes shall be proposed to meet out of theState Disaster Response Fund (SDRF).

However, as every department/organisation have to prepare their own Disaster Management Plan (DMP) for disaster preparedness andto reduce the risk of vulnerability. Therefore, they must incorporate at least 10% of theorganisation's financial budget to plan and carry the disaster risk reduction activities. Departments/organisationsmayhave lots of capacity building activities,hence, capacity building activities should be incorporated coinciding disaster risk reduction programmes.

Best Practices & Documentation

A Glismpse of DRR Events of Rayagada District Administration

Sj. Pramod Kumar Behera, OAS (SAG), Collector-cum-Chairperson, DDMA, Rayagada Chaired the Heatwave Prepartory Meeting to combat with the Heat Wave Situation during Summer-2019 and Updation of District Disaster Management Plan-2019 held on 16-03-2019 at DRDA Confernce Hall, Rayagada

Rayagada District Level Stakeholders Meeting
for the Severe Cyclonic Storm 'FANI' Prepardness
held on 01-05-2019 at Chintan Kaskhya,
Collectorate Rayagada

Sj. Pramod Kumar Behera, OAS (SAG), Collector-cum-Chairperson, DDMA, Rayagada
visits to the Relief Camp organised for the Severe Cyclonic Storm 'FANI'
on 03-05-2019 at Hat Seshkhal, Rayagada Block

Free cooked meal arrangement to the evacuees
due to Severe Cyclonic Storm 'FANI' on 03-05-2019.

CAP\FAMEX Programme by the ODRAF & Fire Service

The Community Awareness Programme (CAP)/Familiarisation Exercises (FAMEX) Programme in different location was orgnsied by the ODRAF Unit of 2nd IR Bn., Bhamini, Ramanaguda, Rayagada during February, 2019 to educate local communities, impart the disaster suvival skills and knowldege to make informed decisions on how to reduce their vulnerability to disasters, enhance capacity and adapt their livelihood to withstand current and future risks.

The ODRAF Unit of 2nd IR Bn. Utilised various AV measures to communicate and to acquaint the stakeholders on the effective disaster management.

The Community Awareness Programme (CAP)/Familiarisation Exercises (FAMEX) Programme in different locations orgnsied by the Fire Service, Muniguda.

Involvement of stakeholders in the fire management demo by the Fire Service, Muniguda

3.2 List of Villages Vulnerable to Different Disasters

Sl. No.	Name of the Block/ ULB	Name of the GP	Name of the Village/ Ward	Total No. of HHs	Total Population	Livestock in the Village (No.)	Cyclone	Tsunami	Flood	If Yes at Column 'J' then Mention the Causing Factor	Land Slide	Drought	If Yes at 'M' Column then the Cultivable Area in Ha.	Lightning	Industrial / Chemical Accidents	If Yes at Column 'P' Mention the Industry Name	Drinking Water Crisis (Yes/No)
A	B	C	D	E	F	G	H	I	J	K	L	M	N	O	P	Q	R

3.2- The list of villages vulnerable to different disasters is in Excel Format and attached in a seperate sheet at the end.

3.3 List of Hospitals/ Health Centers Exposed to Flood

Sl. No.	Name & Location of the Hospital/ Health Center	No. of Beds	Gram Panchayat Name	Name of Block/ ULB	Flood Causing Agent
1.	CHC, Jemadeipentho	16	Jemadeipentho	Rayagada	River Nagavali
2.	Helth SC, Chandili	-	Chandili	Rayagada	River Nagavali
3.	PHC (N), K. Malligaon	-	K. Malligaon	Rayagada	River Nagavali
4.	PHC (N), Kereda	-	Kereda	Rayagada	River Nagavali
5.	Helth SC, Hat Seshkhal	-	Hat Seshkhal	Rayagada	River Nagavali
6.	CHC K. Singpur	16	K. Singpur	Kalyansingpur	River Nagavali
7.	PHC (N), Majhiguda	-	Majhiguda	Kalyansingpur	River Nagavali
8.	Health SC, Budaguda	-	Budaguda	Kalyansingpur	River Nagavali
9.	Health SC, Sikarpai	-	Sikarpai	Kalyansingpur	River Nagavali
10.	SDH, Gunupur	59	Municipality	Gunupur	River Vansadhara
11.	PHC (N), Dambasora	-	Dambasora	Gunupur	River Vansadhara
12.	CHC, Jagannathpur	-	Jagannathpur	Gunupur	River Vansadhara
13.	Health SC, Gadiakhola	-	Gadiakhola	Gunupur	River Vansadhara
14.	Health SC, Sirijholi	-	Sirijholi	Gunupur	River Vansadhara
15.	Health SC, Chalkomba	-	Chalkomba	Gunupur	River Vansadhara

16.	Health SC, Baghasala	-	Baghasala	Gunupur	River Vansadhara
17.	Health SC, Ompera	-	Ompera	Gunupur	River Vansadhara
18.	CHC, Padmapur	30	Padmapur	Padmapur	River Vansadhara
19.	PHC (N), Naira	-	Naira	Padmapur	River Vansadhara
20.	PHC (N), Derigaon	-	Derigaon	Padmapur	River Vansadhara
21.	CHC, Gudari	16	NAC	Gudari	River Vansadhara
22.	PHC (N), Dhepaguda	-	Asada	Gudari	River Vansadhara
23.	Health SC, Khariguda	-	Khariguda	Gudari	River Vansadhara
24.	PHC (N), Ukamba	-	Ukamba	Ramanaguda	River Vansadhara
25.	Health SC, Kutraguda	-	Kutraguda	Bissam Cuttack	River Vansadhara
26.	Health SC, Raghubari	-	Raghubari	Muniguda	River Vansadhara
27.	PHC (N), Ambadola	-	Ambadola	Muniguda	River Vansadhara
28.	Health SC, Patraguda	-	Patraguda	Muniguda	River Vansadhara
29.	PHC (N), Kumudabali	-	Kumudabali	Muniguda	River Vansadhara
30.	CHC, Chandrapur	16	Chandrapur	Chandrapur	River Vansadhara
31.	Health SC, Bijapur	-	Bijapur	Chandrapur	River Vansadhara
32.	Health SC, Hanumantpur	-	Hanumantpur	Chandrapur	River Vansadhara
33.	PHC (N), Dangsarada	-	Dangsarada	Chandrapur	River Vansadhara

D. O. No. 1-104/2017-PP

Dated : 2nd April, 2018

Dear Sir,

As you are aware, National Legal Services Authority (NALSA) was set up under the NALSA Act, 1987. The NALSA Act, 1987 provides for free legal aid to inventory of people. which include victims of disasters. Department of Justice has also formulated a Scheme for legal services to Disaster victims. The objective of the Scheme includes provision of legal services to the victims of disasters. Therefore, NDMA has decided to associate with the Department of Justice and NALSA to achieve synergy among the organizations for the activities in the area of Disaster Management.

2. NALSA conducts various activities through State Legal Services Authority (SALSA) for providing (i) Legal Aid, (ii) Legal Awareness and (iii) Capacity Building of civil society, as they have mandate even for pre – disaster awareness creation. NALSA has been conducting various activities through camps organized by SALSA to help victims of disasters. They have organized camps in Srinagar after the J & K Floods, in Uttaranchal after landslides, in Dibrugarh in Assam during floods etc.

3. Association of NALSA & SALSA with State Disaster Management Authorities (SDMAs) and District Disaster Management Authorities (DDMAs) shall be of great help in Disaster Risk Management (DRM) activities.

4. I request you to issue instructions to SDMA and all DDMAs in your State/ UT to include NALSA and SALSA as stakeholders in the DRM strategy in the State Disaster Management Plan (SDMP) and District Disaster Management Plan (DDMP). You may also explore the possibilities of joint strategy with NALSA and SALSA in the area of DRM activities, both pre – disaster and after disaster.

With regards,

Yours sincerely,

(Dr. V. Thiruppugazh)

Shri Aditya Prasad Padhi
Chief Secretary
Govt. of Odisha
Odisha Secretariat,

ODISHA STATE DISASTER MANAGEMENT AUTHORITY
(A GOVERNMENT OF ODISHA AGENCY)

Letter No. 2305 OSDMA Date: 02.06.2018

From
Dr. P. K. Nayak, OAS
Chief General Manager

To
All Collectors

Sub: Inclusion of NALSA and SALSA as stakeholders in the DRM strategy in the District Disaster Management Plan (DDMP).

Sir,

In inviting a reference to the aforementioned subject, I am forwarding herewith the letter received from National Disaster Management Authority (NDMA), New Delhi and request you to kindly include the National Legal Services Authority (NALSA) and State Legal Services Authority (SALSA) as stakeholders in the Disaster Risk Management Strategy in the District Disaster Management Plan (DDMP). In this connection, the District Emergency Officer and DPO must take up the matter with the District Legal Services Authority (DLSA) and bring out a roadmap of providing legal aid to disaster victims. Action taken in the matter may please be intimated to this office.

Yours Faithfully

Chief General Manager

2/6/2018

Government of India Notification on Items and Norms Assistance from the SDRF and NDRF

No. 32-7/2014-NDM-I
Government of India
Ministry of Home Affairs
(Disaster Management Division)

'C' Wing, 3rd Floor, NDCC- II,
Jai Singh Road, New Delhi-I 10001,
Dated the 8th April 2015

To

1. Chief Secretaries of all States
2. The Relief Commissioners / Secretaries, Department of Disaster Management of all States

Subject: - Items and Norms of assistance from the State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) for the period 2015 - 2020.

Sir/ Madam,

I am directed to state that based on consideration of the recommendations of Fourteenth Finance Commission (FFC) on financing of expenditure on immediate relief during natural disasters for the period 2015--2020 and the report of the Expert Group set up by this Ministry, the Government of India has revised the items and norms for assistance from SDRF/ NDRF. The approved list of items and norms for assistance from SDRF / NDRF in the wake of identified natural disasters is **Annexed**. The revised norms will be effective from 1st April 2015. However, the farmers affected by hailstorms in different parts of the country during February/ March 2015 will also be given assistance under the new norms.

2. The revised items and norms can also be downloaded from website of Disaster Management Division of Ministry of Home Affairs i.e. *www.ndmindia.nic.in*.

3. As the first charge on SDRF should be on a disaster of severe nature, there has been a requirement to adjust balance amount of SDRF whenever NDRF amount is released. This procedure stands revised as follows:

50% of SDRF balance, as on 31st March of the preceding financial year, will be adjusted while releasing the assistance from NDRF for the first disaster in a financial year. In case the same State faces another severe disaster during the same year, no adjustment will be made while releasing NDRF assistance

4. A copy of the communication alongwith their enclosure is also being sent to the Accountants Generals of the States for necessary action.

5. This supersedes this Ministry's earlier letters on this subject, the last being No.32-3/ 2013-NDM-I dated the 28th November, 2013 and No. 32-3/2013 NDM-I dated 5th March 2014.

Yours faithfully,

(Goutam Ghosh)

1.	Gratuitous Relief	
	a) Ex-Gratia payment to families of deceased persons.	Rs.4.00 lakh per deceased person including those involved in relief operations or associated in preparedness activities, subject to certification regarding cause of death from appropriate authority.
	b) Ex-Gratia payment for loss of a limb or eye(s).	Rs. 59100/- per person, when the disability is between 40% and 60%. Rs. 2.00 lakh per person, when the disability is more than 60%. Subject to certification by a doctor from a hospital or dispensary of Government, regarding extent and cause of disability.
	c) Grievous injury requiring hospitalization	Rs. 12,700/- per person requiring hospitalization for more than a week. Rs. 4,300/- per person requiring hospitalization for less than a week.
	d) Clothing and utensils/ house-hold goods for families whose houses have been washed away/ fully damaged/severely inundated for more than two days due to a natural calamity.	Rs.1,800/- per family, for loss of clothing. Rs.2,000/- per family, for loss of utensils/ household goods.
	e) Gratuitous relief for families whose livelihood is seriously affected.	Rs. 60/- per adult and Rs. 45/- per child, not housed in relief camps. State Govt. will certify that identified beneficiaries are not housed in relief camps. Further State Government will provide the basis and process for arriving at such beneficiaries district-wise. Period for providing gratuitous relief will be as per assessment of the State Executive Committee (SEC) and the Central Team (in case of NDRF). The default period of assistance will upto to 30 days, which may be extended upto 60 days in the first instance, if required, and subsequently upto 90 days in case of drought/ pest attack. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year.
	SEARCH & RESCUE OPERATIONS	
	(a) Cost of search and rescue measures/ evacuation of people affected/ likely to be affected	As per actual cost incurred, assessed by SEC and recommended by the Central Team (in case of NDRF).

		- By the time the Central Team visits the affected area, these activities are already over. Therefore, the State Level Committee and the Central Team can recommend actual/ near-actual costs.
	(b) Hiring of boats for carrying immediate relief and saving lives.	As per actual cost incurred, assessed by SEC and recommended by the Central Team (in case of NDRF). The quantum of assistance will be limited to the actual expenditure incurred on hiring boats and essential equipment required for rescuing stranded people and thereby saving human lives during a notified natural calamity.
3	**RELIEF MEASURES**	
	a) Provision for temporary accommodation, food, clothing, medical care, etc. for people affected/ evacuated and sheltered in relief camps.	As per assessment of need by SEC and recommendation of the Central Team (in case of NDRF), for a period up to 30 days. The SEC would need to specify the number of camps, their duration and the number of persons in camps. In case of continuation of a calamity like drought, or widespread devastation caused by earthquake or flood etc., this period may be extended to 60 days, and upto 90 days in cases of severe drought. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year. Medical care may be provided from National Rural Health Mission (NRHM).
	b) Air dropping of essential supplies	As per actual, based on assessment of need by SEC and recommendation of the Central Team (in case of NDRF). - The quantum of assistance will be limited to actual amount raised in the bills by the Ministry of Defence for airdropping of essential supplies and rescue operations only.
	c) Provision of emergency supply of drinking water in rural areas and urban areas	As per actual cost, based on assessment of need by SEC and recommended by the Central Team (in case of NDRF), up to 30 days and may be extended upto 90 days in case of drought. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year.
4.	**CLEARANCE OF AFFECTED AREAS**	
	a) Clearance of debris in public areas.	As per actual cost within 30 days from the date of start of the work based on assessment of need by SEC for the assistance to be provided under SDRF and as per assessment of the Central team for assistance to be provided under NDRF.
	b) Draining off flood water in affected areas	As per actual cost within 30 days from the date of start of the work based on assessment of need by SEC for the assistance to be provided under SDRF and as per assessment of the Central team(in case of NDRF).
	c) Disposal of dead bodies/ Carcases	As per actuals, based on assessment of need by SEC and

2

		recommendation of the Central Team (in case of NDRF).
5	**AGRICULTURE**	
(i)	*Assistance farmers having landholding upto 2 ha*	
A.	**Assistance for land and other loss**	
	a). De-silting of agricultural land (where thickness of sand/ silt deposit is more than 3", to be certified by the competent authority of the State Government.)	Rs. 12,200/- per hectare for each item. (Subject to the condition that no other assistance/ subsidy has been availed of by/ is eligible to the beneficiary under any other Government Scheme)
	b) Removal of debris on agricultural land in hilly areas	
	c) De-silting/ Restoration/ Repair of fish farms	
	d) Loss of substantial portion of land caused by landslide, avalanche, change of course of rivers.	Rs. 37,500/- per hectare to only those small and marginal farmers whose ownership of the land is legitimate as per the revenue records.
B.	**Input subsidy (where crop loss is 33% and above)**	
	a) For agriculture crops, horticulture crops and annual plantation crops	Rs. 6,800/- per ha. in rainfed areas and restricted to sown areas. Rs. 13,500/- per ha. in assured irrigated areas, subject to minimum assistance not less than Rs.1000 and restricted to sown areas.
	b) Perennial crops	Rs. 18,000/- ha. for all types of perennial crops subject to minimum assistance not less than Rs. 2000/- and restricted to sown areas.
	c) Sericulture	Rs. 4,800/- per ha. for Eri, Mulberry, Tussar Rs. 6,000/- per ha. for Muga.
(ii)	**Input subsidy to farmers *having more than 2 Ha of landholding***	Rs. 6,800/- per hectare in rainfed areas and restricted to sown areas. Rs.13,500/- per hectare for areas under assured irrigation and restricted to sown areas. Rs. 18,000/- per hectare for all types of perennial crops and restricted to sown areas. Assistance may be provided where crop loss is 33% and above, subject to a ceiling of 2 ha. per farmer.
6	**ANIMAL HUSBANDRY - ASSISTANCE TO SMALL AND MARGINAL FARMERS**	
	i) Replacement of milch animals, draught animals or animals used for haulage.	*Milch animals* - Rs. 30,000/- Buffalo/ cow/ camel/ yak/ Mithun etc. Rs. 3,000/- Sheep/ Goat/ Pig *Draught animals* - Rs. 25000/- Camel/ horse/ bullock, etc. Rs. 16,000/- Calf/ Donkey/ Pony/ Mule - The assistance may be restricted for the actual loss of economically productive animals and will be subject to a

3

		ceiling of 3 large milch animals or 30 small milch animals or 3 large draught animals or 6 small draught animals per household irrespective of whether a household has lost a larger number of animals. (The loss is to be certified by the Competent Authority designated by the State Government). *Poultry:-* Poultry @ **50/- per bird** subject to a ceiling of assistance of **Rs 5000/-** per beneficiary household. The death of the poultry birds should be on account of a natural calamity. *Note:* - Relief under these norms is not eligible if the assistance is available from any other Government Scheme, e.g. loss of birds due to Avian Influenza or any other diseases for which the Department of Animal Husbandry has a separate scheme for compensating the poultry owners.
	ii) Provision of fodder / feed concentrate including water supply and medicines in cattle camps.	Large animals- **Rs. 70/-** per day. Small animals- **Rs. 35/-** per day. Period for providing relief will be as per assessment of the State Executive Committee (SEC) and the Central Team (in case of NDRF). The default period for assistance will be upto 30 days, which may be extended upto 60 days in the first instance and in case of severe drought up to 90 days. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit, subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year. Based on assessment of need by SEC and recommendation of the Central Team, (in case of NDRF) consistent with estimates of cattle as per Livestock Census and subject to the certificate by the competent authority about the requirement of medicine and vaccine being calamity related.
	iii) Transport of fodder to cattle outside cattle camps	As per actual cost of transport, based on assessment of need by SEC and recommendation of the Central Team (in case of NDRF) consistent with estimates of cattle as per Livestock Census.
7	**FISHERY**	
	i) Assistance to Fisherman for repair / replacement of boats, nets – damaged or lost -- Boat -- Dugout-Canoe -- Catamaran -- net (This assistance will not be provided if the beneficiary is eligible or has availed of any subsidy/ assistance, for the instant calamity, under any other Government Scheme.)	**Rs. 4,100/-** for repair of partially damaged boats only **Rs. 2,100/-** for repair of partially damaged net **Rs. 9,600/-** for replacement of fully damaged boats **Rs. 2,600/-** for replacement of fully damaged net
	ii) Input subsidy for fish seed farm	Rs. 8,200 per hectare.

		(This assistance will not be provided if the beneficiary is eligible or has availed of any subsidy/ assistance, for the instant calamity, under any other Government Scheme, except the one time subsidy provided under the Scheme of Department of Animal; Husbandry, Dairying and Fisheries, Ministry of Agriculture.)
8	**HANDICRAFTS/HANDLOOM – ASSISTANCE TO ARTISANS**	
	i) For replacement of damaged tools/ equipment	Rs. 4,100 per artisan for equipments. - Subject to certification by the competent authority designated by the Government about damage and its replacement.
	ii) For loss of raw material/ goods in process/ finished goods	Rs. 4,100 per artisan for raw material. - Subject to certification by Competent Authority designated by the State Government about loss and its replacement.
9	**HOUSING**	
	a) **Fully damaged/ destroyed houses**	
	i) Pucca house	Rs. 95,100/- per house, in plain areas. Rs. 1,01,900/- per house, in hilly areas including Integrated Action Plan (IAP) districts.
	ii) Kutcha House	
	b) **Severely damaged houses**	
	i) Pucca House	
	ii) Kutcha House	
	(c) **Partially Damaged Houses** –	
	(i) Pucca (other than huts) where the damage is at least 15 %	Rs. 5,200/- per house
	(ii) Kutcha (other than huts) where the damage is at least 15 %	Rs. 3,200/- per house
	d) **Damaged / destroyed huts:**	Rs. 4,100/- per hut, *(Hut means temporary, make shift unit, inferior to Kutcha house, made of thatch, mud, plastic sheets etc. traditionally recognized as hut by the State/ District authorities.)* *Note*: -The damaged house should be an authorized construction duly certified by the Competent Authority of the State Government.
	e) Cattle shed attached with house	Rs. 2,100/- per shed.
10	INFRASTRUCTURE	
	Repair/restoration (of immediate nature) of damaged infrastructure: *(1) Roads & bridges (2)Drinking Water Supply Works, (3) Irrigation, (4) Power (only limited to immediate restoration of electricity supply in the affected areas), (5)Schools, (6)Primary Health Centres, (7) Community assets owned by Panchayat.*	*Activities of immediate nature :* Illustrative lists of activities which may be considered as works of an immediate nature are given in the enclosed Appendix. *Assessment of requirements :* Based on assessment of need, as per States' costs/ rates/

	Sectors such as Telecommunication and Power (except immediate restoration of power supply), which generate their own revenues, and also undertake immediate repair/ restoration works from their own funds/ resources, are excluded.	schedules for repair, by SEC and recommendation of the Central Team (in case of NDRF). - As regards repair of roads, due consideration shall be given to Norms for Maintenance of Roads in India, 2001, as amended from time to time, for repairs of roads affected by heavy rains/floods, cyclone, landslide, sand dunes, etc. to restore traffic. For reference these norms are ◦ Normal and Urban areas: upto 15% of the total of Ordinary Repair (OR) and Periodical Repair (PR). ◦ Hills: upto 20% of total of OR and PR. - In case of repair of roads, assistance will be given based on the notified Ordinary Repair (OR) and Periodical Renewal (PR) of the State. In case OR & PR rate is not available, then assistance will be provided @ Rs 1 lakh/km for State Highway and Major District Road and @ Rs. 0.60 lakh/km for rural roads. The condition of "State shall first use its provision under the budget for regular maintenance and repair" will no longer be required, in view of the difficulties in monitoring such stipulation, though it is a desirable goal for all the States. - In case of repairs of Bridges and Irrigation works, assistance will be given as per the schedule of rates notified by the concerned States. Assistance for micro irrigation scheme will be provided @ Rs. 1.5 lakh per damaged scheme. Assistance for restoration of damaged medium and large irrigation projects will also be given for the embankment portions, on par with the ease of similar rural roads, subject to the stipulation that no duplication would be done with any ongoing schemes. - Regarding repairs of damaged drinking water schemes, the eligible damaged drinking water structures will be eligible for assistance @ Rs. 1.5 lakh/ damaged structure. - Regarding repair of damaged primary and secondary schools, primary health centres, Anganwadi and community assets owned by the Panchayats, assistance will be given @ Rs 2 lakh/damaged structure. - Regarding repair of damaged power sector, assistance will be given to damaged conductors, poles and transformers upto the level of 11 kV. The rate of assistance will be @ Rs. 4000/poles, Rs 0.50 lakh per km of damaged conductor and Rs. 1.00 lakh per damaged distribution transformer.
11	Procurement of essential search, rescue and evacuation equipments including communication equipments, etc. for response to disaster.	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The total expenditure on this item should not exceed 10 % of the annual allocation of the SDRF.

12	Capacity Building	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The total expenditure on this item should not exceed 5% of the annual allocation of the SDRF.
13.	State specific disasters within the local context in the State, which are not included in the notified list of disasters eligible for assistance from SDRF/ NDRF, can be met from SDRF within the limit of 10% of the annual funds allocation of the SDRF.	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The norm for various items will be the same as applicable to other notified natural disasters, as listed above. or - In these cases, the scale of relief assistance against each item for 'local disaster' should not exceed the norms of SDRF. - The flexibility is to be applicable only after the State has formally listed the disasters for inclusion and notified transparent norms and guidelines with a clear procedure for identification of the beneficiaries for disaster relief for such local disasters', with the approval of SEC.

Note:- (i) The State Governments are to take utmost care and ensure that all individual beneficiary-oriented assistance is necessary/ mandatory disbursed through the bank account (viz; Jan Dhan Yojana etc.) of the beneficiary.

(ii) The scale of relief assistance against each items for all disasters including 'local disaster' should not exceed the norms of SDRF/ NDRF. Any amount spent by the State for such disasters over and above the ceiling would be borne out of the resources of the State Government and not from SDRF.

*****

Illustrative list of activities identified as of an immediate nature.

1. **Drinking Water Supply :**

   i) Repair of damaged platforms of hand pumps/ring wells/ spring-tapped chambers/public stand posts, cisterns.
   ii) Restoration of damaged stand posts including replacement of damaged pipe lengths with new pipe lengths, cleaning of clear water reservoir (to make it leak proof).
   iii) Repair of damaged pumping machines, leaking overhead reservoirs and water pumps including damaged intake – structure, approach gantries/jetties.

2. **Roads**

   i) Filling up of breaches and potholes, use of pipe for creating waterways, repair and stone pitching of embankments.
   ii) Repair of breached culverts.
   iii) Providing diversions to the damaged/washed out portions of bridges to restore immediate connectivity.
   iv) Temporary repair of approaches to bridges/ embankments of bridges., repair of damaged railing bridges, repair of causeways to restore immediate connectivity, granular sub base, over damaged stretch of roads to restore traffic.

3. **Irrigation :**

   i) Immediate repair of damaged canal structures and earthen/masonry works of tanks and small reservoirs with the use of cement, sand bags and stones.
   ii) Repair of weak areas such as piping or rat holes in dam walls/ embankments.
   iii) Removal of vegetative material/building material/debris from canal and drainage system.
   iv) Repair of embankments of minor, medium and major irrigation projects.

4. **Health :**

   Repair of damaged approach roads, buildings and electrical lines of PHCs/ community Health Centres.

5. **Community assets of Panchayat**

   a) Repair of village internal roads.
   b) Removal of debris from drainage/ sewerage lines.
   c) Repair of internal water supply lines.
   d) Repair of street lights.
   e) Temporary repair of primary schools, Panchayat ghars, community halls, *anganwadi*, etc.

6. Power: Poles/ conductors and transformers upto 11 kv.

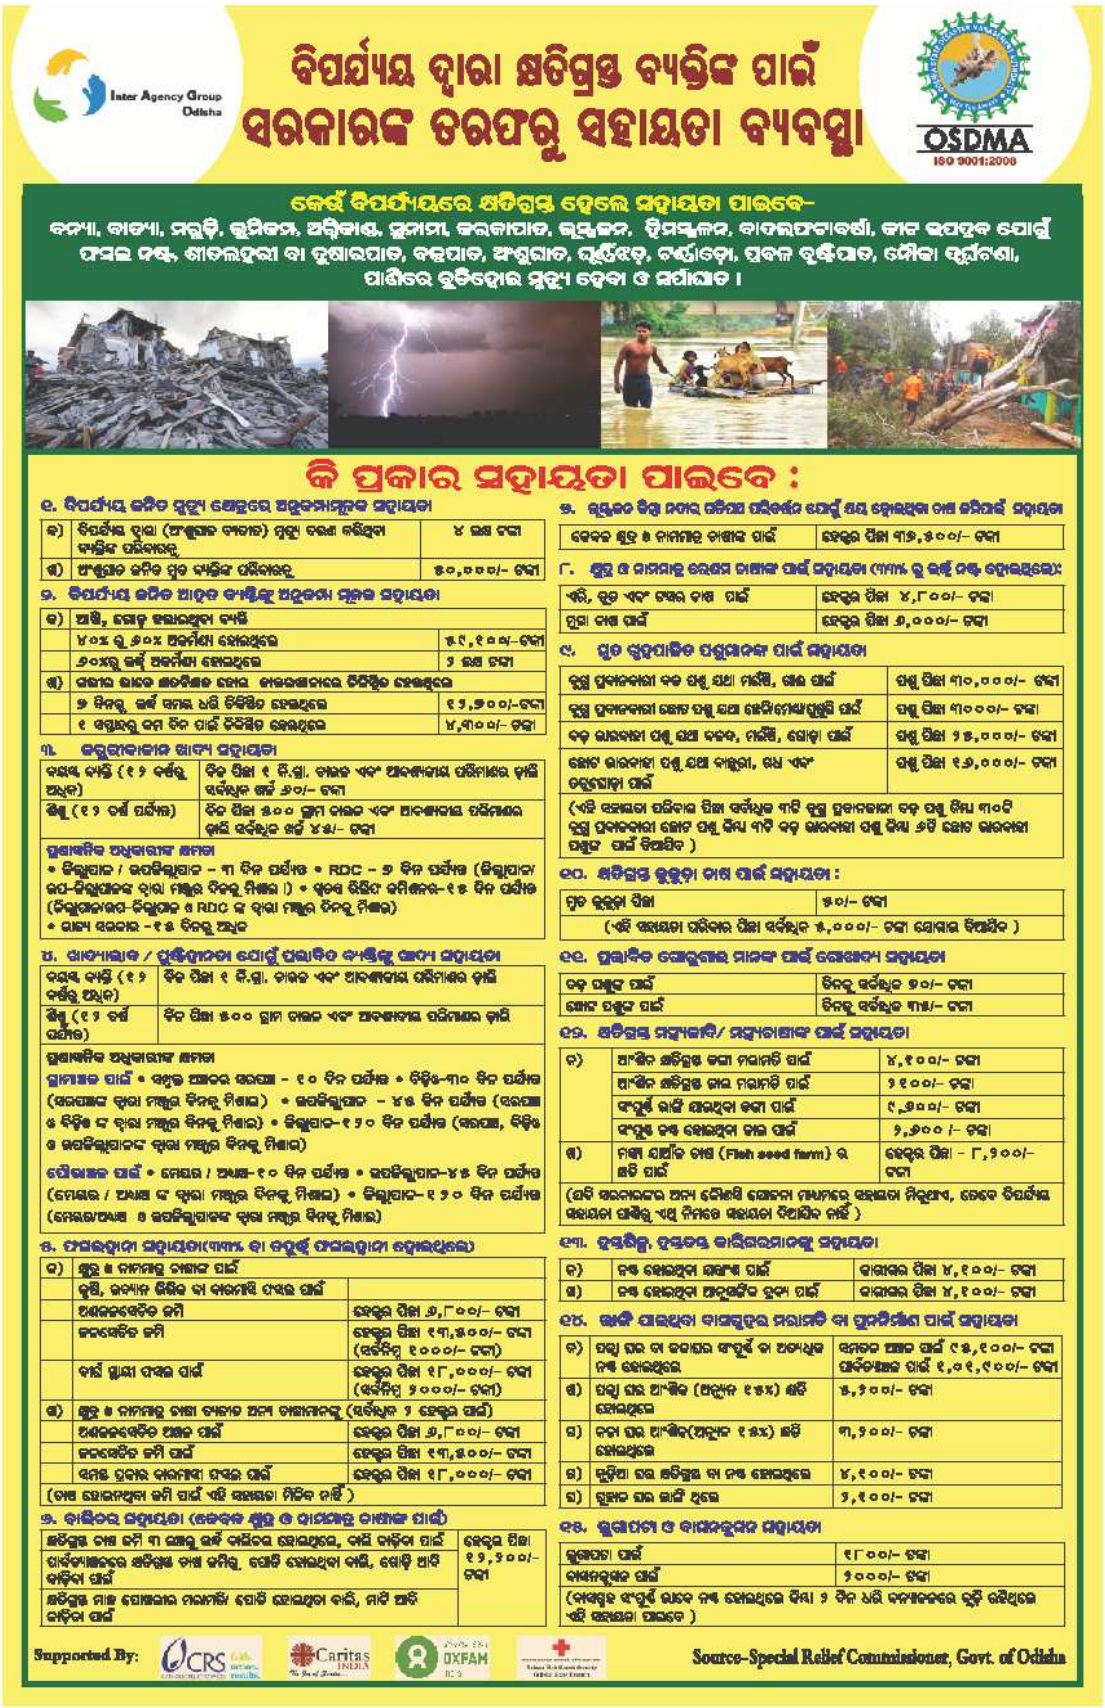

7. The assistance will be considered as per the merit towards the following activities:

	Items/ Particulars	Norms of assistance will be adopted for immediate repair
i)	Damaged primary school building Higher secondary/ middle/ college and other educational institutions buildings	Up to Rs. 1.50 lakh/ unit Not covered
ii)	Primary Health Centre	Upto Rs. 1.50 lakh/ unit
iii)	Electric poles and wires etc.	Normative cost (Upto Rs.4000 per pole and Rs. 0.50 lakh per km)
iv)	Panchayat Ghar/ Anganwadi/ Mahila Mondal/ Yuva Kendra/ Community Hall	Upto 2.00 lakh/ unit
v)	State Highways/ Major District road	Rs. 1.00 lakh/ km *
vi)	Rural road/ bridge	Rs. 0.60 lakh/km *
vii)	Drinking water scheme	Upto 1.50 lakh/ unit
viii)	Irrigation Sector: Minor irrigation schemes/ Canal Major irrigation scheme Flood control and anti Erosion Protection work	 Upto Rs. 1.50 lakh/ scheme Not covered Not covered
ix)	Hydro Power Project/ HT Distribution systems/ Transformers and sub stations	Not covered
x)	High Tension Lines (above 11 kv)	Not covered
xi)	State Govt Buildings viz. departmental/ office building, departmental/ residential quarters, religious structures, patwarkhana, Court premises, play ground, forest bungalow property and animal/ bird sanctuary etc.	Not covered
xii)	Long terms/ Permanent Restoration work incentive	Not covered
xiii)	Any new work of long term nature	Not covered
xiv)	Distribution of commodities	Not covered. (However, there is a provision for assistance as GR to families in dire need of assistance after a disasters).
xv)	Procurement if equipments/ machineries under NDRF	Not covered
xvi)	National Highways	Not covered (Since GOI born entire expenditure towards restoration works activities)
xvii)	Fodder seed to augment fodder production	Not covered

* If OR & PR rates are not provided by the State.

Format of Damage to Live and Properties - Annexure

9.1 Damage to Other Sectors

9.1.1 Loss of Livestock

Name of the District	No of Livestock / Birds lost				
	Milch Animal		Draught Animal		Poultry Birds
	Buffalo/ Cow	Sheep/ Goat	Camel/ Horse/ Bullock	Calf/ Donkey/ Pony	

9.1.2 House Damage

Sl. No.	District	Fully Damaged		Severely Damaged		Partially damaged	Huts damaged	Total
		Pucca	Kutcha	Pucca	Kutcha			

9.1.3 Crop Damage

Sl. No.	Districts	Crop Area Affected [in Hect.]	Total agricultural area where croploss is > 50%

9.1.4 Sand Cast

Sl. No.	District	Total Area under Sandcast (in Hect.)

9.1.5 Livestock Affected

Sl. No.	District	Livestock Affected			Total
		Large	Small	Poultry	

9.1.6 Loss of livelihood (Sericulture Farmers)

Sl. No.	Name of the District	No. of Farmers Affected	Area in Hect. Muga (Ha.)	Area in Hect. Mulberry / Eri / Tussar(Ha.)	Total

9.1.7 Traditional Crafts (Rural Artisans)

Sl. No.	Name of the District	No. of equipments fully damaged	No. of beneficiaries	Set of raw material fully damaged	No. of beneficiaries

9.1.8 Handloom Weavers

Sl. No.	Name of the District	No. of beneficiaries	No. of looms &accessories fully damaged	Set of raw material fully damaged

9.1.9 Damage to Nets and Boats of Fishermen

Sl. No	Name of the District	Boat & Net Units	
		No. of Units fully damaged	No. of Units partially damaged

9.2 Assistance Required

9.2.1 Clothing and utensils for families*[Para-1 (e) of CRF Norms]*

(Rs. in lakh)

Sl. No.	District	Clothing		Utensils		Total Amount
		No. of family	Amount @ Rs.1000/- per family	No. of family	Amount t @ Rs. 1000/- per family	

9.2.2 Gratuitous Relief for families in dire need of immediate sustenance after a calamity*[Para-1 (f) of CRF Norms]*

(Rs. in lakh)

Sl. No.	District	Villages Affected	ULBs Affected	PopulationAffected	Population affected		Amount towards food for 15 days		Total
					Adult	Children	@Rs.20/- per adult	@Rs.15/- per child	

9.2.3 Agriculture input subsidy where crop loss 50% and above*[Para-3(e) of CRF Norm (Small Farmers)*

(Rs. in lakh)

Sl. No.	Name of the district	Area affected 50% & above			Amount required			Total
		Irrigated [in hect.]	Rainfed [in hect.]	Perennial	Irrigated @Rs.4000/- per hectare	Rainfed @ Rs.2000/- per hectare	Perennial @ Rs.6000/- per Hect.	

9.2.4 Input subsidy to farmers other than small & marginal farmers*[Para-4 of Revised CRF Norms]*

(Rs. in lakh)

Sl. No.	District	Kharif Crop					
		No of Farmers	Irrigated area in hect	Amount @ Rs.4000/- per hect.	Rainfed Area in hect.	Amount @ Rs.2000/- per hect.	Amount

9.2.5 Assistance to Small& Marginal Sericulture farmers*[Para-5 of Revised CRF Norms]*

Sl. No.	Name of the District	No. of Farmers Affected	Area in Hect. Muga (Hc.)	Area in Hect. Mulberry / Eri / Tussar (Hc.)	Total	Amount required @ Rs.2000/- per ha. of Mulberry/ Eri / Tussar and Rs. 2500/- for Muga		Total
						Muga @ Rs.2500/- per ha	Mulberry / Eri / Tussar @ Rs.2000/- per ha.	

9.2.6 Provision of fodder / feed concentrate in the cattle camps*[Para-7 (ii) of Revised CRF Norms]*

Sl. No.	Name of the District	No. of cattle camps	No. of large animals affected	Cattle feed supplied @1.3Kg per day for 15 days (in MT)	No. of small animals affected	Cattle feed supplied @0.66Kg per day for 15 days (in MT)	Total cattle feed supplied (in MT)	Amount required (Rs. in lakh) @ Rs.15000 per MT

9.2.7 Assistance to fishermen*[Para-8 (a) of Revised CRF Norms]*

(Rs. in lakh)

Sl. No.	Name of the District	Boat & Net Units fully damaged		Boat & Net Units partially damaged		Total
		No. of Units damaged	Amount @Rs.7500	No. of Units damaged	Amount @Rs.2500	

9.2.8 Assistance to Artisans in handicrafts sector by way of subsidy for repair / replacement of damaged equipments*[Para-9(a) of CRF Norms]*

a) Traditional Crafts

(Rs. in lakh)

Sl. No.	Name of the District	No. of equipments fully damaged	No. of beneficiaries	Amount @ Rs.2000/-	Set of raw material fully damaged	No. of beneficiaries	Amount @ Rs.2000/-	Total

b) Handloom Weavers *[Para-9(b) of CRF Norm]*

(Rs. in lakh)

Sl. No.	Name of the District	No. of beneficiaries	No. of looms &accessories fully damaged	Amount @ Rs.2000/-	Set raw material fully damaged	Amount @ Rs.2000/-	Total

9.2.9 Evacuation of affected people*[Para-14 of revised CRF Norms]*

Sl. No.	District	People evacuated			Amount required for hire charges and POL charges of vehicle
		By boat	By vehicle	Total	

9.2.10 Hiring of boats for carrying immediate relief and saving life*[Para-15 of revised CRF Norms]*

(Rs in lakh)

Sl. No.	District	No. of boats hired			No. of days	Hire cost of power boat @Rs.2200/- per day	Hire cost of country boat @Rs.900/- per day	Total hire cost
		Power	Country	Total				

Sl. No.	District	Quantity of relief materials transported in Qtl.	No. of persons evacuated	POL Cost (in lakh)	Total Amount

9.2.11 Provision for temporary accommodation, food, clothing and medical care*[Para-16 of revised CRF Norms]*

Sl. No.	Name of the district	Average No. (in a day) of relief camps	Average duration of oper-ation of relief camps	Average No. of people accommo dated per day in the relief camps	Amount required (Rs. in lakh)				
					Temporary accomm-odation	Food	clothing	Medical care	Total

9.3 Water Resources Department

Repair / restoration of immediate nature of the damaged infrastructure in eligible sectors*[Para-18 of revised CRF Norms]*

Embankment Roads

(Rs. in lakh)

Sl. No.	Name of the District	Road						Total Amount in lakhs
		River/Saline embankments			Canal Embankments			
		No.	Length in Km'	Amount required	No.	Length in Km'	Amount required	

River and Canal Embankments

RIVER EMBANKMENTS

(Rs. in lakh)

Sl. No.	Name of the District/Division	No. of breach	Length of breach (in Km.)	Cost for immediate restoration	No of partial damages	Cost for immediate repair	Total cost

CANAL EMBANKMENTS

Sl. No.	Name of the District	No. of breaches	Length of breach (in Km.)	Cost for immediate restoration	No of partial damages	Length partial damages (in Km.)	Cost for immediate repair	Total cost

Minor Irrigation

Sl. No.	Name of the District/Division	Number of the MIP damaged	Amount required for immediate repair in Lakh Rs.

Drainage Systems

(Rs. in lakh)

Sl. No.	Name of Division	No. of work	Length of drainage system where debris and vegetative materials are to be removed (in Km.)	Amount required (Rs. In lakh)

9.4 Works Department

Repair / restoration of immediate nature of the damaged infrastructurein eligible sectors *[Para-18 of revised CRF Norms]*

Roads and Bridges

PWD Roads

(Rs. in lakh)

Sl. No.	Name of the District	No. of breaches	Cost for repair / restoration	Length of road damaged in Km	Cost for immediate repair	No. of culverts damaged	No of culverts washed away	Approx cost for immediate repair of culverts	Total cost

9.5 Rural Development Department

Repair / restoration of immediate nature of the damaged infrastructure in eligible sectors *[Para-18 of revised CRF Norms]*

Rural Roads

Sl. No.	Name of the District	No. of Roads damaged	Lenth of Road damaged (In Kms)	No of Breaches	Length of Breaches (In mtr)	No of CD/ Bridge damaged	No of CD/ Bridge washed away	Amount Required for immediate restoration

Rural Water Supply

(Rs. in lakh)

Sl. No.	Name of the District/Division	No. of Tube wells damaged	Amount spent repair	No of Platforms damaged	Amount spent for repair	No of Rural Pipe water supply system damaged	Amount spent for repair	Total cost

9.6 Housing & Urban Development Department

Repair / restoration of immediate nature of the damaged infrastructure in eligible sectors *[Para-18 of revised CRF Norms]*

Urban Roads

(Rs. in lakh)

Sl. No.	Name of the ULB	Length of drain damaged (in Km)	Cost for immediate restoration	Length of road damaged in Km	Cost for immediate repair	No. of culverts damaged	Cost for immediate repair of culverts	Total cost

Urban Water Supply

(Rs. in lakh)

Sl. No.	Name of the ULB	Amount spent for immediate repair of Tubewell	Amount spent for immediate repair of Platform	Amount spent for immediate repair of Pump houses	Amount spent for immediate repair of Pipe lines	Amount spent for disinfection	ULB Total

9.7 Panchayati Raj & Drinking Water Department

Repair / restoration of immediate nature of the damaged infrastructure in eligible sectors *[Para-18 of revised CRF Norms]*

Panchayat Roads

(Rs. in lakh)

Sl. No.	Name of the District / Division	No. of Road damaged	Length of breaches in Km.	Cost of repair of breaches	Length of road damaged in Km	Cost for immediate repair

Sl. No.	Name of the District / Division	No. of culverts damaged	No of culverts washed away	Cost for immediate repair of culverts	Total Cost

Panchayat Ghars

(Rs. in lakh)

Sl. No.	Name of the District	No. of PanchayatGhar/Community Hall damaged	Cost for immediate restoration

9.8 School & Mass Education Department

Repair / restoration of immediate nature of the damaged infrastructure in eligible sectors *[Para-18 of revised CRF Norms]*

Primary Education
School Buildings

(Rs. in lakh)

Sl. No.	Name of District	No. of the Damaged school	Approx. cost (Rs. in lakhs)

9.9 Health & FW Department

Repair / restoration of immediate nature of the damaged infrastructure in eligible sectors *[Para-18 of revised CRF Norms]*

PHC / CHC

Rs. in lakh

Sl. No.	Name of the District	No. of PHC / CHC damaged				Amount Required for repair / restoration
		Allopathic	Homeopathic	Ayurvedic	Total	

Replacement of damage medical equipment and lost medicines *[Para 19 of Revised CRF Norm]*

Sl. No.	District	Requirement (Rs. In lakh)

Amount required for Provision of medicines, disinfectants, insecticides for prevention of outbreak of epidemics with details *[Para-12 of revised CRF Norms]*

Sl. No.	District	Requirement (Rs. In lakh)

9.10 Women & Child Development & Mission Shakti Department

Repair / restoration of immediate nature of the damaged infrastructure in eligible sectors *[Para-18 of revised CRF Norms]*

Anganwadi Centres

(Rs. in lakh)

Sl. No.	Name of the District	No. of Anganwadi centres damaged	Amount required for immediate restoration

Supplementary Nutrition: *[As per Para-2 of CRF Norms]*

Sl. No.	District	No. of children Affected	No. of Days	Amount @ Rs.2.00 per person per day (Rs. in lakh)

9.11 Energy Department

Repair / restoration of immediate nature of the damaged infrastructure in eligible sectors *[Para-18 of revised CRF Norms]*

Repair and restoration of power supply *(Para 18 of revised CRF norms)*

(Rs.in lakh)

Sl. No.	Name of the district	No. of primary sub-stations damaged	8/9 mtrs. Pole damaged	33 KV lines damaged (in Km)	11 KV lines damaged (in Km)	LT lines damaged (in Km)	Distribution Transformers damaged (in no.)	Expenditure incurred for immediate repair (Rs.in lakh)

9.12 Handlooms, Textiles&Handicrafts Department

Assistance for Handloom Weavers *[Para-9(b) of CRF Norm]*

Sl. No.	Name of the District	No. of benefic-iaries	No. of looms &accessories fully damaged	Amount @Rs.2000/-	Set raw material fully damaged	Amount @Rs.2000/-	Total

9.13 Fisheries & ARD Department

Livestock Affected

Sl. No.	District	Livestock Affected			Total
		Large	Small	Poultry	

Loss of livestock

Name of the District	No of Livestock / Birds lost				
	Milch Animal		Draught Animal		Poultry Birds
	Buffalo/ Cow	Sheep/ Goat	Camel/ Horse/ Bullock	Calf/ Donkey/ Pony	

Provision of fodder/ feed concentrate in the cattle camps: *[Para-7 (ii) of Revised CRF Norms]*

Sl. No.	Name of the District	No. of cattle camps	No. of large animals affected	Cattle feed supplied @1.3Kg per day for 15 days (in MT)	No. of small animals affected	Cattle feed supplied @0.66Kg per day for 15 days (in MT)	Total cattle feed supplied (in MT)	Amount required (Rs. in lakh) @ Rs.17000 per MT

Assistance to fishermen: ***[Para-8 (a) of Revised CRF Norms]***

(Rs. in lakh)

Sl. No.	Name of the District	Boat & Net Units fully damaged		Boat & Net Units partially damaged		Total
		No. of Units damaged	Amount @Rs.7500	No. of Units damaged	Amount @Rs.2500	

Desilting / Restoration / Repair of fish farms: ***[Para-3 (c) of CRF Norms]***

Sl. No.	District	No. of fish farms	Total Area of fish farms (hect.)	No. of small marginal farmers	Amount required @ Rs.6000/- per hect.(Rs. in lakh)

Input subsidy for fish seed farm: ***[Para-8(b) of revised CRF Norms]***

(Rs. in lakh)

Sl. No.	District	No. of fish seed farms affected	Area in hectared	Amount required for input subsidy @ Rs.4000/- per hectare

Amount required for Medical Care for cattle & poultry against epidemics with details ***[Para-13 of revised CRF Norms]***

Sl. No.	District	Cattle & poultry against epidemics with details	Amount required

9.14 Agriculture Department

Crop Damage

Sl. No.	Districts	Crop Area Affected [in Hect.]	Total agricultural area where croploss is > 50%

Assistance Reauired

Agriculture input subsidy where crop loss 50% and above: ***[Para-3(e) of CRF Norm (Small Farmers)***

(Rs. in lakh)

Sl. No.	Name of the district	Area affected 50% & above			Amount required			Total
		Irrigated [in hect.]	Rainfed [in hect.]	Perennial	Irrigated @Rs.4000/- per hectare	Rainfed @Rs.2000/- per hectare	Perennial @ Rs.6000/ per Hect.	

Input subsidy to farmers other than small & marginal farmers: ***[Para-4 of Revised CRF Norms]***

(Rs. in lakh)

Sl. No.	District	Kharif Crop					
		No of Farmers	Irrigated area in hect	Amount @ Rs.4000/- per hect.	Rainfed Area in hect.	Amount @ Rs.2000/- per hect.	Amount

3.2 List of Villages Vulnerable to Different Disasters

Sl. No.	Name of the Block/ ULB	Name of the GP	Name of the Village/ Ward	Total No. of HHs	Total Population	Livestock	Cyclone	Tsunami	Flood	If Yes at Column 'J' then Mention the Causing Factor	Land Slide	Drought	If Yes at Column 'M' then the Cultivable Area in Ha.	Lightning	Industrial / Chemical Accidents	If Yes at Column 'P' Mention the Industry Name	Drinking Water Crisis
