2019

DISTRICT DISASTER MANAGEMENT PLAN - Vol- I
District- Sundargarh

District Disaster Management Authority, Sundargarh.

Odisha

FOREWORD

The District Disaster Management Plan of Sundargarh District for the year 2019 (Vol-I) and (Vol-II) includes the facts and figures that have been collected from various formal and informal sources with a view to meeting the challenges during any disaster. It is a continuous process to enhance and it will be modify time to time as per needs under the guidance of District Disaster Management Authority, Sundargarh.

The Plan has been prepared as per the provision made in the Disaster Management Aqct 2005, Section 31 (1) and as per section 31 (4) it will be reviewed and updated annually. This has been prepared with the involvement of all stakeholders.

All are cordially invited for their valuable needful suggestion which is to be incorporated in the plan.

Chairperson, *ex-officio*
Collector and District Magistrate,
District Disaster Management Authority, Sundargarh.

COLLECTOR, SUNDARGARH

- LI: Labour Inspector

Summary

The District Disaster Management Plan (DDMP) 2018 of Sundargarh district has been envisaged as a preparedness plan whereby the receipts of a signal of an impending disaster would simultaneously energies and activate the mechanism for response and mitigation without Emergency Officers in crucial time. This would be entailing all the participating managers to know in advance the task assigned to them and the manner of response. Identification of available resources including man power, materials, equipments and adequate delegation of financial and administrative powers are prerequisites for successful operation of the DDMP.

The DDMP is in essence, the Standard Operating Procedure (SOP) in which the implementation of efforts on ground is well laid down. Importance has been given to activities such as evacuation, search and rescue, temporary shelter, food, drinking water, clothing, health and sanitation as per Minimum Standard of Relief guideline issued by NDMA, New Delhi. Communications accessibility and public information, that are important components of disaster management, would follow on the activation of the DDMP. These activities are common to all types of disasters and require supervision and preparation of action/sub action plans by each specified authorities. The DDMP 2019 in respect of Sundargarh district comprises two volumes, i.e. Vol-I and Vol- II.

The DDMP requires the disaster managers to:

- Evolve an effective signal/warning mechanism
- Identify activities/sub activities under each activity/level of activity
- Specify authorities for each level of activity / sub activity
- Determine the response time for each activity
- Workout individual plans of each specified authority to achieve activation as per the response time.
- Have quick response terms for each specified authority
- Have alternative plans and contingency measures
- Provide appropriate administrative and financial delegation to make the response mechanism functional & viable
- Undergo preparedness mock drills.

Chapter – 1

Introduction

Disaster Management Plan are prepared at various levels to enable the activation of response mechanism promptly, without losing on time in consulting senior officials and in getting formal approval from the higher authorities. India has embarked on the path of having a comprehensive response plans after the experience of Super Cyclone of Odisha 1999, the earthquake in Gujrat in 2001 and Tsunami in 2004. Response is the first stage of the disaster management cycle when a disaster has occurred or is imminent. Disaster response activities include setting up control rooms; putting the contingency plan in action, issue warning, action for evacuation, taking people to safer areas, rendering medical aid to the needy etc. Responders also need to cope with response – generated demands such as the need for coordination, communications, ongoing situation assessment and resource mobilization during the emergency period. There are three phases of responding- pre, during and post disaster.

The response period is of crucial importance. When the earthquake hit Gujrat on 26th January 2001, Crisis Management Group at the Central Government level was informed but it could only meet five and half hours after the tragedy. The Natural Disaster Management Division at the Centre was told about the quake at 8:56 am but medicos were sent to Bhuj at 7:30 p.m.. Further , the State Government , which is primarily responsible for disaster management in India, has set up the Control Room by 9:45 am, but little was done for the next 36hours. In contrast , the Swiss Embassy, which was informed at 10 p.m. alerted all the team members of its response team within one hour and them reached there next day afternoon, that is , 14 hours after the request for help was made. This included the travel time from Switzerland to India. Unfortunately , formalities at the Airport took two hours,. Had Indian response been equally prompt, may be few more lives could have been saved. The above discussion highlights the need for Response Plan.

Early response is dependent on the state of preparedness and the existence of a suitable response plans. A timely response can reduce the magnitude of loss of life and property. Though there has been a paradigm shift over from response to culture of prevention and mitigation, the uncertainty involving natural disaster makes it imperative to have a response plan. All disasters, including manmade disasters require a ready response plan, even if the prevention aspect has been taken care of in an adequate manner. For timely and adequate response, a comprehensive response plan is a prerequisite. These are useful for issue of warnings, serve as guide to officials at the critical time by assisting them take immediate action, time is not lost in consultation with senior officials and in getting formal approval from the authorities.

The District Administration is the focal point for the preparation of Response Plan at the district level as it is the point of public service delivery and responsible for directing, supervising and monitoring relief measures for disasters. This Multi-hazard disaster management plan is to help the district administration in effectively managing any disaster that is likely to be faced by the district of Sundargarh.

Precise actions, procedures and responsibilities have to be laid down well in advance in order to ensure timely response in case of any disaster. Therefore a mechanism that takes into account multiple hazards and basic preparedness has to be articulated in the form of Quick Response Teams, Quick Assessment Teams, Reporting Procedures, Checklist and Handbooks. The mechanism also lays down crucial parameters requirements and organizational composition of Emergency operations centres and incident command systems.

To reduce sustainably the disaster risk of this multi disaster prone district of Sundargarh to minimize the loss of life, property and livelihood during and after any disaster with proper plan to identify all common elements of response. This acts as a base plan or a generic / modular plan for all response activities. It provides a frame work around which other agencies and departments can outline their own activities for disaster response.

The District Disaster Management Plan (DDMP) has been envisaged as a preparedness plan whereby the receipts of a signal of an impending disaster would simultaneously energies and activate the mechanism for response and mitigation without loss of crucial time. This would be entailing all the participating managers to know in advance the task assigned to them and the manner of response. Identification of available resources including man power, materials, equipments and adequate delegation of financial and administrative powers are prerequisites for successful operation of the DDMP.

The DDMP is in essence, the Standard Operating Procedure (SOP) in which the implementation of efforts on ground is well laid down. Importance has been given to activities such as evacuation, search and rescue, temporary shelter, food, drinking water, clothing, health and sanitation. Communications accessibility and public information, that are important components of disaster management, would follow on the activation of the DDMP. These activities are common to all types of disasters and require supervision and preparation of action/sub action plans by each specified authorities. Each group/sub group have been requested to work out the DDMP mechanism to their relevant.

The DDMP requires the disaster managers to:

- Evolve an effective signal/warning mechanism
- Identify activities/sub activities under each activity/level of activity
- Specify authorities for each level of activity / sub activity
- Determine the response time for each activity
- Workout individual plans of each specified authority to achieve activation as per the response time.
- Have quick response teams for each specified authority
- Have alternative plans and contingency measures
- Provide appropriate administrative and financial delegation to make the response mechanism functional & viable
- Undergo preparedness mock drills.

*[Note: Introduction should confine to the following points in brief and limited to **3-4 pages** maximum. The write-ups are indicative only.*

- *Aims and Objectives of the DDMP*

OBJECTIVES of DDMP

The District Disaster Management Plan is intended

- For sustainable reduction of impact of natural and man-made disasters through preparedness at District, Block, Gram Panchayat and Village level.
- To provide effective support and resources to all the concerned individuals, groups and departments in disaster.
- To assist the line departments, block administration, communities in developing compatible skills for disaster preparedness and management.
- To disseminate factual information in a timely, accurate and tactful manner while maintaining necessary confidentiality.
- To develop immediate and long-term support plans for vulnerable people in/during disasters.
- To create awareness among the people about hazard occurrence and increase their participation in preparedness, prevention, development, relief, rehabilitation and reconstruction process
- To have response system in place to face any eventuality
- To affect or elicit the least possible disruption to the normal life process when dealing with individuals in disaster
- To ensure active participation by the government administration, communities, NGOs, CBOs and volunteers at all levels making optimal utilization of human and material resources at the time of disaster.

PERSPECTIVE OF DDMP

A formal and complete plan for managing disaster would include:

- Understanding the multihazard scenario of the district
- Pre planning a proper sequence of response actions
- Allocation of responsibilities to the participant agencies
- Developing codes and standards operating procedures for various departments and relief agencies involved
- Inventory of existing facilities and resources
- Mechanism for effective management of resources
- Coordination of all relief activities including those of NGOs to ensure a coordinated and effective response
- Coordinating with the state response machinery for appropriate support
- Testing the plan including mock drills
- Defining levels of acceptable risk

- Monitoring and evaluation of actions taken during relief and rehabilitation

- *Authority for DDMP: Approval & implementation*

1.1 District Disaster Management Authority

For the smooth implementation of the proposed Disaster Preparedness/Response/Mitigation Plan, there are some institutional arrangements at the district level. There is a District Disaster Management Authority (DDMA) constituted vide notification No. IVF-(OSDMA)-24/10- 46315/ R & DM dt.12th November, 2010 of Government of Odisha, Revenue and Disaster Management, Department as per Disaster Management Act, 2005 (No.53 of 2005) sub section (1) of Section 25.

(copy of the same is enclosed in Annexure-)

In pursuance of sub sections (2) of section 25 of the Disaster Management Act, 2005 (No.53 of 2005), the District Disaster Management Authority for the district of Sundargarh in the State of Odisha which is consisted of the following members:

i.	Collector and District Magistrate	- Chairman, ex-officio
ii.	Chairman, Zilla Parishad	- Co-Chairperson, ex-officio
iii.	Superintendent of Police	- Member, ex-officio
iv.	Chief District Medical Officer	- Member, ex-officio
v.	The Executive Engineer, Irrigation	- Member ex-officio
vi.	ADM, in charge of Emergency	- Chief Executive Officer Ex-officio
vii.	Executive Engineer, RD	- Member
viii.	Project Director, DRDA	- Member
ix.	Dy. Director, Agriculture	- Member

To assist the DDMA the District Disaster Management Teams are constituted on dated 05-05-2017 by the District Authority with distinct roles and responsibilities as per Section 28(1) of Disaster Management Act2005.

DDMA is the nodal committee for the disaster management at the district level and it consists of representatives of various stakeholders like PRIs(ZP President),Govt. Officials(various departmental heads), NGOs etc.

Power and Functions of district Authority:

According to Section 30 of DM Act 2005 the District Authority will act as the district planning, coordinating and implementing body for disaster management and take all measures for the purposes of disaster management in the district in accordance with the guidelines laid down by the national authority and state authority.

Function:

- Prepare the disaster management plan including district response plan for the district.
- Ensure that the areas in the district vulnerable to disaster s are identified and measures for the prevention of disasters and the mitigation of its effects are undertaken by the departments of the government at the district level as well as by the local authorities.
- Ensure that the guidelines for prevention of disasters, mitigation of its effects, preparedness and response measures as laid down by the National Authority and the State Authority are followed by all departments of the Government at the district level and the local authorities in the district.
- Give directions to different authorities at the district level and local authorities to take such other measures for the prevention or mitigation of disaster as may be necessary.
- Lay down guidelines for prevention of disaster management plans by the department of the Government at the districts level and local authorities in the district.
- Monitor the implementation of disaster management plan prepared by the different line department of the district.
- Lay down guidelines to be followed by the departments of the government at the district level for purposes of integration of measures for prevention of disaster and mitigation in their development plans and projects and provide necessary technical guidance therefor.
- Review the preparedness measures of all line department.
- Organize and coordinate specialized training programmes for different levels of officers, employees and volunteer rescue workers in the district. Organize community awareness and training programme for prevention of disaster.
- Prepare, review and update district level response plan and guidelines.
- Coordinate, response to any threatening disaster situation or disaster.
- Coordinate with and give guidelines to local authorities in the district to ensure that measures for the prevention or mitigation of threatening disaster situation or disaster in the district are carried out promptly and effectively.
- Establish stockpiles of relief and rescue materials or ensure preparedness to make such materials available at a short notice.
- Provide information to the state authority relating to different aspects of disaster management.
- Ensure communication systems are in order and disaster management drills are carried out periodically.
- Examine the construction work in the district abide by the standard of disaster prevention and mitigation.

- Identification of safe shelter in the event of disaster.

Responsibilities:

- To prepare the sector wise preparedness, response and mitigation plan to reduce the impact of disaster
- To ensure the smooth implementation of the plan before, during and after the disaster
- To define the roles and responsibilities of different DMTs and to coordinate with them during disaster.
- To organize training program for the different DMTs and identify suitable resource person.
- To sensitize various stakeholders on Disaster risk management.
- To educate the public on different hazards and what protective steps should be taken
- To make arrangements for emergency action
- To review the plan and to make necessary modification/updating
- Finally to approve the financial arrangement and monitor the program

Timeline For Meeting and Membership:

The DDMA must meet at least once in six months i.e. in the month of May and November before the Disaster Season under the chairmanship of the District Collector to update the plan. The President of the Zilla Parishad should be invited as a "Special Invitee" in the meeting of the DDMA. Collector should review the work of DDMA regularly. But during the time of emergency situation their meeting will be more frequent. According to Section 27-"The District Authority shall meet as and when necessary and at such time and place as the Chairperson may think fit".

Note: Notification copy is attached in Annexure – I for reference.

District Disaster Management Teams: (DDMT)

The DDMT is formed under the guidance of DDMA as per Disaster Management Act Section 28(1). Various sub teams are formed to perform some sect oral activities for disaster management. The roles and responsibilities of each team are well defined to avoid any form of overlapping or duplicity during the time of disaster. They will perform their roles and responsibilities under the overall guidance of DDMA. In case of Sundargarh the following Additional Disaster Management Committee were formed as per Section 28 (1) of Disaster Management Act 2005 which are as follows:

- **Information Management Team:**
  DI & PRO, Sundargarh, District Telecom officer (BSNL), District Emergency Operation Centre, Police Control Room

- **Food & Social Security Team:**
  PD (DRDA), Sub-Collector, Sundargarh/ Bonai/ Panposh, All Tahasildar, All BDOs, DSWO, DSSO, DWO, Civil Supply Officer, District Panchayat Officer, District Labour Officer

- **Water Management Team:**
  EE (Irrigation), EE (MIP), EE (OLIC), AE (Agriculture), EE (RWSS), (EE PHED), PD (Watershed)

- **Livelihood Team:**
  PD DRDA, DDA, Sundargarh, DDH Sundargarh, CDVO, Asst. Director (Fishery), PD (Watershed), DSMS, GM-DIC, NGOs

- **Forest & Environment Team:**
  DFO, Sundargarh/ NGOs

- **Rescue & Evacuation Team:**
  SP, All Sub Collector, District Fire Officer, ODRAF team of OSAP, Rourkela

- **Emergency Health Management Team:**
  CDMO, Red Cross, Representative Private Hospital, CDVO, NGO Coordination Cell

- **Relief Management Team:**
  ADM, Sub-Collector, Sundargarh/ **Bonai**/ Panposh/ All BDOs, All Tahasildars, Addl SP, NGOs/INGOs

- **Infrastructure Management Team:**
  EE (R&B), EE (RD), EE (WESCO), APD (Technical), DRDA, EE (NH), District Panchayat Officer, NGOs/ INGOs

- *Evolution of DDMP in brief: (Evolution, Procedure and Methodology to be followed for preparation of DDMP)*

The evolution of disaster management thinking and practice since the 1970s has seen a progressively wider and deeper understanding of why disasters happen, accompanied by more integrated, holistic approaches to reducing their impact on society. The modern paradigm of disaster management – disaster risk reduction (Disaster Risk Reduction) – represents the latest step along this path. Disaster Risk Reduction is a relatively new concept in formal terms, but it embraces much earlier thinking and practice, and it is now being widely embraced by international agencies, governments, disaster planners and civil society organisations.

Disaster Risk Reduction is such an all-embracing concept that it has proved difficult to define or explain in detail, although the broad idea is clear enough. Inevitably, there are different definitions of the term in the technical literature but it is generally understood to mean the broad development and application of policies, strategies and practices to minimize vulnerabilities and disaster risks throughout society The term ‘disaster risk management is often used in the same context and to mean much the same

thing: a systematic approach to identifying, assessing and reducing risks of all kinds associated with hazards and human activities. It is more properly applied to the operational aspects of disaster risk reduction: the practical implementation of disaster risk reduction initiatives.

There have been growing calls for greater clarity about the components of disaster risk reduction and about indicators of progress towards resilience – a challenge which the international community took up at the UN's World Conference on Disaster Reduction(WCDR) in Kobe, Japan, in 2005, only days after the 2004 Indian Ocean earthquake. The WCDR began the process of pushing international agencies and national governments beyond the vague rhetoric of most policy statements and towards setting clear targets and commitments for Disaster Risk Reduction. The first step in this process was the formal approval at the WCDR of the Hyogo Framework for Action (2005–2015) (HFA). This is the first internationally accepted framework for Disaster Risk Reduction. It sets out an ordered sequence of objectives (outcome – strategic goals – priorities), with five priorities for action attempting to 'capture' the main areas of Disaster Risk Reduction intervention. The UN's biennial Global Platform for Disaster Risk Reduction provides an opportunity for the UN and its member states to review progress against the Hyogo Framework. It held its first session from 5–7 June 2007 in Geneva, Switzerland.

Sendai Framework of Action---

Third UN World Conference on Disaster Risk Reduction the Sendai Framework was adopted by UN Member States on 18 March 2015 at the Third UN World Conference on Disaster Risk Reduction in Sendai City, Miyagi Prefecture, Japan.

The Sendai Framework for Disaster Risk Reduction 2015-2030 (Sendai Framework) is the first major agreement of the post-2015 development agenda, with seven targets and four priorities for action. It was endorsed by the UN General Assembly following the 2015 Third UN World Conference on Disaster Risk Reduction (WCDRR).

The Seven Global Targets

(a) Substantially reduce global disaster mortality by 2030, aiming to lower average per 100,000 global mortality rate in the decade 2020-2030 compared to the period 2005-2015.
(b) Substantially reduce the number of affected people globally by 2030, aiming to lower average global figure per 100,000 in the decade 2020 -2030 compared to the period 2005-2015.
(c) Reduce direct disaster economic loss in relation to global gross domestic product (GDP) by 2030.
(d) Substantially reduce disaster damage to critical infrastructure and disruption of basic services, among them health and educational facilities, including through developing their resilience by 2030.
(e) Substantially increase the number of countries with national and local disaster risk reduction strategies by 2020.
(f) Substantially enhance international cooperation to developing countries through adequate and sustainable support to complement their national actions for implementation of this Framework by 2030.

(g) Substantially increase the availability of and access to multi-hazard early warning systems and disaster risk information and assessments to the people by 2030.

The Four Priorities for Action

Priority 1. Understanding disaster risk

Disaster risk management should be based on an understanding of disaster risk in all its dimensions of vulnerability, capacity, exposure of persons and assets, hazard characteristics and the environment. Such knowledge can be used for risk assessment, prevention, mitigation, preparedness and response.

Priority 2. Strengthening disaster risk governance to manage disaster risk

Disaster risk governance at the national, regional and global levels is very important for prevention, mitigation, preparedness, response, recovery, and rehabilitation. It fosters collaboration and partnership.

Priority 3. Investing in disaster risk reduction for resilience

Public and private investment in disaster risk prevention and reduction through structural and non-structural measures are essential to enhance the economic, social, health and cultural resilience of persons, communities, countries and their assets, as well as the environment.

Priority 4. Enhancing disaster preparedness for effective response and to "Build Back Better" in recovery, rehabilitation and reconstruction

The growth of disaster risk means there is a need to strengthen disaster preparedness for response, take action in anticipation of events, and ensure capacities are in place for effective response and recovery at all levels. The recovery, rehabilitation and reconstruction phase is a critical opportunity to build back better, including through integrating disaster risk reduction into development measures.

- *Stakeholders and their responsibilities*

The District Disaster Management Authority, All the Revenue Officials from District to Revenue Circle of Revenue and Disaster Management Department, and the District Emergency Operation Centre, Sudargarh (Emergency Section) district are the major stakeholder that deal with all the phases of disaster management. All the line departments of the district, the district administration, International Agencies, other technical institutions, Panchayati Raj Institutions of the district, Urban Local Bodies, community at large and NGOs etc are the stakeholders of the district disaster management plan.

- *Plan for review and updating: Periodicity]*

Under the DM Act 2005, it is mandatory on the part of District Disaster Management Authority (DDMA) to adopt a continuous and integrated process of planning, organizing, coordinating and implementing measures which are necessary and expedient for prevention as well as mitigation of disasters. These processes are to be incorporated in the developmental plans of the different departments and preparedness to meet the disaster and relief, rescue and rehabilitation thereafter, so as to minimize the

loss to be suffered by the communities and are to be documented so that it is handy and accessible to the general public.

Section 31 of Disaster Management Act 2005 (DM Act) makes it mandatory to have a disaster management plan for every district. DDMP shall include Hazard Vulnerability Capacity and Risk Assessment (HVCRA), prevention, mitigation, preparedness measures, response plan and procedures.

1.1 Aims and Objectives of the DDMP:

An indicative list with possible plan objectives is given below:

i. To identify the areas vulnerable to major types of the hazards in the district.
ii. To adopt proactive measures at district level by all the govt. departments to prevent disaster and mitigate its effects.
iii. To define and assign the different tasks and responsibilities to stakeholders during the pre-disaster and post-disaster phases of the disaster.
iv. To enhance disaster resilience of the people in the district by way of capacity building.
v. Reduce the loss of public and private property, especially critical facilities and infrastructure, through proper planning.
vi. Manage future development to mitigate the effect of natural hazards in the district.
viii. To develop the standardized mechanism to respond to disaster situation to manage the disaster efficiently.
x. To prepare a response plan based upon the guidelines issued in the State Disaster Management Plan so as to provide prompt relief, rescue and search support in the disaster affected areas.
xi. To adopt disaster resilient construction mechanism in the district by way of using Information, Education and Communication for making the community aware of the need of disaster resilient future development.
xii. To make the use of media in disaster management.
xiii. Rehabilitation plan of the affected people and reconstruction measures to be taken by different govt. departments at district level and local authority.

The District Disaster Management Plan (DDMP) is the guide for achieving the objective i.e. mitigation, preparedness, response and recovery. This Plan needs to be prepared to respond to disasters with sense of urgency in a planned way to minimize human, property and environmental loss.

1.2 Preparation and Approval of DDMP:

As defined in Section 30 of DM Act 2005, DDMA shall act as the district planning; coordinating and implementing body for disaster management and take all measures for the purpose of disaster management in the district in accordance with the guidelines laid down by the National Authority and the State Authority.

The District Collector will discuss the modalities and seek views for preparation of a holistic plan in the meeting of the DDMA should be held in the month of December and to prepare and update the plan by the end of February every year.

After finalisation the District Authority shall send a copy of the District DM plan to the Odisha State Disaster Management Authority (OSDMA) for approval.

The District Disaster Management Plan should be reviewed and updated annually.

1.3 Evolution of DDMP in brief: Evolution, Procedure and Methodology to be followed for preparation of DDMP

[This section should include the procedure and methodology for preparation of the District DM plan

- *Identification of all important stakeholders and initiation meeting and orientation of all concerned.*

The Disaster Management Act 2005 Section 31 lays down about the Disaster Management Plan of the District.

Section:-

1. There shall be a plan for every district of the state.
2. The district plan shall be prepared by the District Authority and approved by the State Authority.
3. Contents of District Plan
    a. Vulnerability
    b. Measures to be taken for prevention and mitigation of disaster
    c. Capacity building and preparedness measures required to be taken by dept. Of govt.
    d. Response plan in the event of disaster- allocation of responsibilities, prompt response to disaster and relief, procurement of essential resources, establishment of communication links, and dissemination of information to public.
4. The District plan should be review and up dated annually.

- *Formation of team (s)*
- *hazard, vulnerability and risk assessment in the district*
- *plan preparation – writing and review and finalisation]*

In pursuance to the above provision and direction in the Disaster Management Act 2005, the District Administration, Sundargarh has decided to formulate a plan which focus on to reduce sustainably the disaster risk of this multi disaster prone district of Sundargarh to minimize the loss of life, property and livelihood during and after any disaster with proper plan to identify all common elements of response. This acts as a base plan or a generic / modular plan for all response activities. It provides a frame work around which other agencies and departments can outline their own activities for disaster response.

The District Disaster Management Plan (DDMP) has been envisaged as a preparedness plan whereby the receipts of a signal of an impending disaster would simultaneously energies and activate the mechanism for response and mitigation without loss of crucial time. This would be entailing all the participating managers to know in advance the task assigned to them and the manner of response. Identification of available resources including man power, materials, equipments and adequate delegation of financial and administrative powers are prerequisites for successful operation of the DDMP.

STRATEGY

Preparation of a Disaster Preparedness Plan involves the following steps:

Steps	**What is to be done**	Who are to be involved	**Methodology**
I	Review and Analysis	**Collector, ADM, Emergency Officer, BDOs, Tahasildars PRI Members, NGOs/CBOs, Community/Village level workers**	▪ Past history of disasters to be discussed and documented ▪ Extent of severity and damage to be recorded ▪ The nature of the Warning issued to be analyzed The nature and extent of the rescue and restoration done, to be revisited
II	Situation Analysis	BDOs, Tahasildars Village community, NGOs/CBOs, Community/Village level workers	▪ Mapping the geography and topography of the risk prone areas, block-wise, GP-wise and village-wise ▪ Demographic details to be recorded ▪ Mapping of the habitation in the concerned areas ▪ The natural resources to be marked on the maps ▪ Listing all the livelihoods and properties ▪ The existing risk prone/ safe infrastructure to be marked on the map
III	Hazard Analysis	BDOs, Tahasildars Village community, NGOs/CBOs, Community/Village level	▪ Identification of all possible hazards in the area based on past experience and available records ▪ Identification of the most vulnerable areas with relation to

		workers	threat to life, livelihoods and property
IV	Vulnerability Assessment	BDOs, Tahasildars Village community, NGOs/CBOs, Community/Village level workers	▪ Locations of the vulnerable areas are to be mapped separately ▪ Identification of the vulnerable people such as, the elderly, the disabled, children and pregnant women, families living in thatched houses, fishermen at sea (if any), ailing people, etc. ▪ Identification of property or assets which are likely to be affected, such as, cattle and other livestock, kachcha houses, weak structures, pump sets, tube wells and other installations, crops, horticulture and plantations, boats, nets, etc. ▪ Identification of weak points on embankments (if any) ▪ Marking the drainage system in the concerned area
V	Opportunity Analysis	BDOs, Tahasildars Village community, NGOs/CBOs, Community/Village level workers	▪ Identification of the existing resources which may help to reduce risks to life and property ▪ Identification of the safe houses and buildings for shelter and storage ▪ Listing the existing flood/hazard prone shelters, if any ▪ Identification of the elevated and up-lands which can act as natural barriers to protect livestock ▪ Listing of the existing health and sanitation facilities ▪ Identification of safe routes for evacuation ▪ Identification of the sources of funds to carry out the preparedness activities

PROCEDURE ADOPTED FOR DDMP.

For the preparation of DDMP as per the decision taken by the Chief Executive Officer cum Additional District Magistrate of DDMA, Sundargarh vide letter no. 685/dt.27/04/2019 and 981dt.03-06-19 of DEOC for collection of different data from all line departments along with format with official letter is sent and the decision taken in the DLCNC mmeting held on dt.01/05/2019, required data has been collected. The first preparatory meeting on preparation of DDMP 2019 at district level is already held simultaneously with the DLCNC meeting dated 01-05-2019. Those who have not submitted the data till 01-05-2019 were instructed by Chirperson cum Collector and District Magistrate to submit required information as early as possible

Finally after inclusion of suggestion and collection of data again Draft is placed before Chairperson for approval and signature.

1.4 Stakeholders and their responsibilities

- At the District level, District Disaster Management Authority, with the District Collector designated as the Response Officer (RO), and other line departments at district HQ are responsible to deal with all phases of disaster management within district.
- Other technical institutions, community at large, local self-governments, NGOs etc. are also stakeholders of the District Disaster Management Plan.

[The role of the stakeholders to be defined clearly with the sole objective of making the concerned organizations understands their duties and responsibilities regarding disaster management at all levels and accomplishing them.]

The District Collector has the following duties:

i. To facilitate and coordinate with local Government bodies to ensure that pre and post disaster management activities in the district are carried out.

ii. To assist community training, awareness programmes and the installation of emergency facilities with the support of local administration, non-governmental organizations and the private sector.

iii. To function as a leader of the team and take appropriate actions to smoothen the response and relief activities to minimize the adverse impact of disaster.

iv. To recommend the Special Relief Commissioner and State Government for declaration of disaster.

Local Authorities have the following duties:

i. To provide assistance to the District Collector in disaster management activities.

ii. To ensure training of its officers and employees and maintenance of resources so as to be readily available for use, in the event of a disaster.

iii. To undertake capacity building measures and awareness and sensitization of the community

iv. To ensure that all construction projects under it conform to the standards and specifications laid down.

v. Each department of the Government in a district shall prepare a disaster management plan for the district. The local authorities need to ensure that relief, rehabilitation and reconstruction activities in the affected area, within the district, are carried out.

vi. Trust / Organisations managing Places of Worships & Congregation

a. Each establishment / organisation identified as ―critical infrastructure and key resource,

b. Including places of congregation in a district shall prepare ―on-site‖ and ―off-site

c. Disaster management plan. Carry out mitigation, response, relief, rehabilitation and

d. Reconstruction activities.

Private Sector:

i. The private sector should be encouraged to ensure their active participation in the pre-disaster activities in alignment with the overall plan developed by the DDMA or the Collector.

ii. They should adhere to the relevant rules regarding prevention of disasters, as may be stipulated by relevant local authorities.

iii. As a part of CSR, undertake DISASTER RISK REDUCTION projects in consultation with district collector for enhancing district's resilience.

Community Groups and Volunteer Agencies:

i. Local community groups and voluntary agencies including NGOs normally help in prevention and mitigation activities under the overall direction and supervision of the DDMA or the Collector.

ii. They should be encouraged to participate in all training activities as may be organized and should familiarise themselves with their role in disaster management.

Citizens:

It is the duty of every citizen to assist the District Collector or such other person entrusted with or engaged in disaster management whenever demanded generally for the purpose of disaster management.

1.5 Plan for review and updating: Periodicity

- Dissemination of the plan.

-Revise and Maintain - Planning teams should establish a process for reviewing and revising the plan. Reviews should be a recurring activity. Review on an annual basis is considered minimum. It should be mandatory to consider reviewing and updating the plan after the following events:

i. A major incident.

ii. A change in operational resources (e.g., policy, personnel, organizational structures, Management processes, facilities, equipment).

iii. A formal update of planning guidance or standards.

iv. Major exercises.

v. A change in the district's demographics or hazard or threat profile.

vi. The enactment of new or amended laws or ordinances.

The responsibility for the coordination of the development and revision of the basic plan, annexes, appendices and implementing instructions must be assigned to the appropriate person(s).

It is recommended that a DDMP be internally reviewed on a yearly basis and either be updated or reaffirmed. The updates or reaffirmed document may also be used to summarize the accomplishments of the past year and help the administration to prioritize mitigation goals for the next year.

****

RESPONSIBILITIES OF THE COLLECTOR, ADM, DEO, SP, CDMO, CDVO, DAO AND OTHER LINE DEPARTMENTS

1. Roles and Responsibilities of the Collector and District Magistrate

PHASE	*ACTIVITIES*
Pre-Disaster	**Preparedness Before the Disaster:** ▪ Reviewing and analyzing the calamity situation in the district over the next one-year through a meeting at the District level involving all the departments of the district as well as block levels and the locally active NGOs ▪ Identifying and mapping of disaster prone zones and strategies to stay prepared for the worst. ▪ Ensure proper extension of the disaster preparedness techniques for drought, heat wave, flash flood, epidemics by the concerned department. ▪ Ensure IEC through Emergency section/BDO's /Tahasildars/NGO's /AW centers /Street plays/ Workshops / Wallings. ▪ Reviewing the DECO and making it functional as per Standard Operating Procedure (SOP) fixed by him (SOP to be prepared earlier) ▪ Making the DCR well equipped and depute senior officers from time to time to review the receipt of information and dissemination. ▪ Calling a meeting for NGO co-ordination cell. And discuss issues such as Capacity assessment of different NGOs and ask them to adopt certain vulnerable areas to avoid overlapping and duplicity. ▪ Preparing a checklist (containing the dos and don'ts) and pass that on to the NGOs ▪ Ensuring/installing communication system to the inaccessible villages. ▪ Ensuring proper functioning of warning systems & communication systems. ▪ Checking stock of the Public distribution system/ICDS and arrangement of the temporary Godowns. ▪ Checking the Resources with other department such as Police, Fire, Civil Defense and of NSS/NCC/NYKS. ▪ Preparing a list Power Boats already deployed and/or to be deployed on hire during crisis. ▪ Assigning specific duties to different officers/Sr. Officers at Headquarters and staying in constant touch with them. ▪ Ensuring Mock drill of the rescue and relief teams. ▪ Preparing a map showing the location of temporary shelter camps at high elevation with accessibility ▪ Ensuring formation of Block, GP and village level Disaster Management Committee through Block Development officers.

During Disaster	Dissemination of Warning**:** ▪ Receiving Warning from reliable sources and crosschecking them for authenticity. ▪ Disseminating warning to District level officials /Revenue field functionaries /PRIs & coordination with the Revenue control room ▪ Keeping the Control Room active round the clock. ▪ Distributing duties to the District level officials, Sub-collectors, Tahasildars and BDOs. ▪ Arranging vehicles and public address systems for information dissemination. ▪ Establishing coordination with the NGOs and other Civil Society Organisations and assigning them duties. ▪ Asking the people in the vulnerable areas to move to the shelters and to move their domesticated animals to safer places and to cooperate with the volunteers and other officials engaged in similar activities ***Flash Flood & Epidemics*** ▪ To co-ordinate with Civil defense, NGOs/CBOs. Police/ Fire Brigade for support during Flash Flood ▪ Arrangement & Deployment of boats/vehicles etc. for evacuation of people from low lying and marooned areas and administer emergent relief. ▪ Deployment of police for maintaining discipline and peace keeping during evacuation, relief distribution etc. ▪ Keeping a record of the affected area and people so as to account for the relief materials needed. ▪ Procurement and transportation of relief materials to affected areas ▪ Arrangement of free kitchen in the shelter camps & affected areas and assigning the responsibilities to officials for proper distribution with coordination from NGOs/CBOs ▪ Distribution of basic medicines and disinfectants to prevent epidemic and ensuring Health care activities by the CDMO in the shelter camps & through mobile Units/Temporary Health in regular intervals ▪ CDVO through Mobile units/Temporary Health camps in the affected areas ▪ Ensuring that there is enough storage of food and pure water in the shelters. ▪ Monitoring all the activities in the affected areas. **Drought & Heat Wave:** • Organizing urgent meeting with key line departments to review the heat wave & drought like situation and the initiatives taken by the department to combat the situation • Instruct the Labour department to issue circulars to all the departments that are implementing labour intensive work for changing the working time and making provision of drinking water at the work site. • Coordinate with the RWSS department to prepare its contingency plan to reduce the drinking water crisis during heat wave and drought situation

Post-Disaster	• Monitor the activities of Blocks, GPs,NGOs etc • Meeting with the Irrigation, MIP, LI, Watershed department to assess the current water availability and the crop area likely to be saved • Coordinate with the Agriculture/Horticulture department for timely supply of seeds/ seedlings of suitable variety. • Monitoring and Supervision of the different Food and Social security schemes of the Govt. to check whether it is reaching the target group or not. • Providing employment opportunity to the most vulnerable group by initiating FFW/CFW work. **Short-term Measures:** ▪ Formation of special task force with required equipments. ▪ Assigning responsibilities for specific areas. ▪ Damage Assessment ▪ Temporary supply of food, drinking water and medicines to the shelters and affected areas ▪ Arrangement for safe shelter for animals. ▪ Providing temporary arrangements for income generation for the affected people ▪ Drought resistance short duration paddy seeds to be made available to farmers. ▪ Encouraging NGOs/INGOs from outside to carry out restoration and reconstruction works ▪ Ensuring crop insurance ▪ Supervising all the activities **Long Term Measures** ▪ Immediate restoration of Road communication, Irrigation system, Educational institutions, Govt. Institutions, Electrical installation, Drinking water supply, Construction of IAY houses for the BPL families ▪ Breach Closure and other Embankment Strengthening activities ▪ Planning for holistic approach of drought mitigation through Watershed and Watershed plus intervention ▪ Planning for increasing the irrigation potential of the district through the construction of more Medium and Minor Irrigation Project. ▪ Meeting with district level officials /Officials at Head quarter and chalk out emergency plan with vulnerable areas and resource list ▪ Co-ordination meeting of NGOs /PRIs. &Assignment of duties.

2. Roles and responsibilities of the Additional District Magistrate (A.D.M)

PHASE	ACTIVITIES

Pre -Disaster	• **Playing a second fiddle to the Collector in all aspects** • **Ensuring proper dissemination of warning both downward and upward level improper interval of timing.** • **Ensuring proper functioning of Control room** • **Deployment of Office in charges of Collectorate in control room round the clock basis.**
During Disaster	▪ Arrangement of Vehicles ▪ Keeping the Police and Fire Personnel ready ▪ Keeping staffs at the DCR ready ▪ Deployment of additional staff if necessary ▪ **Proper allocation of relief materials to the affected areas** ▪ Allocation of officials for proper distribution of relief materials ▪ Supervision of relief distribution
Post-Disaster	▪ Keeping liaison with all line departments ▪ Restoration of roads, transport and communication systems ▪ Collection of progress report on restoration and reporting to the Govt/SRC/RDC ▪ Periodical visits to the affected areas to supervise the restoration works ▪ Procuring the list of the affected people and property from the BDOs/Tahasildars ▪ Preparing a comprehensive damage report ▪ Allotment of relief materials/financial assistance ▪ Monitoring to make sure that everything is at its place ▪ Coordination with line departments and civil society organizations ▪ Supervision of restoration activities under taken by different voluntary agencies.

The primary objective of the Authority is to have proper coordination among all the line departments. The Collector is the District Disaster Manager of the DDMA and the district level response is coordinated under her guidance. The District Disaster Management Authority exists to assist the Collector in

- Reviewing the threats of disaster
- Analyzing the vulnerability of the district to such disasters
- Evaluating the preparedness strategies of different department
- Close monitoring of the response measures
- Considering suggestions for the improvement of the District Disaster Management Plan and to link with the normal development plan

3. Roles and Responsibilities of the CDMO

PHASE	**ACTIVITIES**
Pre-Disaster	Preparedness and Warning Dissemination: ▪ Preparedness plan of disaster for deployment of staff and assess the capacity of skill staff for meeting the disaster situation.

	▪ Take Stock of Life saving drugs/ORS packets/Halogen tablets on receipt of warning from the Collector/DCR ▪ Transmission of messages to all PHCs to stock medicines and keep the medical staff ready ▪ Disease surveillance and transmission of reports to the higher authorities on a daily basis. ▪ Vaccination in Rural Areas ▪ To obtain and transmit information on natural calamities from the DCR ▪ Advance inoculation programme in the flood/drought or hazard prone areas. ▪ Ensuring distribution of areas of operation among the mobile team. ▪ Pre-distribution of basic medicines to the people who are likely to be affected ▪ Shifting the patients who are in critical situation to the District Hospital ▪ Awareness messages to stop the outbreak of epidemics ▪ Conducting mock drill ▪ Keeping sufficient number of Anti Venom Injection to deal with snakebite victim. Information to be share with all.
During Disaster	▪ Depute staff to DEOC to monitor the situation for deployment of medical team. ▪ Constitute mobile teams and visit the worst affected areas. ▪ Dissemination of information about life in risk, material required and material to be ready for future. ▪ Dis-infection of Dressing Pad which may continue or 3 to 5 days. ▪ Sufficient stock of ORS/ chlorine tablet/ bleaching powder/ etc. ▪ Dis-infection of Drinking water sources. ▪ Opening of site camps ▪ Making arrangement for operation ▪ Making special arrangement for pregnant woman ▪ Keep ready the Generator set ▪ Regular Health Check up at Shelter camp/Hazard prone shelter & affected areas ▪ Assigning responsibilities to the ADMOs/ SDMOs for close monitoring of Health camps. ▪ Making emergency ward ready for serious patient coming by Ambulance ▪ Take steps for security of camp and staffs- deployment of police near relief camp ▪ Opening of helpline for information dissemination

Post-Disaster	Restoration and Rehabilitation ▪ Organization of Health Camps, ▪ Opening of mobile camp in case of need in affected area ▪ Deploying mobile fully equipped and manned Medical vans ▪ Close monitoring of Health camps. ▪ Ensuring adequate quantities of medicine/disinfectants ▪ Making sure that there is no out break of water borne diseases/Malnutrition ▪ Take steps for checking of spreading of epidemic ▪ Take necessary steps and take the help of other dept for clearing of waste material and debris. ▪ Co-ordination with the District Rehabilitation Committees, other line departments, NGOs /ICDS projects, village committee, PHD, RWSS, etc.

4. Roles and Responsibilities of the SP

PHASE	ACTIVITIES
Pre-Disaster	**Preparedness** • Capacity building of staff on disaster management • Conducing mock drill to check the readiness • Identification of shelter in affected areas, vulnerable village list, making pre plan for security arrangement at hospital and chc center. **Dissemination of Warning** ▪ Reception of Warning from the DCR ▪ Communication establishment with District and PS Control rooms and departmental offices within the division. ▪ Alerting the APR force for deployment at the time of calamity ▪ To issue directive to police field functionaries to co-operate with Revenue Personnel in management of Relief operation. ▪ Training of staff on Search and Rescue ▪ Keep coordination with ODRAF, Home Guard and Fire ▪ Checking all communication network ▪ Keep ready all Vehicle for moving of police personnel ▪ Call emergency meeting at Control Room
During Disaster	Rescue and Evacuation: ▪ If necessary cancel leave of all st ▪ Change Traffic rout for safety travel of people. ▪ Clearance of roads and other means of transportation ▪ Traffic management and patrolling of all highways and other access roads to disaster sites ▪ Making sure that discipline is maintained ▪ Assistance to district authorities for taking necessary action against hoarders, black marketers and those found manipulating relief material ▪ Co-ordination with fire personnel.

	▪ Provision of security in transit camps/feeding centers/relief camps/cattle camps/cooperative food stores and distribution centers ▪ Safe guarding of belongings of evacuee ▪ Making arrangement for Post Mortem Report preparation and documentation work ▪ Opening of help line Distribution of Relief: ▪ Maintaining laws and order at the Shelters and the relief camps ▪ Coordination with military service personnel in the area ▪ Deploying officers/ police personnel to record death cases ▪ Assisting the community in organizing emergency transport ▪ Assisting the District officials/NGOs in distribution of relief materials. ▪ Providing escorts in transit of relief materials to the relief camps/affected areas.
Post-Disaster	▪ FIR of the disasters, the damages and the death cases. ▪ Assisting in collection of damage statistics of private properties . ▪ Maintaining law and order ▪ Close Coordination with district administration and local/external NGOs in reconstruction and rehabilitation process ▪ Assisting the District authority whenever the need arises ▪ Periodical visits to the affected areas to ensure law and order

5. Roles and Responsibilities of the District Emergency Officer

PHASE	ACTIVITIES
Pre-Disaster	▪ Making sure that everything stays at place in the control room. ▪ Seeing to it that the DDMP and the contingency plan for flood/hazard prone reach all the line departments. ▪ Receiving the Warning from SRC/OSDMA and crosschecking them with IMD and in websites for authenticity ▪ Disseminating the warning to the block/Tahasil offices and asking them to disseminate further to reach each and every household. ▪ Deploying the staff of the control room for round the clock alertness. ▪ Making sure that all the shelters receive enough water and food stocks in advance ▪ Establishing contact with all the line depts. Over phone, email, wireless, sat phone and VHF ▪ Procuring all the required resources from all the possible sources. ▪ Regularly updating the information received from the blocks
During-Disaster	▪ Coordinating with all the line departments for rescue and evacuation. ▪ Checking the stocks with the DCR and asking for more if needed. ▪ Distributing the relief materials to all the places. ▪ Checking every bit of receipt and dispatch of relief items ▪ Establishing round the clock contact with all the depts., BDOs and Tahasildars and with the shelters.
Post-Disaster	▪ Receiving the list of beneficiaries from different Tahasils/blocks and GPs ▪ Crosschecking the list of beneficiaries to avoid fabrication

6. Roles and Responsibilities of the BDOs and Tahasildars

PHASE	**ACTIVITIES**
Pre Disaster	Preparedness: ▪ Providing authentic information required by the District Emergency Operation Center. ▪ Preparing a record of previous disasters in the locality and analyzing the effects ▪ Preparing hazard maps of the Block./Tahasil & the GPs in minute details ▪ Mapping the cut off areas with alternate route map. ▪ Identification of shelter places in the maps ▪ Keeping a List of storage Points & facilities available, dealers of foodstuffs. ▪ Keeping a list of vulnerable people and area and weak points on embankments (if applicable) ▪ Creating a Control Room at the respective level and assignment of duties to the staff. ▪ Pre-positioning of staff for site operation centers. ▪ Uninterrupted communication with the District Emergency Operation Center. ▪ Arrangement of alternative communication/generator sets, etc ▪ Formation of GP/village level disaster committees and task forces ▪ Arrangement of boats on hire available locally. ▪ Deployment of Boat in the most vulnerable areas. ▪ Organizing awareness camps at GP/village levels Dissemination of Warning: ▪ Crosschecking with the DCR for the authenticity of the warnings ▪ Arrangement or requisition of Jeeps/Trekkers/ Auto Rickshaw to disseminate received warning information's to the population of vulnerable / weak places ▪ Dissemination of warning/ coordination with District control room. ▪ Warning the people about probable affected areas ▪ Mobilizing the people to leave for identified shelters with their domestic animals and personnel belongings.
During Disasters	Rescue and Evacuation: ▪ Deployment of Police/Fire Brigade for search and rescue. ▪ Co-ordination with civil defense/NCC/NSS/ ODRAF for rescue operation. ▪ Ensuring availability of rescue materials. ▪ Guiding the evacuees in the identified shelter places and arranging all common needs for them. ▪ Provision of rescue kits. ▪ Clearance of roads and water logging for restoring communication to affected GPs/Villages. ▪ Assisting the District Team in every possible ways ▪ Coordinating with the NGOs/CBOs for rescue work ▪ Mobilizing the local youth to help the rescue team

	Distribution of Relief: ▪ Keeping the record of everything at the shelters ▪ Arrangement of free kitchen in the shelter camps./worst affected areas. ▪ Deploying staff for proper distribution of relief materials ▪ Arrangement of communication system in the worst cut off areas. ▪ Ensuring supply of safe drinking water & health facilities in the effected areas/shelter camps. ▪ Coordination with NGOs/Other voluntary organizations
Post-Disaster	Restoration and Reconstruction: ▪ Collection of damage statistics of PR department properties /ICDS/school buildings etc. ▪ Ensuring just distribution of HB grants and other financial assistance ▪ Provision of temporary income generation activities for the worst affected people ▪ Supervision of Relief operation and restoration work in the affected areas. ▪ Restoring the transportation and educational institutions on high priority ▪ Helping the local economic activities to come back to normalcy ▪ Provision of grants/loans for the local traders and shop-keepers ▪ Keeping liaison with District administration and other line departments ▪ Ensuring coordination with the RI and G.P/Village committee. ▪ .Co-ordination with NGOs/Civil society organization etc.

7. Responsibilities of other Line Departments:

DESIGNATION OF THE OFFICER	DUTIES TO BE PERFORMED IN NORMAL TIME.
Asst. Engineer, Electrical (WESCO)	• He should see that the field staff checks the electrical line and replace old materials used in the power supply. • He should see that all had wiring in service connections are rectified. • He should enumerate the diesel sale available and his jurisdiction and keep it available. • He should see that the report regarding hazard prone warning should be reported to other subordinate offices. • He should see that trees, branches etc. fall on electrical lines are out and removed. • The field staff should see that electrical supply in the places where hazard prone may be serve is cut off. • The field staff should be in touch with local Tahasildars and inform the situation at frequent intervals. • To provide Diesel generators to hospital water works. Control Room Collector's office in case of failure of powers.
Executive Engineer Irrigation.	• The branches to canal drain bandha to be closed. • The Embankments should be check and strengthened. • It should be checked whether the passage bridge and channels are in good condition.

	• The obstruction in the canals if any should be got removed immediately to be enabling free flow of water. • The bocks and shutters of the canals are to be checked and satisfied that they are in good condition. • The instruments and materials etc. required attending to immediate repairs breach of closures etc. should be stacked at places where they may be required locating such places early. • Navigation in the canal should be stopped. • Water supply in to canals should be out off by closing the sluices. • The canals and drains should be free from constructing and they should be made available for free discharge of drain water.
Fire officers	• The Fire Engineers should alert and other vehicles should be kept in good working condition. • Materials required for use in emergency should be indented for and kept in reserve • Message received from public on disaster for help should be immediately attended. • Keep in touch with each of the other fire stations in the district.
Executive Engineer, R&B	• Govt. buildings should be inspected and necessary repairs to be got executed to withstanding hazards affected. • Script for slides, pamphlets, and cultural programmers should be got prepared immediately. • Arrangements should be made to obtain poster and films by addressing the Director through the Collectors. • Public addresses equipment should be obtained kept ready. • The community Radio sets available in the coastal villages should be ascertained • The names of Hamlets where they are not available to be reported. • The public should be fully educated regarding the precautionary measures & after hazard prone through available media. • Specific duties should be assigned to the field staff. • The field staff should proceed to the place of work allotted and be ready to attend to hazard prone duty.
Regional Transport Officer **Motor Vehicle Inspector** **Divisional Manager Tel.**	• List of vehicles running condition to be requisitioned kept ready. • The MVI/Asst. MVI will report before A.D.M. (Relief) • The Asst. Engineer & Jr. Engineers will remain alert. • Based on the experience on the previous hazard prone sufficient no. of trucks should be procured and kept in District head quarters. • To contact all Block Control Room and Collector's Office.

DAO	Pre- disaster • Prepare the contingency plan • Making coordination with Sub divisional and block level staff • Take precautionary measure to avoid any untoward situation • Take assess the condition of agricultural equipment • Take stock of fertiliser/ insecticide • Making advance requisition for seed/ fertiliser/ equipment • Planning for surveillance of pest attack and crop condition and role and responsibilities of officers to be fixed • Awareness of people about dept. Scheme and benefit-programme at different level for information sharing During – disaster • Calling emergency meeting • Cancellation of leave of staff • Make necessary arrangement for loss assessment of crop/ soil/ irrigation system etc. • Assessment of additional requirement of seed/ fertiliser/ insecticide and equipment • Giving support to extension officer Post – disaster • Coordinate with all dept. • Coordination with soil and water testing centre • Make arrangement for marketing of agricultural produce through MARKFED and lifting of paddy • Opening of Information centre • Information to farmers regarding availability of certified seeds and fertiliser. • Capacity building /Arrangement for taking loan to agricultural farmers
CDVO	Pre- Disaster • Prepared the contingency plan as per HVRC analysis. • Ensure the presence of all staff and if necessary cancel the leave of staff. • Capacity building of staff on disaster management • Prepare the list of water borne and other diseases which is cure through vaccination • For Animal Camp and Fodder Centre- give necessary help to revenue staff. • Make necessary arrangement of emergency kit and medicine for disaster situation • During – Disaster • Information dissemination to all staff and call for emergency meeting

	• Deploy of staff • Ready all the Surgical equipment • Identification of type of wound/ pain anand d amount of medicine require for curing these • Keep Ready -emergency Generator • Priority basis- vaccination of animal to be speed up • Vehicle should be keep ready with fuel Post – Disaster ❖ Organise Cattle Camp for vaccination and arrange water/food for camp. ❖ Liaison with forest department for fodder or businessmen to purchase livestock food. ❖ Cleaning of cowshed
Civil Supply	Pre • Preparation of Check list regarding stock • Staff to be deployed • Identification of flood prone areas • Identification of in accessible pocket • Identification of dealer/ wholesaler/ strockist • Strict watch on PDS distribution and stockist • List of petrol pump owner, Kerosene dealer and gas agency During • Call for emergency meeting • Information dissemination to all marketing inspector of Block • Check market and stockist position to avoid black marketing and unnatural scarcity of food products. • Deploy mobile van to give ration article • See the packaging and sanitation in the food cooking centre open for relief. • Take the help of Police for security of Godown and at distribution centre Post • Helpline for public • Take the help of SHG and Gram Panchayat for distribution of PDS • Make coordination with other department
Forest	Pre • Make Departmental Disaster Management Plan according to HVRC analysis • Identification of Fodder site, which can be opened during disaster period. • Collection of adequate amount of Wood for Dead body rites and Bamboo and Wood Pillar for temporary construction of Tent. • Plantation in massive scale During and Post • Call for a meeting to meet the emergency situation • Forest land should be developed into Fodder land – in case of urgency

	fodder from this land should provided • Forest product should be accessible to nearby villagers and villagers live inside the forest area. • Deploy more staff for security of forest area to check smuggler

****

Chapter-2

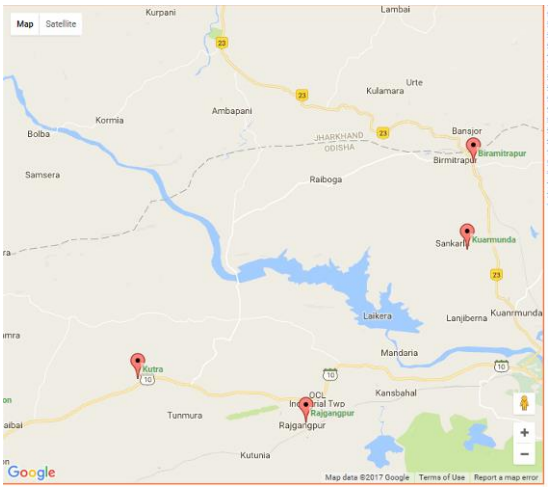

District Profile

History & Location:

Sundargarh District was constituted on the 1st January, 1948, out of the two ex–States of Gangpur and Bonai, which merged with Odisha on that day. **Sundergarh District** also spelled **Sundargarh District** (Odia: ସୁନ୍ଦରଗଡ଼ ଜିଲ୍ଲା) is a district in the northwestern part of Odisha state in eastern India. It is one of the 5th scheduled areas under constitution of India. True to its name, this beautiful District of Sundargarh with about 43 percent of its total area under forest cover and numerous colourful tribes dotting its landscape and with abundant mining potential and recognized as an industrial district in the map of Odisha. Steel Plant, Fertilizer Plant, Cement factory, Ferro Vanadium Plant, Machine building factory, Glass and china clay factory and Spinning mills are some of the major industries of this District. Sundargarh occupies a prominent position in the mineral map of Odisha and is rich in iron ore, limestone, manganese, dolomite, and fire clay. Major industries are the Odisha Cements ltd, Hart Fertilizers Ltd, and Odisha Industries Ltd. The industrial town of Rourkela in this District has the first government sector plant built with foreign collaboration and was the first in India to use LD oxygen technology.

Still, more than 50 percent of the people earn their livelihoods from agriculture and allied sectors. Sundargarh District is coming under the North Western Plateau Zone as per the agro climatic zone of Odisha. Soil group of the Sundargarh district is mixture of red and yellow soil. Out of the 3,13,000 hectares of cultivated land, 52 percent is upland, 30 percent is medium land and 18 percent is low land. As paddy is the main crop, 75 percent of the land is covered with paddy during Kharif. Due to limited irrigation facilities, 24 percent land is irrigated during Kharif and 8 percent of land is irrigated during Rabi.

Tourism:

Sundargarh District is one of the tourist attraction spots of Odisha. The District is visited by a large number of tourists round the year. Places like Rourkela, Vedavyasa, Manikmonda, Manindra dam, Ghogar, Khandadhar and Darjeeng are the important tourist spots of the district.

Location:

. Sundergarh district is bounded by Raigarh district of Chhattisgarh in the west, Jashpur district of Chhattisgarh in the North-West, Simdega district of Jharkhand in the North, West Singhbhum district of Jharkhand and Keonjhar district of Odisha in the east and Jharsuguda, Sambalpur, Deogarh and Angul districts of Odisha in the South. The town of Sundergarh is the district headquarters.

It lies between 83^0 32’ to $85^0$22’ East longitude *and between* 21^0 35’ to $22^0$32’ North latitude.

Administrative Setup:

The present administrative units of this district comprises 3 Sub-Divisions, 9 Tahasils, 17 Blocks, 4 Municipalities, 262 Gram Panchayats, 112 Revenue Circle and 1764 villages out of which 41 villages are uninhabited.

Three sub divisions namely 1.Panposh, 2.Sundargarh and 3.Bonai.

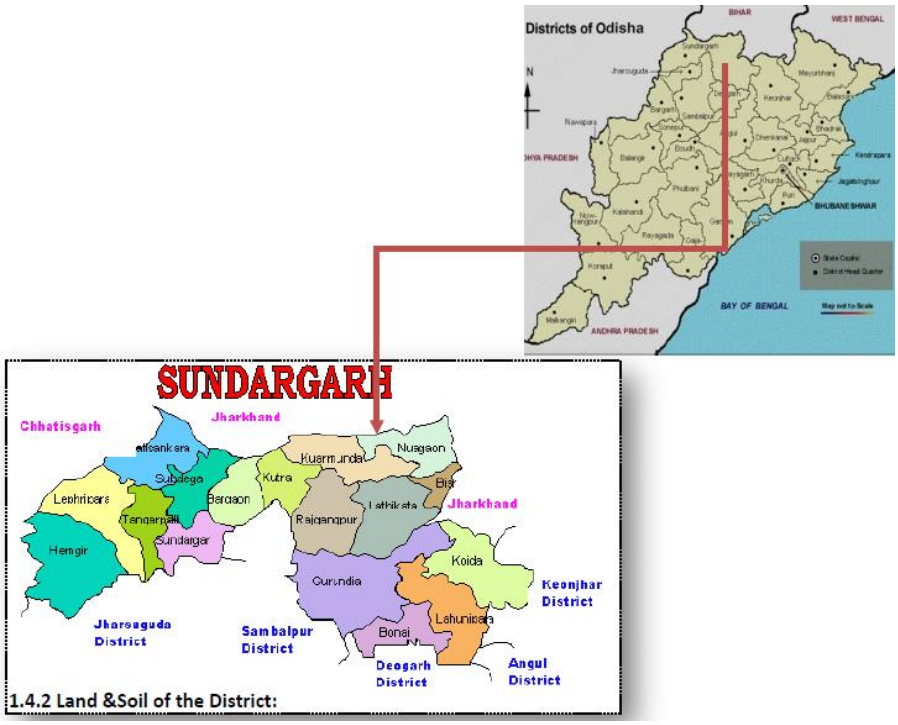

Four Municipalities namely Sundargarh, Rajgangpur, Rourkela and Biramitrapur.

Seventeen Blocks namely 1. Kuanramunda, 2. Nuagaon, 3. Bisra, 4. Lathikata, 5. Hemgiri, 6. Rajgangpur, 7. Lephripara, 8. Kutra, 9. Sundargarh, 10. Bargaon, 11. Subdega, 12. Balisankara, 13. Tangarpalli, 14. Lahunipada, 15. Koida, 16. Bonaigarh, 17. Gurundia

and 18 Tahasils, namely 1. Kuanramunda, 2. Nuagaon, 3. Bisra, 4. Lathikata, 5. Hemgiri, 6. Rajgangpur, 7. Lephripara, 8. Kutra, 9. Sundargarh, 10. Bargaon, 11. Subdega, 12. Balisankara, 13. Tangarpalli, 14. Lahunipada, 15. Koida, 16. Bonaigarh, 17. Gurundia, 18. Rourkela.

Climate & Rain fall:

The climate condition of the district is generally hot with high humidity during July to September and cold during December to January. The monsoon generally breaks during the month of June, Normal Rainfall of the district was 1422.4mm.

1.4.2 Land &Soil of the District:

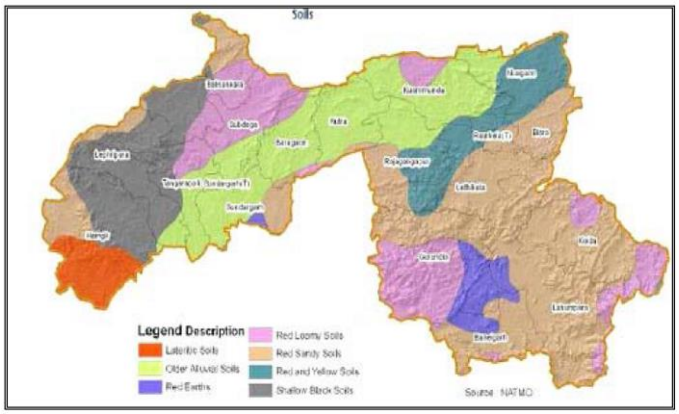

Geography:

The district is surrounded by the State of Jharkhand in the north and Chhattisgarh on the North West. The other boundaries of the district are bounded by Jharsuguda, Sambalpur and Deogarh districts on the South and Keonjhar & Angul district on the east. The district is located between 21035' N and 22032' N latitudes and 83032' E and 85022' E longitudes. The total geographical spread of the district is 9712 Sq. Km which is 6.23% of the total geographical area of the State and the second largest district in the state in terms of its geography. The total cultivable land of the district is 3.36 lakh hectares and the area used for non agriculture activity is 0.5 lakh hectares. The barren and pasture land of the district is 0.7 and 0.16 lakh hectares respectively. Geographically the district is not a compact unit and consists of widely dissimilar tracts of expansive and

fairly open country dotted with tree-clad isolated peaks, vast inaccessible forests, extensive river valleys and mountainous terrain. It is an undulating tableland of different elevations broken up by rugged hill ranges and cut-off by torrential hill streams and the rivers. Because of this undulating, hilly and sloping nature of landscape, the area is subject to rapid runoff leading to soil erosion.

Topography:

Geographically, the district is not a compact unit and consists of widely dissimilar tracts of expansive and fairly open, dotted with tree, clad isolated peaks, vast inaccessible forests, extensive river valleys and mountainous terrain. Broadly speaking, it is an undulating tableland of different elevations broken up by rugged hill ranges and cut up by torrential hill streams and the rivers ib and Brahmani. The general slope of the District is from north to south. Because of this undulating, hilly and sloping nature of landscape, the area is subjected to rapid runoff leading not only to soil erosion but also to scarcity of water for both agriculture and drinking purposes. Brahmani, Sankh, Koel and ib are the major rivers flowing though this District. Covering a geographical area of 9712 sq.kms, Sundargarh District is the second largest District of the state, accounting for 6.23 percent of its total area. Out of this total area, forests cover 4232.57 sq km, this being the second largest in the state, accounting for 8.53 percent of the state total. The general slope of the landscape is from North to South. The areas covered by the Sundargarh and Panposh Sub-Divisions are long undulation tracts of about 700 ft. (213 mt.) above sea level, dotted with hill ranges and isolated peaks of considerable height. The village Hemgir lies in the middle of a plateau of nearly 1150 ft (351 mt.) which is on the West of Sundargarh Sub-Division. To the North of Hemgir, the land is considerably hilly, while to the south it is relatively plain with a minimum elevation of nearly 700 ft.(216 mt.) near Chuanbahal village. The Bonaigarh Sub-Division is broadly an isolated hilly tract with an average elevation of about 800 ft (244 mt.) above the sea level. It is shut in all sides by rugged hills intersected by few passes or gorges which connect it with the surrounding areas.

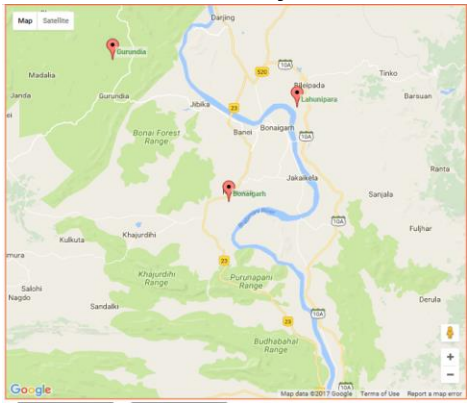

Thus, topographically, this district exhibits widely diversified tracts of mountainous regions inaccessible pockets or forest and extensive river valleys with her mysterious flora and fauna.

Figure 1- SOIL MAP

River System:

Brahmani, Sankh, Koel and ib are the major **rivers** flowing though this **District**.

The Brahmani is a major seasonal river in the Odisha state of Eastern India. The Brahmani is formed by the confluence of the Sankh and South Koel rivers, and flows through the districts of Sundargarh, Deogarh, Angul, Dhenkanal, Cuttack and Jajapur.[1] Together with the rivers Mahanadi and Baitarani, it forms a large delta before emptying into the Bay of Bengal at Dhamra. The Brahmani is formed by the confluence of the rivers South Koel and Sankh near the major industrial town of Rourkela at 22 15'N and 84 47' E. The Sankh has its origins near

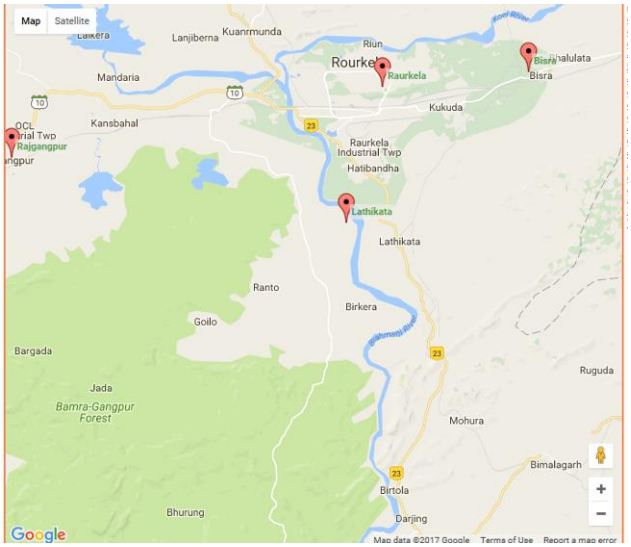

Brahmani River

the Jharkhand-Chhattisgarh border, not far from the Netarhat Plateau. The South Koel too arises in Jharkhand, near Lohardaga, on the other side of a watershed that also gives rise to the Damodar River. Both of these sources are in the Chota Nagpur Plateau. After assuming the name of Brahmani, the river crosses the Tamra and Jharbera forests, skirting along National Highway 23. It then passes the town of Bonaigarh in Sundargarh district before being dammed at Rengali in Debgarh district.

Sankh

The Sankh River flows across Jharkhand, Chhattisgarh and Odisha states in India. The river flows for 240 kilometres (150 mi) before it meets the Koel River in Odisha. The river starts 1,000 metres (3,300 ft) above sea level in Lupungpat village in Gumla district in Jharkhand and flows 67.5 kilometres (41.9 mi) in the state before entering Chhattisgarh. It runs a distance of about 50 kilometres (31 mi) in Chhattisgarh and enters Jharkhand again to flow for another 78 kilometres (48 mi). The river finally enters Odisha and travels another 45 kilometres (28 mi) before merging with the Koel. The South Koel enters Orissa and joins the Sankh River at Vedavyas near Rourkela from where it is called the Brahmani (22°14′45″N 84°47′02″E22.2458800°N 84.7837500°E).

Koel

South Koel River (Odia: ଦକ୍ଷିଣ କୋଏଲ ନଦୀ;) runs across Jharkhand and Odisha states in India. It originates on the Ranchi plateau a few miles east of Ranchi, and conjoins the Belsiangar and Singbhum Rivers. The Koel is fed by three streams in Jharkhand, namely the North Karo, South Karo and Koina. The South Koel enters Odisha and joins with Sankh River at Vedavyas near Rourkela from where it is named as Brahmani.

Sankh and Koel River

IB

IB River is a tributary of Mahanadi river in North-Eastern Central India. It joins Mahanadi river flowing directly into the Hirakud Reservoir. The river originates in hills near Pandrapet at an elevation of 762 metres (2,500 ft). It passes through Raigarh district and Jashpur district of Chhattisgarh and Jharsuguda and Sundargarh District of Odisha and finally meets Mahanadi at Hirakud Dam in the state .

IB river valley is famous for its rich coal belt, IB Valley Coalfield. Major portions of Mahanadi Coalfields are situated on the banks of IB. Many industries have flourished on the banks of the river IB. The IB valley areas are counted as one of the most important industrial zones of Eastern India. The river runs for a distance of about 252 kilometres (157 mi) and drains an area of 12,447 square kilometres (4,806 sq mi).

Demography:

According to the 2011 census the total population of the district was 20,93,437 which constitutes 4.99% of the total population of the State. The population spread is across 1764 villages and 4 urban areas. The ST and SC population of the district is approximately 50% and 9% respectively. Important tribes in this district are Munda, Kharia, Kisan, Bhuyan, Oram and Gond. The rural and urban population of this district is 13,55,340 and 7,38,097 (2011) respectively. The ratio of population of this district between rural and urban areas is 2:1. Urban settlements are fast increasing in this district and this district has a high percentage (35.26%) of people living in urban areas against a state average of 16.69%. The complete demographic profile including the scenario of the rural and urban population is given in the following tables.Diffrent religious groups are stay in this district. Out of all religions, Hindues are major part (78.21%) and very negligible are Budhist (0.01%).

According to the census 2011, percentage of district population to state population has increased from 4.97% to 4.99%. While in terms of geographical area, the district is ranked 2nd at the state level with the geographical area of 9712 sq km (6.24% of the state geography1), the district is ranked 6th at the state level in population parameter retaining its position of 2001. The decadal growth rate of district population marked declining during 2011 (-1.99) in comparison to 2001 status. From 1991 to 2001, the decadal population growth rate was 16.34% which declined to 14.35% during the period 2001 to 2011. One of the attributes of declining rate of population growth is out-migration of a sizeable population from the district for various purposes like labour and employment, education etc. Child population of the district in the age group of 0-6 years is 2,63,160 with a male child population of 1,35,204 (51.38% of the total child population) and female child population of 1,27,956 (48.62% of total child population). The proportion of child population to the total population of the district shows a declining trend when compared to the 2011 figure with 2001. The proportion of child population to the total district population during 2011 is 12.57 while during 2001, it was 14.47. In both male and female child category, the district records a reduction in proportion of children in the age group of 0-6 years. During 2001, the proportion of male child to the total population was 14.38% which have reduced to 12.74% during 2011. Similarly, proportion of female child to the population was 14.57 which declined drastically to 12.40 during 2011. Looking at the proportion figures of male & female child, during 2001, the situation was quite favourable for girl child with higher proportion to the population in comparison to male child. But during 2011, proportion of male child in comparison to female child to the population is in a favorable situation which has affected the sex ratio of the district at 0-6 age group.

CONTINGENCY PLAN ON FLOOD PREPAREDNESS - 2019

RWS&S Division, **Sundargarh** looks after the water supply programmes of rural areas in **Sundargarh** and **Rajgangpur** Sub-division .

Opening of control room – Control rooms will be opened at RWS&S Division office at **Sundargarh** as well as at block level and GP level for receiving complaints and taking necessary action for restoration of the drinking water supply systems.

Action Plan for Mansoon-2019

Preventive maintenance of existing sources – During the monsoon period, spot sources will be chlorinated in submerged areas. Immediate repair / disinfection of hand pump/PWS and shutdown PWS will be done for restoration of drinking water supply. Engagement of skilled labour for repair and maintenance of drinking water supply systems are being taken up as & when required.

Engagement of mobile van – Mobile vans @ 2nos. per block can be engaged during the monsoon period for repair and maintenance of spot sources, if required.

Procurement of spare parts and bleaching powder – Tube wells spare parts has been procured at Panchayat level for summer season, if required more spare parts will be procured for monsoon and bleaching powder will be procured before monsoon period.

To meet the above expenditure, a contingent plan has been prepared as follows:-

Sl no	Description of Items	Amount Required In Rs.
1	Spare parts for Tube wells 600 nos. @1000/- per each	6,00,000.00
2	Engagement of Mobile vans @ 2 nos per each block for approximate 107 days @ Rs. 1500/- per mobile van including fuel (From 15th June to 30th September).	28,89,000.00
3	Engagement of Water Tankers to provide drinking water in flood affected areas approximate 2nos. per each block for 45 days @ Rs.1200.00 per each tanker.	9,72,000.00
4	Engagement of additional man power of 2 nos per each mobile van to help the field staffs and SEMs for repair and maintenance for 107days @Rs.280.00 per day per labour.	10,78,560.00
5	Procurement of Bleaching powder for 10 MT @ Rs.20,000.00/ MT	2,00,000.00
6	Pouch Water 25000 nos @ Rs.1.50/each	37,500.00

Chandiposh	Kalunga	Kuarmunda
Tangarmunda	Bimlagarh	Sonakhan
Biramitrapur	Daghora	Lathikata

2.29. Hazard prone and Flood Shelters

Nil

2.30 .Rain gauge and Automatic Weather Stations

Rain gauge station are located in every 17 nos. Of Block headquarter, and

[Details are at Table No. of Volume II of the DDMP]

Chapter- 3

Hazard, Vulnerability and Risk Assessment

[A brief description of disasters that the district has faced during last 10 years and hazard vulnerability of the district to be mentioned in the first paragraph followed by tables mentioned below.]

Sundargarh district falls in Zone Ii of Odisha Seismic zoning that is , moderate risk zone. Sundargarh is also experiencing drought since 2001, 2015. Fifteen years ago Earthquake occurred in Sundargarh district with an intensity of 4.8 with depth of Epic Center in 33km. depth. This is at Bonaigarh–Talchir area,located along the EGMB – Singhbhum craton contact zone (fig.-3). An earthquake of magnitude ML 5.0 rocked Bonaigarh on Mar. 27, 1995 causing moderate damage in the area. Another earthquake of magnitude ML 4.8 occurred in the same area after about three months, on June 22, 1995. The area has experienced two or more earthquakes of ML 5.2 in the past, in 1958 and 1962, respectively. Alongwith Earthquake the district Sundargarh also face flood in the year 1971, 1994, 1997, 2001 as per Water Resource Department, Govt. of Odisha.

Further the district is also highly prone to Lightening, Heat Wave, Drowning and Snakebite, Hailstorm like natural and man made disaster . From 2001 the district is also experiencing Flood and in the year 2011 the district faces both flood and drought and again in 2017 in some villages of Kuarmunda and Bonai Flood occur due to back water of reservoir in Kuarmunda and due to heavy rain in Bonai Block.

Moreover the Ground water level is going down rapidly due to excessive use for irrigation especially in rain fed Sundargarh districts. Thousands of deep bore wells are being operated by well-off farmers and also by the Odisha Lift Irrigation Corporation (OLIC). The Rural Water Supply and Sanitation (RWSS) also operate piped water projects using tube wells and deep bore wells. Many water bodies have dried up and many have been built over.

Presently the district is progress on rapid mines and industrial development, so industrial hazard and fire related hazard cannot be avoided, for which necessary preparedness measure and awareness among the community is required. Degradation of natural forest is also one of the major factors behind heat wave in the district.

A. Major Disasters/ Incidents during 2006-2019

A brief profile of major disasters/ incidents occurred in the district during last12 years (2006 to 2018):

Lightning

Sl. No.	Year 2006 onwards	Name of the Block/ ULB	Identifiable incidents of lightning hit Areas.		No. fatality/ Deaths
			No. GPs	No. of Villages/ Wards

[Information to be given for previous 4 drought years and the relevant blocks are to be mentioned in the table. The detailed list of drought prone Villages is at Table No.3.3 Of Volume II of the DDMP]

2. Drinking Water Crisis:

Table No. 3.20:

Sl. No.	Name of the Block/ ULB	Villages/ Wards without proper source of drinking water		Villages/ Wards having crisis of drinking water during summer season		Fluoride Contamination		Others Arsenic/ Saline/ Iron If any
		No. of Villages/ Wards	Population	No. of Villages/ Wards	Population	No. of Villages/ Wards	Population	
1	nil	nil	nil	nil	nil	nil	nil	nil

[Block wise village list is at Table No. of Volume II of the DDMP]

Railway Line Exposed different Hazards:

**[*Note:* *Total length railway line, number of stations and movement of trains to be discussed first followed by the table]*

Table No. 3.21 -

Sl. No.	Hazard	Length of Railway line exposed(in Km.)	Location
1	Flood	**1.5 km bridge**	**Brahmani River- near Rourkela**
2	Land Slide		
3	Storm Surge		
4	Tsunami		

3. Road Accidents:

[For national and state highways only. The total network of state and national highways in the district to be discussed in detail followed by the table]

Table No- 3.22 :

Sl. No.	Stretch of Road (From - to)	Length in Kms.	No. of Traffic Congestion Areas	No. of Accident Prone Areas	No. of villages/ habitations adjacent to accident prone areas
1	Sundargarh to Jhaarsuguda	30 km	From by pass to jharsuguda Beheramal Chowk	10	Kerei, Kandabahal, Bedabahal, Musnikani, Kudurukela, Badabahal, Kainsara, Bhasma, Tangarpali Durlaga, Talapatia
2	Sundargarh to Rourkela	120 Km	From Sundargarh to Rourkela	20	Bargaon, Koida, , Kutra, Rajgangpur, Vedvyas Chowk, Saw Mill, Dalmia College, Ranibandh, Panposh Chaawk.
3	Sundargarh to MCL and tikilipada	50 KM	From Sundargarh to Tikilipada,	8	Ujalpur, Suruguda, Duduka, Malinga, Bakibahal,
4	Ujalpur to Darlipali	20 km	From ujalpur to darlipali	4	Sargipali, Laxanpur Chawk, Zinc Nagar,
5	Sundargarh Municipalities areas	10 KM	Sundargarh Town	6	From Hospital Chowk to Rangadhipa and Rangadhipa to Govt. Science College, Hospital Chowk to Sankara

4. Population Requiring Special Care:

Table No: 3.23-

Sl. No.	Block / ULB	No. of HHs headed by Women	No. of HHs headed by PWD	No. of Persons With Disability		No. of Widow	No. of Children		No. of Orphans		No. of Aged Persons (60 and above)		No. of Pregnant and lactating mothers
				M	F		0-6 Years	6-14 Years	M	F	M	F	
1	17	47714	22271	2939	11747	52523		8808	545	629	58142	58580	27305

[The table is the block wise abstract of population requiring special care. Village wise details are at Table No. 3.16 of Volume II of the DDMP]

3.24 . Child Labour under Risk:

Sl. No.	District	No. of child labour identified								
		Hazardous (H)			Non Hazardous (NH)			Total (H + NH)		
		M	F	T	M	F	T	M	F	T
1	Sundergarh	16	47	63	634	174	808	650	221	871

3.25 National Child Labour Project.

Sl. No.	Name of the N.C.L.P.	Registration No. of the Project Society	No. of schools sanctioned by Govt. of India	No. of Schools in operation	No. of Students enrolled presently	Total No. of children mainstreamed	Remarks
1	Sundargarh	5440-02/ 2006-07	40	34	1700	1517	
	Total Strength		**1030**	**814**	**39509**	**138083**	

5. Earthquake Vulnerability:

As per Earthquake Hazard Zoning Atlas-2016 issued by the National Disaster Management Authority (NDMA) and Building Materials and Technology Promotion Council (BMTPC).....

- The Sundargarh District is coming under Zone-II (low damage risk zone)/
- The total District is under Zone- III (Moderate damage risk zone)/
- 10% of the District is coming under Zone- III (Moderate damage risk zone)/
- Hemgir Blocks of the district is coming under Zone- III (Moderate damage risk zone) and the other are under Zone-II (low damage risk zone)/
- etc.

N.B. Earthquake Vulnerability Map is in Volume II

14.1 Identified Old and depleted Buildings in the District (if any)

Sl. No.	**Block/ ULB**	**No. of Vulnerable Buildings**	**Population at Risk** (inhabitants and the neighbouring)	**Remarks**
1	Sadar, Sundargarh and Sundargarh Municipality	Identified and Notice to 41 nos. Detail list is attach in Vol-II of DDMP.	Nil	Data furnish by Fire Officer, Sundargarh vide their letter no.1553/sng FS dt.22.05.2018. Survey still going on.
2	ULB- Rourkela	Not identified	Nil	Survey is still going on as per statement of Deputy Fire Officer, Rourkela, data not available.

[The list of the buildings to be given in Volume II]

6. Forest Fire:

6.1. Forest Fire Incidents:

Sl. No.	Name of the Division	Range	No. of Fire Incidents Reported during last-------- 5years 2013-14 to 2017-18	Area Affected in Ha.	Loss of life/ property if any
1	Sundargarh	Hemgir		130 ha	nil
		Gopalpur		120 ha	Nil
		Bargaon		69 ha	Nil
		Sundargarh		40 ha	Nil
		Lephripara		13 ha	Nil
2	Bonai	Barsuan, Bonai, Jarda, Koira, Kuliposh, Sole, Tamra	2625	2084.045 ha	Nil
3	Rourkela	Banki, Panposh, Kuarmunda, Rajgangpur	1226	1172.62 ha	Nil

6.2.Forest fire vulnerability:

Sl. No.	Name of the Division	Range	Area (in Sq. Km)	Total Notified Forest Area (in Sq. Km)	High Risk Zone (Area in Sq Km)	No. of Villages / habitations inside/ adjacent to the High Risk Zone	Medium Risk Zone (Area in Sq. Km)	No. of Villages / habitations inside/ adjacent to the Medium Risk Zone	Low Risk Zones (Area in Sq. Km)	No. of Villages / habitations inside/ adjacent to the Low Risk Zone
1	Sundargarh	Hemgir, Gopalpur, Bargaon, Lephripara, Ujalpur, Sundargarh			90 sq km	22 villages	42 sq km	8 villages	62.0078 sqkm	30 villages
2	Bonai	Barsuan, Bonai, Jarda, Koira, Kuliposh, Sole, Tamra	2934.21 sq km	2032.689 sq km	909.131 sq km	130 nos. villages	325.935 sq km	84 villages	204.927 sq km	77 villages
3	Rourkela	Rajgangpur, Kuarmunda, Panposh, Biramitrapur, Bisra, Banki	1081.23 sq km	674.6 sq km	448.258 sqkm	84 nos of villages	160.83 sq km	33 no of villages	86.	

N.B. The name of the vulnerable villages along with population details under different risk zones is in Volume II.

7. **Human Animal Conflict:**

i. Loss of Human Lives and Property due to animal attack- Sundargarh Division

Sl. No.	Year	Vulnerable Place (Village/ Panchayat etc.)	Causing Agent/Animal (Elephant, Bear, Crocodile etc.)	Number of Human Lives lost during last 5 years	Damage to House and Property during last 5 years	Crops Damaged
1	2013-14	Dalkijharan/ Aindriamunda/ Jharmunda/ Ujalpur/ Badkhaman/ Bargaon/ Jhulenbar/ Hemgir	Elephant	4	130	40.535
2	2014-15	Klurumkela/ Lephripara/ Gurabasa(Kusapada)/ Sadar Madhupur/ Rajpur/ Dalkijharan/Aindramunda	Elephant	2	255	108.576
3	2015-16	Kankerjora (kulapada)/ Kinjirkela/ Katangijharia/ Sankraposh/ Bargaon/ Hemgir/ Kurumkel/ Lephripara, Mahuljore/ Bhasma, Sikajore, Maubathan, Kinjrikela	Elephant	7	267	653.60
4	2016-17	Lahandabud, Salangabud, Udarama (Khairpada), Bargaon, Bhalugad, Bhasma, Amasdegi, Dharadihim Thuthipipal (Bichhutungri) Kinjrikela, Tiklipada (Barpani) Bargaon	Elephant	7	170	417.099
5	2017-18	Pamra/ Bargaon/ Deobhubanpur/ Kinjirkela	Elephant	8	464	528.96

ii. Loss of Animal Lives due to man-made causes- Sundargarh Division

Sl. No.	Vulnerable Place/ Location	Causing Agent (Railway line/ Electric transmission lines etc.)	No. of Incidents	Number of Animal Lives lost
1	2013-17	Nil		
2	2017-18 During July,2017 one elephant dead in between Jamgaon to Daghora Station (near Khurshi Nalla) of Hemgir Range	Railway line	1	1

i. Loss of Human Lives and Property due to animal attack- Rourkela Division

Sl. No.	Year	Vulnerable Place (Village/ Panchayat etc.)	Causing Agent/Animal (Elephant, Bear, Crocodile etc.)	Number of Human Lives lost during last 5 years	Damage to House and Property during last 5 years	Crops Damaged
1	2013-14 to 2017-18	**Kuarmunda Range –** (Kacharu, Dalki, Chainpur, Bijubandh, Rion Rampur,	Elephant/ Bear	7	64 nos./ rs.2.27.000/-	785.73 ha

CHAPTER – 4

INSTITUTIONAL ARRANGEMENT

4.1 National Disaster Management Authority (NDMA)

The National Disaster Management Authority (NDMA) was constituted under the Sub-section (1) of Section (3) of National Disaster Management Act 2005. NDMA is the apex body for Disaster Management in the country headed by the Hon'ble Prime Minister of India to lay down policies, plans and guidelines to manage disaster and coordinating their enforcement and implementation for ensuring timely and effective response to disaster.

The Chairperson of the NDMA is the Hon'ble Prime Minister of India *(ex-officio)* and others members not exceeding than nine may be nominated by him. The Chairperson may designate one of the members to be the Vice-Chairperson.

4.2 National Executive Committee (NEC)

The central government has constituted a National Executive Committee (NEC) under sub-section (1) of Section (8) of DM Act-2005 to assist the National Disaster Management Authority in the discharge of its function and also ensure compliance of the directions issued by the central government.

The Union Home Secretary is the Chairpersons *(ex-officio)* of NEC. The Secretaries to the Government of India in the ministries/departments having administrative control of the agriculture, defense, drinking water supply, environment and forests, finance (expenditure), health, power, rural development, science and technology, space, telecommunication, urban development, water resources and chief of the integrated defence staff of the chief of staffs are other members of NEC.

(Please refer Figure__of Volume –II (Page no._) for Central Government Notification on constitution of NEC)

4.3 State Disaster Management Authority (SDMA)

The State Disaster Management Authorities (SDMA) has to be constituted by every state gove rnment under the sub-section (1) & (2) of section 14 of
Disaster Management Act 2005.The Hon'ble Chief Ministers of the state are
the Chairpersons (ex-officio) of SDMA and other members not exceeding than eight may be nominated by the Chairpersons. The Chairman of the State Executive Committee (SEC), Chief Secretary of the State is a member and Chief Executive Officer (ex-officio) of SDMA.

The State Disaster Management Authority shall-:

a) Lays down policies and plans for disaster management in the State.
b) Approves the State Plan in accordance with the guidelines laid down by the NDMA,

c) Coordinates the implementation of the State Plan, recommend provision of funds for mitigation and preparedness measures.
d) Review the developmental plans of different departments of the State to ensure the int egration of prevention, preparedness and mitigation measures.
e) Lay down guidelines to be followed by the departments of the State Government for the purpose of integration of measures for prevention of disasters and mitigation in their development plans and projects and provide necessary technical assistance there for.
f) Review the measures being taken for mitigation, capacity building and preparedness by the departments of the Government & issue such guidelines as may be necessary.
g) Lay down detailed guidelines for providing standards of relief (Not less than the minimum standard of relief in the guidelines of NDMA) to persons affected by disaster in the State.

(Please refer Figure__of Volume –II (Page no._)for Odisha Government Notification on reconstitution of SDMA)

4.4 State Executive Committee (SEC)

The State Executive Committee (SEC) has been constituted by the State Governments under sub-section (1) & (2) of section (20) to assist the State Disaster Management Authority (SDMA) in the performance of its function and to coordinate action in accordance with the guidelines laid down by the SDMA and ensure the compliances of directions issued by the State Government under the DM act. The Chief Secretaries of the States are the Chairman of SEC (ex-officio).Four Secretaries of State Government are the other member's ex-officio. The Chairperson of SEC use powers delegated by SDMAs and state Governments.

The State Executive Committee shall-:

a) Coordinate and monitor the implementation of the National Policy, National Plan and State Plan.
b) Examine the vulnerability of different parts of the State to different forms of disaster and specify measures to be taken for their prevention and mitigation.
c) Lay down guidelines for preparation of disaster management plans by the departments of the Government of the State and the District authorities and monitor the implementation of the plans.
d) Evaluate preparedness at all government and non-government levels to respond to any threatening disaster situation or disaster and give all directions where necessary for enhancing such preparedness.

(Please refer Figure__of Volume –II (Page no._) for Odisha Government Notification on constitution of SEC)

4.5 Revenue and Disaster Management Department:

The Revenue and Disaster Management Department is responsible for providing immediate relief to the people affected by various calamities like floods, droughts, hazard prones,

hailstorms, earthquakes, fire accidents, etc. It also takes initiatives for relief, rescue, rehabilitation and restoration work. The Department is headed by the Principal Secretary/Addl. Chief Secretary, Revenue and Disaster Management Department who exercises all administrative and financial powers.

4.6 Special Relief Organization:

The Special Relief Organisation was established under the Board of Revenue in 1965-66 for carrying out relief and rescue operation during and after various disasters. Since its inception, the scope of Relief Organisation has been diversified. Now it deals with disaster management i.e. response, relief and rehabilitation. It coordinates with districts/departments for quick relief and rescue operation, reconstruction and rehabilitation work. It also promotes disaster preparedness at all levels in the State with the assistance of Odisha State Disaster Management Authority (OSDMA). Quick response in the natural calamities is the hall-mark of Special Relief Organisation.

4.7 Odisha State Disaster Management Authority (OSDMA):

Odisha State Disaster Mitigation Authority (OSDMA) was established by the Government of Odisha as an autonomous organization vides Finance Department Resolution No. IFC- 74/99-51779/F dated the 28th December 1999 (in the intermediate aftermath of the Super-hazard prone in 1999). It was registered under the Societies Registration Act, 1860 on 29.12.1999 as a non-profit making & charitable institution for the interest of the people of Odisha, with its headquarters at Bhubaneswar and jurisdiction over the whole State.

The Authority has the mandate not only to take up the mitigation activities but also the relief, restoration, reconstruction and other measures. These activities cover the entire gamut of disaster management including preparedness activities and also include:

- Coordination with the line departments involved in reconstruction,
- Coordination with bilateral and multi-lateral aid agencies,
- Coordination with UN Agencies, International, National and State-level NGOs,
- Networking with similar and relevant organizations for disaster management.

4.8 State Level Committee on Natural Calamity (SLCNC)

A State Level Committee on Natural Calamity (SLCNC) has been constituted under the Chairmanship of the Hon'ble Chief Minister to oversee disaster preparedness and response activities.

The Function of the SLCNC is -:

a) To advise the State Government regarding precautionary measures to be taken in respect of flood, drought and other natural calamities.
b) To assess the situations arising out of the calamities.
c) To recommend to Government the nature and quantum of relief; and
d) To recommend to Government the Policy to be adopted in giving such relief in areas affected by such calamities.

(Please refer Figure__of Volume –II (Page no._)for Odisha Government Notification on reconstitution of SLCNC)

4.9 District Disaster Management Authority (DDMA)

Under the sub-section (1) of section 14 of DM act 2005.District Disaster Management Authority has been constituted by the State Government.

The District Disaster Management Authority (DDMA) consists of the Chairperson and such number of the other members, not exceeding seven, as may be prescribed by the State Government, and unless the rules otherwise provide, it shall consist of the following namely:-

a) The Collector or District Magistrate or Deputy Commissioner of the District is the Chairperson *(ex-officio)* of DDMA.

b) The elected representative of local authority is the Co-chairperson *(ex-officio) of DDMA.*

Provided that in the Tribal Areas, as referred to in the Sixth Schedule to the Constitutions, the Chief Executive Member of the district council of autonomous district, shall be the co-Chairperson, *ex officio*

c) The Chief Executive of the District Authority ,ex officio;

d) The Superintendent of Police, ex officio;

e) The Chief Medical Officer of the district, ex officio;

f) Not exceeding two other district level officers, to be appointed by the State Government

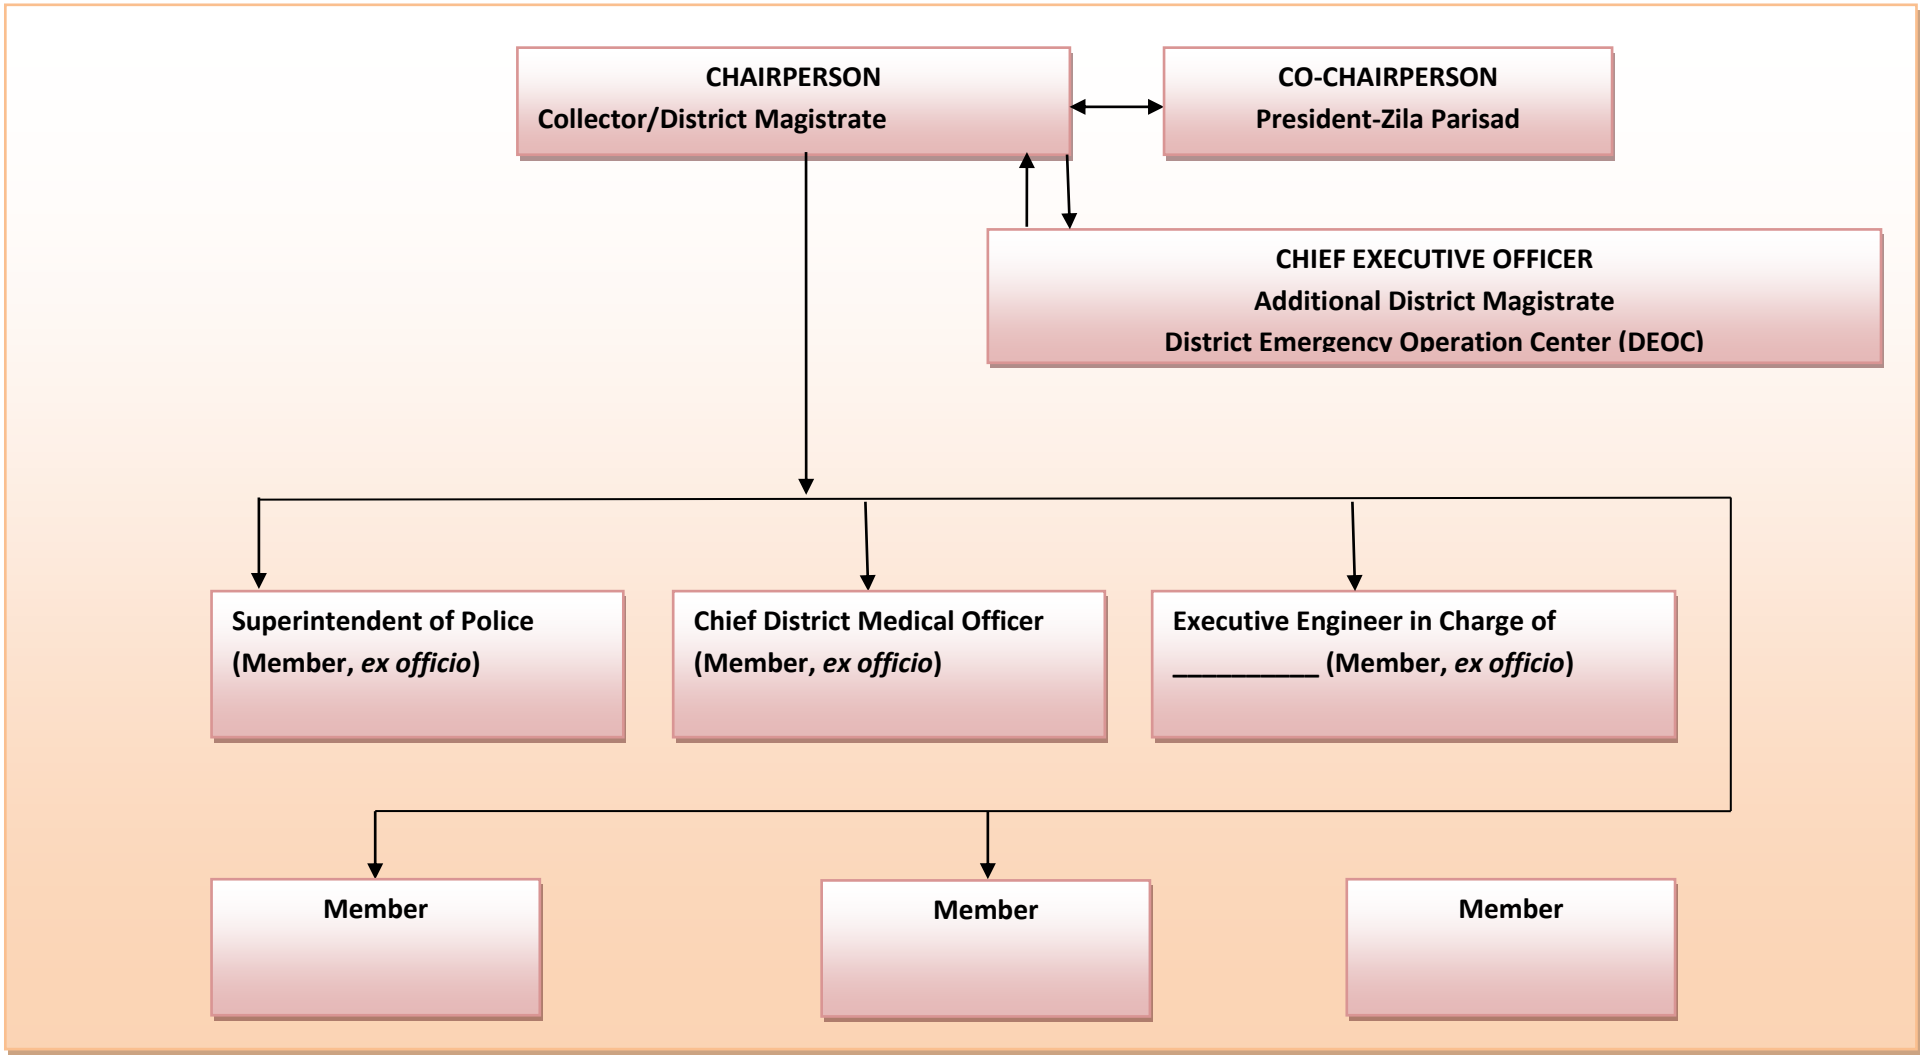

The State Government appoints an officer not below the rank of Additional Collector or Additional District Magistrate or Additional Deputy Commissioner, as the case may be of the District to be Chief Executive Officer of DDMA.

Table_4.1: Structure of District Disaster Management Authority

(Note: The above table should be District Specific)

Figure 4.1: Organogram of District Disaster Management Authority

The DDMA acts as the district planning; coordinating and implementing body for disaster management and take all measures for the purpose of disaster management in the district in accordance with the guidelines laid down by the NDMA and SDMA.

The District Disaster Management Authority (DDMA) shall-:

a) Prepare Disaster Management Plan including District Response Plan of the District.
b) Coordinate and Monitor the implementation of the National DM Policy, State DM Policy, State DM Plan and District DM Plan.
c) Ensure that vulnerable areas of the districts are identified and prevention and mitigation measures are being undertaken by the departments of the Government both at district level and at local level.
d) Ensure that guidelines for Prevention and Mitigation measures, Preparedness and Response as lay down by NDMA and SDMA are being followed by all departments of Government both at district and local level.
e) Monitor the implementation of Disaster Management Plans prepared by the departments of the Government at the district levels.
f) Lay down guidelines to be followed by different Government departments both at district level and local level for integrating disaster prevention and mitigation measures in their development plans and projects and provides necessary technical assistance therefor;
g) Review the state of capability for responding to any disaster or threatening disaster like situation in the district and give directions to the relevant departments or authorities at the district level for their up gradation.
h) Review the preparedness measures and give directions to the concerned departments at the district level for bringing the preparedness measures to the levels required for responding effectively to any disaster.
i) Organize, coordinate and facilitate specialized training programms and awareness programms for different level of officers, employees, voluntary rescue workers and community members for prevention and mitigation of disaster with support of governmental and non-governmental organization and local authorities.
j) Set up, maintain, review and upgrade mechanism for early warning and dissemination of proper information to public.
k) Review development plans prepared by the departments of the government at the district level, statutory authorities with a view to make necessary provisions therein for prevention of disaster or mitigation.
l) Examine construction in any area in the district an ensure standards for prevention of disaster or mitigation laid down for such construction to be followed by the concerned departments and authorities.
m) Identify buildings and places which could be used as relief centers or camps in the event of any disaster or disaster like situation and make arrangements for water supply and sanitation in such buildings and places.
n) Establish stockpiles of relief and rescue materials or ensure preparedness to make such materials available at short notice;
o) Encourage the involvement of Non Government Organization and Voluntary social – welfare institutions working at the grass root level in the district for disaster management.
p) Ensure communication systems are in order and disaster management drills are carried out periodically.

q) Perform such other functions as the State Government or State Authority may assign to.

Specific task assigned to members of DDMA by the Chairperson

4.10 District Level Committee on Natural Calamity (DLCNC)

The Codal provision of Odisha Relief Code envisages the constitutions of District Level Committee on Natural Calamity (DLCNC) which is the apex committee at the district to monitor preparedness and suggests improvement in the response mechanism and finalizes the district disaster management plans. The members of DLCNC are as follows:

Table4.2 _: Structure of District Level Committee on Natural Calamity
APPENDIX- III of ORC
Paragraph (Rule) 19 (i) (b) No.21317-IVF (m)/3/74-R Govt. of Orissa Revenue Department Resolution Dt. 16th April 1974

1. Collector of the District- Chairman
2. All Members of Legislative Assembly - member
3. Member of Parliament of the District- member
4. CDMO- member
5. CDVO- member
6. EE, Irrigation- member
7. Sub-Collectors of the District member
8. District Emergency Officer- Member Secretary
9. The Chairman may invite District level officers of various departments, Chairman Panchayat Samitis, Block Development Officers and Tahasildars of lthe district to attend the meetings whenever considered necessary.
10. The Ministers, Ministers of State, Deputy Ministers, Speaker and Deputy Speaker may nominate any person from their constituency to represent them in the District Committee on Natural Calamities in case he is unable to attend any meeting of the committee.

Role and Responsibility:

- To advise on the precautionary measures to be taken in respect of flood, drought and other natural calamities,
- To access the situation arising out of such calamities
- To advise on appropriate relief measures and location of relief works.

4.11 National Disaster Response Force (NDRF)

The Disaster Management Act 2005 has made the statutory provisions for the constitution of the National Disaster Response Force (NDRF) for the purpose of specialized response to natural and man-made disasters. The NDRF comprises of 12 units of Central Paramilitary

Forces (CPMF) that includes 3 units each from Central Reserve Police Forces (CRPF) and Boarder Security Forces (BSF) and 2 Unit each from Central Industrial Security Forces (CISF), Indian Tibbet Boarder Police (ITBP) and Sahastra Seema Bal (SSB). Each battalion has 18 self-contained specialists Search and Rescue teams of 45 personnel. The NDRF team includes Chemical, Biological and Radiological Disaster (CBRN) emergency responders, S&A element, engineers, technicians, electricians, dog squads and paramedics. The NDRF battalions are strategically located at 8 different locations in the country based on the vulnerability profile to cut down response time for their deployment. During the threatening proactive deployment of NDRF is being carried out by NDMA in consultation with the State Governments.

Table_4.3_: Location of National Disaster Response Forces

4.12 Odisha Disaster Rapid Action Force (ODRAF)

The Government of Odisha formed Odisha Disaster Rapid Action Force (ODRAF) vide notification no.939/CD dated 07.06.2001. ODRAF is a multi-disciplinary, multi-skilled, high-tech force for all types of disasters. ODRAF aims at reducing casualties, clearance of communication channels, quick deployment of personnel and equipments and minimize expenditure and time lag and support institutional arrangement. In 3 phases, ten units of ODRAF have been set up. The ODRAF units are strategically located throughout Orissa. Locations of these units are identified on the basis of vulnerability profile to cut down the response time for their deployment. The ODRAF Units do not have any geographical /territorial restrictions in terms of area of operation.

10 new units of ODRAF have been proposed to set up at different locations like Sambalur, Boudh, Kalahandi, Nawarangpur, Gajapati, Berhampur, Puri, Khorda, Kendrapada and Jajpur

4.13 Emergency Communication System

4.13.1 State Emergency Operation Center (SEOC)

The State Emergency Operation Centre has been made operational at Rajiv Bhawan, Bhubaneswar with state of art communication net-work. The State EOC functions round the clock throughout the year. The Organisation is headed by the Special Relief Commissioner (SRC) who exercises all administrative and financial powers. He is assisted by a group of experienced officers and staff. During any natural disaster, the office functions round the clock in an emergency mode.

Figure 4.2___: Information flow chart from SEOC to Districts

(Note: DEOC of the District to be elaborated)

- ***Structure and Function of District Emergency Operation Center.***

❖ District Emergency Operation Centre DEOC will assist the commissioner in performing the roles assigned to him by DDMA.

❖ District control room would be the nerve center for the disaster management;

❖ To monitor, coordinate and implement the actions for disaster management;

❖ Activate the ESF (Emergency Support Function) in the event of a disaster and coordinate the actions of various departments/ agencies;

❖ Ensure that all warning, communication systems and instruments are in working conditions;

❖ Receive information on a routine basis from the district departments on the vulnerability of the various places and villages (parts of the districts);

❖ Receive reports on the preparedness of the district level departments and the resources at their disposal to arrange and meet their requirements;

❖ Upgrade the Disaster Management Action Plan according to the changing scenario;

❖ Maintain a web-based inventory of all resources through the India Disaster Resource Network (IDRN);

❖ Provide information to the Relief Commissioner' Office of the disaster/ emergencies/ accidents taking place in the district regularly and maintain a data base of disasters and losses caused by them;

❖ Monitor preparedness measures and training activities;

❖ Providing information at district level, local level and to disaster prone areas through appropriate media;

❖ Brief the media of the situations and prepare day to day reports during the disasters;

❖ To report the actual scenario and the action taken by the District Administration;

❖ Maintain a data base of trained personnel and volunteers who could be contacted at any time;

❖ Lease with on-site operation center, State EOC and other emergency services.

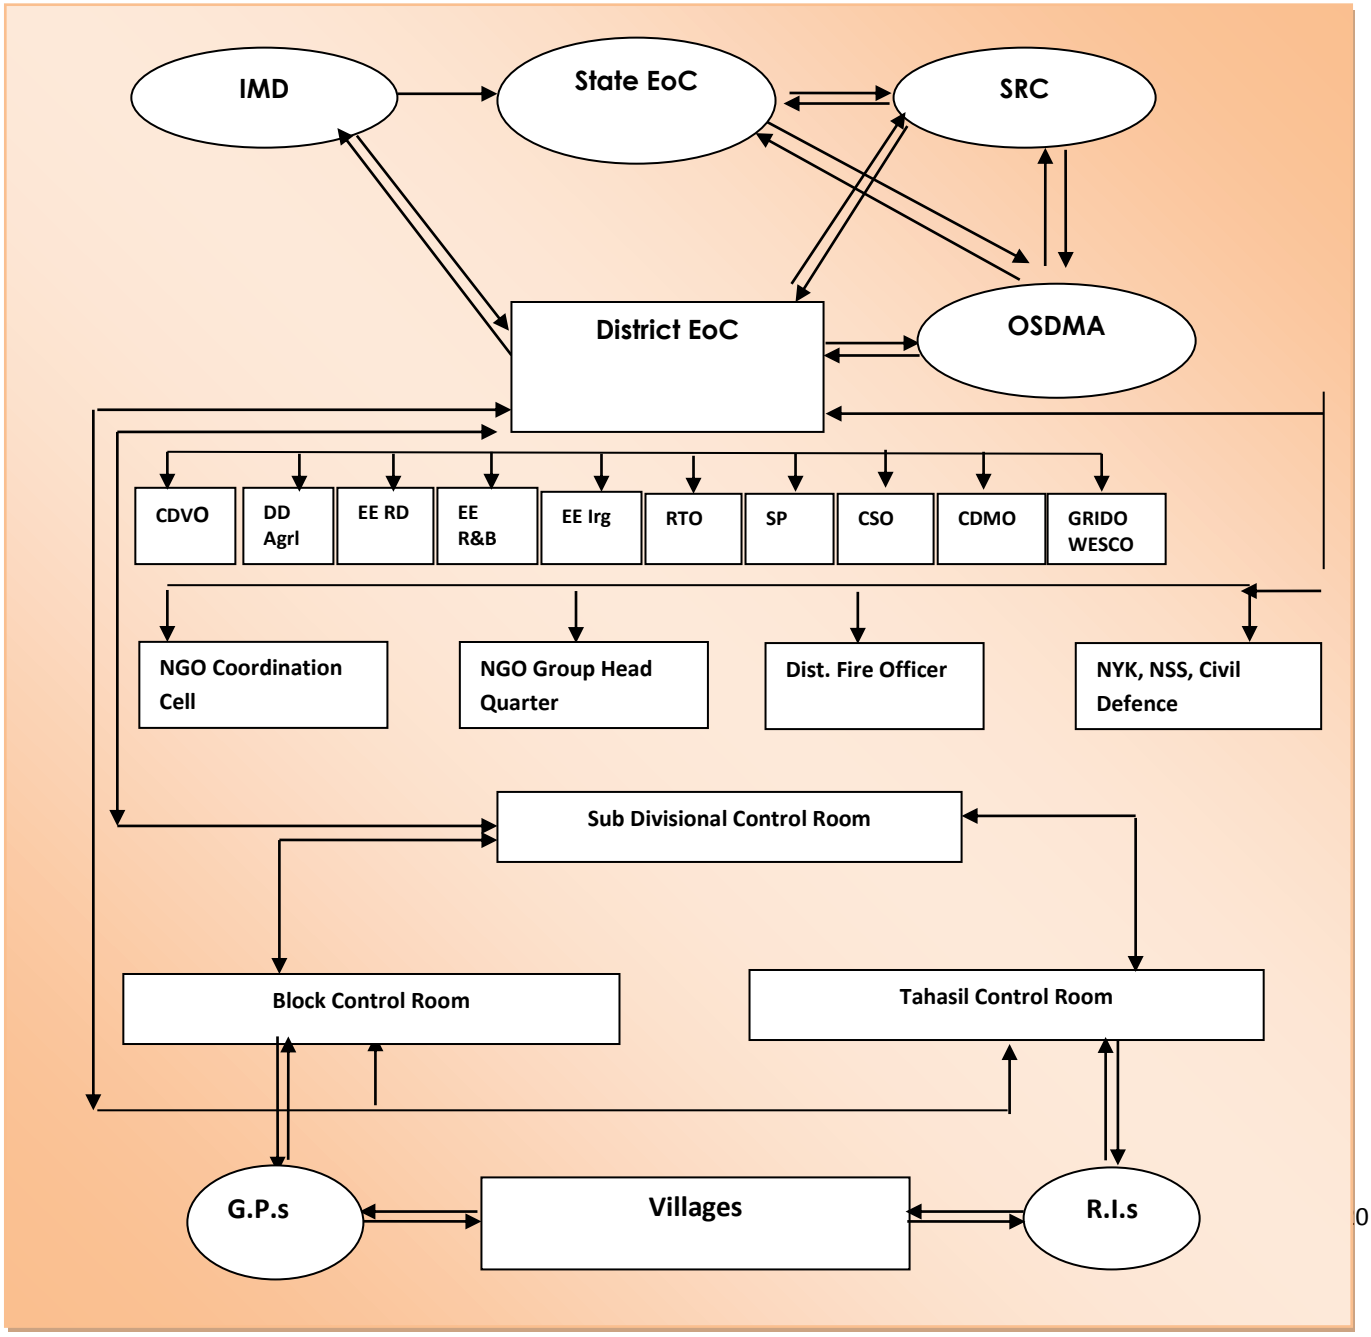

❖ The Additional District Magistrate shall be the Nodal Officer for Disaster Management and would be in-charge of the DEOC. The design, layout, equipment and operation of the DEOC would be as per the EOC Manual prepared at the State level.

4.14 Block Emergency Operation Center (BEoC)

(Note: BEOC of the District to be elaborated Structure and Function)

Information flow chart of BEoC.

There will be disaster management committees at the Block, ULB and GP levels. The GPs in rural areas and the ULBs in urban areas would be the first responders to disasters along with local communities.

The Block level Disaster Management Committee shall be formed under the Chairmanship of the Chairman, Panchayat Samiti, Local MLAs, Sarpanches, PS Members, Block Nodal person, Line department officials, NGOs etc.

The GP level Disaster Management Committee will function under the Chairmanship of Sarpanch with ward members, local field functionaries such as the ANM, AWW, School Teachers, ASHA, School Teachers, CBOs, etc.

Aim and Objective of Block Emergency Operation Center:

- Collect information about the vulnerable areas and documented in Block Disaster management Plan and Block Vulnerable Profile Map.
- Sharing of data related to disaster with all the line departments and other organization
- Assessment of damage in disaster prone areas and
- Collect all the related information of different Government schemes for smooth management of BEOC during emergency and also normal period

The primary objective of the committee is to have proper coordination among all the line departments. The Block Disaster Management Committee exists to assist in

- Reviewing the threats of disaster
- Analyzing the vulnerability of the Block to such disasters
- Evaluating the preparedness strategies of different department
- Close monitoring of the response measures
- Considering suggestions for the improvement of the Block Disaster Management Plan and to link with the normal development plan.

Desk Management:

For easy coordination and reporting to the state/ district EOC manager, all the major activities will be distributed among different Govt. officials to ensure accountability, proper information, assimilation and record keeping.

Operation Desk:

- Ensure adequate supplies of food and water
- Proper function of transits and feeding centers
- Transport of medical aid to the needy
- Monitor search and rescue operation
- Coordination with NGOs, civil society members and district EOC
- Dissemination of information and maintenance of records
- Requisition of accommodation, transport and other necessary equipments for the relief group
- Regular updates to the District Authority.

Communication and Information Desk:

- Monitoring the weather reports and sharing the information

- Keep the contingency plan along with all necessary maps in hand
- Maintenance of important telephone numbers, database on available resources, list of key persons
- Send and receive message in their respective records
- Maintain information of damage, materials sent and ongoing activities for immediate sharing with District EOC

Logistic Desk:

- Assess the need in terms of manpower and resources and ensure regular supply
- Ensure proper storage and transport facilities for relief materials
- Maintain adequate supply of necessary transport and equipments
- Coordinate with private transport associations and boat owners for emergency requirements
- Organize transportation for rescue party, evacuated people, medical teams and injured and sick people

Health Desk:

- Organize treatment of injured and sick
- Take measures for preventive medicines and anti-epidemic
- Maintain record of all activities
- Assess and ensure setting up medical relief camps
- Maintain adequate supply of medicines, equipments and personnel
- Monitor maintenance of health measures in all camps and provision of safe drinking water

Service Desk:

- Assessing the relief, search and rescue and cash compensation requirements
- Organize and coordinate setting up of transit, relief and cattle camp
- Ensure adequate supplies to these camps
- Maintain law and order
- Coordinate identified NGO activities to ensure community participation
- Reporting the procurement and disbursement of relief material received from all sources
- Organize temporary repair of communication facilities, power supply and water supply
- Construction of temporary shelters, school buildings, medical facilities etc.

Resource Desk:

- Maintenance of cash and disbursements receipts, issue of relief materials, personnel, T.A. and D.A. of relief duty staff, daily wages, cash and credit vouchers, Gratuitous and compensation paid etc.
- Issuing of all cash and material receipts
- Reimbursement of all expenses approved
- Issue of cash vouchers for petrol and diesel

Table__ Important Line Departments at the Block

9	Civil Supply	Civil Supply		
10	Fire	OIC, Fire		

Responsibilities of the committee

- To prepare the sector wise preparedness, response and mitigation plan to reduce the impact of disaster
- To ensure the smooth implementation of the plan before, during and after the disaster
- To define the roles and responsibilities of different DMTs and to coordinate with them during disaster.
- To organize training program for the different DMTs and identify suitable resource person.
- To sensitize various stakeholders on Disaster risk management.
- To educate the public on different hazards and what protective steps should be taken
- To make arrangements for emergency action
- To review the plan and to make necessary modification/updating
- Finally to approve the financial arrangement and monitor the program

4.15 Any other Alternative Emergency Operation Center in the district

(Note: Structure and function to be elaborated)

4.16 State Crisis Group (SCG)

The State Government has constituted a State Crisis Group for management of chemical accidents as per provision of the chemical accidents (emergency planning, preparedness, and response) rules, 1996 on 1st August 1996.

a. The State Crisis Group shall meet at least once in three months and follow such procedure for transaction of business as it deems fit.
b. Notwithstanding anything contained in sub-rule (2), the State Crisis Group may co-opt any person whose assistance or advice is considered useful in performing any of its functions, to participate in the deliberation of any of its meetings.

4.16.1 Composition of the State Crisis Group

The State Crisis Group comprising of the following members in pursuance of the Rule-6 of the chemical accident (Emergency Planning, Preparedness and Response) Rules, 1996.

Table_ Composition of State Crisis Group

Sl No.	Members	Designation
1.	Chief Secretary, Odisha	Chairman
2.	D,C-cum-A.C.S & Chairman, SPCB	Member
3..	Secretary to Government, Labour & ESI Department	Member Secretary

4.16.2 Functions of the State Crisis Group

The State Crisis Group is the apex body in the State to deal with major chemical accidents and to provide expert guidance for handling major chemical accidents. Without prejudice to the functions specified under sub-rule (1), the State Crisis Group shall,

1. Assist the State Government in managing chemical accidents at a site;
2. Review all district off-site emergency plans in the State with a view to examine its adequacy in accordance with the Manufacture, Storage and Import of Hazardous Chemicals, Rules and forward a report to the Central Crisis Group once in three months;
3. Assist the State Government in the planning, preparedness and mitigation of major chemical accidents at a site in the State;
4. Continuously monitor the post accident situation arising out of a major chemical accident in the State and forward a report to the Central Crisis group
5. Review the progress report submitted by the District Crisis groups;
6. Respond to queries addressed to it by the District Crisis groups;
7. Publish a list of experts and officials in the State who are concerned with the management of chemical accidents.
8.

4.17 District Crisis Group

As prescribed in the chemical accidents (emergency planning, preparedness, and response) rules, 1996, the District Crisis Group has to be constituted.

The District Crisis Group is the apex body in the district to deal with major chemical accidents and to provide expert guidance for handling chemical accidents. Without prejudice to the functions specified under sub-rule (1). the District Crisis Group shall,-

1. Assist in the preparation of the district off-site emergency plan;
2. Assist the district administration in the management of chemical;
3. Continuously monitor every chemical accident;
4. Review all the on-site emergency plans prepared by the occupier of Major Accident Hazards installation for the preparation of the district off-site emergency plan;
5. Ensure continuous information flow from the district to the Central and State Crisis Group regarding accident situation and mitigation efforts;
6. Forward a report of the chemical accident within fifteen days to the State Crisis Group;
7. Conduct at least one full-scale mock-drill of a chemical accident at a site each year and forward a report of the strength and the weakness of the plan to the State Crisis Group.

Chapter – 5:

Prevention & Mitigation Measures

5.1 Ways & Means to prevent or reduce the impact of various disasters: 5.2 Structural Measures:

Name of the Division: Sundargarh (R&B) Division (Rs.in Lakh)

Sl. No.	Name of Work	Amount	Agreement No	Date of Commencement	Date of Completion	Position of Work	Remarks
1	2	3	4	5	6	7	8
1	Improvement to Balingabahal-Sahajbahal-Nuadihi Podmundi (Connected Jharsuguda Border Road, Gandhi Chhak)	127.90	246 P1 2018-19	15-02-2019	14-08-2019	Toewall work is in progress .	Tender approved by S.E.K.C. Keonjhar
2	Improvement to Duduka-Kanaktora-Jharsuguda Boarder road from 10/700 to 21/763Km(excluding Railway Crossing & Bridge at 15/100Km)	789.80	247 P1 2018-19	12-02-2019	11-02-2020	Widening portion GSB-7.50 Km completed .	Tender approved by C.E. (DPI & Roads) Odisha, BBSR
3	Improvement to road from Bhasma to Zink Nagar from 4/000Km to 12/500Km	740.19	199 P1 2018-19	19-01-2019	18-12-2019	Widening Earthwork-7.00 Km , GSB-1.00 Km completed .	Tender approved by C.E. (DPI & Roads) Odisha, BBSR

4	Improvement to road from Kanika Chhak to Bhikampali from 18/000Km to 26/000Km	471.59	200 P1 2018-19	19-01-2019	18-09-2019	Earthwork -6.00 Km GSB-5.00 Km WMM-5.00 Km BM-4.00 Km SDBC-3.00 Km Hume Pipe - 4 Nos. completed .	Tender approved by C.E. (DPI & Roads) Odisha, BBSR
5	Construction of H. L. Bridge over Dundung Nallah near Balisankara at 6/800 Km on Talsara-Luhakera Road	453.08	245 P1 2018-19	12-02-2019	11-05-2020	Conformation bore completed & sent to the C.E, (Directorate of Design) Odisha, BBSR for prepartion of Foundation & Reinforcement design & drawing	Tender approved by C.E. (DPI & Roads) Odisha, BBSR

6	Construction of H.L. Bridge over Dumermunda Nallah at 18/200Km on Lephripada -Balisankara road(ODR)	267.11	248 P1 2018-19	15-02-2019	14-08-2019	Soil investigation report has been sent to C.E, (Directorate of Design) Odisha, BBSR for Prepartion of Foundation & Reinforcement Design & drawing	Tender approved by S.E.K.C. Keonjhar
7	Construction of H.L. Bridge over Nakti Nallah including approach at 10/000 km on Bihabandha Ramabahal Road in the District of Sundargarh for the year 2016-17 under DMF.	922.15	139 P1 2018-19	06-10-2018	05-09-2019	P_1, P_2 & P_3 Abutment Right sinking in progress. Earth work completed. Approach Road Earth work completed. 1 No. Box Cell slab casting is progress	Tender approved by C.E. (DPI & Roads) Odisha, BBSR
8	Construction of Drain with Compound Wall from the Culvert on Old Bus stand Road to Culvert on Daily Market Road.	158.73	140 P1 2018-19	12-11-2018	11-08-2019	Work in progress and work to be completed by July 2019	Tender approved by S.E.K.C. Keonjhar
9	Widening & Improvement to Sundargarh-Gadiajore Road (ODR) from 0/000 Km to 1/750 Km such as widening of existing road into 2-lane with paved shoulder for the year 2018-19.	395.3	100 P1 2018-19	01-11-2018	30-07-2019	G.S.B. & W.M.M. completed up to 1200 Mtr. 2 Nos. Box Cell culvert completed. 1 No. Hume Pipe culvert completed. Drain 35 Mtr., Retaining Wall 180 Mtr & Toe Wall 15 Mtr completed.	Tender approved by C.E. (DPI & Roads) Odisha, BBSR
10	Construction of 6 Nos. Toilets, 1 no. Hostel Building And Dinning Hall STGH/STBH at Govt. Girls HS under DMF.	109.41	232 P1 2018-19	12-11-2018	11-08-2019	Work completed up to Plinth Level	Tender approved by S.E.K.C. Keonjhar
11	Construction of Astha Gruha and Boundary wall at Sundargarh under DMF.	876.29	99 P1 2018-19	01-11-2018	30-10-2019	Foundation work in progress	Tender approved by C.E. (Buildings) Odisha, BBSR

5.3 Non-structural Measures:

Sl. No.	Name of the Department/ Office	Activity/ Project	Starting date	Date of completion	Cost	Funding source

5.4 Scope for integrating different schemes for Disaster Risk Reduction (DRR) Activities.

Sl. No.	Scheme	Possible activities for DRR
1		

[Activities/ Projects for 5.3 and 5.4 (Indicative Only):

- *Trimming of trees and shrubs and removal of damaged and decayed parts of trees close to localities and critical infrastructure*
- *Public safety norms and constructions in places of worship and mass gathering*
- *Soil erosion control and riverbank stabilization*
- *Road and Highway Stabilization*
- *Bridge abutment stabilization*
- *Protection of Roads, Culverts and Bridges against flood- grass plantation*
- *Repair and Maintenance of Embankments against flooding and erosion. Retrofitting of vulnerable spots to prevent embankment breaches*
- *Cross Drainage Works:- Construction of causeways and culverts sufficient for carrying water more than historical records to prevent flash floods in downstream villages*
- *Drinking Water:*
    - *Habitations to be covered under pipe water supply scheme*
    - *Water supply in scarcity areas in during summer season*

- *Raising of hand pumps in flood prone areas*
- *Repair/ Replacement of non-functional hand pumps*

- *Sanitation:*
  - *Community Mobilization*
  - *Construction of Toilets*
  - *Municipal Waste Management*
  - *Sewerage System in ULBs*
- *Plantation: River bank plantation, AR, ANR, Hill Slope Plantation, Fodder Plantation, Agro forestry etc.*
- *Soil conservation works.*
- *Water harvesting*
- *Prevention of Road Accidents:*
  - *Putting up of signage in accident prone zones*
  - *Light reflectors*
  - *Diversion boards for roads and bridges*
  - *Repair of potholes & construction of Speed breakers*
- *Immunization*
- *Preventive measures against vector borne diseases*
- *Risk Transfer: Crop insurance/ livestock insurance*
- *Measures against animal depredation- Trenching/ Fencing*
- *Awareness generation programmes on disaster prevention and mitigation*
- *Mainstreaming Disaster Risk Reduction (DRR) in development activities]*
- *Mainstreaming Disaster Risk Reduction (DISASTER RISK REDUCTION) in development activities.*

Planning outlay by DPC, Sundargarh for the year 2019-20

Sl. No.	Department	Head	Scheme

	W & CD	Child Welfare	38	ICDS
	W & CD	Child Welfare	39	Other Child Welfare Schemes-pre school education
	W & CD	Women Welfare	40	Women Self Help Group
15	R &B	Roads and Bridges	41	Construction / improvement of Roads and Bridges
16	WR	Minor irrigation-flow irrigation	42	Canal lining and system rehabilitation programme
	WR	Minor irrigation-flow irrigation	43	Construction of Check dams
	WR	Minor irrigation-flow irrigation	44	Minor irrigation projects
	WR	Minor irrigation-flow irrigation	45	Revival of defunct lift irrigation projects
	WR	Minor irrigation- lift irrigation	46	Biju Krushak Vikash Yojana

Chapter – 6

6.1 Climate Change Adaptation & Mitigation

Weather and climate are the results of complex interactions between anthropogenic and natural factors. Evidence of global climate change include higher average temperatures, changes in precipitation, ocean warming, ocean acidification, sea level rise, decreasing sea ice, and changes in physical and biological systems. Observed climate change can be linked with the increase of green house gas concentrations in the atmosphere since the industrial revolution. Global surface temperature change for the end of the 21st century is likely to reach 4°C if no drastic mitigation actions are taken. Various sources of climate data exist that can support planning for climate change.

Greenhouse gases (GHGs) are trace gases in the atmosphere that absorb and emit long wave radiation. They naturally blanket the earth and keep it at about 33° C warmer than it would be without these gases in the atmosphere. The table features the seven most important greenhouse gases as regulated under the Kyoto Protocol. The seven gases each have a different capacity to trap heat in the atmosphere, or a so-called "*global warming potential*" (GWP). They all belong to the group of long-lived greenhouse gases (LLGHGs), because they are chemically stable and persist in the atmosphere over time scales of a decade to centuries or longer, so that their emission has a long-term influence on climate. Some of the GHGs occur naturally (e.g. CO_2, CH_4 and N_2O) but increases in their atmospheric concentrations over the last 250 years are due largely to human activities. Other greenhouse gases are entirely the result of human activities (e.g. HFCs, PFCs, SF_6 and NF_3).

Table : 6.1

Greenhouse Gas	Global Warming Potential (GWP) (over 100 years)	% of Total Anthropogenic GHG Emissions (2010)
Carbon dioxide (CO_2)	1	76%
Methane (CH_4)	25	16%
Nitrous oxide (N_2O)	298	6%
Hydrofluorocarbons (HFCs)	124-14,800	< 2%
Perfluorocarbons (PFCs)	7,390-12,200	< 2%
Sulphur hexafluoride (SF_6)	22,800	< 2%
Nitrogen trifluoride (NF_3)	17,200	< 2%

6.2 Important Greenhouse Gases: Carbon Dioxide (Co_2)

Most important greenhouse gas (contributes ~64% to total radiative forcing by long-lived GHGs). Half of CO_2 emitted by human activities is being absorbed in the biosphere and in the oceans. Rest remains in the atmosphere for hundreds to thousands of years

The most important anthropogenic GHG is carbon dioxide (CO_2). It accounts for around 64% of total radiative forcing due to LLGHGs. Carbon dioxide does not have a specific lifetime because it is continuously cycled between the atmosphere, oceans and land biosphere and its net removal from the atmosphere involves a range of processes with different time scales. CO_2 is primarily emitted as a result of burning of fossil fuels, deforestation and forest degradation and iron and steel production. Oceans and forests are the main sequesters of carbon i.e. sinks that can absorb CO_2 from the atmosphere. Carbon

dioxide is the gas to which all other gases are compared when speaking of Global Warming Potential. Emissions of other greenhouse gases can be converted into *CO_2 equivalent emissions*.

Table : 6.2

Sl No	Name of the Industry/Plant/Firm	Location	Quantity of Co2 emission (PPM)	Ranking as per CO2 Emission (in the district)	Other major polluants emited (PPM)	Action taken for cutting down émission
1	Tunmura-Jharbeda L/D mines	Jharbeda	Nil	Nil	SO2, NOx, Co, SPM	Plantation , water sprinkling and Hazardous waste managment
2	Tunmura L/D mines	Tunmura	Nil	Nil	SO2, NOx, Co, SPM	Plantation , water sprinkling and Hazardous waste managment
3	M/s Surendra Mining Industries (p) ltd.	Bonaigarh, Dist-Sundargarh	920 kg of CO2/ MWh	NA	SO2 , NOx	Using less & Good Quality resource / raw materials & implemtaing proper advanced process/ production techniques and Adoting energy saving provision, mthods and practices

6.3 Important Greenhouse Gases: Methane (CH4)

Second most significant greenhouse gas (contributes ~18% to total radiative forcing by long-lived GHGs). Approximately 40% of methane is emitted into the atmosphere by natural sources. About 60% comes from human activities & Stays in the atmosphere for approximately 12 years.

The second most significant anthropogenic GHG is methane (CH_4) which contributes to approximately 18% of total radiative forcing due to LLGHGs. Approximately 40% of methane is emitted into the atmosphere by natural sources (e.g. wetlands and termites). About 60% comes from human activities (e.g. cattle breeding, rice agriculture, fossil fuel exploitation, landfills and biomass burning). Methane is mostly removed from the atmosphere by chemical reactions, persisting for about 12 years. Thus although methane is an important greenhouse gas, its effect is relatively short-lived.

Table : 6.3

Sl No	Name of the Block	Major Sources	Annual émission (In PPM)	Ranking as per CH4 Emission (PPM)	Action taken for cutting down émission

6.4 Important Greenhouse Gases: Nitrous Oxide(N2O)

The third most significant greenhouse gas (contributes ~6% to total radiative forcing by long-lived GHGs). Stays in the atmosphere for approximately 114 years. Nitrous oxide is emitted into the atmosphere from both natural (about 60%) and anthropogenic sources (approximately 40%).

Nitrous oxide is the third most significant GHG, contributing to about 6% of radiative forcing due to LLGHGs. The primary human sources of N_20 are fertilizer production and use in agriculture and various industrial processes. It is estimated that N_20 stays in the atmosphere for an estimated 114 years. Its impact on climate, over a 100-year period, is 298 times greater than equal emissions of carbon dioxide. It also plays an important role in the destruction of the stratospheric ozone layer which protects us from the harmful ultraviolet rays of the sun.

Table : 6.4

Sl No	Name of the Block	Fertiliser /Industrial processes	Annual Usage (In tonnes)	Ranking as per N2O Emission (PPM)	Other major polluants emited (PPM)	Action taken for cutting down émission

6.5 Important Greenhouse Gases: Fluorinated Gases

Global warming effect up to 23,000 times greater than carbon dioxide. Stay in the atmosphere up to 50,000 years. Three main groups: hydrofluorocarbons (HFCs), perfluorocarbons (PFCs), and sulfur hexafluoride (SF_6). Mainly developed as substitutes for ozone-depleting substances

Fluorinated gases are a family of man-made gases used in a range of industrial applications. Sources include refrigerants, air-conditioning, solvents, aluminium and magnesium production, etc. Many

fluorinated gases have very high global warming potentials (GWPs) relative to other greenhouse gases. That means small atmospheric concentrations can have large effects on global temperatures. They can also have long atmospheric lifetimes, in some cases, lasting thousands of years. Fluorinated gases are removed from the atmosphere only when they are destroyed by sunlight in the far upper atmosphere. In general, fluorinated gases are the most potent and longest lasting type of greenhouse gases emitted by human activities. There are three main categories of fluorinated gases: hydrofluorocarbons (HFCs), perfluorocarbons (PFCs), and sulfur hexafluoride (SF_6).

- Hydrofluorocarbons (HFCs) are the most common group of *F-gases*. They are used in various sectors and applications, such as refrigerants in refrigeration, air-conditioning and heat pump equipment; as blowing agents for foams; as solvents; and in fire extinguishers and aerosol sprays.
- Perfluorocarbons (PFCs) are typically used in the electronics sector (for example for plasma cleaning of silicon wafers) as well as in the cosmetic and pharmaceutical industry. In the past PFCs were also used in fire extinguishers and can still be found in older fire protection systems.
- Sulphur hexafluoride (SF_6) is used mainly as an insulating gas, in high voltage switchgear and in the production of magnesium and aluminium.

Table : 6.5

Sl No	Name of the Industry/Firm/Plant	location	Annual émission (In PPM)	Ranking as per flourinated gas Emission (PPM)	Action taken for cutting down émission
1	M/s Surendra Mining Industries (p) ltd.	Bonaigarh, Dist-Sundargarh	NA	NA	NA

6.6 Important Green House Gases: chlorofluorocarbons (CFCs)

Chlorofluorocarbons (CFCs) an important Green House Gas contribute about 12% to radiative forcing by long-lived GHGs has not been included in the Kyoto Protocol because they are already regulated under the Montreal Protocol on Substances that Deplete the Ozone Layer which entered into force in 1989. The Montreal Protocol includes, for example, chlorofluorocarbons (CFCs) which contribute about 12% to total radiative forcing by LLGHGs. CFCs can stay in the atmosphere for more than 1,000 years. CFCs have a global warming potential (GWP) that ranges between 4,750 and 14,400 (over 100 years time span). CFCs are used in the manufacture of aerosol sprays, blowing agents for foams and packing materials, as solvents, and as refrigerants.

Table : 6.6

Sl No	Name of the Industry/Firm/Plant	location	Annual émission (In PPM)	Ranking as per flourinated gas Emission (PPM)	Action taken for cutting down émission
1	M/s Surendra Mining Industries (p) ltd.	Bonaigarh, Dist-Sundargarh	Minimal/ Minimum	NA	Using selective equiments / machines/

					eletronics which are free frome mission of CFCs, avoiding using of products that are being found to be a source of CFC's emission.

Ref.: IPCC (2007). Fourth Assessment Report, Technical Summary – Changes in Human and Natural Drivers of Climate & UNEP (2012). Emissions Gap Report; WMO (2013). Greenhouse Gas Bulletin

6.7 Green House Gas Sequestration

In order to prevent dangerous anthropogenic interference with the climate system, actions need to be taken to stabilize greenhouse gas concentrations in the atmosphere. Such actions are referred to as "climate change mitigation". More specifically, climate Change mitigation involves:

- reducing GHG emissions, e.g. by making older equipment more energy efficient;
- preventing new GHG emissions to be released in the atmosphere, e.g. by avoiding the construction of new emission-intensive factories;
- preserving and enhancing sinks and reservoirs of GHGs, e.g. by protecting natural carbon sinks like forests and oceans, or creating new sinks ("carbon sequestration").

Source: UNFCCC (2009). Fact Sheet: The Need for Mitigation

Major Greenhouse Gases Contributors (Anthrpogenic) to Climate Change (*Table : 6.7)*

Greenhouse Gas	Human Source (Examples)	% of Total Global GHG Emissions (2010)
Carbon dioxide (CO_2)	Fossil fuel combustion, land use changes, cement production, etc	76%
Methane (CH_4)	Fossil fuel mining/distribution, livestock, rice agriculture, landfills, etc	16%
Nitrous oxide (N_2O)	Agriculture (fertilisers) and associated land use change, etc	6%
Hydrofluorocarbons (e.g. HFCs)	Liquid coolants, etc	< 2%
Perfluorocarbons (e.g. PFCs)	Refrigerant, electronics industry and aluminium industry, etc	< 2%
Sulphur hexafluoride (SF_6)	Insulator in electronics and magnesium industry, etc	< 2%
Nitrogen trifluoride (NF_3)	Electronics and photovoltaic industries, etc	< 2%

Source: Reproduced from IPCC 2007, UNEP 2012, and FERN

The global community has committed itself to hold warming below 2°C (compared to pre-industrial temperatures) to prevent dangerous climate change. The 2013 IPCC report on the physical science basis of climate change provides a "budget approach" to this goal, looking at total allowable CO_2 emissions level to meet the 2°C target. The report states that in order to have a greater than two in three chance of keeping *global warming* below 2°C, cumulative emissions of CO_2 cannot exceed 1,000 Gigatonnes of carbon (GtC). As of 2011, more than half this amount, or over 500 GtC, has already been emitted since 1861-1880. When the effects of other greenhouse gases are included, even less CO_2 could be emitted to keep below a 2°C warming.

Current annual emission levels are at 9.5 GtC and are likely to grow every year due to population growth and economic development patterns. If annual emissions continue to grow as in past years ("business as usual" scenario) the carbon budget will be exhausted in the next three decades.

Source: IPCC (2013). Climate Change 2013 – The Physical Science Basis, Summary for Policymakers

Details of forest as a major Carbon sink (District) (*Table : 6.8)*

Reserved Forest / Protected Forest (in Sq. KM)	Revenue / Village Forest (in Sq. KM)	Private owned Forests (in Sq. KM)	Others (If any) (in Sq. KM)	Total (in Sq. KM)
2815 sq km	1333	Nil	Nil	4148 sq km.

6.8 Sectors with High Mitigation Potential (Table : 6.9)

Sl No	Sectors	Mitigation Options
1	Energy	• Use of renewable heat and power (hydropower, solar, wind, geothermal and bio-energy) • Improved supply and distribution efficiency • Carbon capture storage (CCS) • Combined heat and power
2	Transport	• More fuel efficient vehicles • Use of alternative energy sources (biofuels, cleaner diesel, etc.) • Better land-use and transport planning • Shift from individual transport to public transport systems • More efficient driving practices • Non-motorized transport (cycling, walking)
3	Industry	• Process-specific technologies that improve efficiency and reduce

		emissions • Material recycling and substitution • Heat and power recovery/cogeneration • Control of greenhouse gas emissions
4	Agriculture	• Manure and livestock management to reduce CH_4 emissions • Improved fertilizer application techniques to reduce N_2O emissions • Improved crop and grazing land management to increase soil carbon storage • Restoration of cultivated peaty soils and degraded lands • Agro-forestry practices
5	Forestry	• Reduced deforestation • Afforestation/reforestation • Forest management • Tree species improvement to increase biomass productivity and carbon sequestration
6	Waste	• Landfill methane recovery • Waste incineration with energy recovery • Composting of organic waste • Controlled wastewater treatment • Recycling and waste minimization • Biocovers and biofilters to optimize CH_4 oxidation

Chapter – 7

Safety of Schools and Child Care Institutions

Implementation of School Safety Policy Guidelines 2016 *(SSP-2016 Guidelines)*

7.1 Order on WP(C) 483/2004 of Hon'ble Supreme Court

The Hon'ble Supreme Court vide orders of dated 14.08.2017 in WP (C) 483/2004, directs vide letter no 2437/2004/SC/PIL/(WRIT) dt. 23.08.2017 that the School Safety Policy (SSP) 2016 guidelines issued by NDMA are statutory in nature and shall be implemented in letter and spirit by all concerned authorities for all schools. The direction of the Supreme Court in Implementation of the School Safety Policy Guidelines Inter-alia postulates as follow:

- Time bound implementation of the Guidelines
- District Disaster Management Authority to ensure and monitor compliance of the said Guidelines
- District Education Officer of each District to be a "Nodal officer" with responsibility, liability and obligation as well as powers and functions to ensure strict compliance with the Guidelines within the district of his jurisdiction.
- Joint Monitoring Committee consisting of representations of both Department of School Education & Literacy, Ministry of HRD and NDMA
- Quarterly compliance reports from the Chief Secretary to MHRD and NDMA on the actions taken.

Hon'ble Supreme Court has also defined few actions at different levels to ensure school safety

State & District Level	**School Level:**
• Policy for safety audits in all schools • 'Stability certificate' by Government-certified engineer. • Manual for fire safety procedures and other safety precautions • The National Building Code of India, 2005, to construct fire-safe buildings. (Revised 2016)	• Schools must take appropriate safety measures and an emergency response plan that delineates staff responsibilities, communication modes, and training and updating procedures for all members of the faculty, staff and students. • Fire insurance coverage should be made mandatory for all schools. • Ensuring that the kitchen in the precincts of the school has adequate safety mechanisms.

Ref. : Fire Safety Measures in School s(Section 3.1 p-23) / Training of School Teachers & Other Staff (Section 3.1 p-25) /School Building Specifications (Section 3.1 p-27) Clearance & Certificates (Section 3.1 p-29) SC. ***Judgement on WP(C) 483/2004***

7.2 Guidelines on School Safety Policy, 2016- NDMA

The School Safety encompasses " the creation of safe environments for children starting from their homes to their schools and back." This as well includes safety from large-scale natural hazards, human made risks, pandemics, violence as well as more frequent and smaller-scale fires, transportation and other related emergencies and environmental threats that can adversely affect the lives of children.

Vision :

- The Guidelines stand for a vision of India where all children and their teachers, and other stakeholders in the school community are safe from any kind of preventable risks that may threaten their well being during the pursuit of education.
- Educational continuity is maintained/ resumed even in the immediate aftermath of a disaster so that Children are physically, mentally and emotionally secure within their schools.

Approach and Objectives

- All hazard approach.
- All schools; all stakeholders 2. Strengthening existing policy provisions to make schools safer
- School Safety as an indicator of quality for continued planning, execution and monitoring
- Primary objective is to ensure the creation of safe learning environment for children.
- Also seek to highlight specific actions towards school safety that can be undertaken by different stakeholders within the existing framework of delivery of education.

Applicability

- The National School Safety Policy Guidelines apply to all schools in the country- whether government, aided or private, irrespective of their location in rural or urban areas.
- They apply to all stakeholders involved in delivery of education to Children in India

All hazard approach

- School Safety efforts needs to take cognizance of all kinds of hazards that may affect the wellbeing of children.
- Hazards include structural and non-structural factors.
- Structural factors include dilapidated buildings, poorly designed structures, faulty construction, poorly maintained infrastructure, loose building elements, etc.
- Non Structural factors include loosely placed heavy objects such as almirahs, infestation of the campus by snakes and any other pests, broken or no boundary walls, uneven flooring, blocked evacuation routes, poorly designed and placed furniture that may cause accidents and injury, inadequate sanitation facilities, etc.

Right to Education Act 2009

- The Act sets minimum norms and standards with regard to location and quality of schools and in Clause 19, lays down that no school shall be established, or recognized unless it fulfills the norms and standards specified in the schedule.
- One of the key standards is in relation to access to "all weather buildings"; in "areas with difficult terrain, risk of landslides, floods, lack of roads and in general, danger for young children in the approach…
- the State Government / Local Authority shall locate the school in such a manner as to avoid such dangers".
- The Act lays down the formation of the School Management Committee for planning of infrastructure and other requirements with respect to operational functioning of schools.

- The School Development Plan, as laid out by the Act, spells out the physical requirements of additional infrastructure and equipments to meet the norms spelt out in the schedule (in relation to all weather buildings).

Key Action Areas

1. **Institutional strengthening at the State & District levels**
   - Co-opting senior officials of the Department of Education in SDMA and DDMA.
   - Nomination of School Safety Focal Point Teacher & Sensitization of School Management Committee on DM.
2. **Planning for Safety**
   - Structural Measures (including siting, design and detailing for structural safety).
   - Non structural Measures.
   - Preparation & implementation of School Disaster Management Plan.
   - Leveraging existing flagship programmes to make school campus safer.
3. **Capacity building for safe schools**
   - Training for students and school staff
   - Specialized training and skill building of Education officers, representatives of SCERT and DIET, SDMA, DDMA, etc on school safety
   - Mock Drills
4. **Disaster Management in Core Curriculum**
5. **Regular monitoring of risk and revision of School Safety Plans (including Safety Audits & Availability of Emergency Equipment).**

Chapter – 8
Capacity Building Measures:

8.1 Approach

Developing a DDMP without building capacity or raising awareness amongst stake- holders can be detrimental to the development of a successful and sustainable plan. Stakeholders and communities are critical components to a successful, long-term, sustainable disaster management plan. Capacity Building develops and strengthens skills, competencies and abilities of both Government and non–government officials and communities to achieve their desired results during and after disasters, as well as preventing hazardous events from becoming disasters

Developing institutional capacity is very important. At the same time, by making the local community part of the process and solution would help in ensuring that disaster mitigation measures are more likely to be implemented and maintained over time.

8.2 Capacity Building of Govt. Officials, PRI Members etc.:

[Note: a training strategy should be formulated for training of major government and non-governmental cadres in the district who can aid in disaster management. Programmes to be finalized by the district based on need and requirement.

Districts to first utilize the funds available under different schemes at the district level, for capacity building activities. Besides, funds are also available under State Disaster Response Fund (SDRF). District Administration to prepare the Capacity Building plan for the district and send the same with detailed budget to SDMA for necessary funding.

Indicative list of training programmes is given below.]

Sl. No.	Name of the Course/ Training Programme	Participants	Duration of the Training Programme	Level of training	To be Organized/Facilitated by	Tentative Budget
1	Orientation training programme on disaster management	ADM, Sub-Collector All BDOs, Tahasildars, Head of line departments, Police & Fire Dept. etc.	1/2 day	District	DDMA/ Collector	16000

2	Training programme on heat wave preparedness	All BDOs/ EE RWS &S, CDMO, CDVO, NGOs, etc.	1 day	District	DDMA/ Collector	16000
3	Hospital preparedness and mass causality management including hospital management plan	Doctors and Hospital Administrators	2 day	District	CDMO	54500
4	Training progamme on treating heat wave related health issues	Doctors and Paramedical Staff/ ANMs	1 day	District	CDMO	16000
5	Mass Casualty Management.	Para Medics/Police/ RPF/Home Guard/Fire and Civil Defense/ Railway Officials	1 day	District	CDMO/ DDMA	16000
6	Earth quake resistant construction	Asst. Engineers & JEs	1 day	District	OSDMA	16000
7	Post disaster damage assessment	AEs of all Blocks and line departments	1 day	District	DDMA	16000
8	GIS mapping of Utilities	Block Computer Programmers, Line Department MIS officials	1 day	District	OSDMA	16000
9	Public health in emergencies- safe drinking water and sanitation	All BDOs, Block and district level officials of PHED/ RWS & S Dept.	1 day	District	CDMO	16000
10	Training of teachers on school safety including DM plan and conduct of Mock Drills	Principal/ Head Masters of all Govt. & Private Institutions	1 day	District	DEO	16000
11	Role of PRIs and ULBs in disaster management.	Members of ZP and ULBs, Chairman & Vice Chairman of	1 day	District	DDMA/ Collector	16000

		PS.				
12	Block level training programmes on role of PRIs in disaster management	Sarapanchas & PS members	1 day	Block	BDO	263500
13	Role of NGOs/VOs/CBOs in disaster management.	District and block level NGOs/ VOs involved with district administration in disaster management	1 day	District/ Block	DDMA/ Collector	343500
14	Training of GKS and VSS members on basics of disaster management and creating community level awareness for dos and don'ts related to common disasters.	GKS and VSS members	1 day	Block	District Culture Officer/ DIPRO	263500
15	Search & rescue and safe evacuation./ First Aid	Civil Defence Volunteers, NSS, NYK Volunteers, NCC	4 days	Block	SP/ Asst. Commandant of the nearest ODRAF unit.	97200
16	Training of Masons on earthquake resistant construction.	masons, skill labourer	3 day	Block	OSDMA	656200
17	Role of Media in Disaster Management	Media Personal	1 day	District	DIPRO	16000
18	Training of PRI members at Block level	PRI members	1 day	Block	DDMA	263500
19	Training of officials and PRI functionnaries on Block Disaster Management Plan and Village Disaster Management Plan	PRI/ Officials/ NGO s members/ VDMC members	2 day	Block	DDMA	620500

20	Training of Village disaster management Team member on Rescue	Village volunteers	2 day	Village	DDMA	680000
21	Training of Village disaster management Team member on First Aid	Village volunteers	3 day	Village	DDMA	1650000
22	School level preparedness Training	Principal/ Head Masters of all Govt. & Private Institutions	1 day	District	DDMA	16000
23	School Safety Programme	Members of selected programme	As per programme	District/ Block	DEO, DDMA	650000
24	Mock Drill in Major Chemical and Hazardardous Industry	Industry Security staff of industry labour	1 day	Industry level in 4 major industry location.	Asst. Director Factories and Boiler/ OSDMA/ ODRAF/ NDRAF and Civil Defence	52800
25	Printing of District Disaster Management Plan 13 copies @6000/- per copy			District Level		78000
26	Prining of Block Disaster Management Plan17X4 copies @ 5000/- per copy			Block Level		340000
27	Printing of Villag Disaster Management Plan 300x 4 copies @ 1000/- per copy			Village Level		1200000
	Total					**74,05,200.00**

(Rupees Seventy Four Lakh Five thousand Two hundred)

(Communicated to O/o SRC and MD, OSDMA vide this office letter no. 774 /Emg. Dt. 28-06-2017 and Memo No.775 dt.28-06-2017 respectively)

Sl. No.	Name of the Course/ Training Programme	Participants	Duration of the Training Programme	Level of training	To be Organized/Facilitated by	Tentative Budget
1	Drought Management ,integrated farming and soil management	DPO		State	OSDMA	
2	Horiticulture Development	DPO		State	OSDMA	
3	Industrial Disaster Management	DPO		State	OSDMA	
4	Chemical Hazard	DPO		State	OSDMA	
5	Watershed Management	DPO		State	OSDMA	
6	Rescue and First Aid	DPO		State	OSDMA	
7	Fire Safety	DPO		State	OSDMA	

8.3 District/ Block level Mock Drills:

[Periodic mock drills to be organized involving district and block level officials/ institutions to assess the capacity and preparedness to face certain disasters. All recommendations and findings will be incorporated in updating of DDMP.]

Sl. No.	Type of Mock Drill	Officials/ Institutions to be involved	Month/ Date	Remarks
1	Tsunami			
2	Flood	Kuarmunda / Bonai/ Lahunipara/ Lathikata/ Balisankara/ Subdega	November to / December	
3	Cyclone			
4	Earthquake	Hemgir/ Lephripara/ Tangrpali	January to February	
5	Industrial Accidents/ Industry Specific Mock drills	Rourkela/ Rajgangpur	December to January	
6	Crowd Management			

8.4 Community Capacity Building and Community Based Disaster Management:

[District to chalk out detailed plan for community capacity building for disaster management which includes formation of village disaster management committees and task forces, their orientation and preparation of village disaster management plans. The villages having multi hazard vulnerability or having more vulnerability towards flood, cyclone and tsunami may be selected in the first phase i.e. for financial year 2018-19]

Sl. No.	Block Name	No. of vulnerable villages to be covered during 2018-19	No. of VDMC and task force member to be oriented	No. NGOs to be involved in the process	Time line	Remarks
1	Kuarmunda	106	106	2	October to November	If fund placed from OSDMA

[Block wise village list for 2018-19 to be given in Volume II of the DDMP]

8.5 Capacity building of Cyclone and Flood Shelter Maintenance & Management Committee and Task Force members:

[Note: the districts having Cyclone and Flood Shelter constructed by OSDMA, to draw detailed action plan for formation of CSMMC & FSMMC and training of task forces.]

Sl. No.	Name of the Training Programme	Total No. of Persons to be trained	No. of Training Programmes to be organized	Time Line	Remarks if any
1	Orientation of CSMMC and FSMMC	**Not in Sundargarh district**			
2	Training of task force members on Search & Rescue and First Aid				

Shelter level mock drills:

Sl. No.	Type	No. of Cyclone/ Flood Shelters to be covered	No. of villages to be covered.	Month/ Date
1	Cyclone Mock drill	**Not in Sundargarh district**		
2	Tsunami Mock drill			
3	Flood Mock drill

9.3 PROCEDURE FOR USING INMARSAT ISAT PHONE 2

1. Stand outside with a clear view to the sky with the phone antenna pointing upwards.
2. There must be a clear line of sight between the phone's antenna and the satellite.
3. Point the antenna towards **South-East** direction.
4. Switch on the phone by pressing the Red power button of the phone for few seconds. Until the screen lights up.
5. Align the antenna for getting the maximum satellite signal strength (minimum two bars) 
6. The screen will show "searching for satellite" "registering with network".
7. The screen will show "ready for service". Inmarsat name will come in top right corner.
8. Then the phone is ready to operate
9. Simply dial the desired no:
   i. From satellite to landline : Dial **00** + Country code 91+ **STD code (without 0**) + desired **Telephone No**
   ii. From **Satellite to mobile** : Dial 00 + 91+ Mobile Number
   iii. From **Satellite to satellite**: 00+ satellite phone number
   iv. From **Landline** (should have ISD facility) to **satellite** : 00 + satellite phone number
   v. From **Prepaid mobile** (should have ISD facility with sufficient balance) to **satellite** : 00 + satellite phone number
10. To end the call Press 'red' button

NOTE:

- A delay in microseconds will be observed so the user is advised to listen to one end and then speak.
- The user is also advised to SPEAK SOFTLY to get better voice quality at the other end.
- Check the Battery. (Display will show a rectangular block that will be filled according to the charge in the battery). Always charge the battery till it gets charged 100%.
  For more detail information please follow the **User Guide document**.

9.6 Preparedness at District level: **(The list is Indicative & may be extended further as per need & requirement)**

Task	Activity
District Emergency operation Centre (DEOC)	• Test Checkup of all communication Interfaces in regular interval • Proper manning of the Control Room as per Para-10 of the Odisha Relief Code • A dedicated vehicle must be earmarked for Control Room
Upward & Downward Communication	• Have a list of Nodal person with contact details • Establish regular linkages with all important stakeholders • Contact SEOC regularly
Meeting of DDMA (Heads of the department & stakeholder)	• DDMA must meet twice every year & before any disaster • Fix time & venue for regular Preparedness meeting to Assess preparedness of District /Department /Civil Society /Block Community /Family /Individual level regularly • Circulate the minutes of the meeting with clear-cut role & responsibility
Capacity Building	• Identifying & designating Nodal Officer for different Dept. • Capacity building & skill upgradation of ODRAF/Fire services/ Police/Home Guard • Identify Volunteer like Civil Defense/Hazard prone shelter Task Force/NCC/NSS/Scout & Guide & train them on Search & Rescue, First aid, evacuation etc. • Take stake of required materials for search & rescue, first aid, casualty management, evacuation, relief etc. & update IDRN portal regularly • Assess preparedness through Mock drill at District, Block & Community level
Shelter Management	• Take necessary steps for operation & maintenance of shelters • Test Check of various Equipment at shelter level & repair of the defective ones • Ensure regular meeting of Shelter committee • Assess Shelter level preparedness through Mock drill l
Planning & Reporting	• Collect & transmit Rain fall data regularly • Collect & transmit weather report regularly • Ensure preparation of Disaster Management Plans & Safety plans at all levels • Capacity building of all Stake holders • Integrate the District plan with block & Village disaster management Plans • Develop healthy media partnership

9.7 Preparedness at Community Level

Task	Activity
Early Warning Dissemination	• Build regular linkages with BEOC & DEOC • Test Check of various Equipment at shelter level & repair of the defective ones

	• Keep updates from BEOC/DEOC • Monitor & Transmit updates to BEOC • Supply required information to BEOC & DEOC
Ensuring Preparedness	• Have a list of Nodal person deployed in the village with contact details • Identification of safer routes & shelters • Identify possible ways to reach persons like Farmers/Fisherman/NTFP collectors etc. who ventures into fields, sea & forest respectively • Build teams from among the task force on Search & Rescue, First aid, Damage & loss assessment • Assess preparedness at Family/Individual level • Test Check-up of equipment's
	• Understand Local dynamics exposed & vulnerable to different disaster • local Social Economic & weather conditions • Develop Village DM plan • List of emergency contact Nos. & display it in Centre places. • Participate in the activities of Preparing village Disaster Management, developing Safety plans, Capacity building Programmes & Mock Drills

9.8 Preparedness at Family Level **(The list is Indicative & may be extended further as per need & requirement)**

Task	**Activity**
Warning Communication	• List the minimum Important requirements Keep all the important Documents in a water proof polythene • Record the Safe & alternative routes to shelter • Keep News update in Radio/TV

Preparedness	• Always keep in readiness a "Ready to go Emergency Kit" containing Dry food (for 72 hours x Family member), Drinking water (2ltr/per person per day), Hand wash/soap, Important Documents/Valuables, Whistle/match box/lighter/ torch/battery/ umbrella, Mobile & charger / radio • Family must have a "Ready to go First Aid Kit" containing Iodine/ Band aids/ Cotton/ Medicines/ ORS/ ointments/ scissor/ halogens etc. • Assess preparedness on a regular basis by checking Radio/Mobile/ Emergency Kit/First Aid Kit/Fuels & Kerosene (as per need) • Replace the damaged outdated or expired materials with new ones.
Capacity Building	• Participate & involve in the activities of village disaster Management plan, preparation of Safety plans, participate in Capacity building Programmes & involve in Mock Drills

9.9 Preparedness at Individual Level **(The list is Indicative & may be extended further as per need & requirement)**

Task	Activity
Early Warning Dissemination	• List & keep a ready to go minimum Important requirements • Record the Safe & alternative routes to shelter • Keep News update in Radio/TV
Ensuring Preparedness	• Every individual/children must have a Personal Identity information like a copy of Aadhar card/ Voter ID / School Identity Card & Contact numbers of Preferably two who can be contacted in time of emergency • Family members especially kids must be sensitized about family gathering point during disaster & crowded places • Assess preparedness on a regular basis by checking Radio/Mobile/ Emergency Kit/First Aid Kit/Fuels & Kerosene (as per need)
Capacity development	• Participate & involve in the activities of • Disaster Management • Safety plans • Capacity building Programmes • Mock Drills & FAMEX

9.10 Preparedness of Departments **(The list is Indicative & may be extended as per need & requirement)**

Name of the Department	Normal Time
Collector/ ADM / Emergency Officer	• Ensure regular meetings of District Disaster Management Authority • Develop & update Disaster Management Plan, carry out Hazard analysis in the district • Identify safe alternate routes to hazard prone shelters. • Keep a list of Contacts of EoCs, Nodal officer of different departments, Important stake holders, Village leaders, shelters • List of Relief lines & storage places • List & maintenance of SAR equipment • Capacity building of stakeholders & volunteers • Asses preparedness through Mock Drills for different disasters at district department, block & community level • Adopt sustainable mitigation measures • Integrate DM & DISASTER RISK REDUCTION features in development programmes
CDMO	o Formation of Disaster Management Cell and manning the same with senior personnel drawn from key sections of the depts. o Formulation of Disaster Management Plan for each of the Hospitals, that is , District Hospitals & Health Centres. o Formulation of policies and programmes to make Emergency and First-Aid Services available up-to Gram Panchayat level. o Orientation and training of medical service rendering staff members in disaster response and rendering health services in „non-lab" situations. o Disaster-proofing of all Hospitals and other health facilities. o Networking with local private hospitals and nursing homes for support services during emergencies o Networking with national level specialized medical services and research centres for guidance and support during epidemics. o Enlisting and safekeeping of disaster-wise medicines at the district level and sufficient stock at the state level. o Facilitating the creation of Trauma Centre, Mobile as well as floating Medical Service Vans, Air Ambulances etc. o Formulating Standard Operating Procedure for Mass Casualty Management, for Tagging and tapping, for Medicines Supply Management, and Emergency Admission Procedure with adequate record keeping. o Identifications of sources for bulk supplies of medicines during emergencies.

	○ Review and updating of protection of equipment, safe-keeping of medicines. ○ Orientation and training of Hospital staff in disaster response plan and procedures. ○ Emergency communication network with DEOC, Hospitals and Private hospitals ○ Checklist for the stocking of drugs and other services and facilities required in emergencies at the District Hospitals. ○ To strengthen Bio-Medical Waste Management to check its adverse impact on human and cattle health. ○ Development of Air-Ambulance landing sites in Medical Hospitals ○ Preparation of Triage Protocol (Tagging, Tapping etc.) ○ The dept. shall get the medical teams trained to respond quickly in medical emergencies. Department of Disaster Management may provide support for the training. ●
Superintendent of Police (SP)	❖ Orientation and training of district–wise selected team of Police, Home Guard, Special Task Force and Fire departments in search and rescue, providing security in emergencies and being available where support services are required e.g. carrying of the injured, identification of the dead, keeping record of the same and handing over of the dead bodies to relatives etc. ❖ Training and mock drills related programmes for the selected team of police, STF, Fire, Citizen Council and Home Guard personnel. ❖ Co-ordination with Urban Development Department on fire safety measures in buildings and about certification of the same by Fire Department. ❖ Formulating policies for the creation of Fire Safety Centers and taking fire safety related measures with community level accessibility in mind and implementation of the same in focus. ❖ Organizing inspection of the building by the Fire Department and sending inspection report with recommendations to the party concerned and with a copy to BSDMA & DMD. ❖ Pressing teams of Home Guard to monitor the observance of building code, fire safety, disaster preparedness & provide support in the same. ❖ Enforcement of fire related measures in the existing buildings, specifically Govt., multistoried and other strategic ones. ❖ Purchase and distribution of Fire Safety related equipment and machinery and organize orientation and training to promote self-help and mutual help in making use of them. ❖ Reviewing the functioning of Disaster Management Cell and monitoring the

	participation of those manning the Cell in the orientation and training programmes and bringing their leanings into practice. ❖ To let the team of trained personnel manning the Cell continue for as long a period as possible.
EE- RWSS	• Formation of DM Cell and manning the same with senior personnel drawn from key sections of the department. • Advising elected representatives Zila Parishad, Panchayat Samiti, Gram Panchayat level to provide support in the implementation of Disaster Management related programme and activities • Getting them oriented in supervision and monitoring of programme implementation. • Advising them to make use of Gram Sabha to spread awareness about hazard and the need to get prepared and remain alert: • Orientation of the elected representatives in galvanizing larger community participation in disaster management • As provided in the Panchayati Raj Act getting Disaster Management related Statutory Committee formed and activated.
EE- Irrigation	❖ Formation of Disaster Management Cell and man the same with senior personnel drawn from key sections of the Department. ❖ GIS mapping of the flood prone areas and condition of embankments and other structural flood prevention and mitigation measures ❖ Developing Early Warning System to disseminate timely information regarding impending floods to the people of the area likely to be inundated ❖ Developing Flood Management Information System for all river basins of Sundargarh District. ❖ In view of the findings, formulation of further prevention, mitigation & preparedness related programme and activities along with budget for integration with those of other departments ❖ Co-ordination with DMD for the finalization of programme and activities and for implementation of the same ❖ Providing support in the implementation of the programme and activities ❖ Supervision and monitoring of the implementation of flood prevention/mitigation/preparedness schemes ❖ Working out long-term remedial measures for intensively flood prone areas in consultation with Special Relief Commissioner and OSDMA . ❖ Keeping in view drought prone areas in its purview so that intensively flood-prone areas and intensively drought prone areas may become mutually

	supportive in the long run ❖ While giving due weightage to anti-erosion, spur protection and embankment strengthening, non-structural measures related specifically to siltation prevention and clearing shall also be kept in focus and given priority. ❖ While giving effective implementation of prescribed rules and regulation it shall be kept in mind that the Rules have to include the development needs of the area, on the one hand, and the water needs of the drought prone areas, on the other ❖ Installation of required number of rain gauge stations along the inundating rivers ❖ Systematizing Multi-Channel communication networking to support disaster management ❖ Form a team of trouble shooters drawn from key sections of the department for deployment during emergencies. The team may include, if needed, competent retired persons of the department. ❖ Since Flood is a calendar bound incident, the planning and execution of the flood related disaster management shall be done in four distinct phases : ❖ From mid-October to November end field visit to formalize and finalize anti-erosion schemes for implementation. From November and to December end inviting bids and awarding contracts for the implementation of the schemes. From January beginning to May end completion of the contracts awarded. From Mid June to Mid October depending upon factors beyond control, flood-fighting in particular and disaster management in general begins and ends. ❖ Flood Fighting Force (FFF) consisting of engineers & support staff shall be constituted and placed in vulnerable areas to prevent/mitigate major disaster ❖ Number of rain gauges shall be increased to cover all the major rivers causing inundation. ❖ Establishment of dedicated communication system for flood management.
DAO- Agriculture	❖ Formation of DM Cell and manning the same by drawing personnel for key sections of the Department. ❖ Facilitating the identification of drought prone areas through GIS mapping, rainfall estimation etc.

	❖ Survey and study of identified drought prone areas ❖ Formulation of prevention, mitigation & preparedness measures along with budget allocations in association with Water Resources, Minor Irrigation and PHED departments ❖ In consultation with PHED, Minor Irrigations & Rural Development Department formulation implementation and monitoring of rainwater harvesting policies and programmes and activities ❖ Formulation of agricultural product policy for the area, working out contingency crop plan in case of delay in monsoon and strategizing the storage and supply of needs, fertilizers and pesticides in order to promote compatible agriculture practices in the area ❖ In association with the Department of Forest and Environment workout programme and activities for the ecological betterment of the area. ❖ In association with the departments of Water Resources and Minor Irrigation plan for providing irrigation facilities during drought. ❖ Formation of Damage Assessment Team •
EE- RD EE – R &B	• Formation of DM Cell and manning with senior personnel drawn from key sections of the Department. • Get the GIS mapping of roads and bridges in vulnerable areas done. • Work out the requirement of materials and machinery for the restoration of roads and have them stored in strategic places in district. • In association with Water Resources revisit the roads in the vulnerable areas keeping in view terrain heights with reference to danger level at different stretches and make preparations accordingly. • High flood level be kept in view for major road bridges construction in future. • Road construction with prescribed indicators for safe driving etc. and properly marked lanes be done, maintained and monitored. • Install Technology oriented latest signs and indicators and caution notes. • Undertake inspection of bridges to assess their vulnerability. This shall be done in association with Water Resources Department during November-January every year. • Undertake repair and maintenance of vulnerable bridge during February-May. • Prepare detailed road map of the state including village roads and bypass and other connecting roads so that at the time of disaster shortest possible route to

	reach the site may be worked out.
DTO-Telecom	❖ Telecommunication equipment should be installed at suitable locations in disaster prone areas to be able to withstand impacts of any disaster. e. g. in flood prone areas location of exchanges/ critical equipment to be preferably at higher altitude area to avoid inundation of water. The plinth should be kept high. ❖ Wherever feasible, critical equipment should not be concentrated in one building. ❖ All buildings, towers and equipment sites should be equipped with adequate fire protection measures like detection and extinguishing systems etc. ❖ All buildings, towers and equipment site structure should comply with building bylaws prescribed for earthquake resistant building depending upon seismic zones. ❖ As far as possible, communication cables should be buried underground in ducts to reduce their vulnerability (it is also advisable to have all disaster management centers connected through underground cables).
CDVO	• Formation of DM Cell and manning with senior personnel drawn from key sections of the department. • Training of staff on SDRF norms and management of disaster during different phases. • Storage of feed and fodder at safe places in flood and drought prone areas and making arrangements for its promotion and supply. • Prepare for the vaccination as well as treatment of livestock through Veterinary Department. • Formation of a team for Emergency Support Services to livestock like creation of shelter, storage and distribution of fodder, vaccination and medicines during disaster days. •
RTO/MVI	• Formation of Disaster Management Cell and manning with senior personnel drawn from key sections of the department. • Taking road and boat accident prevention and control measures by giving due thrust on ***Education:*** □□Creating awareness about road safety measures among the drivers, pedestrians and school children. □□Lessons on road safety be included in school curriculum. ***Enforcement :*** □□Organized checking of vehicles and boats, drivers licenses, drinking of alcohol,

	repair and maintenance, certification by pollution control board etc. ***Engineering :*** □□Road construction with prescribed indicators for safe driving etc and properly marked lanes be done and monitored and maintained. □□Vehicles plying on roads and boats ferrying shall be regularly inspected on the basis of standard checking procedure laid and approved. • Getting GIS mapping of roads and rivers done in flood prone areas so that appropriate driving/sailing instructions be prepared and given to drivers driving on that route. ***Emergency First Aid*** • Checking First Aid facilities be kept in each vehicle and drivers and conductors be given training in providing First-Aid support services. • The mobile number of mobile medical care unit be written in bold letters in front of the driver and above the back view panel. • As road accidents call for specilised rescue and medical relief operation, department may consider creating a separate "Road Safety Fund" to create facilities to attend to the relief etc. needs of road & boat accident victims. **Odisha Boat Rules, 2004 should be enforced.** • Orientation and training programme shall be organized for Drivers and boatmen to inculcate in them safe driving and safe sailing habits. • A programme shall be organized to impart training to boat surveyors, MVIs and Master trainers for making travelling by road and sailing by river safe. •
DFO-	• Formation of DM Cell and manning with senior personnel drawn from key sections of the department • Preparation of strategic plan in consultation with associated departments. • Regular checking of emissions produced by industries, chemical effluents and vehicles. • Regular checking of water pollution both surface and ground. • Implementation of social forestry scheme in mission mode. • Preparation of wild life protection programme and activities during various disaster related crisis. • Preparation of Emergency Plan for wild life housed in Sanjay Gandhi

	Biological Park. • Preparation of Emergency Plan for each Industrial Estate after having studied the kind of units located there in. • Training of the field level officers and personnel of the department in view of the above. •
Railway	During Normal time the following resources are available for preparedness to promptly and effectively respond to any threatening Disaster: **On trains carrying Passengers following Resources are available:** (i) First Aid Box available with the Guard. (ii) First Aid Box available with Train Superintendent and in the Pantry Car. (iii) Portable Telephones, Fire Extinguishers in Brake Van. (iv) Portable Telephones in Locomotives. (v) Walkie-Talkie with Guard and Driver. (vi) Cell Phones/Mobile communications with Passengers. (vii) Information collected by Train Superintendent/Traveling Ticket Examiner about **Medical Practitioner traveling on the train.** (viii) Information collected by TS/TTE about Railway Officers traveling on the train. (ix) Railway staff traveling on the train-either on duty or on leave as passengers. (x) Passengers traveling on the train who volunteer their help for rescue and relief work. (b) Non-railway resources available nearby: (i) Volunteers from nearby villages and town. (ii) Transport facilities available at site or passing through nearby LC Gates. (iii) Tractors with trolleys from nearby villages both for transport purposes and for lighting up the accident site. (iv) Station staff and local railway administration should requisition help from non railway sources before railway own rescue team arrives. (v) Such local networks are most effective in rushing assistance immediately, especially with regard to : - Medical succor, - Additional manpower, - rescue equipment, - lighting arrangements, - transport services, - Fire fighting tools etc. (c) Railway resources available nearby: (vi) Engineering gangs. (vii) OHE staff and Signal staff available. (viii) Other resources such as medical facilities, communication facilities (d) At adjoining Stations:

	- Disaster Management Plan a. Staff available at adjoining or nearby stations. b. Railway resources as given in respective Divisional DM Plans. c. Non-railway resources as given in respective Divisional DM Plans. d. Resources should be mobilized to send medical team at short notice as given in the respective Divisional DM Plans. GEOGRAPHICAL INFORMATION SYSTEM (GIS) Data Bank is available in the Rourkela Station, GIS in the computer of Disaster Management Room. All the necessary information such as the phone numbers of all stations of Rourkela Station including the numbers of Police station, SP, Collector, Hospitals, Blood Banks, Airport/Helipad, NGOs etc. to effectively respond to the disaster or any train accident within fraction a minute by click the mouse. Disaster Management Mock Drills:- Each division should conduct one full scale Disaster Management exercise once in a year similar to such exercise conducted by armed forces. Every possibility to improve State/District/Local Authorities, Armed Forces units and NDRF Battalion pertaining to the area may be ensured while conducting such exercises. A joint may also be submitted to all concerned highlighting the achievements as well as the shortages noticed during the exercise. Accident Mock Drills : The period between two consecutive turnouts of any Relief Train/ Accident Equipment should not exceed three months. If, therefore, relief train/ accident medical equipment has not been called out in the normal course during a period of three months, a practice drill should immediately be arranged. Disaster Management Plan It is further clarified that whenever there is an accident during the three months period need not be conducted instead the details of preparedness viz. turning of response team , turning up of doctors/staff, restoration process etc. can be tabulated and taken as a mock drills for the purpose of statistics. In a financial year, quarter ending is on 30th June, 30th Sep, 31st Dec and 31st March.
EE- Electricity	• Formation of DM Cell and manning with senior personnel drawn from key sections of the Department. • In association with Urban Development Department work out preparedness and restoration of power supply measures in case of Heat Wave/

	Earthquake/Drought/ Flood. • In association with Water Resources Department prepare for emergency power supply in flood prone areas. • In association with Labour and Industry Departments work out safety measures in Industrial Estate. • Make necessary arrangement for lightening proofing of Power Sub- Station. •
EE - PHED	• Formation of Disaster Management Cell and manning with senior personnel drawn from key sections of the dept. • Formulation of Public Health Engineering related programme and activities by intonating them with hazard specific preventive and mitigation measures. • Creation of stocks of installation materials at the district level for use in emergencies. • Orientation and training of a team of technicians to do installation as quickly as possible. • Strategizing the installation of hand-pumps etc. with hazard profile of the area in mind. • In consultation with the Department of Education and DMD, provision of additional sanitation and drinking water facilities in schools and relief shelters where people take refuge during flood. • In consultation with the Department of Disaster Management making special arrangements for the supply of drinking water in drought prone areas. • Planning for repair and maintenance of the facilities created as a part of the programme and activities. • Keeping a track of groundwater level and having a fresh look at the facilities created accordingly. • Organizing interaction with Gram Panchayats for having proper sanitation facilities, and providing them support and guidance in planning, implementation and maintenance of the same. • Procurement, upkeep and maintenance of sanitation equipment for use in emergencies.
DEO- School & Mass Education	• Formation of Disaster Management Cell in every school and involving parents and local leading people. • Incorporating costs for preventive and mitigation measures for earthquake, flood, fire and cyclonic storm prone areas to construct disaster resistant school buildings. • In association with Fire Dept. getting fire extinguishers installed in schools

	and teachers identified and trained in operating them. • Awareness Generation Programmes about Hazard, the kind of preparedness required and how to act at the time of disaster shall be organized in schools on monthly basis. • Disaster Management shall be made a part of the school curriculum. • The Department shall get quality films made on hazard wise disaster preparedness and organize their viewing by children and their parents. • The Department shall in association with Nehru Yuva Kendra organize locality based youth clubs and get them groomed in escort services, relief work and taking care of children, women, old and sick. • Making adequate arrangements for getting hand pumps installed, storage facilities created, toilet and bathrooms built in those schools where communities do take shelter during flood. Concerned departments shall either make the arrangements or make funds available for the same. DMD shall coordinate.
DEO - Higher Secondary Education	• Formation of Disaster Management Cell in every colleges/ institution and involving NCC cadets/ NSS volunteers/ Red Cross Volunteers. • Incorporating costs for preventive and mitigation measures for earthquake, flood, fire and cyclonic storm prone areas to construct disaster resistant colleges/ institution buildings. • In association with Fire Dept. getting fire extinguishers installed in colleges/ institutions and person /staff identified and trained in operating them. • Awareness Generation Programmes about Hazard, the kind of preparedness required and how to act at the time of disaster shall be organized in colleges/ institutions on monthly basis. • Disaster Management shall be made a part of the colleges/ institution curriculum. • The Department shall get quality films made on hazard wise disaster preparedness and organize their viewing by children and their parents. • The Department shall in association with Nehru Yuva Kendra organize locality based youth clubs and get them groomed in escort services, relief work and taking care of children, women, old and sick. • Making adequate arrangements for getting hand pumps installed, storage facilities created, toilet and bathrooms built in those colleges/ institutions where communities do take shelter during flood. Concerned departments shall either make the arrangements or make funds available for the same. DMD shall coordinate.

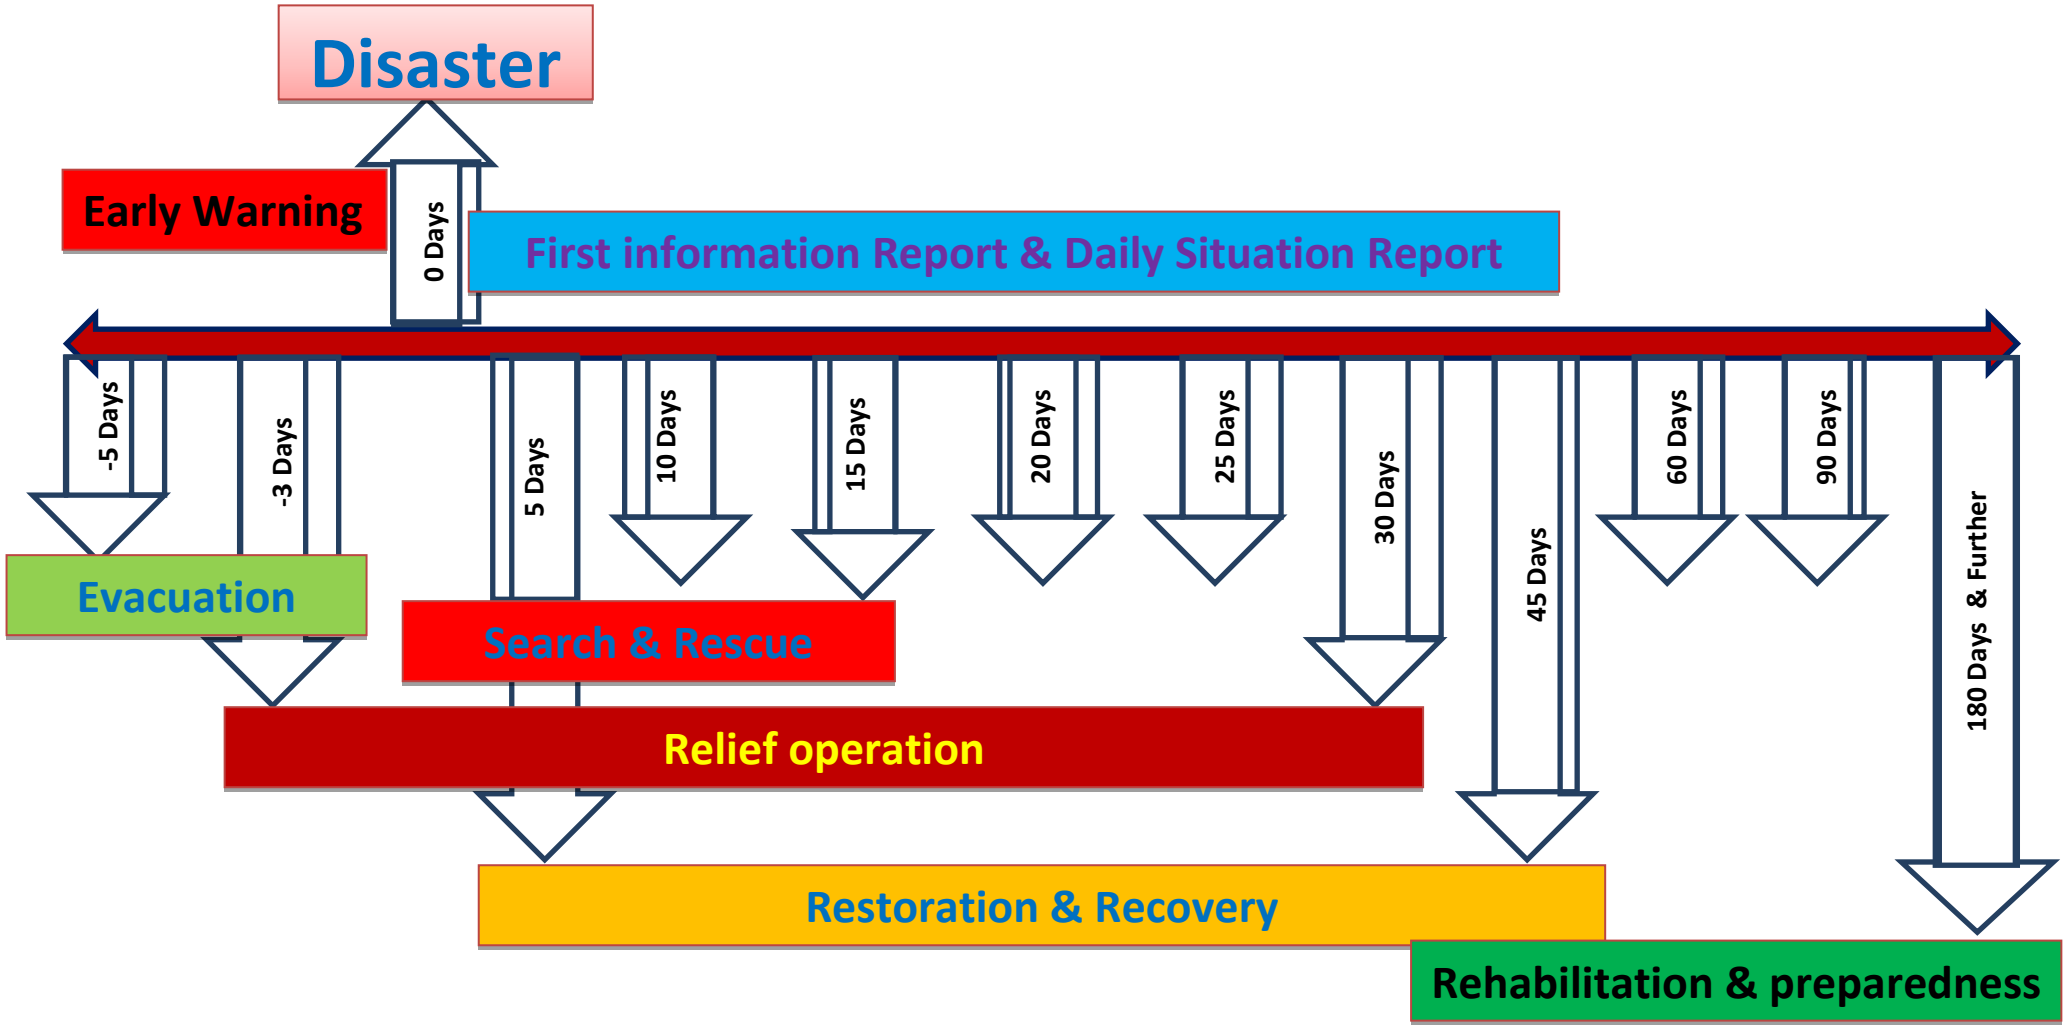

SOP for the Departments to be done accordingly

Chapter-10

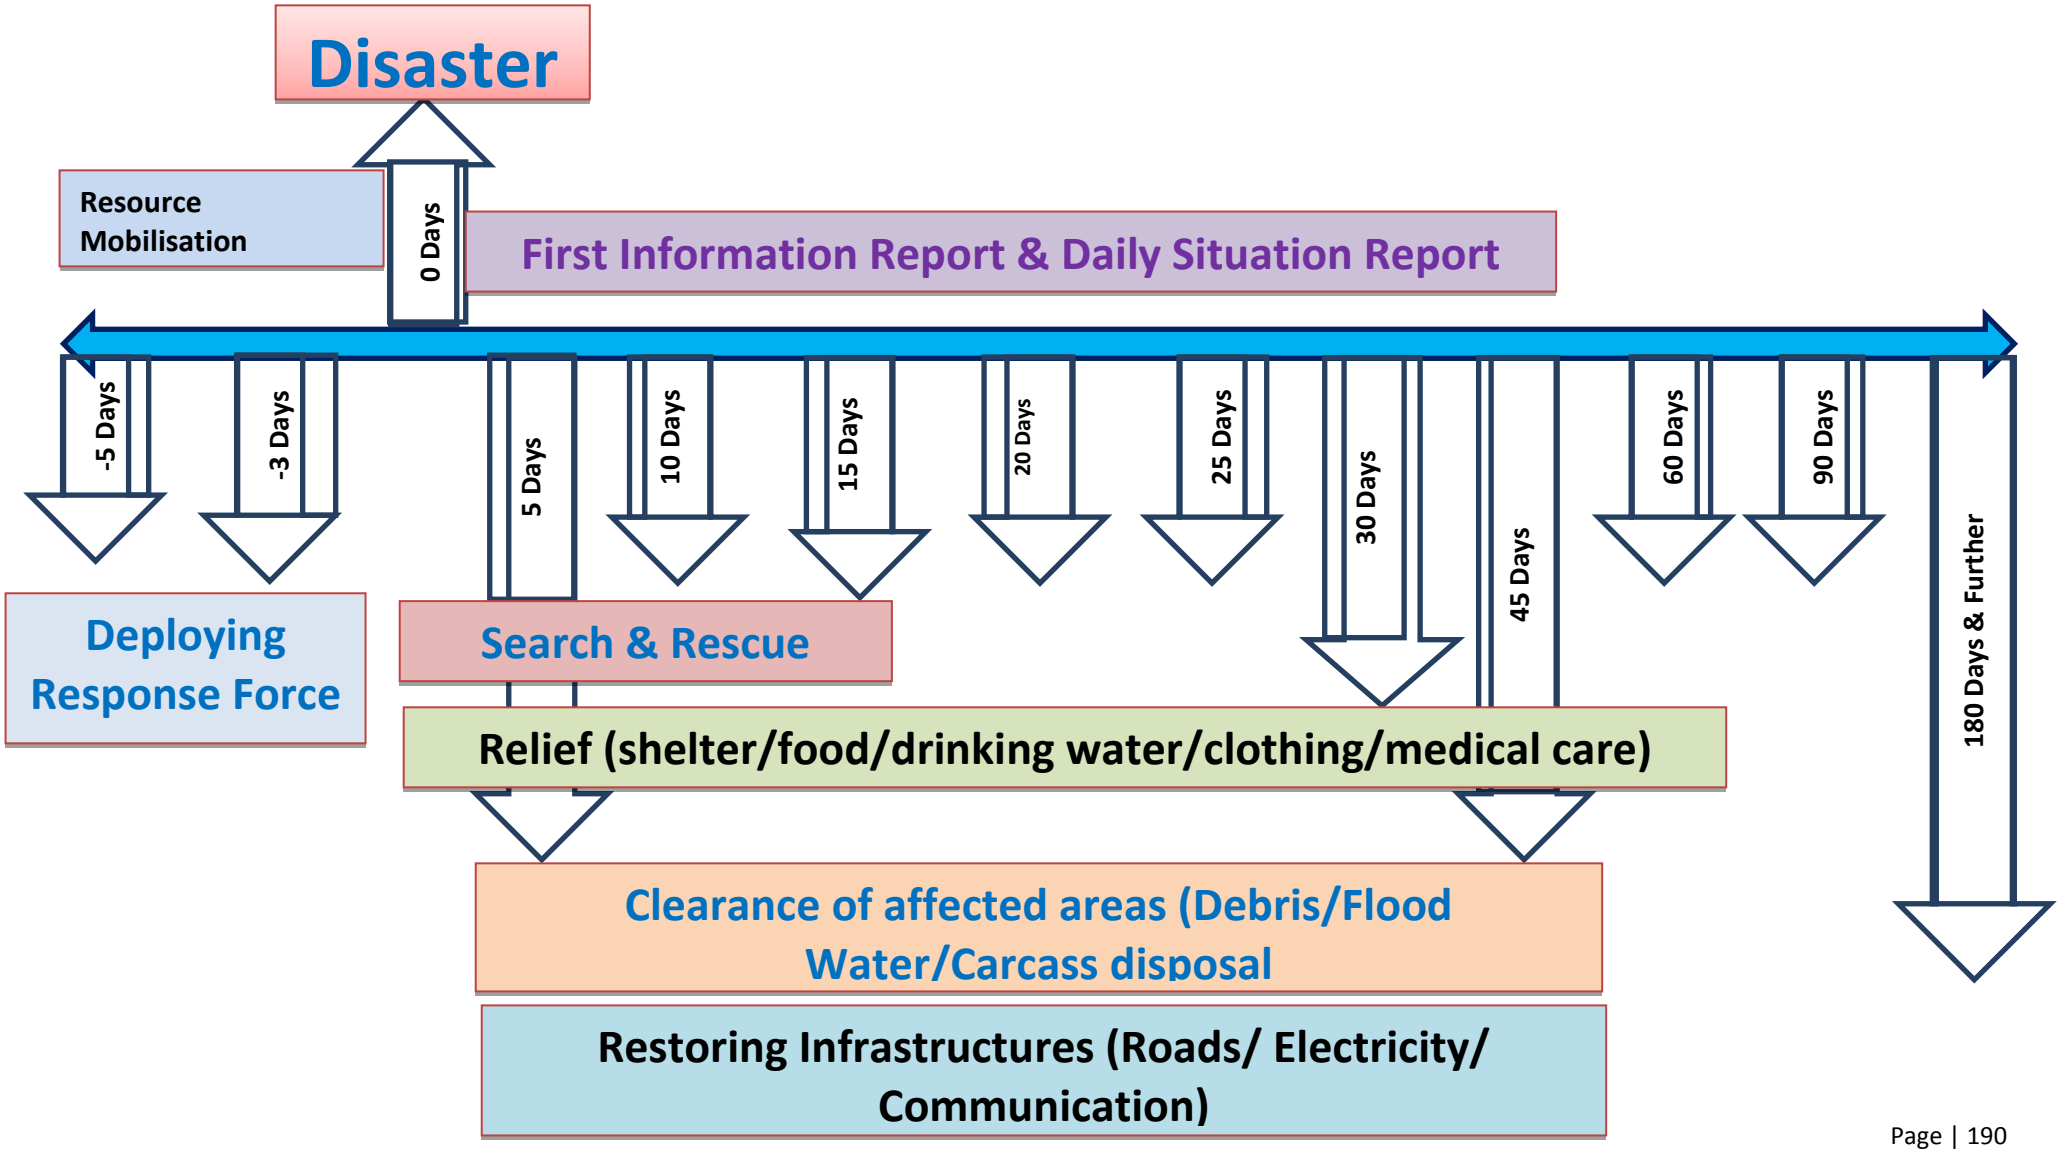

Response

Response refers to activities done for handling disaster to bring the situation to normalcy not exceeding fifteen days from the abatement of disaster. The onset of an emergency creates the need for time sensitive actions to save life and property, reduce hardships and suffering, and restore essential life support and community systems, to mitigate further damage or loss and provide the foundation for subsequent recovery. Effective response planning requires realistic identification of likely response functions, assignment of specific tasks to individual response agencies, identification of equipment, supplies and personnel required by the response agencies for performing the assigned tasks. A response plan essentially outlines the strategy and resources needed for search and rescue, evacuation, etc.

10.1 Phases of Response : Timeline (Indicative)

10.2 Relief Management: Timeline

10.3 Response

Response: District (The list is Indicative & may be extended further as per need & requirement)

Task	Activity
Warning Communication	• Warning dissemination to the list of Nodal person & concerned BDOs • Recording the receipt of information & regular Status update • Transmitting updates to SEOC in regular interval as instructed
Meeting of DDMA (Heads of the department & stakeholder)	• Collector to take up a department coordination meeting & distribute works among all the Departments • Collector issues circular to keep Govt. offices open cancelling all holidays. • A fixed time to be finalized every day for reporting at all level. • A nodal officer is identified for media management • Circulate the minutes of the meeting with clear-cut role & responsibility
Pre-positioning of staff, resources & Evacuation	• Identifying & designating Nodal Officer for different stages of disaster & affected areas. • Positioning of ODRAF/NDRF/Fire services/ Police/Home Guard in the affected areas • Pooling Volunteer services (Civil Defense/Task Force/NCC/NSS/Scout & Guide) • Take stake of required materials for search & rescue, first aid, casualty management, evacuation, relief etc. • Make necessary arrangements of shelters for evacuation • Constitute a special team for special care to vulnerable section like Specially abled, Sr. Citizen, Pregnant & lactating women, Infants & children etc.
Rersponse	• EOCs to Ensure back up (Power/Fuel/internet/ Communication at Dist/Dept. & Block levels • Response force under guidance of Nodal officers ensure complete Evacuation (Human/ Animal), carry out Search & Rescue, clear relief lines, • Collector to submit requisition of vehicle/boat/ helicopters & list of support from state & Centre to all concerned authorities • CSO to store required relief materials (Chhuda. Gur, Dry Foods) in the nearby storage points • CDVO to store, transport & distribute required fodders for animals to the affected areas

	• Cyclone shelter committee & Village Disaster management committee to organize free kitchen in the shelters with help of revenue dept. • EE- RWSS & CDMO to ensure supply of drinking water, disinfection of water & maintain Health & hygiene in the shelters • CDMO to carry out First aid & casualty management • Collector to collect & transmit First Information Report (FIR) & Daily Situation Report as per requirement

10.4 Response : Community Level (The list is Indicative & may be extended further as per need & requirement)

Activity
• DEOC to dissesiminate warning communication to BEOC & Community • Response force to ensure Power/Fuel/internet/ Communication at Shelters back up • Supply Inspectors & Marketing Inspectors to distribute relief materials with response force, Task force & volunteers • Response force to carry out Search & Rescue measures, Emergent relief operation, Relief line clearance, distribution of relief • Doctors to carry out First aid & casualty management, Carcass disposal & sufficient mortuary facility in the affected areas

10.5 Response: Family & Individual Level (The list is Indicative & may be extended further as per need & requirement)

Task	Activity
Response	• Listen to the instruction of the response force & warnings • Economic use of "Ready to go Emergency Kit" Ready to go First Aid Kit • Cooperate the response force/officers & Render volunteer service if asked for • Maintain cleanliness & hygiene at shelter

10.6 Response: Standard Operating Procedures for Departments (The list is Indicative & may be extended as per need & requirement)

Name of the Department	On Receiving Warning	Response time	Post Disaster
Collector/ADM / Emergency Officer	• Review the situation in DDMC • Activate EOC & Early Warning • Work distribution for operation • Circular to keep offices open • Arrange vehicle & activate Evacuation (Normal/Forceful) •	• Activate Search & Rescue • Arrange temporary shelters • Arrange logistics in shelters • Workout financial estimates (evacuation / relief /recovery) •	• Activate relief line clearance • Proper relief Distribution • Start damage assesment • Facilitate Ex-gratia & Compensation • Start primary damage estimate • Pool resources for SAR/shifting of critical patients
CDMO	• Disseminate the alert to all concerned (Staff list) • Arrangement of medicine, First aid kits & teams • Mobile Health units for inaccessible pockets • Identifying & shifting patients requiring intensive care to safer places • Supply of medicines & pre-positioning of medical teams to vulnerable areas • Vaccination for prevention of communicable diseases • Measures to dis –infect drinking water • Availability of Blood Banks/Ambulance • Determine earthquake risk • Identify items that could fall, slide, or topple and injure people or break	• Mass Casualty Management units & Triage • First Aid Centers • Medical surgical teams • Adequate mortuary facility • Measures to shift patients requiring intensive care • Pool of Blood donors (Preferably each group) • Additional laboratories • Carcass disposal team & units	• Psycho-Social Counseling • Post Disaster Disease surveillance system • Special attention to vulnerable section • Networking with & promote treatment in Private Hospitals • Carcass Management & Issuance of Death Certificate

	• Anchor and brace those items to reduce risk • Prioritize actions to reduce risk according to your hospitals needs and budget •		
Superintendent of Police (SP)	• Preparedness and Dissemination of Warning ▪ Reception of Warning from the DCR ▪ Communication establishment with Control rooms within the division. ▪ Alerting the APR force for deployment at the time of calamity • To issue directive to police field functionaries to co-operate with Revenue Personnel in management of Relief operation	▪ Clearance of roads and other means of transportation ▪ Traffic management and patrolling of all highways and other access roads to disaster sites ▪ Making sure that discipline is maintained ▪ Assistance to district authorities for taking necessary action against hoarders, black marketers and those found manipulating relief material ▪ Co-ordination with fire personnel. ▪ Provision of security in transit camps/feeding centers/relief camps/cattle camps/cooperative food stores and distribution centers ▪ Safe guarding of belongings of evacuees Distribution of Relief: ▪ Maintaining laws and order at the Shelters and the relief camps ▪ Coordination with military service personnel in the area ▪ Deploying officers/ police personnel to record death cases	▪ FIR of the disasters, the damages and the death cases. ▪ Assisting in collection of damage statistics of private properties and distribution of assistance such as HB grant/ sand-cast subsidies. ▪ Maintaining law and order ▪ Close Coordination with district administration and local/external NGOs in reconstruction and rehabilitation process ▪ Assisting the District authority whenever the need arises Periodical visits to the affected areas to ensure law and order

		▪ Assisting the community in organizing emergency transport ▪ Assisting the District officials/NGOs in distribution of relief materials. • Providing escorts in transit of relief materials to the relief camps/affected areas	
EE- RWSS	• Deploy teams with required materials to purify water / supply pure water through tankers etc. • Attend to the requirement of shelter in buildings. • Attend public grievances. • Attend complain received from water scarcity areas. • Opening of Emergency Control room round the clock.	• Introduce water budgeting in all water bodies to regulate water use (Drinking water should get precedence over agriculture/irrigation) • Encourage local traditional drinking water structures (temporary water bodies in the sandy nala/river bed to utilize the sub surface water) • Provisions of drinking water in tanker/lorries/bullock carts/ tractor for areas facing acute water shortage • Awareness generation on safe drinking water and sanitation to prevent the outbreak of epidemics.	• Repair of defunct tube wells in a war foot basis. • Cleaning and disinfestations of the drinking water sources. • Repair and raising of the platform of tube wells and sanitary wells in the flood prone areas • Promote improved sanitation and hygiene practices among people. • Document and disseminate good practices in use of safe drinking water , sanitation and hygiene
EE- Irrigation	• The branches to canal drain bandha to be closed. • The Embankments should be Strengthened.	○ Assessing the damage to small check dams. ○ Survey of blocked water ways. ○ Opening up alternate channels for	• Creation of new irrigation and rain water harvesting schemes. • Promotion of research in water conservation and management in the drought affected areas.

	• It should be checked whether the passage bridge and channels are in good condition. • The obstruction in the canals if any should be got removed immediately to be enabling free flow of water. • The bocks and shutters of the canals are to be checked and satisfied that they are in good condition. • The instruments and materials etc. required attending to immediate repairs breach of closures etc. should be stacked at places where they may be required locating such places early. • Navigation in the canal should be stopped. • Water supply in to canals should be out off by closing the sluices. • The canals and drains should be free from	releasing excess of water. ○ Periodic monitoring of water levels check dams. ○ Providing irrigation to the drought affected lands for sowing and saving the standing crops. •	**Flood** • In association with Water Resource Department work out ways and means of conserving the surplus water and utilization of the same in drought prone areas. **Drought** • Identification of drought prone areas, availability of water resource in the area, level of ground water in the area. • Formulation of prevention, mitigation and preparedness measures. • Strategesing the cropping pattern in association with Department of Agriculture and Creation of Irrigation facilities accordingly. • Monitoring and supervision of the watershed and rain water harvesting facilities in the drought prone areas.

	constructing and they should be made available for free discharge of drain water.		

DDA- Agriculture/
DDH- Horticulture/
 	
PD- Watershed
	• Proper Agricultural planning as per the soil and climatic condition, local preference and market potential and socio economic condition of the farmer (Crop diversification, Varietal substitution, Intensive agriculture etc.)
	• Suitable Alternate land use planning, based on the land suitability to reduce the impact of drought, by avoiding risky arable crop production system (Agri-horticulture, Agri-silviculture, Silvipasture etc.)
	• Practice of Conservation and Regeneration Agriculture through the promotion of Organic farming, green manuring, application of bio fertilizers, crop residue management, mulching etc.
	• Integrated Intensive Farming System Approach to meet the multiple requirement of small and marginal farmer.
	• Encourage the formation of social institution to increase their access to credit, market, insurance etc. like Producers/Growers association, Cooperatives, Societies, Farmers club etc.
	• Capacity building of farmers and grass root extension workers on the modern agriculture practices, dynamic contingency crop planning, IPM, INM, alternate land use etc on
	  • Popularization of Seed Village scheme
		• Crop damage assessment
		• Working out alternative cropping for the drought as well as flood affected areas and organizing all the inputs required for the same
		•
			• Providing support in the implementation of alternative cropping programme in drought as well as flood affected area
			• On the basis of crop damage assessment organize payment of input subsidy in accordance with State Disaster Response Fund norms in association with SRC.
			Disaster Wise
			Earthquake :
			• Crop damage assessment Payment of Agriculture Input subsidy
			• Working out crop contingency plan
			Floods :
			  • Crop damage assessment
			  • Payment of Agriculture Input subsidy
			  • Working out crop contingency plan
			Drought :
			• Identification of drought prone areas through GIS mapping, rainfall

	and promotion of Community managed Seed Bank. • Increase the access of farmers to appropriate agro information, market, credit etc. • Promotion of the cultivation of vegetables, spices, tuber crops, mushroom etc through on field demonstration and minikit distribution program. • Construction of low cost storage structures for the perishable agro/hort. Products. • Training of the SHGs, vegetable growers etc. on the package of practice, proper storage, processing and value addition of the hort. Products. • Treatment of arable and non-arable lands through various mechanical and vegetative measures to prevent further their degradation and increase productivity •		estimation etc. • Survey and study of identified drought prone areas • Formulation of prevention, mitigation and preparedness measures along with budget allocations • Formulation of policy and strategizing the implementation of rain harvesting programme & activities • Working out Crop Contingency Plan • Providing Agriculture Input subsidy • Strategizing the storage and supply of seeds, fertilizers and pesticides • Working out ecological betterment of the areas • Organizing the irrigation facilities • Working out alternative cropping programme and activities **Fire :** • Crop Damage Assessment Providing Agriculture Input subsidy • Supply of Seeds and Fertilizers

			•
EE- RD EE, NH	• .Open Emergency Control Room • Deployment of staff and equipment like earth moving and clearing vehichles / equipments (available with Govt. Departments, PSUs, and private contractors, etc.) and formulate a plan to mobilise those at the earliest. • Inspection and emergency repair of roads/ bridges, public utilities and buildings.	• Activate departmental disaster management plan • Clearing of roads and establish connectivity. • Restore roads, bridges and where necessary make alternate arrangements to open the roads to traffic at the earliest. • Mobilisation of community assistance for clearing blocked roads. • Facilitate movement of heavy vehicles carrying equipments and materials. • Identification and notification of alternative routes to strategic locations. • Filling of ditches, disposal of debris, and cutting of uprooted trees along the road. • Arrangement of emergency tool kit for every section at the divisional levels for activities like clearance (power saws), debris clearance (fork lifter) and other tools for repair and maintenance of all disaster • response equipments.	• Strengthening and restoration of infrastructure with an objective to eliminate the factor(s) which caused the damage. • Review and documentation. • Sharing of experiences and lessons learnt. • Training to staff. • Development of checklists and • Contingency plans. Repair and maintenance of the damaged roads, bridges and culverts. – Construction of roads, bridges and culverts to connect the rehabilitation site. **Earthquake** – GIS mapping of the damaged area and reconstruction of roads, bridges & culverts. **Flood** – GIS mapping of the damaged area and reconstruction of roads, bridges & culverts **High Speed Wind** – Gathering information about the damages caused and undertaking reconstruction work accordingly.

EE- R &B	• Control room to be open. • Public addresses equipment should be obtain kept ready. • The communication line between villages should be ascertained • The names of villages which is disaster prone to be kept in ready. • The public should be fully educated regarding the precautionary measures & after disaster through available media. • Specific duties should be assigned to the field staff. • The field staff should proceed to the place of work allotted and be ready to attend to emergency relief duty.	• Ensure that connectivity is restored at the earliest. • Prompt identification of alternative routes, in case the road/ bridge is washed away/ breached.	• Govt. buildings should be inspected and necessary repairs to be got executed to withstanding hazards affected. • Script for slides, pamphlets, and cultural programmers should be got prepared immediately. • Arrangements should be made to obtain poster and films by addressing the Director I & PR through the Collectors.
DTO-Telecom	Control Room shall be fully activated for managing the incident. • Satellite terminal (e.g. DSPT etc.) • Satellite based Emergency Communication Terminals • Portable/ air-transportable BTSs and satellite equipment for connecting to BSC/MSC • OFC cable with restoration kit • Tool kit • Portable gen-sets/spare batteries etc. • TSPs shall inform their customers via SMS / Cell Broadcast or recorded voice messages as per instructions of Government in the affected areas. • TSPs shall keep all the required inventory and personnel in readiness.	• Receive and process disaster alerts and warnings from nodal agencies and other sources and communicate the same to all designated authorities. ▪ Monitor emergency operations ▪ Facilitate Coordination among Ministries/Departments/Agencies. ▪ Requisitioning additional resources during the disaster phase ▪ Issuing disaster/incident specific information and	☞Where Disaster strikes with/ without early warning signals, TSPs shall immediately assess damage to their network and deploy Rapid Damage assessment Team & Disaster Response Task Force Teams (DRTF) with required inventory to provide emergency communication to priority callers like District Emergency Operation Centers (EOCs), Police, NDRF, Fire, Medical, Civil Defense, Red Cross, Army, Financial Institutions, NGOs, all officers and staffs engaged in restoration of telecommunication services, etc.

	• TSPs shall take all pre-emptive measures (based on the nature of warning) as mentioned in this SOP or in any specific instructions/ orders issued by Government and report the same to SDTCC. SDTCC shall compile the details of such measures and report to NDTCC.	instructions to all concerned; • Consolidation, analysis, and dissemination of damage, loss and assessment data; • Forwarding of consolidated reports to all designated authorities. • The State and National Control Room shall be informed. First Information Report shall be submitted to National Control Room. • DRTF and RDAT teams shall be deployed by TSPs.	☞ If required portable / vehicle mounted / air-transportable BTSs / BSCs with backhaul on satellite media may be installed by TSPs. ☞ Nodal officer of TSPs of affected telecom circle level shall report to their respective authority. ☞ TERM units of DOT shall be the single nodal point in the disaster region where representatives of TSPs shall also be present to coordinate and oversee communication Restoration efforts. ☞ A control room will be setup at the state HQ / nearest to affected area, as the case may be, and made operational under control of TERM cell of affected area. ☞ The DDG of concerned TERM cell shall act as interface between all TSPs and other support agencies including State Government for any coordination related issues. ☞ TSPs shall make helpline numbers operational where the last location of the survivors or

			missing persons can be intimated to the relatives. ☞ Providing information through helpline numbers about the last location details or sharing of CDRs of the subscribers, in the disaster affected areas, with the state/ central agencies requires special regulatory permission. However, in case of occurrence of disaster, these permissions would be deemed automatically permitted for duration of 2 weeks. ☞ TSPs shall share specialized resources and allow Intra-circle roaming as per MoU for provisioning of services to priority user groups and general public during disaster period. ☞ TSPs shall broadcast messages at regular intervals, in consultation with STDCC/NTDCC, to all the subscribers in the affected areas through SMSs / Cell broadcast giving details about: (i) Details of TSPs helpline numbers.

			(ii) Details about rescue and relief activities of state government uch as tentative schedule of food / water distribution / nearest Shelter/ shelter camp etc. as per need of DDMA. ☞ TSPs shall open sufficient number of PCOs, preferably free of cost, for use of general public in affected area. ☞ TSPs shall also ensure that in the disaster affected areas, no subscriber shall be denied access to voice / SMS communication due to any commercial consideration, whatsoever, including non-payment / insufficient balance/recharge etc. This facility shall continue for at least 15 days. ☞ Disaster management Cell shall submit the status report in respect of overall telecom facilities In affected area to DoT, HQ on daily basis or as sought by DoT, HQ.
CDVO	• Opening of Control Room. • Deployment of Staff. • • Popularization of the livestock farming as one of the viable alternative livelihood option	• Organize animal health camp for necessary treatment of sick animal • Arrange for the immediate sale of livestock, livestock product	• Thorough checking of livestock before handing over to the owners. • Assessment of Damage • Facilitate claim settlement of

	in the normal year in particular and in drought year in general through awareness generation, attractive schemes etc. • Improvement of the quality and productivity of local livestock through Artificial Insemination and other breeding process. • Strengthening of the dispensaries/Livestock Aid centers with staffs, medicines, and equipments to proper health care of the animal. • Capacity building of the grass root extension workers/Para worker/ farmers on animal health care and hygiene, AI/breeding, birth care etc. • Popularization of the cultivation of nutritious fodder grasses or trees in the home stead/field bunds of farmers/village pasture lands etc. through demonstration unit, mini kit distribution etc. • Storage, Processing, Market linkage, Price fixation of the livestock products • Promotion of the development of Institutions like Milk Cooperatives, Goat grower association etc.for better access to market, credit etc. • To aware the community to collect and store feed /fodder /crop residues • Stalk piling of essential medicines in the dispensaries/Livestock Aid center. • Construction of VATs in front of the tube well for the drinking of domestic animals	• Harvest and market the dairy based product through OMFED. •	victims in coordination with SRC / District Administration.

RTO/MVI	• List of vehicles running condition to be requisitioned kept ready. • The MVI/Asst. MVI will report before A.D.M. (Relief) • The Asst. Engineer & Jr. Engineers will remain alert. • Based on the experience on the previous hazard prone sufficient no. of trucks should be procured and kept in District head quarters. • To contact all Block Control Room and Collector's Office.	•	•
DFO-	• Improvement of the Vegetation coverage and Biomass production to meet the multiple community need like food, fuel wood, fodder etc. through three-tier plantation • Regeneration of degraded village Common Property Resources like village forest, waste land through the gap filling and block plantation of multi purpose tree species. • Prevention of indiscriminate forest felling through strict introduction of rules and regulation and massive awareness generation. • Strengthening of the community based organizations like VSS through various training, exposure, orientation, and sensitization and ensures the involvement of the local community in forest management (regeneration, protection etc.) • Fair Collection and marketing of the NTFP	• Regulate the collection of NTFPs, fodder, and firewood from the forest • Contact suitable market place for fair and, NTFP etc. • Take preventive measures to control Forest Fire	•

	products • Restrict grazing of the cattle herd in the forest area is to be ensured to protect the Dnatural regeneration of the forest ecosystem.		

Railway	• Communication of Information or Alarm to the Control Room.
	  • Information immediately to adjacent stations for local help to injured.
	  • Render definite medical care within Golden Hour.
	  • Information to adjacent Medical for Medical and Ambulance aid
	  • Opening of Help line
	•
		• Reconnaissance and rescue will be start immediately and controlled by the regional traffic control centre (dispatching centre) of the railways or by the nearest station.
		• The rescue plan or red alert for rail disasters can be activated by higher authorities.
		• Should the damage warrant it, the local authorities can take control of the initial intervention (first aid) by co-ordinating the action of the means available (police, fire brigade, civil defence, health services) in close collaboration with the specialist services of the company involved.
		• The rescue plan or red alert for rail disasters can be activated by higher political authorities.
		  • Stop bleeding and restore blood pressure within one hour.
		  • Person under shock shall be immediately relieved of shock.
		• Transport the casualties to the nearest hospital.
			• Route clearance and bringing normalcy of travel
			• Hand over of dead bodies to kin relative.
			• Compensation to victims as per norm.
			• Investigation of accident.
			• Damage assessment
			• Protection, research, rescue and assistance measures will depend upon the intervention tactics dictated by the accident and the means available.

EE- Electricity	• He should see that the field staff checks the electrical line and replace old materials used in the power supply. • He should see that all had wiring in service connections are rectified. • He should enumerate the diesel sale available and his jurisdiction and keep it available. • He should see that the report regarding hazard prone warning should be reported to other subordinate offices. • He should see that trees, branches etc. fall on electrical lines are out and removed. • The field staff should see that electrical supply in the places where hazard prone may be serve is cut off. • The field staff should be in touch with local Tahasildars and inform the situation at frequent intervals.	• Restoration of power supply. • Making proper lighting arrangements. • Providing dedicated power supply to the rural areas during drought-like situations as per decision of the State Government.	• Power supply and lighting arrangements in rehabilitation areas.

	• To provide Diesel generators to hospital water works. Control Room Collector's office in case of failure of powers.		
EE - PHED	• Repair of defunct tube wells in a war foot basis. • Cleaning and disinfestations of the drinking water sources. • Repair and raising of the platform of tube wells and sanitary wells in the flood prone / low line areas to prevent decontamination with drain water or flood water. • Awareness generation on safe drinking water to prevent the outbreak of epidemics.	• Introduce water budgeting in all water bodies to regulate water use (Drinking water should get precedence over agriculture/irrigation) • Encourage local traditional drinking water structures (temporary water bodies in the sandy nala/river bed to utilize the sub surface water) • Provisions of drinking water in tanker/tractor for areas facing acute water shortage • Dissemination of alert message and warning to prevent the outbreak of epidemics.	•
DEO- School & Mass Education	• Formation of Disaster Management Cell and deploy adequate staff, if require cancel leave and calling staff from nearby block. • Incorporating costs for preventive and mitigation measures for earthquake, flood, fire and cyclonic storm prone areas to construct disaster resistant school buildings. • In association with Fire Dept. getting fire extinguishers installed in schools and teachers identified and trained in operating them.	• Safekeeping of infrastructure of schools converted into shelters.	• Getting the school vacated as soon as normalcy is restored. • Resumption of teaching work at the earliest.

	• Awareness Generation Programmes about Hazard, the kind of preparedness required and how to act at the time of disaster shall be organized in schools on monthly basis. • Disaster Management shall be made a part of the school curriculum. • The Department shall get quality films made on hazard wise disaster preparedness and organize their viewing by children and their parents. • The Department shall in association with Nehru Yuva Kendra organize locality based youth clubs and get them groomed in escort services, relief work and taking care of children, women, old and sick. • Making adequate arrangements for getting hand pumps installed, storage facilities created, toilet and bathrooms built in those schools where communities do take shelter during flood. Concerned departments shall either make the arrangements or make funds available for the same. DMD shall coordinate. •		
DEO - Higher Secondary Education	• -do-	• Safekeeping of infrastructure of colleges/ institution converted into shelters	• Getting the colleges/ institution vacated as soon as normalcy is restored. • Resumption of teaching work at the earliest.

Civil Supply District Social Welfare Office	• Identification of the vulnerable families of the village • Awareness generation about different food and social security initiatives of Govt. • Stock piling of food and other essential commodities in PDS outlets, ICDS center, village shop etc. • Storing of food, dried food and other essential commodities in Pucca godown with higher plinth in the flood prone areas	• Ensure the availability of food to the identified most vulnerable groups (Govt./Non Govt / Community initiative) • Provide income-generating opportunities to the affected population (FFW, Alternate livelihood) • Monitor the price of food, fodder & other essential commodities regularly for price stabilization • Fair distribution of the food and other materials to the target group during the flood situation	•

Sop for the Departments to be done accordingly

10.7 Format for First Information Report (FIR)

on occurrence of natural calamity

(To be sent to Special Relief Commissioner, Orissa within maximum of 18 hours of occurrence of calamity)

From: District -_____ Date of Report:- _____

To

Special Relief Commissioner, Orissa

State Emergency Operation Centre (SEOC),

Rajiv Bhawan, Ground Floor, Unit-5, Bhubaneswar

Fax No: 0674-2534176, E-mail: relief_sr@yahoo.com/src@ori.nic.in

a. Nature of Calamity

b. Date and time of occurrence

c. Affected area (number and name of affected Blocks)

d. Population affected(approx.)

e. Number of Persons
   - Dead
   - Missing
   - Injured

f. Animals
   - Affected
   - Lost

g. Crops affected and area(approx. in hect.)

h. Number of houses damaged

i. Damage to public property

j. Relief measures undertaken in brief

k. Immediate response & relief assistance required and the best logistical means of delivering that relief from State/National

l. Forecast of possible future developments including new risks

m. Any other relevant information

Authorised Signatory

District Emergency Operation Centre (DEOC)

District:-_____

NB: The Districts will submit a detailed report on each of the above points as soon as possible after submission of the above First Information Report (FIR).

10.8 Daily Status Report on Relief/ Restoration Measures Undertaken By Departments

1. Health Department.

Medical Relief Centres Opened-

Mobile teams deployed-

Wells disinfected-

ORS distributed-

Halogen Tablets distributed-

Minor Ailment Treated-

2.R.D. Department.

- ☞ **Road Submerged**
- ☞ **Area having flash flooding.**
- ☞ **Officials deployed for restoration.**
- ☞ **Materials supplied and additional assistance required for restoration.**

- Issue repeated alerts to people residing in / close to river plains / water courses.
- Raising awareness to public with regards to vacating dangerous buildings, remaining away from electric wires and avoid swimming during rain especially in underpasses.
- Advising vulnerable population not to venture into nullahs / flash flooding routes.
- Officials to remain vigilant in restoring road linkages.
- Vulnerable communities along reaches of Rivers IB, Brahmani, Iccha, Sankha, Koel and their tributaries / Nullahs to be sensitized for requisite measures.

3.FS & CW Department

- ……Qtls. Chuda, ……. Qtls gur supplied to …… Blocks

Chapter – 11

11.1 Rehabilitation & Restoration

Rehabilitation and restoration comes under recovery phase immediately after relief and rescue operation of the disaster. This post disaster phase continues until the life of the affected people comes to normal. This phase mainly covers damage assessment, disposal of debris, disbursement of assistance for houses, formulation of assistance packages, monitoring and review, cases of non-starters, rejected cases, non-occupancy of houses, relocation, town planning and development plans, awareness and capacity building, housing insurance, grievance redress and social rehabilitation etc.

The district is the primary level with requisite resources to respond to any natural calamity, through the issue of essential commodities, group assistance to the affected people, damage assessment and administrating appropriate rehabilitation and restoration measures.

The District Disaster management Authority reviews the relief measures submit financial requisition to the state Govt. under SDRF & NDRF. The requisition must reach the SDMA & SRC office in the prescribed format as detailed below for smooth & quick processing.

Rehabilitation and restoration comes under recovery phase immediately after relief and rescue operation of the disaster. This phase mainly covers damage assessment, disposal of debris, disbursement of assistance for houses, formulation of assistance packages, monitoring and review, cases of non-starters, rejected cases, non-occupancy of houses, relocation, town planning and development plans, awareness and capacity building, housing insurance, grievance redress and social rehabilitation etc.

The district is the primary level with requisite resources to respond to any natural calamity, through the issue of essential commodities, group assistance to the affected people, damage assessment and administrating appropriate rehabilitation and restoration measures.

The District Disaster management Authority reviews the relief measures submit financial requisition to the state Govt. under SDRF & NDRF. The requisition must reach the SDMA & SRC office in the prescribed format as detailed below for smooth & quick processing.

11.2 Standard Operating Procedure : Restoration & Rehabilitation **(The list is Indicative & may be extended further as per need & requirement)**

Name of the Department	Normal Time
Collector/ADM / Emergency Officer	• Restoration of Critical Infrastructures to bring situation to normalcy • Ensure Restoration of roads & channels, Communication network, Electricity & Energy • Ensure adequate health safety measures are taken in the affected areas • Adopt sustainable mitigation measures in the restoration activities
CDMO	• Carry out Disease surveillance measures to check epidemic prone diseases • Dis-infection of drinking water & measures for health & hygiene • Rehabilitation of deprived & destitute • Carry out Trauma & Psycho-social counseling Disaster Wise: **Earthquake** – The preparations shall be made keeping in mind injuries caused by falling off and from buildings, heavy structures-specifically bone injuries etc. – Since roads shall either be breached or obstructed the setting up of medical camp etc. shall have to be flown. As such kits etc. have to be kept ready for that kind of carrying. – Since other supplies etc. shall be disrupted, the food and drinking arrangements for the medical staff shall be part of the baggage. **Flood** – Getting ready medical mobile boats and Air Ambulances. – Getting ready with Floating Hospitals.

	– Getting SOP ready for Response during flood. – Preparation of checklist of medicines and equipment etc. for hospitals and Medical Service Providers, Medical Camps etc. – Having its own transport arrangements to move in emergencies. – Pooling and positioning of ambulances in strategic places. **Drought –** Medical camps in affected areas. – Checklist of medicines and medicals facilities to have in the camps. – Arrangements for the running of the camps on long term basis – Arrangement of provisions for the medical staff manning the camps – Making arrangements for community centered medical services rather than camp centered services. **Fire –** Checklist of onsite First Aid Services – Creation of special team for rescue and carrying of fire-victims. – Creation of special ward in Hospitals to treat the patients. – Check list of medicines and treatments required by the victims at the camp level and at the Hospital level. – Health Dept. shall create a special ward for fire patients in Medical College and Hospitals, District Hospitals and equip them with qualified and competent medical staff and appropriate facilities and medicines. – Dept shall have tie-ups with fire patients treating specialized sector at the state and national level with clearly spelt out support and services they shall provide in emergencies. **High Speed Wind** – As the disastrous impact of cyclonic storms is more or less spread and scattered over a vast area, mobile medical van equipped to provide treatments for injuries inflicted by cyclonic storms. – Enlisting the kind of injuries and victims cyclonic storms render and directing medical colleges and hospitals, district hospitals and other medical service center to prepare accordingly.

	Epidemics – The Department of Health shall get a study of epidemic prone areas and period of outbreak and remedial measures required. Based on the findings solicit guidance and support from the specialized institutions at the national and international level. – Based on the epidemic calendar the dept. shall workout a set of programme, activities and SOPs for Pre, during and Post epidemic period and give directions to Civil Surgeons to implement and follow the same religiously . – The Dept. through its DM Cell shall supervise and monitor the implementation of progamme and activities. – The Dept. shall keep ready team of doctors and support staff to press in service if reinforcement needed. **Transport Accidents** ***Railway/Road & Boat*** – Making use of the mobile medical vans to provide on the sport medical aid – Tagging and flapping of victims before getting transported to the nearest hospital. – Organizing postmortem of the deceased. **Industrial Accidents:** – For Industrial Accidents, the Dept. shall prepare hazard profile of the industrial areas in the State in consultation with the Dept. of Industries and Labour. – The Department shall also gather information about the kind of medical preparedness required for chemical industrial hazard and get trained a team of doctors and support staff. – The dept. shall get the medical teams trained to respond quickly in medical emergencies. Department of Disaster Management may provide support for the training.
Superintendent of Police (SP)	• Managing security, safe-keeping of victims. • Coordination with support organizations through District Administration. • Providing security during visits of the incident site by authorities and VIPs • Monitoring restoration of communication and transport services

	• Providing escort services to the victims • Identifying & maintaining records of the deceased • Manning Enquiry Counter • Maintaining law & order
EE- RWSS	•
EE- Irrigation	• Survey and study of the source of flooding for taking long-term preventive measures • Providing for the upkeep and maintenance of the same
DAO- Agriculture	• Providing support in the implementation of alternative cropping programme in drought as well as flood affected area • On the basis of crop damage assessment organize payment of input subsidy in accordance with State Disaster Fund norms in association with Disaster Management Department **In case of Floods :** ☞ Crop damage assessment ☞ Payment of Agriculture Input subsidy ☞ Working out crop contingency plan **In case of Drought :** ☞ Identification of drought prone areas through GIS mapping, rainfall estimation etc. ☞ Survey and study of identified drought prone areas ☞ Formulation of prevention, mitigation and preparedness measures along with budget allocations ☞ Formulation of policy and strategizing the implementation of rain harvesting programme & activities ☞ Working out Crop Contingency Plan ☞ Providing Agriculture Input subsidy ☞ Strategizing the storage and supply of seeds, fertilizers and pesticides ☞ Working out ecological betterment of the areas ☞ Organizing the irrigation facilities ☞ Working out alternative cropping programme and activities In case of **Fire :** ☞ Crop Damage Assessment ☞ Providing Agriculture Input subsidy

	☞ Supply of Seeds and Fertilizers
EE- RD / EE R&B	• Clearance of debris. • Making of approach road to resettlement site. • Repair and maintenance of the damaged roads, bridges and culverts. • Construction of roads, bridges and culverts to connect the rehabilitation site. **Earthquake** – GIS mapping of the damaged area and reconstruction of roads, bridges & culverts. **Flood** – GIS mapping of the damaged area and reconstruction of roads, bridges & culverts **High Speed Wind** • Gathering information about the damages caused and undertaking reconstruction work accordingly.
DTO-Telecom	•
CDVO	• Administering vaccination etc. to prevent outbreak of any disease. • Making arrangements for the sale of milk of disaster affected cattle owners or value addition of the same. • Arrangements for removal of dead cattle. • Thorough checking of livestock before handing over to the owners. • In the event of owners not coming forward to claim the livestock, the department shall take decision in consultation with the District Administration.
RTO/MVI	• Providing transportation facilities for the relief operations. • Providing boats for evacuation operation. • Resumption of road transportation as soon as the road connectivity is restored.

DFO-	• Determining of protocol during various kinds o disaster. - Distribution of roles and responsibilities to officers of personnel of the department. • Survey and study of the disaster affected areas and strategize and prepare an action plan for the kind of plantation which shall bring about ecological balance & betterment. • Determining of long term strategy so that disaster impact could be minimized. • Preparation of plan from deep ecology point of view.
Railway	•
EE- Electricity	• Restoration of power supply. • Making proper lighting arrangements. • Providing dedicated power supply to the rural areas during drought-like situations as per decision of the State Government. • Power supply and lighting arrangements in rehabilitation areas.
EE – PHED	• To create sanitation & drinking water facilities in relief camps. • To create sanitation & drinking water facilities in shelter for livestocks. • Organize repair & maintenance of the same • Survey & Study of the area for the rehabilitation of victims. • Working out layout plan for sanitation & drinking water supply in consultation with agency involved in construction of houses. • Implementation of the contingency plan and making arrangements for the repair and maintenance of the same. **Hazard wise SOP** **Earthquake** ➢ To create sanitation & drinking water facilities in relief camps.

	➢ To create sanitation & drinking water facilities in shelter for livestocks. ➢ Organize repair & maintenance of the same **Floods** ➢ To create sanitation & drinking water facilities in relief camps. ➢ To create sanitation & drinking water facilities in shelter for livestocks. ➢ Organize repair & maintenance of the same **Drought** ➢ Installation of extra hand pumps to sustain the supply of drinking water ➢ Formulating rain harvesting practices and promoting the same in vulnerable areas. **Fire** ➢ Create facility for drinking water on immediate basis where the victims have temporarily taken refuge. ➢ Make arrangements for the sanitation facilities.
DEO- School & Mass Education	• Safekeeping of infrastructure of schools converted into shelters • Getting the school vacated as soon as normalcy is restored. • Resumption of teaching work at the earliest.
DEO - Higher Secondary Education	•
Civil Supply	**Maintain the supply of food grains till the rehabilitation is complete** **Earthquake :** ❖ Packaging of food for aerial dropping and keep ready of additional quantity have to be kept in readiness for bulk as well as in small packets. ❖ Organize security of the godown and provide escort services to the supplies. ❖ Coordinate procurement of goods and supplies required for the relief distribution. **Floods:** ❖ Make arrangements for the supply of food grains at the incident site, relief camps.

	❖ In consultation with DDMA plan and systematize the distribution of relief materials. **Drought:** ❖ In consultation with DDMA, set-up centres for supply of food grains on subsidized rates or free, as decided. **Fire:** ❖ In consultation with DDMA organize distribution of food grains to the victims for a period specified.
DIPRO	• Setting up of a control room to provide information to people about the disaster, affected area etc. • Press briefing on daily basis at a given time to provide official updation of information. • Feedback to authorities about media report and murmurings at the indent site. • Manning of Information Centre at the relief Camp site and responding to queries. • Informing people on day to day basis the kind of assistance provided to victims an measures being taken to control the situation. • Information dissemination about the rehabilitation and reconstruction measures being taken by the State.
Planning and Monitoring	• Setting-up of DM Cell and manning the same with personnel drawn from key sections. • In association with DMD & Hazard wise lead and support departments work out the scheme wise funds available for prevention, mitigation and preparedness measures. And also suggest, from where the fund could be made available. • In association with DMD, formulation of scheme for the rehabilitation and resettlement of the displaced people, workout funding requirements, organize and monitor the implementation of the same.
Minor Irrigation	• Assessing the damage to small check dams. • Survey of blocked water ways. • Opening up alternate channels for releasing excess of water.

	• Periodic monitoring of water levels check dams. • Providing irrigation to the drought affected lands for sowing and saving the standing crops. • Creation of new irrigation and rain water harvesting schemes. • Promotion of research in water conservation and management in the drought affected areas.

Chapter-12

Recovery:

A series of long term activities framed to improve upon the repaired activities in the Reconstruction & rehabilitation phase are covered under Recovery phase. Recovery includes all aspects of mitigation and also incorporates the continuation of the enabling process, which assists the affected persons and their families not only to overcome their losses, but also to achieve a proper and effective way to continue various functions of their lives. The Recovery process is therefore a long-terms process in which everyone has a role – the Government including the PRI members, NGOs and especially the affected people, their families and the community.

- Preparation of Recovery plan for displaced population, vulnerable groups, environment, livelihoods
- Organise initial and subsequent technical assessments of disaster affected areas and determine the extent of recovery works necessitated in addition to reconstruction & rehabilitation works.
- Evaluate the extent of works under SDRF/NDRF & other sources(damaged infrastructures)
- Explore opportunities for external aids like (International Agencies / Civil Society / Corporate Sector)
- Allocate funds for the stabilisation of the repaired & reconstructed infrastructure.
- Integrate Climate change & Disaster Risk Reduction features in the recovery programmes

The DM & Collector will be the co-ordinator of all Recovery activities in the District. The role of the DM & Collector will be to:

- Generally monitor the management of the recovery process;
- Ensure implementation of the recovery plan by line departments, blocks
- Effective service delivery minimising overlap and duplication;

Chapter- 13

Financial Arrangement

13.1 National Disaster Response Fund (NDRF)

The National Disaster Response Fund (NDRF) has been constituted by the Government of India as per the sub-sections (1) of section (46) of Disaster Management Act, 2005 and recommendation of the 13th Finance Commission. NDRF has been constituted by replacing the National Calamity Contingency Fund (NCCF).It is administered by the National Executive Committee (NEC).

In the event of a calamity of a severe nature when the State Disaster Response Fund (SDRF) is insufficient to meet the relief requirements, additional central assistance is provided from NDRF, after following the laid down procedure. The State Government is required to submit a memorandum indicating the sector-wise damage and requirement of funds. On receipt of memorandum from the State,

- An Inter-Ministerial Central Team is constituted and deputed for an on the spot assessment of damage and requirement of funds for relief operations, as per the extant items ad norms.
- The report of the Central Team is considered by the Inter-Ministerial Group (IMG) / A Sub-committee NEC constituted under section 8 of DM act, 2005, headed by the Home Secretary.
- Thereafter, the High Level Committee (HLC) comprising of the Finance Minister, the Agriculture Minister, the Home Minister and the Deputy Chairman, Niti Ayog considers the request of the State Government based on the report of the Central Team recommendation of the IMG thereon, extant norms of assistance and approves the quantum of assistance form NDRF.
- This is, however, subject to the adjustment of 75% of the balance available in the State's SDRF for the instant Calamity.

(Please refer page no.___of Volume-II for NDRF Items and Norms)

13.2 State Disaster Response Fund (SDRF)

As per the provisions of Disaster Management Act, 2005 sub-section (1)(a) of Section (48) and based on the recommendation of the 13th Finance Commission, the Government of Odisha has constituted the State Disaster Response Fund (SDRF) replacing the Calamity Relief Fund (CRF). The amount of corpus of the SDRF determined by the 13th Finance Commission for each year the Finance Commission period 2010-15 has been approved by the Central Government. The Central Government contributes 75% of the said fund. The balance 25% matching share of contribution is given by the State Government. The share of the Central Government in SDRF is released to the State in 2 installments in June and December respectively in each financial year. Likewise, the State Government transfers its contribution of 25% to the SDRF in two installments in June and December of the same year.

Ministry of Home Affairs, upon being satisfied that exigencies of a particular calamity so warrant, may recommend an earlier release of the Central share up to 25% of the funds due to the State in the following year. This release will be adjusted against the installments of the subsequent year.

As per the Guidelines on Constitution and Administration of the State Disaster Response Fund (SDRF) laid down by the Ministry of Home Affairs, Government of India, the SDRF shall be used only for meeting the expenditure for providing immediate relief to the victims of cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslide, avalanche, cloud burst and pest attack. The State Executive Committee (SEC) headed by the Chief Secretary SEC decides on all matters connected with the financing of the relief expenditure of immediate nature from SDRF.

(Please refer page no.___of Volume-II for SDRF Items and Norms)

13.4 Chief Minister Relief Fund (CMRF)

Chief Minister's Relief Fund aims to provide assistance to calamities and in distress condition, to indigent persons suffering from critical ailments and to undertake charitable activities for public welfare.

13.4.1 Cases Eligible for Assistance under CMRF

13.4.1.1 Poor and persons in distress: Relief to the poor, including grant and aid (financial or otherwise) to persons in distress.

13.4.1.2 Aged, differently able, orphans, AIDS affected : Assistance for the relief and rehabilitation of the aged, differently able' orphans, HIV/AIDS affected persons/families and those otherwise differently able or incapable of earning their livelihood, by grant and aid (financial and otherwise) and / or maintenance, establishment and support of institutions and homes for the benefit of such persons.

13.4.1.3 Persons affected by calamities or violence: Assistance for relief & rehabilitation of persons affected by natural or man-made calamities, communal violence', naxal violence or public disorder of a serious nature or any other calamity' affecting a family or a community, which deserves extreme compassion and not covered under any existing assistance scheme of State/central Government.

13.4.1.4 Assistance for Rural Development: Financial assistance out of CMRF may also be considered to undertake, promote, aid or otherwise support rural development including any programme for promoting the social and economic welfare of the public in any rural area either directly or through an independent agency following due procedure.

To assist more number of deserving person and for better utilisation of the Chief Minister’s Relief Fund, the State Government have delegated powers to the Collectors for sanction of assistance out of CMRF so as to extend such assistance to the deserving persons immediately at the time of their need.

13.5 Release of Funds to Departments and Districts:

Funds required towards pure relief to affected persons / families for natural calamities in shape of emergency assistance, organizing relief camp / free kitchen / cattle camp, agriculture input subsidy and other assistances to affected farmers, ex-gratia as assistance for death cases, grievous injury, house building assistance, assistance to fisherman / fish seed farmers / sericulture farmers, assistance for repair / restoration of dwelling houses damaged due to natural calamities are administered through the respective collectors.

Part funds towards repair / restoration of immediate nature of the damaged public infrastructure are released to the Departments concerned. On receipt of requisition from the Collectors / Departments concerned, funds are released after obtaining approval / sanction of S.E.C. However, funds towards pure relief are released under orders of Special Relief Commissioner / Chief Secretary and the same is placed before the State Executive Committee in its next meeting for approval. To save time, Collectors have been instructed to disburse the ex-gratia assistance from the available cash and record the same on receipt of fund from Special Relief Commissioner.

13.6 Damage Assessments and Report after Flood/Cyclone

Private properties and properties of Government under different Departments are damaged by high floods and cyclones. As per para-75 of Orissa Relief Code, the Collector shall undertake assessment of damages to private properties as well as properties of Government. This assessment shall be done quickly soon after the abatement of flood in the prescribed formats prescribed in Appendix- X of Orissa Relief Code.

13.6.1 Submission of preliminary damage report (Para-76 of ORC)

1. The Collector as well as the district level officers under each Department of Government shall immediately after assessment of flood damage forward a copy of their report to their immediate Head of Department. The district level officers may also supply reports to the Collector.

2. The Heads of Departments after necessary scrutiny shall forward their reports to their respective Departments of Government with copy to Special Relief Commissioner, not later than two weeks from the date of abatement of flood.

3. The Special Relief Commissioner shall compile the State report and shall furnish the consolidated preliminary report to the Revenue Department within a week of the receipt of the reports from the Heads of Department.

4. The preliminary flood damage report should be prepared as accurately as possible, as the relief measures, if any, are to be based on the merit and statistical data of that report.

13.6.2 Submission of final flood damage report (Para-77 of ORC)

The concerned Heads of Departments as well as the Collector shall take immediate steps to compile the final report on flood/cyclone damage in the formats prescribed in Appendix- X soon after submission of the preliminary report.

Accidental errors, clerical mistakes, shortcomings, if any, noticed should be rectified in the final report. The final report shall be made available to Special Relief Commissioner as soon as possible and not later than one month from the date of abatement of flood.

On receipt of the reports from the different sources, Special Relief Commissioner shall forthwith compile the State report and furnish the same to the Revenue Department.

13.7 Central and State Government programmes and Schemes on Natural Calamities

Mainstreaming Disaster Management in development planning is the most critical component to mitigate disaster risks. That's why it's important to make note of financial resources which are used in the implementation of such programmes and schemes which can lessen the risk from disasters by reducing vulnerability. It is also crucial to build communities resilience to deal with them. Moreover, as mandated by Ministry of Finance & Ministry of Home Affairs on 01st and 03rd June, 2014 respectively, 10 % flexi-fund within the centrally sponsored schemes (CSS) to be utilised, inter alia for mitigation / restoration activities in the event of natural calamities in the sector covered by CSS. Thus, relevant Central Government and State Government funded schemes are identified which are crucial to build over resilience of communities in the context of the district.

Table__: Different State and Central Government Schemes and Programms

Sl No.	Name of the Scheme	Sector	Nodal Department	Objective of the Scheme
1	National Agriculture Insurance Scheme (NAIS)/ Rastriya Krishi Bima Yojna (RKBY)	Crop Insurance	Agriculture Insurance Company of India (AICI)	To protect the farmers against the losses suffered by them due to crop failures on account of natural calamities, such as droughts, floods, hailstorm, storms, animal depredation, etc.
2	Janashree Vima Yojna	Life Insurance	Life Insurance Corporation Of India	The objective of the scheme is to provide life insurance protection to the rural and urban poor persons below poverty line and marginally above the poverty line.
3	Madhubabu Aain Sahayata Yojana Four days a month, Saturdays or Sundays.	Legal Help	Panchayati Raj Department	The objective of the schme is free legal aid to poor and needy. Priority to women, children, senior citizens, ST & ST, and weaker sections of the society.
4	Biju Sishu Suraksha Yojana	Child Protection	W & CD	The scheme aims to protect children who are without biological or adoptive parents, legal guardians, affected/infected with HIV and found to be most vulnerable.
5	Biju Krushak Kalyan Yojana	Health Insurance	Health and Agriculture and Insurance company	This scheme is a health insurance scheme for the farmers in the state of Odisha. This scheme provides financial support to the people of Odisha through health and accident insurance. There are many hospitals, community health centers in the each district of Odisha under this scheme to provide people health care with low cost.

6	Nirman Shramik Pension Yojana	Social Security	Labour and Employment	The scheme would provide monthly pension to nearly 25 Lakh construction workers in the state of Odisha. Widows of the workers and differently – abled will also be included under the scheme
7	Baristha Bunakar Sahayata Yojana	Social Security	Handloom and Textile	The scheme is aimed at providing financial assistance to the elderly weavers in the state. The weavers above the age of 60 years will get an allowance of Rs. 500 per month while weavers above 80 years of age will get Rs. 700 per month allowance.
8	Adolescent Anaemia Control Programme Adolescent Girls of age group (10-19 years)	Welfare programme	W & CD	To control anaemia in adolescent girls through a comprehensive approach by providing weekly IFA supplements, biannual de worming and improving dietary practices.
9	Madhu Babu Pension Yojana	Social Security	Panchyati Raj, and Dept. Of Social Security	The scheme is for the people who are either physically challenged or above the age of 60 years. Widows are also the beneficiaries of the scheme. The beneficiaries of age group of 60 to 79 years would get Rs 300 per month and those above of 80 years and above would get Rs. 500 per month as pension.
10	Biju Gadi Chalak Bima Yojana	Govt. And Life insurance	Labor & Employees' State Insurance (ESI) Department and Transport	The scheme will provide insurance cover to all the vehicle drivers in case of death in accidents or medical treatment in case of injury sustained in road accidents. The insurance

			Dept.	scheme is still not finalized, the government is working on deciding the premium amount and several other aspects
11	Jan Dhan Account holder -insurance cover of up to Rs. 2 Lakh for three years.	Social Security	Central Govt. And LiC	The main objective of the new insurance scheme for Jan Dhan Account holders is to push the social security net for the poor
12	Pradhan Mantri Suraksha Bima Yojana (PMSBY)	Social Security	Central Govt.	Suraksha Bima Yojana is for the people who are not covered under any kind of insurance scheme, especially in the rural areas of the country.
13	Pradhan Mantri Jeevan Jyoti Bima Yojana	Social Security	Central Govt. And insurance companies	The scheme offers a life cover of Rs. 2 Lakh in case of loss of life due to any reason up to the age of 55 years.
14	Atal Pension Yojana	Social Security	Central Govt.	Any Indian citizen between the age of 18 to 40 year is eligible to participate in the scheme. The scheme requires any individual to contribute for minimum of 20 years before reaping the pension benefits.

Note: Rest of the Schemes to be elaborated like above table

13.8 Roles of District Planning committee on financial outlay on mainstreaming Disaster Risk Reduction (DRR) in development programms.

Note: Roles and jurisdiction of District Planning Committee to be elaborated

The 74th Constitutional Amendment Act mandated the establishment of District Planning Committees (DPCs) for consolidating plans prepared by Panchayats and Municipalities in the district into the Draft District Plan. The District Planning Committee is the nodal agency for the district level planning and related tasks, including those relating to Central Plan schemes, need to be routed through DPCs.

Role of District Planning Committee are:

- Create awareness of the need to mainstream of Disaster Risk Reduction (DRR) and Climate Change adaptation(CCA) in district level planning
- To develop basic understanding of disaster risks associated with developmental planning

- To facilitate Block/ULB planners in mainstreaming DRR and CCA
- To examine the plans/projects formulated at Block/ULB level from DRR perspectives
- To ensure incorporation of disaster mitigation measures in the developmental plan/projects
- To ensure incorporation of appropriate adaptive strategies in various sectors in view of the climate change and global warming challenges, and
- To take steps for enhancing resilience at individual, community and institutional level.

Responsibilities

- Include DRR in the development projects
- Ensure risk sensitive and informed development projects
- Consider vulnerabilities and needs of the community
- Sensitise and build capacity of the key stakeholders
- Facilitate integration and inter departmental linkages

Jurisdiction:

- There is no clear government orders issued to planning department and to all line department for inclusion of DRR in development planning
- Inadequate Budget
- Absence of skill dedicated personnel
- Lack of capacity development of staff
- Lack of monitoring framework for mainstreaming of DRR and climate change planning
- Need of interdepartmental coordination, fund should be placed to the all line departments including three tier system after approval of plan at District Planning Committee level.

13.9 Fund provision for disaster preparedness & capacity building

Note: Provision of funds for different capacity building programms and preparedness measures to be elaborated

Chapter -14

Lessons learnt and Documentation:

1. ***Note: In this chapter lessons learnt from past disaster in the district should be elaborated.*** **Emphasis should be given on what went wrong and what were the best practices during managing any past disaster.**

Documentation process of any past disaster should be elaborated.

2. **Analysis of deaths due to different disasters like Lightning, Drowning, Snake Bite etc. to be mentioned here.**

OFFICE MEMORANDUM

Subject: - Guidelines on Constitution and Administration of the State Disaster Response Fund and National Disaster Response Fund based on the recommendations of the Fourteenth Finance Commission 2015-20.

Sir/ Madam,

The Fourteenth Finance Commission (FFC) has made provision of funds for the State Disaster Response Fund in its recommendations which has been accepted by the Government of India. Keeping in view of the provision of the Disaster Management Act, 2005 and the recommendations of Fourteenth Finance Commission, Government of India has framed guidelines for administration of National Disaster Response Fund (NDRF) at the National level and for State Disaster Response Fund at the State level, which are enclosed herewith for necessary action.

2. A copy of each of the guidelines for SDRF and NDRF respectively are enclosed for further necessary action at your end. These guidelines can also be downloaded from website of Disaster Management Division of Ministry of Home Affairs i.e. *www.ndmindia.nic.in*.

Ministry of Home Affairs
(Disaster Management Division)

Guidelines on Constitution and Administration of the State Disaster Response Fund (SDRF)

Introduction

1. The State Disaster Response Fund (SDRF) is a fund constituted under section 48(1) (a) of the Disaster Management Act, 2005 (53 of 2005) (hereinafter DM Act, 2005). These guidelines are being issued under section 62 of the DM Act, 2005.

Period of Operation

2. These guidelines will be operative from financial year 2015-16 and will continue till further orders.

Calamities covered under the SDRF

3. (i)The SDRF shall be used only for meeting the expenditure for providing immediate relief to the victims of cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslide, avalanche, cloud burst, pest attack and frost & cold wave.
(ii) A State Government may use up to 10 per cent of the funds available under the SDRF for providing immediate relief to the victims of natural disasters that they consider to be 'disasters' within the local context in the State and which are not included in the notified list of disasters of the Ministry of Home Affairs subject to the condition that the State Government has listed the State specific natural disasters and notified clear and transparent norms and guidelines for such disasters with the approval of the State Authority i.e. the State Executive Authority (SEC). Any amount spent by the state for such disasters over and above the ceiling would be borne out of its resources and would be subject to the same accounting norms.

Government of Odisha
Revenue & Disaster Management Department
(Special Relief)
Rajiv Bhawan, Ground Floor, Unit-V, Bhubaneswar-751001

No. 1936 /R&DM(SR) Dated, the 1st June, 2015
RDM-RLF-POLICY-0001-2015

Order

In pursuance of item-13 of the Items & Norms of assistance from State Disaster Response Fund and National Disaster Response Fund for the period 2015-2020 communicated vide Ministry of Home Affairs, Government of India letter No.32-7/2014-NDM-I dated 8th April, 2015, the State Government do hereby declare the following disasters as State Specific Disasters within the local context in the State of Odisha (hereinafter called as 'local disasters') for which expenditure on relief measures and immediate repair/ restoration of damaged public infrastructure shall be met from State Disaster Response Fund (SDRF) within the limit of ten percent (10%) of the annual allocation of the SDRF.

1. Lightning
2. Heat wave
3. Whirl wind
4. Tornado
5. Heavy rain
6. Boat accident (other than during flood)
7. Drowning (other than during flood)
8. Snakebite (other than during flood)

All relief measures and repair/ restoration of damaged infrastructure on account of the above local disasters shall be undertaken subject to the following:

1. The scale and norms of various items of relief and for immediate repair/ restoration of damaged public infrastructure, as applicable, shall be same as prescribed under the Items & Norms of assistance from State Disaster Response Fund and National Disaster Response Fund laid down by the Ministry of Home Affairs, Government of India for other natural disasters approved by the Government of India and listed in the Guidelines on Constitution and Administration of the SDRF/ NDRF except that the ex-gratia for death due to heat wave (sun-stroke) shall be provided @ Rs.50,000/- (Rupees Fifty Thousand) only per deceased.
2. The procedure for identification of beneficiaries as well as sanction and disbursement of relief shall be followed as in case of other natural disasters approved by the Government of India and listed in the Guidelines on Constitution and Administration of the SDRF/ NDRF.

3. 'Heavy rain' will have same meaning as defined under the Odisha Relief Code.
4. Post mortem report shall be mandatorily referred for sanction of ex-gratia assistance for loss of human life except where the body is not recovered.

   Provided that where a person is admitted to a hospital/ medical institution after being affected by a disaster and his/ her death has occurred during treatment in such hospital/ medical institution, the cause of death reported by the treating medical officer may be referred for sanction of the ex-gratia assistance. But, if no opinion is formed by the treating medical officer about the cause of death in such case, post mortem should be carried out for ascertaining the same.

   In case of report of death of a person due to heat wave/ sun-stroke, except where the death has occurred in a hospital/ medical institution after being admitted and treated there, in addition to the post mortem report, a joint enquiry shall be conducted by the local Revenue Officer authorized by the Sub-Collector or the Collector and the local Medical Officer of the PHC/ SHC/ CHC/Sub-divisional or District Headquarters Hospital, which shall be taken into consideration for sanction of the ex-gratia assistance.
5. All individual beneficiary oriented assistances shall be disbursed through bank account of the beneficiary.
6. This Order will be effective from **1st April, 2015**.

Annexure – VI

No. 32-7/2014-NDM-1
Government of India
Ministry of Home Affairs
(Disaster Management Division)

'C' Wing, 3rd Floor, NDCC- II,
Jai Singh Road, New Delhi-110001,
Dated the 8th April 2015

To

1. Chief Secretaries of all States
2. The Relief Commissioners / Secretaries, Department of Disaster Management of all States

Subject: - Items and Norms of assistance from the State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) for the period 2015 -- 2020.

Sir/ Madam,

I am directed to state that based on consideration of the recommendations of Fourteenth Finance Commission (FFC) on financing of expenditure on immediate relief during natural disasters for the period 2015--2020 and the report of the Expert Group set up by this Ministry, the Government of India has revised the items and norms for assistance from SDRF/ NDRF. The approved list of items and norms for assistance from SDRF / NDRF in the wake of identified natural disasters is **Annexed**. The revised norms will be effective from 1st April 2015. However, the farmers affected by hailstorms in different parts of the country during February/ March 2015 will also be given assistance under the new norms.

2. The revised items and norms can also be downloaded from website of Disaster Management Division of Ministry of Home Affairs i.e. *www.ndmindia.nic.in*.

3. As the first charge on SDRF should be on a disaster of severe nature, there has been a requirement to adjust balance amount of SDRF whenever NDRF amount is released. This procedure stands revised as follows:-

50% of SDRF balance, as on 31st March of the preceding financial year, will be adjusted while releasing the assistance from NDRF for the first disaster in a financial year. In case the same State faces another severe disaster during the same year, no adjustment will be made while releasing NDRF assistance.

4. A copy of the communication alongwith their enclosure is also being sent to the Accountants Generals of the States for necessary action.

5. This supersedes this Ministry's earlier letters on this subject, the last being No.32-3/ 2013-NDM-I dated the 28th November, 2013 and No. 32-3/2013 NDM-1 dated 5th March 2014.

Yours faithfully,

(Goutam Ghosh)
Deputy Secretary to the Govt. of India
Telefax: 23438123

Encl: As above.

Copy for information and necessary follow up action to:-

1. Accountants General of all State Governments.
2. Comptroller & Auditor General (CAG), New Delhi.

REVISED LIST OF ITEMS AND NORMS OF ASSISTANCE FROM STATE DISASTER RESPONSE FUNDS (SDRF) AND NATIONAL DISASTER RESPONSE FUND (NDRF)

(Period 2015-20, MHA Letter No. 32-7/2014-NDM-I Dated 8th April 2015)

Sl. No.	Items	NORMS OF ASSISTANCE
1	2	3
1.	Gratuitous Relief	
	a) Ex-Gratia payment to families of deceased persons.	**Rs.4.00 lakh** per deceased person including those involved in relief operations or associated in preparedness activities, subject to certification regarding cause of death from appropriate authority.
	b) Ex-Gratia payment for loss of a limb or eye(s).	**Rs. 59100/-** per person, when the disability is between 40% and 60%. **Rs. 2.00 lakh** per person, when the disability is more than 60%. Subject to certification by a doctor from a hospital or dispensary of Government, regarding extent and cause of disability.
	c) Grievous injury requiring hospitalization	**Rs. 12,700/-** per person requiring hospitalization for more than a week. **Rs. 4,300/-** per person requiring hospitalization for less than a week.
	d) Clothing and utensils/ house-hold goods for families whose houses have been washed away/ fully damaged/severely inundated for more than two days due to a natural calamity.	**Rs.1,800/-** per family, for loss of clothing. **Rs.2,000/-** per family, for loss of utensils/ household goods.
	e) Gratuitous relief for families whose livelihood is seriously affected.	**Rs. 60/-** per adult and **Rs. 45/-** per child, not housed in relief camps. State Govt. will certify that identified beneficiaries are not housed in relief camps. Further State Government will provide the basis and process for arriving at such beneficiaries district-wise. Period for providing gratuitous relief will be as per assessment of the State Executive Committee (SEC) and the Central Team (in case of NDRF). The default period of assistance will upto to 30 days, which may be extended upto 60 days in the first instance, if required, and subsequently upto 90 days in case of drought/ pest attack. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year.
2.	SEARCH & RESCUE OPERATIONS	
	(a) Cost of search and rescue measures/ evacuation of people affected/ likely to be affected	As per actual cost incurred, assessed by SEC and recommended by the Central Team (in case of NDRF).

		- By the time the Central Team visits the affected area, these activities are already over. Therefore, the State Level Committee and the Central Team can recommend actual/ near-actual costs.
	(b) Hiring of boats for carrying immediate relief and saving lives.	As per actual cost incurred, assessed by SEC and recommended by the Central Team (in case of NDRF). The quantum of assistance will be limited to the actual expenditure incurred on hiring boats and essential equipment required for rescuing stranded people and thereby saving human lives during a notified natural calamity.
3	**RELIEF MEASURES**	
	a) Provision for temporary accommodation, food, clothing, medical care, etc. for people affected/ evacuated and sheltered in relief camps.	As per assessment of need by SEC and recommendation of the Central Team (in case of NDRF), for a period up to 30 days. The SEC would need to specify the number of camps, their duration and the number of persons in camps. In case of continuation of a calamity like drought, or widespread devastation caused by earthquake or flood etc., this period may be extended to 60 days, and upto 90 days in cases of severe drought. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year. Medical care may be provided from National Rural Health Mission (NRHM).
	b) Air dropping of essential supplies	As per actual, based on assessment of need by SEC and recommendation of the Central Team (in case of NDRF). - The quantum of assistance will be limited to actual amount raised in the bills by the Ministry of Defence for airdropping of essential supplies and rescue operations only.
	c) Provision of emergency supply of drinking water in rural areas and urban areas	As per actual cost, based on assessment of need by SEC and recommended by the Central Team (in case of NDRF), up to 30 days and may be extended upto 90 days in case of drought. Depending on the ground situation, the State Executive Committee can extend the time perind beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year.
4.	**CLEARANCE OF AFFECTED AREAS**	
	a) Clearance of debris in public areas.	As per actual cost within 30 days from the date of start of the work based on assessment of need by SEC for the assistance to be provided under SDRF and as per assessment of the Central team for assistance to be provided under NDRF.
	b) Draining off flood water in affected areas	As per actual cost within 30 days from the date of start of the work based on assessment of need by SEC for the assistance to be provided under SDRF and as per assessment of the Central team(in case of NDRF).
	c) Disposal of dead bodies/ Carcases	As per actuals, based on assessment of need by SEC and

		recommendation of the Central Team (in case of NDRF).
5	**AGRICULTURE**	
(i)	*Assistance farmers having landholding upto 2 ha*	
A.	**Assistance for land and other loss**	
	a). De-silting of agricultural land (where thickness of sand/ silt deposit is more than 3", to be certified by the competent authority of the State Government.)	**Rs. 12,200/-** per hectare for each item. (Subject to the condition that no other assistance/ subsidy has been availed of by/ is eligible to the beneficiary under any other Government Scheme)
	b) Removal of debris on agricultural land in hilly areas	
	c) De-silting/ Restoration/ Repair of fish farms	
	d) Loss of substantial portion of land caused by landslide, avalanche, change of course of rivers.	**Rs. 37,500/-** per hectare to only those small and marginal farmers whose ownership of the land is legitimate as per the revenue records.
B.	**Input subsidy (where crop loss is 33% and above)**	
	a) For agriculture crops, horticulture crops and annual plantation crops	**Rs. 6,800/-** per ha. in rainfed areas and restricted to sown areas. **Rs. 13,500/-** per ha. in assured irrigated areas, subject to minimum assistance not less than Rs.1000 and restricted to sown areas.
	b) Perennial crops	**Rs. 18,000/-** ha. for all types of perennial crops subject to minimum assistance not less than Rs. 2000/- and restricted to sown areas.
	c) Sericulture	**Rs. 4,800/-** per ha. for Eri, Mulberry, Tussar **Rs. 6,000/-** per ha. for Muga.
(ii)	**Input subsidy to farmers** *having more than 2 Ha of landholding*	**Rs. 6,800/-** per hectare in rainfed areas and restricted to sown areas. **Rs.13,500/-** per hectare for areas under assured irrigation and restricted to sown areas. **Rs. 18,000/-** per hectare for all types of perennial crops and restricted to sown areas. Assistance may be provided where crop loss is 33% and above, subject to a ceiling of 2 ha. per farmer.
6	**ANIMAL HUSBANDRY - ASSISTANCE TO SMALL AND MARGINAL FARMERS**	
	i) Replacement of milch animals, draught animals or animals used for haulage.	*Milch animals* - **Rs. 30,000/-** Buffalo/ cow/ camel/ yak/ Mithun etc. **Rs. 3,000/-** Sheep/ Goat/ Pig *Draught animals* - **Rs. 25000/-** Camel/ horse/ bullock, etc. **Rs. 16,000/-** Calf/ Donkey/ Pony/ Mule - The assistance may be restricted for the actual loss of economically productive animals and will be subject to a

		ceiling of 3 large milch animals or 30 small milch animals or 3 large draught animals or 6 small draught animals per household irrespective of whether a household has lost a larger number of animals. (The loss is to be certified by the Competent Authority designated by the State Government). *Poultry:-* Poultry @ **50/- per bird** subject to a ceiling of assistance of **Rs 5000/-** per beneficiary household. The death of the poultry birds should be on account of a natural calamity. *Note:* - Relief under these norms is not eligible if the assistance is available from any other Government Scheme, e.g. loss of birds due to Avian Influenza or any other diseases for which the Department of Animal Husbandry has a separate scheme for compensating the poultry owners.
	ii) Provision of fodder / feed concentrate including water supply and medicines in cattle camps.	Large animals- **Rs. 70/-** per day. Small animals- **Rs. 35/-** per day. Period for providing relief will be as per assessment of the State Executive Committee (SEC) and the Central Team (in case of NDRF). The default period for assistance will be upto 30 days, which may be extended upto 60 days in the first instance and in case of severe drought up to 90 days. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit, subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year. Based on assessment of need by SEC and recommendation of the Central Team, (in case of NDRF) consistent with estimates of cattle as per Livestock Census and subject to the certificate by the competent authority about the requirement of medicine and vaccine being calamity related.
	iii) Transport of fodder to cattle outside cattle camps	As per actual cost of transport, based on assessment of need by SEC and recommendation of the Central Team (in case of NDRF) consistent with estimates of cattle as per Livestock Census.
7	**FISHERY**	
	i) Assistance to Fisherman for repair / replacement of boats, nets – damaged or lost -- Boat -- Dugout-Canoe -- Catamaran -- net (This assistance will not be provided if the beneficiary is eligible or has availed of any subsidy/ assistance, for the instant calamity, under any other Government Scheme.)	**Rs. 4,100/-** for repair of partially damaged boats only **Rs. 2,100/-** for repair of partially damaged net **Rs. 9,600/-** for replacement of fully damaged boats **Rs. 2,600/-** for replacement of fully damaged net
	ii) Input subsidy for fish seed farm	**Rs. 8,200** per hectare.

		(This assistance will not be provided if the beneficiary is eligible or has availed of any subsidy/ assistance, for the instant calamity, under any other Government Scheme, except the one time subsidy provided under the Scheme of Department of Animal; Husbandry, Dairying and Fisheries, Ministry of Agriculture.)
8	**HANDICRAFTS/HANDLOOM – ASSISTANCE TO ARTISANS**	
	i) For replacement of damaged tools/ equipment	Rs. 4,100 per artisan for equipments. - Subject to certification by the competent authority designated by the Government about damage and its replacement.
	ii) For loss of raw material/ goods in process/ finished goods	**Rs. 4,100** per artisan for raw material. - Subject to certification by Competent Authority designated by the State Government about loss and its replacement.
9	**HOUSING**	
	a) **Fully damaged/ destroyed houses**	
	i) Pucca house	
	ii) Kutcha House	**Rs. 95,100/-** per house, in plain areas.
	b) **Severely damaged houses**	
	i) Pucca House	**Rs. 1,01,900/-** per house, in hilly areas including Integrated Action Plan (IAP) districts.
	ii) Kutcha House	
	(c) **Partially Damaged Houses** –	
	(i) Pucca (other than huts) where the damage is at least 15 %	**Rs. 5,200/-** per house
	(ii) Kutcha (other than huts) where the damage is at least 15 %	**Rs. 3,200/-** per house
	d) **Damaged / destroyed huts:**	**Rs. 4,100/-** per hut, *(Hut means temporary, make shift unit, inferior to Kutcha house, made of thatch, mud, plastic sheets etc. traditionally recognized as hut by the State/ District authorities.)* *Note*: -The damaged house should be an authorized construction duly certified by the Competent Authority of the State Government.
	e) Cattle shed attached with house	**Rs. 2,100/-** per shed.
10	**INFRASTRUCTURE**	
	Repair/restoration (of immediate nature) of damaged infrastructure: *(1) Roads & bridges (2)Drinking Water Supply Works, (3) Irrigation, (4) Power (only limited to immediate restoration of electricity supply in the affected areas), (5)Schools, (6)Primary Health Centres, (7) Community assets owned by Panchayat.*	*Activities of immediate nature :* Illustrative lists of activities which may be considered as works of an immediate nature are given in the enclosed **Appendix**. *Assessment of requirements :* Based on assessment of need, as per States' costs/ rates/

	Sectors such as Telecommunication and Power (except immediate restoration of power supply), which generate their own revenues, and also undertake immediate repair/ restoration works from their own funds/ resources, are excluded.	schedules for repair, by SEC and recommendation of the Central Team (in case of NDRF). - As regards repair of roads, due consideration shall be given to Norms for Maintenance of Roads in India, 2001, as amended from time to time, for repairs of roads affected by heavy rains/floods, cyclone, landslide, sand dunes, etc. to restore traffic. For reference these norms are ◦ Normal and Urban areas: upto 15% of the total of Ordinary Repair (OR) and Periodical Repair (PR). ◦ Hills: upto 20% of total of OR and PR. - In case of repair of roads, assistance will be given based on the notified Ordinary Repair (OR) and Periodical Renewal (PR) of the State. In case OR & PR rate is not available, then assistance will be provided @ Rs 1 lakh/km for State Highway and Major District Road and @ Rs. 0.60 lakh/km for rural roads. The condition of "State shall first use its provision under the budget for regular maintenance and repair" will no longer be required, in view of the difficulties in monitoring such stipulation, though it is a desirable goal for all the States. - In case of repairs of Bridges and Irrigation works, assistance will be given as per the schedule of rates notified by the concerned States. Assistance for micro irrigation scheme will be provided @ Rs. 1.5 lakh per damaged scheme. Assistance for restoration of damaged medium and large irrigation projects will also be given for the embankment portions, on par with the ease of similar rural roads, subject to the stipulation that no duplication would be done with any ongoing schemes. - Regarding repairs of damaged drinking water schemes, the eligible damaged drinking water structures will be eligible for assistance @ Rs. 1.5 lakh/ damaged structure. - Regarding repair of damaged primary and secondary schools, primary health centres, Anganwadi and community assets owned by the Panchayats, assistance will be given @ Rs 2 lakh/damaged structure. - Regarding repair of damaged power sector, assistance will be given to damaged conductors, poles and transformers upto the level of 11 kV. The rate of assistance will be @ Rs. 4000/poles, Rs 0.50 lakh per km of damaged conductor and Rs. 1.00 lakh per damaged distribution transformer.
11	Procurement of essential search, rescue and evacuation equipments including communication equipments, etc. for response to disaster.	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The total expenditure on this item should not exceed 10 % of the annual allocation of the SDRF.

12	Capacity Building	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The total expenditure on this item should not exceed 5% of the annual allocation of the SDRF.
13.	State specific disasters within the local context in the State, which are not included in the notified list of disasters eligible for assistance from SDRF/ NDRF, can be met from SDRF within the limit of 10% of the annual funds allocation of the SDRF.	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The norm for various items will be the same as applicable to other notified natural disasters, as listed above. or - In these cases, the scale of relief assistance against each item for 'local disaster' should not exceed the norms of SDRF. - The flexibility is to be applicable only after the State has formally listed the disasters for inclusion and notified transparent norms and guidelines with a clear procedure for identification of the beneficiaries for disaster relief for such local disasters', with the approval of SEC.

Note:- (i) The State Governments are to take utmost care and ensure that all individual beneficiary-oriented assistance is necessary/ mandatory disbursed through the bank account (viz; Jan Dhan Yojana etc.) of the beneficiary.

(ii) The scale of relief assistance against each items for all disasters including 'local disaster' should not exceed the norms of SDRF/ NDRF. Any amount spent by the State for such disasters over and above the ceiling would be borne out of the resources of the State Government and not from SDRF.

*****

APPENDIX
(Item No. 10)

Illustrative list of activities identified as of an immediate nature.

1. **Drinking Water Supply :**

   i) Repair of damaged platforms of hand pumps/ring wells/ spring-tapped chambers/public stand posts, cisterns.
   ii) Restoration of damaged stand posts including replacement of damaged pipe lengths with new pipe lengths, cleaning of clear water reservoir (to make it leak proof).
   iii) Repair of damaged pumping machines, leaking overhead reservoirs and water pumps including damaged intake – structure, approach gantries/jetties.

2. **Roads**

   i) Filling up of breaches and potholes, use of pipe for creating waterways, repair and stone pitching of embankments.
   ii) Repair of breached culverts.
   iii) Providing diversions to the damaged/washed out portions of bridges to restore immediate connectivity.
   iv) Temporary repair of approaches to bridges/ embankments of bridges., repair of damaged railing bridges, repair of causeways to restore immediate connectivity, granular sub base, over damaged stretch of roads to restore traffic.

3. **Irrigation :**

   i) Immediate repair of damaged canal structures and earthen/masonry works of tanks and small reservoirs with the use of cement, sand bags and stones.
   ii) Repair of weak areas such as piping or rat holes in dam walls/ embankments.
   iii) Removal of vegetative material/building material/debris from canal and drainage system.
   iv) Repair of embankments of minor, medium and major irrigation projects.

4. **Health :**

   Repair of damaged approach roads, buildings and electrical lines of PHCs/ community Health Centres.

5. **Community assets of Panchayat**

   a) Repair of village internal roads.
   b) Removal of debris from drainage/ sewerage lines.
   c) Repair of internal water supply lines.
   d) Repair of street lights.
   e) Temporary repair of primary schools, Panchayat ghars, community halls, *anganwadi*, etc.

6. **Power:** Poles/ conductors and transformers upto 11 kv.

7. The assistance will be considered as per the merit towards the following activities:

	Items/ Particulars	Norms of assistance will be adopted for immediate repair
i)	Damaged primary school building Higher secondary/ middle/ college and other educational institutions buildings	Up to Rs. 1.50 lakh/ unit Not covered
ii)	Primary Health Centre	Upto Rs. 1.50 lakh/ unit
iii)	Electric poles and wires etc.	Normative cost (Upto Rs.4000 per pole and Rs. 0.50 lakh per km)
iv)	Panchayat Ghar/ Anganwadi/ Mahila Mondal/ Yuva Kendra/ Community Hall	Upto 2.00 lakh/ unit
v)	State Highways/ Major District road	Rs. 1.00 lakh/ km *
vi)	Rural road/ bridge	Rs. 0.60 lakh/km *
vii)	Drinking water scheme	Upto 1.50 lakh/ unit
viii)	Irrigation Sector: Minor irrigation schemes/ Canal Major irrigation scheme Flood control and anti Erosion Protection work	 Upto Rs. 1.50 lakh/ scheme Not covered Not covered
ix)	Hydro Power Project/ HT Distribution systems/ Transformers and sub stations	Not covered
x)	High Tension Lines (above 11 kv)	Not covered
xi)	State Govt Buildings viz. departmental/ office building, departmental/ residential quarters, religious structures, patwarkhana, Court premises, play ground, forest bungalow property and animal/ bird sanctuary etc.	Not covered
xii)	Long terms/ Permanent Restoration work incentive	Not covered
xiii)	Any new work of long term nature	Not covered
xiv)	Distribution of commodities	Not covered. (However, there is a provision for assistance as GR to families in dire need of assistance after a disasters).
xv)	Procurement if equipments/ machineries under NDRF	Not covered
xvi)	National Highways	Not covered (Since GOI born entire expenditure towards restoration works activities)
xvii)	Fodder seed to augment fodder production	Not covered

* If OR & PR rates are not provided by the State.

Ministry of Home Affairs
(Disaster Management Division)

Guidelines on Constitution and Administration of the State Disaster Response Fund (SDRF)

Introduction

1. The State Disaster Response Fund (SDRF) is a fund constituted under section 48(1) (a) of the Disaster Management Act, 2005 (53 of 2005) (hereinafter DM Act, 2005). These guidelines are being issued under section 62 of the DM Act, 2005.

Period of Operation

2. These guidelines will be operative from financial year 2015-16 and will continue till further orders.

Calamities covered under the SDRF

3. (i)The SDRF shall be used only for meeting the expenditure for providing immediate relief to the victims of cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslide, avalanche, cloud burst, pest attack and frost & cold wave.

(ii) A State Government may use up to 10 per cent of the funds available under the SDRF for providing immediate relief to the victims of natural disasters that they consider to be 'disasters' within the local context in the State and which are not included in the notified list of disasters of the Ministry of Home Affairs subject to the condition that the State Government has listed the State specific natural disasters and notified clear and transparent norms and guidelines for such disasters with the approval of the State Authority i.e. the State Executive Authority (SEC). Any amount spent by the state for such disasters over and above the ceiling would be borne out of its resources and would be subject to the same accounting norms.

RDM-RLF-POLICY-0001-2015

Order

In pursuance of item-13 of the Items & Norms of assistance from State Disaster Response Fund and National Disaster Response Fund for the period 2015-2020 communicated vide Ministry of Home Affairs, Government of India letter No.32-7/2014-NDM-I dated 8th April, 2015, the State Government do hereby declare the following disasters as State Specific Disasters within the local context in the State of Odisha (hereinafter called as 'local disasters') for which expenditure on relief measures and immediate repair/ restoration of damaged public infrastructure shall be met from State Disaster Response Fund (SDRF) within the limit of ten percent (10%) of the annual allocation of the SDRF.

1. Lightning
2. Heat wave
3. Whirl wind
4. Tornado
5. Heavy rain
6. Boat accident (other than during flood)
7. Drowning (other than during flood)
8. Snakebite (other than during flood)

All relief measures and repair/ restoration of damaged infrastructure on account of the above local disasters shall be undertaken subject to the following:

1. The scale and norms of various items of relief and for immediate repair/ restoration of damaged public infrastructure, as applicable, shall be same as prescribed under the Items & Norms of assistance from State Disaster Response Fund and National Disaster Response Fund laid down by the Ministry of Home Affairs, Government of India for other natural disasters approved by the Government of India and listed in the Guidelines on Constitution and Administration of the SDRF/ NDRF except that the ex-gratia for death due to heat wave (sun-stroke) shall be provided @ Rs.50,000/- (Rupees Fifty Thousand) only per deceased.
2. The procedure for identification of beneficiaries as well as sanction and disbursement of relief shall be followed as in case of other natural disasters approved by the Government of India and listed in the Guidelines on Constitution and Administration of the SDRF/ NDRF.

3. 'Heavy rain' will have same meaning as defined under the Odisha Relief Code.
4. Post mortem report shall be mandatorily referred for sanction of ex-gratia assistance for loss of human life except where the body is not recovered.

   Provided that where a person is admitted to a hospital/ medical institution after being affected by a disaster and his/ her death has occurred during treatment in such hospital/ medical institution, the cause of death reported by the treating medical officer may be referred for sanction of the ex-gratia assistance. But, if no opinion is formed by the treating medical officer about the cause of death in such case, post mortem should be carried out for ascertaining the same.

   In case of report of death of a person due to heat wave/ sun-stroke, except where the death has occurred in a hospital/ medical institution after being admitted and treated there, in addition to the post mortem report, a joint enquiry shall be conducted by the local Revenue Officer authorized by the Sub-Collector or the Collector and the local Medical Officer of the PHC/ SHC/ CHC/Sub-divisional or District Headquarters Hospital, which shall be taken into consideration for sanction of the ex-gratia assistance.
5. All individual beneficiary oriented assistances shall be disbursed through bank account of the beneficiary.
6. This Order will be effective from **1st April, 2015**.

DISTRICT DISASTER MANAGEMENT PLAN - Vol- II
District- Sundargarh

District Disaster Management Authority, Sundargarh.

Odisha

FOREWORD

The District Disaster Management Plan of Sundargarh District for the year 2019 (Vol-I) and (Vol-II) includes the facts and figures that have been collected from various formal and informal sources with a view to meeting the challenges during any disaster. It is a continuous process to enhance and it will be modify time to time as per needs under the guidance of District Disaster Management Authority, Sundargarh.

The Plan has been prepared as per the provision made in the Disaster Management Aqct 2005, Section 31 (1) and as per section 31 (4) it will be reviewed and updated annually. This has been prepared with the involvement of all stakeholders.

All are cordially invited for their valuable needful suggestion which is to be incorporated in the plan.

Chairperson, *ex-officio*
Collector and District Magistrate,
District Disaster Management Authority, Sundargarh.

COLLECTOR, SUNDARGARH

Financial Arrangement

Figure__ Government of India Notification on Items and Norms assistance from the SDRF and NDRF

No. 32-7/2014-NDM-I
Government of India
Ministry of Home Affairs
(Disaster Management Division)

'C' Wing, 3rd Floor, NDCC- II,
Jai Singh Road, New Delhi-110001,
Dated the 8th April 2015

To

1. Chief Secretaries of all States
2. The Relief Commissioners / Secretaries, Department of Disaster Management of all States

Subject: - Items and Norms of assistance from the State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) for the period 2015 -- 2020.

Sir/ Madam,

I am directed to state that based on consideration of the recommendations of Fourteenth Finance Commission (FFC) on financing of expenditure on immediate relief during natural disasters for the period 2015--2020 and the report of the Expert Group set up by this Ministry, the Government of India has revised the items and norms for assistance from SDRF/ NDRF. The approved list of items and norms for assistance from SDRF / NDRF in the wake of identified natural disasters is **Annexed**. The revised norms will be effective from 1st April 2015. However, the farmers affected by hailstorms in different parts of the country during February/ March 2015 will also be given assistance under the new norms.

2. The revised items and norms can also be downloaded from website of Disaster Management Division of Ministry of Home Affairs i.e. *www.ndmindia.nic.in*.

3. As the first charge on SDRF should be on a disaster of severe nature, there has been a requirement to adjust balance amount of SDRF whenever NDRF amount is released. This procedure stands revised as follows:-

50% of SDRF balance, as on 31st March of the preceding financial year, will be adjusted while releasing the assistance from NDRF for the first disaster in a financial year. In case the same State faces another severe disaster during the same year, no adjustment will be made while releasing NDRF assistance.

4. A copy of the communication alongwith their enclosure is also being sent to the Accountants Generals of the States for necessary action.

5. This supersedes this Ministry's earlier letters on this subject, the last being No.32-3/2013-NDM-I dated the 28th November, 2013 and No. 32-3/2013 NDM-1 dated 5th March 2014.

Yours faithfully,

(Goutam Ghosh)
Deputy Secretary to the Govt. of India
Telefax: 23438123

Encl: As above.

Copy for information and necessary follow up action to:-

1. Accountants General of all State Governments.
2. Comptroller & Auditor General (CAG), New Delhi.

REVISED LIST OF ITEMS AND NORMS OF ASSISTANCE FROM STATE DISASTER RESPONSE FUNDS (SDRF) AND NATIONAL DISASTER RESPONSE FUND (NDRF)

(Period 2015-20, MHA Letter No. 32-7/2014-NDM-I Dated 8th April 2015)

Sl. No.	Items	NORMS OF ASSISTANCE
1	2	3
1.	Gratuitous Relief	
	a) Ex-Gratia payment to families of deceased persons.	**Rs.4.00 lakh** per deceased person including those involved in relief operations or associated in preparedness activities, subject to certification regarding cause of death from appropriate authority.
	b) Ex-Gratia payment for loss of a limb or eye(s).	**Rs. 59100/-** per person, when the disability is between 40% and 60%. **Rs. 2.00 lakh** per person, when the disability is more than 60%. Subject to certification by a doctor from a hospital or dispensary of Government, regarding extent and cause of disability.
	c) Grievous injury requiring hospitalization	**Rs. 12,700/-** per person requiring hospitalization for more than a week. Rs. 4,300/- per person requiring hospitalization for less than a week.
	d) Clothing and utensils/ house-hold goods for families whose houses have been washed away/ fully damaged/severely inundated for more than two days due to a natural calamity.	**Rs.1,800/-** per family, for loss of clothing. Rs.2,000/- per family, for loss of utensils/ household goods.
	e) Gratuitous relief for families whose livelihood is seriously affected.	**Rs. 60/-** per adult and **Rs. 45/-** per child, not housed in relief camps. State Govt. will certify that identified beneficiaries are not housed in relief camps. Further State Government will provide the basis and process for arriving at such beneficiaries district-wise. Period for providing gratuitous relief will be as per assessment of the State Executive Committee (SEC) and the Central Team (in case of NDRF). The default period of assistance will upto to 30 days, which may be extended upto 60 days in the first instance, if required, and subsequently upto 90 days in case of drought/ pest attack. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year.
	SEARCH & RESCUE OPERATIONS	
	(a) Cost of search and rescue measures/ evacuation of people affected/ likely to be affected	As per actual cost incurred, assessed by SEC and recommended by the Central Team (in case of NDRF).

		- By the time the Central Team visits the affected area, these activities are already over. Therefore, the State Level Committee and the Central Team can recommend actual/ near-actual costs.
	(b) Hiring of boats for carrying immediate relief and saving lives.	As per actual cost incurred, assessed by SEC and recommended by the Central Team (in case of NDRF). The quantum of assistance will be limited to the actual expenditure incurred on hiring boats and essential equipment required for rescuing stranded people and thereby saving human lives during a notified natural calamity.
3	**RELIEF MEASURES**	
	a) Provision for temporary accommodation, food, clothing, medical care, etc. for people affected/ evacuated and sheltered in relief camps.	As per assessment of need by SEC and recommendation of the Central Team (in case of NDRF), for a period up to 30 days. The SEC would need to specify the number of camps, their duration and the number of persons in camps. In case of continuation of a calamity like drought, or widespread devastation caused by earthquake or flood etc., this period may be extended to 60 days, and upto 90 days in cases of severe drought. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year. Medical care may be provided from National Rural Health Mission (NRHM).
	b) Air dropping of essential supplies	As per actual, based on assessment of need by SEC and recommendation of the Central Team (in case of NDRF). - The quantum of assistance will be limited to actual amount raised in the bills by the Ministry of Defence for airdropping of essential supplies and rescue operations only.
	c) Provision of emergency supply of drinking water in rural areas and urban areas	As per actual cost, based on assessment of need by SEC and recommended by the Central Team (in case of NDRF), up to 30 days and may be extended upto 90 days in case of drought. Depending on the ground situation, the State Executive Committee can extend the time perind beyond the prescribed limit subject to that expenditure on this account should not exceed 25% of SDRF allocation for the year.
4.	**CLEARANCE OF AFFECTED AREAS**	
	a) Clearance of debris in public areas.	As per actual cost within 30 days from the date of start of the work based on assessment of need by SEC for the assistance to be provided under SDRF and as per assessment of the Central team for assistance to be provided under NDRF.
	b) Draining off flood water in affected areas	As per actual cost within 30 days from the date of start of the work based on assessment of need by SEC for the assistance to be provided under SDRF and as per assessment of the Central team(in case of NDRF).
	c) Disposal of dead bodies/ Carcases	As per actuals, based on assessment of need by SEC and

2

		recommendation of the Central Team (in case of NDRF).
5	**AGRICULTURE**	
(i)	*Assistance farmers having landholding upto 2 ha*	
A.	**Assistance for land and other loss**	
	a). De-silting of agricultural land (where thickness of sand/ silt deposit is more than 3", to be certified by the competent authority of the State Government.)	**Rs. 12,200/-** per hectare for each item. (Subject to the condition that no other assistance/ subsidy has been availed of by/ is eligible to the beneficiary under any other Government Scheme)
	b) Removal of debris on agricultural land in hilly areas	
	c) De-silting/ Restoration/ Repair of fish farms	
	d) Loss of substantial portion of land caused by landslide, avalanche, change of course of rivers.	**Rs. 37,500/-** per hectare to only those small and marginal farmers whose ownership of the land is legitimate as per the revenue records.
B.	**Input subsidy (where crop loss is 33% and above)**	
	a) For agriculture crops, horticulture crops and annual plantation crops	**Rs. 6,800/-** per ha. in rainfed areas and restricted to sown areas. **Rs. 13,500/-** per ha. in assured irrigated areas, subject to minimum assistance not less than Rs.1000 and restricted to sown areas.
	b) Perennial crops	**Rs. 18,000/-** ha. for all types of perennial crops subject to minimum assistance not less than Rs. 2000/- and restricted to sown areas.
	c) Sericulture	**Rs. 4,800/-** per ha. for Eri, Mulberry, Tussar **Rs. 6,000/-** per ha. for Muga.
(ii)	**Input subsidy to farmers *having more than 2 Ha of landholding***	**Rs. 6,800/-** per hectare in rainfed areas and restricted to sown areas. **Rs.13,500/-** per hectare for areas under assured irrigation and restricted to sown areas. **Rs. 18,000/-** per hectare for all types of perennial crops and restricted to sown areas. Assistance may be provided where crop loss is 33% and above, subject to a ceiling of 2 ha. per farmer.
6	**ANIMAL HUSBANDRY - ASSISTANCE TO SMALL AND MARGINAL FARMERS**	
	i) Replacement of milch animals, draught animals or animals used for haulage.	*Milch animals* - **Rs. 30,000/-** Buffalo/ cow/ camel/ yak/ Mithun etc. **Rs. 3,000/-** Sheep/ Goat/ Pig *Draught animals* - **Rs. 25000/-** Camel/ horse/ bullock, etc. **Rs. 16,000/-** Calf/ Donkey/ Pony/ Mule - The assistance may be restricted for the actual loss of economically productive animals and will be subject to a

3

		ceiling of 3 large milch animals or 30 small milch animals or 3 large draught animals or 6 small draught animals per household irrespective of whether a household has lost a larger number of animals. (The loss is to be certified by the Competent Authority designated by the State Government). *Poultry:-* Poultry @ **50/- per bird** subject to a ceiling of assistance of **Rs 5000/-** per beneficiary household. The death of the poultry birds should be on account of a natural calamity. *Note:* - Relief under these norms is not eligible if the assistance is available from any other Government Scheme, e.g. loss of birds due to Avian Influenza or any other diseases for which the Department of Animal Husbandry has a separate scheme for compensating the poultry owners.
	ii) Provision of fodder / feed concentrate including water supply and medicines in cattle camps.	Large animals- **Rs. 70/-** per day. Small animals- **Rs. 35/-** per day. Period for providing relief will be as per assessment of the State Executive Committee (SEC) and the Central Team (in case of NDRF). The default period for assistance will be upto 30 days, which may be extended upto 60 days in the first instance and in case of severe drought up to 90 days. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit, subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year. Based on assessment of need by SEC and recommendation of the Central Team, (in case of NDRF) consistent with estimates of cattle as per Livestock Census and subject to the certificate by the competent authority about the requirement of medicine and vaccine being calamity related.
	iii) Transport of fodder to cattle outside cattle camps	As per actual cost of transport, based on assessment of need by SEC and recommendation of the Central Team (in case of NDRF) consistent with estimates of cattle as per Livestock Census.
7	**FISHERY**	
	i) Assistance to Fisherman for repair / replacement of boats, nets – damaged or lost -- Boat -- Dugout-Canoe -- Catamaran -- net (This assistance will not be provided if the beneficiary is eligible or has availed of any subsidy/ assistance, for the instant calamity, under any other Government Scheme.)	**Rs. 4,100/-** for repair of partially damaged boats only **Rs. 2,100/-** for repair of partially damaged net **Rs. 9,600/-** for replacement of fully damaged boats **Rs. 2,600/-** for replacement of fully damaged net
	ii) Input subsidy for fish seed farm	Rs. 8,200 per hectare.

4

		(This assistance will not be provided if the beneficiary is eligible or has availed of any subsidy/ assistance, for the instant calamity, under any other Government Scheme, except the one time subsidy provided under the Scheme of Department of Animal; Husbandry, Dairying and Fisheries, Ministry of Agriculture.)
8	**HANDICRAFTS/HANDLOOM – ASSISTANCE TO ARTISANS**	
	i) For replacement of damaged tools/ equipment	Rs. 4,100 per artisan for equipments. - Subject to certification by the competent authority designated by the Government about damage and its replacement.
	ii) For loss of raw material/ goods in process/ finished goods	**Rs. 4,100** per artisan for raw material. - Subject to certification by Competent Authority designated by the State Government about loss and its replacement.
9	**HOUSING**	
	a) **Fully damaged/ destroyed houses**	
	i) Pucca house	Rs. 95,100/- per house, in plain areas. Rs. 1,01,900/- per house, in hilly areas including Integrated Action Plan (IAP) districts.
	ii) Kutcha House	
	b) **Severely damaged houses**	
	i) Pucca House	
	ii) Kutcha House	
	(c) **Partially Damaged Houses** –	
	(i) Pucca (other than huts) where the damage is at least 15 %	Rs. 5,200/- per house
	(ii) Kutcha (other than huts) where the damage is at least 15 %	Rs. 3,200/- per house
	d) **Damaged / destroyed huts:**	Rs. 4,100/- per hut, *(Hut means temporary, make shift unit, inferior to Kutcha house, made of thatch, mud, plastic sheets etc. traditionally recognized as hut by the State/ District authorities.)* *Note*: -The damaged house should be an authorized construction duly certified by the Competent Authority of the State Government.
	e) Cattle shed attached with house	Rs. 2,100/- per shed.
10	INFRASTRUCTURE	
	Repair/restoration (of immediate nature) of damaged infrastructure: *(1) Roads & bridges (2)Drinking Water Supply Works, (3) Irrigation, (4) Power (only limited to immediate restoration of electricity supply in the affected areas), (5)Schools, (6)Primary Health Centres, (7) Community assets owned by Panchayat.*	*Activities of immediate nature :* Illustrative lists of activities which may be considered as works of an immediate nature are given in the enclosed Appendix. *Assessment of requirements :* Based on assessment of need, as per States' costs/ rates/

	Sectors such as Telecommunication and Power (except immediate restoration of power supply), which generate their own revenues, and also undertake immediate repair/ restoration works from their own funds/ resources, are excluded.	schedules for repair, by SEC and recommendation of the Central Team (in case of NDRF). - As regards repair of roads, due consideration shall be given to Norms for Maintenance of Roads in India, 2001, as amended from time to time, for repairs of roads affected by heavy rains/floods, cyclone, landslide, sand dunes, etc. to restore traffic. For reference these norms are ◦ Normal and Urban areas: upto 15% of the total of Ordinary Repair (OR) and Periodical Repair (PR). ◦ Hills: upto 20% of total of OR and PR. - In case of repair of roads, assistance will be given based on the notified Ordinary Repair (OR) and Periodical Renewal (PR) of the State. In case OR & PR rate is not available, then assistance will be provided @ Rs 1 lakh/km for State Highway and Major District Road and @ Rs. 0.60 lakh/km for rural roads. The condition of "State shall first use its provision under the budget for regular maintenance and repair" will no longer be required, in view of the difficulties in monitoring such stipulation, though it is a desirable goal for all the States. - In case of repairs of Bridges and Irrigation works, assistance will be given as per the schedule of rates notified by the concerned States. Assistance for micro irrigation scheme will be provided @ Rs. 1.5 lakh per damaged scheme. Assistance for restoration of damaged medium and large irrigation projects will also be given for the embankment portions, on par with the case of similar rural roads, subject to the stipulation that no duplication would be done with any ongoing schemes. - Regarding repairs of damaged drinking water schemes, the eligible damaged drinking water structures will be eligible for assistance @ Rs. 1.5 lakh/ damaged structure. - Regarding repair of damaged primary and secondary schools, primary health centres, Anganwadi and community assets owned by the Panchayats, assistance will be given @ Rs 2 lakh/damaged structure. - Regarding repair of damaged power sector, assistance will be given to damaged conductors, poles and transformers upto the level of 11 kV. The rate of assistance will be @ Rs. 4000/poles, Rs 0.50 lakh per km of damaged conductor and Rs. 1.00 lakh per damaged distribution transformer.
11	Procurement of essential search, rescue and evacuation equipments including communication equipments, etc. for response to disaster.	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The total expenditure on this item should not exceed 10 % of the annual allocation of the SDRF.

12	Capacity Building	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The total expenditure on this item should not exceed 5% of the annual allocation of the SDRF.
13.	State specific disasters within the local context in the State, which are not included in the notified list of disasters eligible for assistance from SDRF/ NDRF, can be met from SDRF within the limit of 10% of the annual funds allocation of the SDRF.	- Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). - The norm for various items will be the same as applicable to other notified natural disasters, as listed above. or - In these cases, the scale of relief assistance against each item for 'local disaster' should not exceed the norms of SDRF. - The flexibility is to be applicable only after the State has formally listed the disasters for inclusion and notified transparent norms and guidelines with a clear procedure for identification of the beneficiaries for disaster relief for such local disasters', with the approval of SEC.

Note:- (i) The State Governments are to take utmost care and ensure that all individual beneficiary-oriented assistance is necessary/ mandatory disbursed through the bank account (viz; Jan Dhan Yojana etc.) of the beneficiary.

(ii) The scale of relief assistance against each items for all disasters including 'local disaster' should not exceed the norms of SDRF/ NDRF. Any amount spent by the State for such disasters over and above the ceiling would be borne out of the resources of the State Government and not from SDRF.

*****

APPENDIX
(Item No. 10)

Illustrative list of activities identified as of an immediate nature.

1. **Drinking Water Supply :**

   i) Repair of damaged platforms of hand pumps/ring wells/ spring-tapped chambers/public stand posts, cisterns.
   ii) Restoration of damaged stand posts including replacement of damaged pipe lengths with new pipe lengths, cleaning of clear water reservoir (to make it leak proof).
   iii) Repair of damaged pumping machines, leaking overhead reservoirs and water pumps including damaged intake – structure, approach gantries/jetties.

2. **Roads**

   i) Filling up of breaches and potholes, use of pipe for creating waterways, repair and stone pitching of embankments.
   ii) Repair of breached culverts.
   iii) Providing diversions to the damaged/washed out portions of bridges to restore immediate connectivity.
   iv) Temporary repair of approaches to bridges/ embankments of bridges., repair of damaged railing bridges, repair of causeways to restore immediate connectivity, granular sub base, over damaged stretch of roads to restore traffic.

3. **Irrigation :**

   i) Immediate repair of damaged canal structures and earthen/masonry works of tanks and small reservoirs with the use of cement, sand bags and stones.
   ii) Repair of weak areas such as piping or rat holes in dam walls/ embankments.
   iii) Removal of vegetative material/building material/debris from canal and drainage system.
   iv) Repair of embankments of minor, medium and major irrigation projects.

4. **Health :**

   Repair of damaged approach roads, buildings and electrical lines of PHCs/ community Health Centres.

5. **Community assets of Panchayat**

   a) Repair of village internal roads.
   b) Removal of debris from drainage/ sewerage lines.
   c) Repair of internal water supply lines.
   d) Repair of street lights.
   e) Temporary repair of primary schools, Panchayat ghars, community halls, *anganwadi*, etc.

6. **Power:** Poles/ conductors and transformers upto 11 kv.

8

7. The assistance will be considered as per the merit towards the following activities:

	Items/ Particulars	Norms of assistance will be adopted for immediate repair
i)	Damaged primary school building Higher secondary/ middle/ college and other educational institutions buildings	Up to Rs. 1.50 lakh/ unit Not covered
ii)	Primary Health Centre	Upto Rs. 1.50 lakh/ unit
iii)	Electric poles and wires etc.	Normative cost (Upto Rs.4000 per pole and Rs. 0.50 lakh per km)
iv)	Panchayat Ghar/ Anganwadi/ Mahila Mondal/ Yuva Kendra/ Community Hall	Upto 2.00 lakh/ unit
v)	State Highways/ Major District road	Rs. 1.00 lakh/ km *
vi)	Rural road/ bridge	Rs. 0.60 lakh/km *
vii)	Drinking water scheme	Upto 1.50 lakh/ unit
viii)	Irrigation Sector: Minor irrigation schemes/ Canal Major irrigation scheme Flood control and anti Erosion Protection work	 Upto Rs. 1.50 lakh/ scheme Not covered Not covered
ix)	Hydro Power Project/ HT Distribution systems/ Transformers and sub stations	Not covered
x)	High Tension Lines (above 11 kv)	Not covered
xi)	State Govt Buildings viz. departmental/ office building, departmental/ residential quarters, religious structures, patwarkhana, Court premises, play ground, forest bungalow property and animal/ bird sanctuary etc.	Not covered
xii)	Long terms/ Permanent Restoration work incentive	Not covered
xiii)	Any new work of long term nature	Not covered
xiv)	Distribution of commodities	Not covered. (However, there is a provision for assistance as GR to families in dire need of assistance after a disasters).
xv)	Procurement if equipments/ machineries under NDRF	Not covered
xvi)	National Highways	Not covered (Since GOI born entire expenditure towards restoration works activities)
xvii)	Fodder seed to augment fodder production	Not covered

* If OR & PR rates are not provided by the State.
