

## Government of Odisha Office of Special Relief Commissioner

No. 2686 / R&DM(DM) Date: **19.05.2021** 

From

Dr. Kamal Lochan Mishra Additional Commissioner, Relief

To

**ALL COLLECTORS** 

Sub: Inventory of Search & Rescue Equipments located in different locations.

Sir,

I am directed to say that in view of the impending cyclonic situation, it is necessary to keep the equipment ready for search and rescue in case of any eventuality. As ascertained the search and rescue equipment like Inflatable Tower Light, Gen Sets, Power cutter etc. are available in the Cyclone/Flood shelters and in other locations.

It is, therefore, requested to immediately depute district level teams involving the fire officers to make an inventory of the equipment available in the Cyclone/ Flood shelters and other locations of the district and report in the following format latest by **21.05.2020** positively.

This may please be treated as "MOST URGENT".

Yours faithfully,

Additional Commissioner, Relief
